Plastic-Free Jan 29 2023 “Guides readers toward the road less consumptive, offering practical advice and moral support while making a convincing case that individual actions . . . do matter.” —Elizabeth Royte, author, *Garbage Land* and *Bottlemania* Like many people, Beth Terry didn't think an individual could have much impact on the environment. But while laid up after surgery, she read an article about the staggering amount of plastic polluting the oceans, and decided then and there to kick her plastic habit. In *Plastic-Free*, she shows you how you can too, providing personal anecdotes, stats about the environmental and health problems related to plastic, and individual solutions and tips on how to limit your plastic footprint. Presenting both beginner and advanced steps, Terry includes handy checklists and tables for easy reference, ways to get involved in larger community actions, and profiles of individuals—*Plastic-Free Heroes*—who have gone beyond personal solutions to create change on a larger scale. Fully updated for the paperback edition, *Plastic-Free* also includes sections on letting go of eco-guilt, strategies for coping with overwhelming problems, and ways to relate to other people who aren't as far along on the plastic-free path. Both a practical guide and the story of a personal journey from helplessness to empowerment, *Plastic-Free* is a must-read for those concerned about the ongoing health and happiness of themselves, their children, and the planet.

The Travel Detective Apr 19 2022 Renowned travel authority and NBC Today show travel editor Peter Greenberg shares his insider secrets. Americans now travel more than ever before. Yet as our traveling has increased, the service we receive from airlines, hotels, and other agencies has deteriorated dramatically. Industry surveys reveal what you already feel: growing dissatisfaction among travelers of every age, income, and education level. We've been abused by the travel experience. Peter Greenberg is here to help. *The Travel Detective* tells you the things most travel agents can't — or sometimes just won't — tell you. In his characteristic friendly and conversational tone, Greenberg tells how to find the secret walk-up fares that can save air travelers hundreds, if not thousands of dollars on last minutes flights; which coach seats on which planes are better than first class; the secret rule to know to avoid being bumped from a flight, which cruise ship brochures lie; which credit card companies are fastest — and slowest — to come to your aid in a foreign land, or worse, in the U.S.; which hotels have the best — and the worst — fire and crime safety records, and how you can protect yourself; how to negotiate the best hotel room deal; which hotels have the worst water pressure in their showers (and better yet, how you can get great water pressure, even at those hotels); and much, much more. Accessible and entertaining, *The Travel Detective* gives you the information and tools you need to make every trip an affordable pleasure.

Death Punch'd Mar 26 2020 From the cofounder of Five Finger Death Punch, a fascinating inside account of one of the most successful heavy-metal bands of the past decade, and a revealing personal journey through the wild highs and terrifying lows of the rock and roll lifestyle—a wry and rollicking tale of music, addiction, and recovery. Hailed by the *New York Times* as one of the most unexpectedly consistently popular bands on the rock charts, Five Finger Death Punch has become the new heavyweight champ of the metal scene. In this high-energy memoir, Jeremy Spencer, the band's cofounder and drummer, takes us onstage and behind the scenes, on tour and into the studio to tell the band's story and his own. *Death Punch'd* is a detailed in-depth account of the group's origins and influences, as well as the infighting and tensions that, when channeled properly, result in the music fans love. It is also the hard-charging, laugh-out-loud tale of how a

mischievous boy rose from small-town Indiana to rock royalty—and how he nearly destroyed it all for a good time. Told in his unique, self-deprecating voice, filled with his twisted and humorous take on living the sex, drugs and rock ‘n’ roll dream turned nightmare, and including dozens of photos, *Death Punch’d* is a lively, no-holds-barred ride and an inspiring cautionary tale that offers lessons for us all.

Floyd Cardoz: Flavorwalla Jul 23 2022 From the Winner of Top Chef Masters “A fun, fresh, and inspiring collection that deserves room on any self-respecting home cook’s bookshelf.” —Publishers Weekly, starred review At his many successful restaurants, including New York City’s famed Tabla, Floyd Cardoz built a name for himself by bringing extraordinary flavors to everyday foods and using spice to turn a dish into something distinct and memorable. In *Floyd Cardoz: Flavorwalla*, readers will learn how Cardoz amplifies the flavors in more than 100 recipes. The simple addition of mustard seed and lemon makes grilled asparagus a revelation; slow-cooking salmon with fennel and coriander takes it to another level. But this husband and dad has the same challenges we do when cooking for our families, for guests, and for special occasions. Here he presents the recipes he cooks at home, where even the humblest of ingredients—such as eggs, steak, and vegetables—benefit from his nuanced use of spice and simple yet impeccable techniques, making this book an indispensable resource for getting weeknight dinners on the table or for cooking a holiday meal. The standout recipes include Grilled Lamb Shanks with Salsa Verde; Shrimp with Spicy Tomato Sauce; Coconut Basmati Pilaf; Roasted Cauliflower with Candied Ginger, Pine Nuts, and Raisins; and Cardoz’s Tamarind Margaritas, of course.

Antistatic Sprays Feb 03 2021 Antistatic sprays from several different manufacturers are examined. The sprays are examined for contamination potential (i.e., outgassing and nonvolatile residue), corrosiveness on an aluminum mirror surface, and electrostatic

effectiveness. In addition, the chemical composition of the antistatic sprays is determined by infrared spectrophotometry, mass spectrometry, and ultraviolet spectrophotometry. The results show that 12 of the 17 antistatic sprays examined have a low contamination potential. Of these sprays, 7 are also noncorrosive to an aluminum surface. And of these, only 2 demonstrate good electrostatic properties with respect to reducing voltage accumulation; these sprays did not show a fast voltage dissipation rate however. The results indicate that antistatic sprays can be used on a limited basis where contamination potential, corrosiveness, and electrostatic effectiveness is not critical. Each application is different and proper evaluation of the situation is necessary. Information on some of the properties of some antistatic sprays is presented in this document to aid in the evaluation process. Ming, James E. Goddard Space Flight Center

Pride Jun 21 2022 In a timely update of Jane Austen's *Pride and Prejudice*, National Book Award finalist Ibi Zoboi skillfully balances cultural identity, class, and gentrification against the heady magic of first love in her vibrant reimagining of this beloved classic. A smart, funny, gorgeous retelling starring all characters of color. Zuri Benitez has pride. Brooklyn pride, family pride, and pride in her Afro-Latino roots. But pride might not be enough to save her rapidly gentrifying neighborhood from becoming unrecognizable. When the wealthy Darcy family moves in across the street, Zuri wants nothing to do with their two teenage sons, even as her older sister, Janae, starts to fall for the charming Ainsley. She especially can't stand the judgmental and arrogant Darius. Yet as Zuri and Darius are forced to find common ground, their initial dislike shifts into an unexpected understanding. But with four wild sisters pulling her in different directions, cute boy Warren vying for her attention, and college applications hovering on the horizon, Zuri fights to find her place in Bushwick's changing landscape, or lose it all. "Zoboi skillfully depicts the vicissitudes of teenage relationships, and Zuri's outsize pride and poetic sensibility make her a sympathetic teenager in a contemporary story about race, gentrification, and young love." (Publishers Weekly, "An Anti-Racist Children's and YA Reading List")

How To Stay Married Dec 24 2019 When Jilly Cooper, then a young Sunday Times journalist, was asked to write a book on marriage, she had been married to Leo Cooper for a mere seven years. Now they are celebrating their Golden Wedding, and although the institution of marriage has changed a great deal since this book was first written, much of Jilly's advice - frank, fearless, often hilarious, but always wise - still holds good. From the wedding and the honeymoon to life afterwards, including how to deal with the in-laws and how to tell if you spouse is having an affair, she dispenses anecdotes, jokes, common sense and endless optimism and fun.

Beyond Collapse Oct 14 2021 Civilizations come and go... ..and they don't always go quietly. In our global civilization, the consequence of it all crashing is going to be far-reaching, and with nowhere to hide. With so many moving parts and a lack of long-term stewardship by our leaders, odds are good that you will want to make at least a few preparations... but the question you often ask is: how? That's where I come in. In *Beyond Collapse*, we not only get you prepared for such an event, but we also help you and your fellow survivors come together, defend

one another, preserve what may be lost and rebuild civilization together. Unlike most books of this type, we don't require a paramilitary mindset, tinfoil headgear, bunkers, or living "off-grid." Everything in here is geared towards gaining skills and resources that are just as useful and socially acceptable in peaceful times as they will be when society and civilization crashes. You will find this book useful for beginners, or those who have been preparing for a long time. The best part is, you will find it useful even if civilization holds up just fine.

Harry Potter: A Pop-Up Guide to Hogwarts Mar 31 2023 A 3-D masterpiece celebrating Harry Potter's Hogwarts School of Witchcraft and Wizardry from New York Times best-selling pop-up engineer Matthew Reinhart. Harry Potter: A Pop-Up Guide to Hogwarts is an exhilarating, interactive guide to the iconic school of witchcraft and wizardry. This book features spectacular pop-up re-creations of key locations inside and outside Hogwarts castle, and it opens flat to form a pop-up map of the castle and its grounds—including the Quidditch pitch, the Forbidden Forest, and beyond. In addition to large pops on each spread, numerous mini-pops bring to life beloved elements from the Harry Potter films, such as the Marauder's Map and the Flying Ford Anglia. Each pop includes insightful text about Hogwarts as seen in the films, making for a must-have collectible for fans of the wizarding world. NOTE: Before unfolding the Hogwarts map, unhook the two manila tabs on each spread by gently pushing them out from underneath. There are eight tabs in total to release.

A Promised Land Nov 14 2021 THE #1 SUNDAY TIMES BESTSELLER A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy - and the perfect gift this Christmas! 'Gorgeously written, humorous, compelling, life affirming' Justin Webb, Mail on Sunday In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. A Promised Land is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of "hope and change," and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common

understanding and built together, day by day. 'What is unexpected in A Promised Land is the former president's candour' David Olusoga, Observer

Women in White Coats May 21 2022 NEW YORK TIMES BESTSELLER! For fans of Hidden Figures and Radium Girls comes the remarkable story of three Victorian women who broke down barriers in the medical field to become the first women doctors, revolutionizing the way women receive health care. In the early 1800s, women were dying in large numbers from treatable diseases because they avoided receiving medical care. Examinations performed by male doctors were often demeaning and even painful. In addition, women faced stigma from illness—a diagnosis could greatly limit their ability to find husbands, jobs or be received in polite society. Motivated by personal loss and frustration over inadequate medical care, Elizabeth Blackwell, Elizabeth Garrett Anderson and Sophia Jex-Blake fought for a woman's place in the male-dominated medical field. For the first time ever, *Women in White Coats* tells the complete history of these three pioneering women who, despite countless obstacles, earned medical degrees and paved the way for other women to do the same. Though very different in personality and circumstance, together these women built women-run hospitals and teaching colleges—creating for the first time medical care for women by women. With gripping storytelling based on extensive research and access to archival documents, *Women in White Coats* tells the courageous history these women made by becoming doctors, detailing the boundaries they broke of gender and science to reshape how we receive medical care today.
