A Bed of Red Flowers May 05 2023 As a young girl growing up in 1970s Afghanistan, Nelofer Pazira seems destined for a bright future. The daughter of liberal-minded professionals, she enjoys a safe, loving and privileged life. Some of her early memories include convivial family picnics and New Years’ celebrations overlooking the thousands of red flowers that carpet the hills of Mazar. But Nelofer’s world is shattered when she is just five and her father is imprisoned for refusing to support the communist party. This episode plants a “seed of anger” in her, which is given plenty of opportunity to grow as the years unfold. In 1979, the Soviets invade Afghanistan beginning a ten-year occupation. The country becomes an armed camp with Russians fighting U.S.-backed mujahidin fighters while trying to impose military rule. For Nelofer, daily life includes an endless succession of tanks, rockets screaming overhead and explosions in the street. During this time, she and her best friend, Dyana, seek refuge in their love of poetry. At eleven, the two girls throw stones at Soviet tanks and plot other acts of rebellion at the local school. As Nelofer gets older, she joins the resistance movement, distributes contraband books, studies guerilla warfare and hides a gun in her parent’s mint garden. When Nelofer’s younger brother comes home from school in military garb, the family finally decides to flee Afghanistan. What follows is a perilous, clandestine journey across rugged mountains into Pakistan. But the life of a refugee is not what Nelofer expects. Though she once idealized the mujahidin as freedom fighters, she is shocked, as a woman, to find herself stripped of her personal freedom in their midst. In 1990, Nelofer and her family are offered refugee status in Canada. Here she corresponds with her friend Dyana, whose letters reveal the increasing oppression of life under the Taliban. Fearing that her friend will kill herself, Pazira returns to Afghanistan to rescue her. This search becomes the basis for the acclaimed film *Kandahar*. Her journey to discover Dyana’s tragedy leads her finally to Russia, the land of her enemy, where she confronts the legacy of the Soviet invasion of her homeland first-hand. *A Bed of Red*

Flowers is a gripping, heart-rending story about a country caught in a struggle of the superpowers – and of the real people behind the politics. Universally acclaimed for its astute insights and extraordinary humanity, Pazira’s memoir won the Drainie-Taylor Biography Prize for 2005. The Winnipeg Free Press writes: “Powerfully written, *A Bed of Red Flowers* is a rare account of a misunderstood country and its intrepid people, trying to live ordinary lives under extraordinary circumstances.” The Gazette (Montreal) describes the book as “an outpouring of passionate non-fiction that captivates like the tales of Sheherazade.... It’s a remarkable journey. An inspiring read.”

Rhode Island Red Apr 11 2021 This New York noir tale of a saxophone-playing amateur detective takes some jazzy twists. Saxophonist Nanette Hayes, a majestic five-foot-ten-inch Grace Jones lookalike with hot style, lives for the music of her jazz forebears. Self-taught Nan is no Charlie Parker, but she dreams big. She performs regularly—on the sidewalks of New York City. Not exactly the Village Vanguard, but it pays the bills in ways that her master’s degree in French does not. Mostly, Nanette just tries to stay cool in the face of the worst kinds of hardship. Recently, this has taken the form of getting dumped—hard—by her live-in boyfriend, Walter. When her normally messy life is at its epic messiest, fellow street musician Sig walks up, and—after insulting her playing and narrowly missing being hit by a bus—changes everything. Out of nowhere, sixty grand that can’t possibly be legit appears in Nan’s sax. Suddenly she is contending with two grisly murders, a former lover who wants her back, a jazz-obsessed ex-con, and some scarifying cops who are trying to shake her down. Equal parts tough and romantic, Nanette uses her street-musician smarts and her New York City savvy to try to save her own skin and solve a musical mystery no less a legend than Bird himself. *Rhode Island Red* is the first book in the Nanette Hayes Mystery series.

Multispectral Photographic Studies of a Red-bed Facies, Minas Basin, Nova Scotia Jul 27 2022 For certain geologic-atmospheric interface environments, spectral photometric and photographic techniques are useful in three ways: first, to delineate lithologic units; second, to determine lithologic characteristics; and third, to provide information of the present environment. Investigations were conducted at two sites in the Minas Basin of Nova Scotia where variegated beds of the Triassic Wolfville and Blomidon formations are exposed. Laboratory spectrophotometric measurements, field photometric data, and narrow band photography of the sedimentary units demonstrate an increase, in the visible spectrum, of reflectivity with increase in wavelength of the incident radiant energy.

Inorganic encrustations substantially alter the spectral characteristics of sedimentary units in situ. (Author).

Red, White & Royal Blue Jul 15 2021 * Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. The Red Dragon Bed Feb 19 2022 Romantic, erotic sexy and totally addictive, this is a book you will never forget. The sinister Dragon Lord will become your own erotic fantasy. A breath-taking genre of historical romantic fiction where the twists and turns supernatural overthrow the boundaries of everyday reality to carry you the reader on the journey of your life. Jenni is a modern day divorcee and she and her teenage son are relocating from London to the seaside where she has found the fateful bed in a corner of the attic of her new house and is beginning to be beguiled by her exquisitely sensual dreams It's a dream where she can come to no harm and it feels so good, this creature who is loving her. This being who is worshipping the contours of her body with a skill that leaves her without thought until she becomes only sensation. . " The house that she buys was formerly lived in by the beautiful and fey twenty year old Constance in 1863 and soon Jenni finds that she is not the only lover of the powerful creature, the Dragon Lord that visits her in her dreams at night. She may never recover from the touch of his fingers or the depth of the orgasmic fulfilment that he brings her."This is a must have book: erotic literature at its most provocative and compelling." (Alexis Johnson Lecturer at Birkbeck and Westminster) Readers comments. "I thought it was a fantastic read and I was hooked I couldn't get any of my jobs done!" . This will touch a nerve with anyone male or female who reads it" Ian London " I would say about it that it is a majestic and exotic escape from mundane life that captivates and consumes your imaginationa really nice mix of experience most of us can relate to and something most of us can only wish to....." Autobiography of Red Aug 28 2022 The award-winning poet reinvents a genre in a stunning work that is both a novel and a poem, both an unconventional re-creation of an ancient Greek myth and a wholly original coming-of-age story set in the present. Geryon, a young boy who is also a winged red monster, reveals the volcanic terrain of his fragile, tormented soul in an autobiography he begins at the age of five. As he grows older, Geryon escapes his abusive brother and affectionate but ineffectual mother, finding solace behind the lens of his camera and in the arms of a young man named Herakles, a cavalier drifter who leaves him at the peak of infatuation. When Herakles reappears years later, Geryon confronts again the pain of his desire and embarks on a journey that will unleash his creative imagination to its fullest extent. By turns whimsical and haunting, erudite and accessible, richly layered and deceptively simple, *Autobiography of Red* is a profoundly moving portrait of an artist coming to terms with the fantastic accident of who he is. A NEW YORK TIMES NOTABLE BOOK OF THE YEAR National Book Critics Circle Award Finalist "Anne Carson is, for me, the most exciting poet writing in English today." --Michael Ondaatje "This book is amazing--I haven't discovered any writing in years so marvelously disturbing." --Alice Munro "A profound love story . . . sensuous and funny, poignant, musical and tender." --The New York Times Book Review "A deeply odd and immensely engaging book. . . . Red at the Bone Mar 30 2020 A NEW YORK TIMES BESTSELLER A NEW YORK TIMES NOTABLE BOOK OF THE YEAR "A spectacular novel that only this legend can pull off." -Ibram X. Kendi, #1 New York Times-bestselling author of HOW TO BE AN ANTIRACIST, in The Atlantic "An exquisite tale of family legacy....The power and poetry of Woodson's writing conjures up Toni Morrison." – People "In less than 200 sparsely filled pages, this book manages to encompass issues of class, education, ambition, racial prejudice, sexual desire and orientation, identity, mother-daughter relationships, parenthood and loss....With *Red at the Bone*, Jacqueline Woodson has indeed risen — even further into the ranks of great literature." – NPR "This poignant tale of choices and their aftermath, history and legacy, will resonate with mothers and daughters." –Tayari Jones, bestselling author of AN AMERICAN MARRIAGE, in O Magazine An unexpected teenage pregnancy pulls together two families from different social classes and explores their histories – reaching back to the Tulsa race massacre of 1921 -- and exposes the private hopes, disappointments, and longings that can bind or divide us from each other, from the New York Times-bestselling and National Book Award-winning author of *Another Brooklyn* and *Brown Girl Dreaming*. Moving forward and backward in time, Jacqueline Woodson's taut and powerful new novel uncovers the role that history and community have played in the experiences, decisions, and relationships of these families, and in the life of the new child. As the book opens in 2001, it is the evening of sixteen-year-old Melody's coming of age ceremony in her grandparents' Brooklyn brownstone. Watched lovingly by her relatives and friends, making her entrance to the music of Prince, she wears a special custom-made dress. But the event is not without poignancy. Sixteen years earlier, that very dress was measured and sewn for a different wearer: Melody's mother, for her own ceremony-- a celebration that ultimately never took place. Unfurling the history of Melody's family – reaching back to the Tulsa race massacre in 1921 -- to show how they all arrived at this moment, Woodson considers not just their ambitions and successes but also the costs, the tolls they've paid for striving to overcome expectations and escape the pull of history. As it explores sexual desire and identity, ambition, gentrification, education, class and status, and the life-altering facts of parenthood, *Red at the Bone* most strikingly looks at the ways in which young people must so often make long-lasting decisions about their lives--even before they have begun to figure out who they are and what they want to be.
