American History Jan 11 2021 Highly-respected for its impeccable scholarship and elegant writing style, *American History: A Survey* provides students and instructors with a comprehensive account of the American past in which no single approach or theme predominates. From its first edition, this text has included a scrupulous account of American political and diplomatic history. Today, however, the book explores areas of history such as social, cultural, urban, racial and ethnic history, more history of the West and South, environmental history, and the history of women and gender. In addition, American history has not evolved in a vacuum, but as part of a larger global world. The eleventh edition of this text places American history into that global context, making connections for students who live in an ever-expanding world themselves.

American History Nov 08 2020

Becoming America Dec 10 2020 "We wrote *Becoming America* in and for a new century,

inspired by recent shifts in historical scholarship and the interests and learning styles of a new generation of students. Today's students live in a world where cultural, technological, and environmental transformation are palpably experienced and keenly debated. Paralleling this reorientation, the topics of environmental change, religious ritual, mass communications, technological innovation, and popular entertainment have become central and compelling subjects of historians' research and teaching. Becoming America seamlessly weaves these fascinating dimensions of the past into the core narrative of American history to produce an account that we believe students will find exciting, memorable, and relevant"--

American History: Connecting with the Past Volume 2 May 03 2020 Brinkley's American History, a comprehensive U.S. History program, transforms the learning experience through proven, adaptive technology helping students better grasp the issues of the past while providing instructors greater insight on student performance. Known for its clear, single voice and balanced scholarship, Brinkley asks students to think historically about the many forces shaping and re-shaping our dynamic history. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Experience History: Interpreting America's Past Jun 15 2021 Connect students to the stories of history. Connect students to the experience of history. Connect students to success in history. At McGraw-Hill, we have spent the past few years deepening our understanding of the student and instructor experience. Employing a wide array of research tools including surveys, focus groups, and ethnographic studies, we've identified areas in need of improvement to provide an opportunity for greater learning and teaching experiences. Experience History is a direct result of this. Experience History is also a first in American History. Its groundbreaking adaptive diagnostic and interactive exercises paired with its lively narrative and engaging visuals create a unique teaching and learning environment propelling greater student success and better course results. Instructors gain

better insight into students' engagement and understanding as students develop a base of knowledge and construct critical thinking skills. Gripping stories keep students turning the page while the adaptive diagnostics for each chapter and a personalized study plan for each individual student help students prepare for class discussions and course work while enjoying increased course success. Experience History emphasizes that history is not just a collection of proven facts, but is "created" from the detective work of historians examining evidence from the past. Providing the interactive environment that only an integrated solution can provide, Experience History gives students the opportunity to examine primary sources and explore specific periods and events. This leads to greater understanding as well as the building and practicing of critical thinking skills. As students uniquely experience American History, Experience History propels students to greater understanding while achieving greater course success. Give students an experience. Improve course participation and performance. Experience History, and experience success.

Brinkley, American History, AP Edition May 15 2021 Aligned to the latest AP standards, American History, AP edition, shows students that history is not just a collection of names and dates, but an ongoing story which teaches us about the present as well as the past! Known for its clear narrative voice and impeccable scholarship, Alan Brinkley's best-selling text invites students to think critically about the many forces that continually create the United States. In a concise but wide-ranging narrative, Brinkley shows the diversity and complexity of the nation and of our understanding of its history—an understanding that continues to evolve both in the events of the present and in our reexamination of new evidence and perspectives on the past. This 14th edition features a new series of Consider the Source essays, a brand new pedagogy program, four new America in the World essays, and extensive content updates that demonstrate how a new generation of historians and of historical actors continues to shape the American story.

American History The Early Years, Student Edition Mar 25 2022 Print student edition
An African Republic Jan 29 2020 The nineteenth-century American Colonization Society (ACS) project of persuading all American free blacks to emigrate to the ACS colony of Liberia could never be accomplished. Few free blacks volunteered, and greater numbers would have overwhelmed the meager resources of the ACS. Given that reality, who supported African colonization and why? No state was more involved with the project than Virginia, where white Virginians provided much of the political and organizational leadership and black Virginians provided a majority of the emigrants. In *An African Republic*, Marie Tyler-McGraw traces the parallel but seldom intersecting tracks of black and white Virginians' interests in African colonization, from revolutionary-era efforts at emancipation legislation to African American churches' concern for African missions. In Virginia, African colonization attracted aging revolutionaries, republican mothers and their daughters, bond persons schooled and emancipated for Liberia, evangelical planters and merchants, urban free blacks, opportunistic politicians, Quakers, and gentlemen novelists. *An African Republic* follows the experiences of the emigrants from Virginia to Liberia, where some became the leadership class, consciously seeking to demonstrate black abilities, while others found greater hardship and early death. Tyler-McGraw carefully examines the tensions between racial identities, domestic visions, and republican citizenship in Virginia and Liberia.

American History: Connecting with the Past Volume 1 Jun 03 2020 Brinkley’s *American History*, a comprehensive U.S. History program, transforms the learning experience through proven, adaptive technology helping students better grasp the issues of the past while providing instructors greater insight on student performance. Songs of America Nov 01 2022 NEW YORK TIMES BESTSELLER • A celebration of American history through the music that helped to shape a nation, by Pulitzer Prize winner Jon Meacham and music superstar Tim McGraw “Jon Meacham and Tim McGraw form an irresistible duo—connecting us to music as an unsung force in our nation's history.”—Doris Kearns Goodwin Through all the years of strife and triumph, America has been shaped not just by our elected leaders and our formal politics but also by our music—by the lyrics, performers, and instrumentals that have helped to carry us through the dark days and to celebrate the bright ones. From “The Star-Spangled Banner” to “Born in the U.S.A.,” Jon Meacham and Tim McGraw take readers on a moving and

insightful journey through eras in American history and the songs and performers that inspired us. Meacham chronicles our history, exploring the stories behind the songs, and Tim McGraw reflects on them as an artist and performer. Their perspectives combine to create a unique view of the role music has played in uniting and shaping a nation. Beginning with the battle hymns of the revolution, and taking us through songs from the defining events of the Civil War, the fight for women's suffrage, the two world wars, the Great Depression, the civil rights movement, the Vietnam War, and into the twenty-first century, Meacham and McGraw explore the songs that defined generations, and the cultural and political climates that produced them. Readers will discover the power of music in the lives of figures such as Harriet Tubman, Franklin Roosevelt, Eleanor Roosevelt, and Martin Luther King, Jr., and will learn more about some of our most beloved musicians and performers, including Marian Anderson, Elvis Presley, Sam Cooke, Aretha Franklin, Bob Dylan, Duke Ellington, Carole King, Bruce Springsteen, and more. *Songs of America* explores both famous songs and lesser-known ones, expanding our understanding of the scope of American music and lending deeper meaning to the historical context of such songs as "My Country, 'Tis of Thee," "God Bless America," "Over There," "We Shall Overcome," and "Blowin' in the Wind." As Quincy Jones says, Meacham and McGraw have "convened a concert in *Songs of America*," one that reminds us of who we are, where we've been, and what we, at our best, can be.

The American Vision, Student Edition May 27 2022 The American Vision boasts an exceptional author team with specialized expertise in Colonial, Civil War, 20th Century, and Civil Rights history.
