The fifth book in the bestselling Chronicles of St Mary's series which follows a group of tea-soaked disaster magnets as they hurtle their way around History. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. A Fete Worse Than Death... The St Mary's Institute of Historical Research has finally recovered from its wounds and it's business as usual for those rascals in the History Department. From being trapped in the Great Fire of London to an unfortunately timed comfort break at Thermopylae, which leaves the fate of the western world hanging in the balance, Max must struggle to get History back on track. But first, they must get through the St Mary's Fete - which is sure to end badly for everyone. Only one thing is certain, life at St Mary's is never dull! Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... Jodi Taylor and her protagonist Madeleine "Max" Maxwell have seduced me' 'A great mix of British proper-ness and humour with a large dollop of historical fun' 'Addictive. I wish St Mary's was real and I was a part of it' 'Jodi Taylor has an imagination that gets me completely hooked' 'A tour de force' This "snarky, diverse" urban fantasy featuring a kick-ass heroine and 14 cocktail recipes will be "an absolute blast" for fans of Buffy the Vampire Slayer and Scott Pilgrim vs. The World (Nerdist). Booze is magic, demons are real—and millennial Bailey Chen joins a band of monster-fighting Chicago bartenders instead of finding a "real" post-college job. Bailey Chen is fresh out of college with all the usual new-adult demons: no cash, no job offers, and an awkward relationship with Zane, the old friend she kinda-sorta hooked up with

during high school. But when Zane introduces Bailey to his monster-fighting bartender friends, her demons become a lot more literal. It turns out that evil creatures stalk the city streets after hours, and they can be hunted only with the help of magically mixed cocktails: vodka grants super-strength, whiskey offers the power of telekinesis, and rum lets its drinker fire blasts of elemental energy. But will all these powers be enough for Bailey to halt a mysterious rash of gruesome deaths? And what will she do when the safety of a “real world” job beckons? This sharp and funny urban fantasy is perfect for fans of Buffy the Vampire Slayer, Scott Pilgrim Vs. The World, and grown-up readers of Harry Potter. Includes 14 recipes from a book of ancient cocktail lore. NATIONAL BESTSELLER “Elie Honig has written much more than a compelling takedown of an unfit attorney general; he also offers a blueprint for how impartial and apolitical justice should be administered in America.”—Preet Bharara “An essential analysis for anyone committed to understanding the abuses of the Trump administration so we can ensure they never happen again.”—Joyce White Vance “Essential reading for all who cherish the rule of law in America.”—George Conway “Written with all the color and pacing of a legal thriller.”—Variety CNN Senior Legal Analyst Elie Honig exposes William Barr as the most corrupt attorney general in modern U.S. history, with stunning new scandals bubbling to the surface even after Barr's departure from office. In Hatchet Man, former federal prosecutor Elie Honig uncovers Barr's unprecedented abuse of power as Attorney General and the lasting structural damage done to the Justice Department. Honig uses his own experience as a prosecutor at DOJ to show how, as America's top law enforcement official, Barr repeatedly violated the Department's written rules, and those vital, unwritten norms and principles that comprise the “prosecutor's code.” Barr was corrupt from the beginning. His first act as AG was to distort the findings of Special Counsel Robert Mueller, earning a public rebuke for his dishonesty from Mueller himself and, later, from a federal judge. Then, Barr tried to manipulate the law to squash a whistleblower's complaint about Trump's dealings with Ukraine—the report that eventually led to Trump's first impeachment. Barr later intervened in an unprecedented manner to undermine his own DOJ prosecutors on the cases of Michael Flynn and Roger Stone, both political allies of the President. And then Barr fired the U.S. Attorney for the Southern District of New York under false pretenses. Finally, Barr amplified baseless theories about massive mail-in ballot fraud, pouring gasoline on the dumpster fire battle over the 2020 election results and contributing to the January 6 insurrection that led to Trump's second impeachment. In Hatchet Man, Honig proves that Barr trampled the two core virtues that have long defined the department and its mission: credibility and independence - ultimately in service of his own deeply-rooted, extremist legal and personal beliefs. Honig shows how Barr corrupted the Justice Department and explains what we must do to prevent this from ever happening again. Meet Lily Wilder: New Yorker, lawyer extraordinaire, blushing bride. And totally incapable of being faithful to one man. Lily's fiancé Will is a brilliant,

handsome archaeologist. Lily is sassy, impulsive, fond of a good drink (or five) and has no business getting married. Lily likes Will, but does she love him? Will loves Lily, but does he know her? As the wedding approaches, Lily's nights—and mornings, and afternoons—of booze, laughter and questionable decisions become a growing reminder that the happiest day of her life might turn out to be her worst mistake yet. Unapologetically sexy with the ribald humor of *Bridesmaids*, this joyously provocative debut introduces a self-assured protagonist you won't soon forget. The Wall Street Journal Bestseller featured in Bloomberg, Fast Company, Masters of Scale, the Motley Fool, Marketplace and more. An indispensable guide to building a startup and breaking down the barriers for diverse entrepreneurs from the visionary venture capitalist and pioneering entrepreneur Kathryn Finney. *Build the Damn Thing* is a hard-won, battle-tested guide for every entrepreneur who the establishment has left out. Finney, an investor and startup champion, explains how to build a business from the ground up, from developing a business plan to finding investors, growing a team, and refining a product. Finney empowers entrepreneurs to take advantage of their unique networks and resources; arms readers with responses to investors who say, "great pitch but I just don't do Black women"; and inspires them to overcome naysayers while remaining "100% That B*tch." Don't wait for the system to let you in—break down the door and build your damn thing. For all the Builders striving to build their businesses in a world that has overlooked and underestimated them: this is the essential guide to knowing, breaking, remaking and building your own rules of entrepreneurship in a startup and investing world designed for and by the "Entitleds." The Helix was meant to be a revolution, but even the most pure of intentions can spawn terrible evil, and the revolution of information and innovation they hoped for may not be the one they get. An insightful biography of Florence's famous son Acclaimed biog rap her R.W.B. Lewis traces the life and complex development? emotional, artistic, philosophical? of this supreme poet-historian. Here we meet the boy who first encounters the mythic Beatrice, the lyric poet obsessed with love and death, the grand master of dramatic narrative and allegory, and his monumental search for ultimate truth in *The Divine Comedy*. It is in this masterpiece of self-discovery and redemption that Lewis finds Dante's own autobiography?and the sum of all his shifting passions and epiphanies. 2022 NATIONAL BOOK AWARD FINALIST ONE OF THE LOS ANGELES TIMES' TOP 5 FICTION BOOKS OF THE YEAR ONE OF TIME AND SLATE'S TOP 10 BOOKS OF THE YEAR Named one of the BEST BOOKS OF 2022 by NPR, Vogue, Vulture, BuzzFeed, Harper's Bazaar, and more "One of the buzziest, most human novels of the year...breathless, dizzying, and completely beautiful." —Vogue "Dazzling and wholly original...[written] with such mordant wit, insight, and specificity, it feels like watching a new literary star being born in real time." —Entertainment Weekly From a brilliant new voice comes an electrifying novel of a young immigrant building a life for herself—a warm, dazzling, and profound saga of queer love, friendship, work, and precarity in twenty-first century America Graduating into the long maw of an

American recession, Sneha is one of the fortunate ones. She's moved to Milwaukee for an entry-level corporate job that, grueling as it may be, is the key that unlocks every door: she can pick up the tab at dinner with her new friend Tig, get her college buddy Thom hired alongside her, and send money to her parents back in India. She begins dating women—soon developing a burning crush on Marina, a beguiling and beautiful dancer who always seems just out of reach. But before long, trouble arrives. Painful secrets rear their heads; jobs go off the rails; evictions loom. Sneha struggles to be truly close and open with anybody, even as her friendships deepen, even as she throws herself headlong into a dizzying romance with Marina. It's then that Tig begins to draw up a radical solution to their problems, hoping to save them all. A beautiful and capacious novel rendered in singular, unforgettable prose, *All This Could Be Different* is a wise, tender, and riveting group portrait of young people forging love and community amidst struggle, and a moving story of one immigrant's journey to make her home in the world.

The Explosive National Bestseller A memoir by the highest-ranking covert warrior to lift the veil of secrecy and offer a glimpse into the shadow wars that America has fought since the Vietnam Era. Enrique Prado found himself in his first firefight at age seven. The son of a middle-class Cuban family caught in the midst of the Castro Revolution, his family fled their war-torn home for the hope of a better life in America. Fifty years later, the Cuban refugee retired from the Central Intelligence Agency as the CIA equivalent of a two-star general. *Black Ops* is the story of Ric's legendary career that spanned two eras, the Cold War and the Age of Terrorism. Operating in the shadows, Ric and his fellow CIA officers fought a little-seen and virtually unknown war to keep USA safe from those who would do it harm. After duty stations in Central, South America, and the Philippines, *Black Ops* follows Ric into the highest echelons of the CIA's headquarters at Langley, Virginia. In late 1995, he became Deputy Chief of Station and co-founding member of the Bin Laden Task Force. Three years later, after serving as head of Korean Operations, Ric took on one of the most dangerous missions of his career: to re-establish a once-abandoned CIA station inside a hostile nation long since considered a front line of the fight against Islamic terrorism. He and his team carried out covert operations and developed assets that proved pivotal in the coming War on Terror. A harrowing memoir of life in the shadowy world of assassins, terrorists, spies and revolutionaries, *Black Ops* is a testament to the courage, creativity and dedication of the Agency's Special Activities Group and its elite shadow warriors. There is Taylor's trademark humour, along with moments of real lump-in-the-throat poignancy' ☐ ☐☐ ☐☐ 'Clever, witty, humourous, touching, emotional, just about everything anyone could want' ☐ ☐☐ ☐☐ 'Another superb book from the pen of Jodi Taylor' ☐ ☐☐ ☐☐ 'Can't wait for the next one'☐ ☐☐ ☐☐ "Time travel, UFOs, mysterious planets, stigmata, rock-throwing poltergeists, huge footprints, bizarre rains of fish and frogs-nearly a century after Charles Fort's Book of the Damned was originally published, the strange phenomenon presented in this book remains largely unexplained by modern science. Through painstaking research and a witty, sarcastic style, Fort captures the imagination while exposing the flaws of popular scientific explanations. Virtually all of his material was compiled and documented from reports published in reputable journals, newspapers and periodicals because he was an avid collector. Charles Fort was somewhat of a recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from around the globe. This was the first of a series of books he created on unusual and unexplained events and to this day it remains the most popular. If you agree that truth is often stranger than fiction, then this book is for you"--Taken from Good Reads website. By the New York Times bestselling author of The Bone Clocks | Shortlisted for the Man Booker Prize A postmodern visionary and one of the leading voices in twenty-first-century fiction, David Mitchell combines flat-out adventure, a Nabokovian love of puzzles, a keen eye for character, and a taste for mind-bending, philosophical and scientific speculation in the tradition of Umberto Eco, Haruki Murakami, and Philip K. Dick. The result is

brilliantly original fiction as profound as it is playful. In this groundbreaking novel, an influential favorite among a new generation of writers, Mitchell explores with daring artistry fundamental questions of reality and identity. *Cloud Atlas* begins in 1850 with Adam Ewing, an American notary voyaging from the Chatham Isles to his home in California. Along the way, Ewing is befriended by a physician, Dr. Goose, who begins to treat him for a rare species of brain parasite. . . . Abruptly, the action jumps to Belgium in 1931, where Robert Frobisher, a disinherited bisexual composer, contrives his way into the household of an infirm maestro who has a beguiling wife and a nubile daughter. . . . From there we jump to the West Coast in the 1970s and a troubled reporter named Luisa Rey, who stumbles upon a web of corporate greed and murder that threatens to claim her life. . . . And onward, with dazzling virtuosity, to an inglorious present-day England; to a Korean superstate of the near future where neocapitalism has run amok; and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn't end even there. The narrative then boomerangs back through centuries and space, returning by the same route, in reverse, to its starting point. Along the way, Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a videogame, as mysterious as a Zen koan, *Cloud Atlas* is an unforgettable tour de force that, like its incomparable author, has transcended its cult classic status to become a worldwide phenomenon. Praise for *Cloud Atlas* “[David] Mitchell is, clearly, a genius. He writes as though at the helm of some perpetual dream machine, can evidently do anything, and his ambition is written in magma across this novel’s every page.”—The New York Times Book Review “One of those how-the-holy-hell-did-he-do-it? modern classics that no doubt is—and should be—read by any student of contemporary literature.”—Dave Eggers “Wildly entertaining . . . a head rush, both action-packed and chillingly ruminative.”—People “The novel as series of nested dolls or Chinese boxes, a puzzle-book, and yet—not just dazzling, amusing, or clever but heartbreaking and passionate, too. I’ve never read anything quite like it, and I’m grateful to have lived, for a while, in all its many worlds.”—Michael Chabon “*Cloud Atlas* ought to make [Mitchell] famous on both sides of the Atlantic as a writer whose fearlessness is matched by his talent.”—The Washington Post Book World “Thrilling . . . One of the biggest joys in *Cloud Atlas* is watching Mitchell sashay from genre to genre without a hitch in his dance step.”—Boston Sunday Globe “Grand and elaborate . . . [Mitchell] creates a world and language at once foreign and strange, yet strikingly familiar and intimate.”—Los Angeles Times Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife. Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed

“beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game. A *New York Times Book Review* Notable Book of 2017 An electrifying first collection from one of the most exciting short story writers of our time "I can't recall the last time I laughed this hard at a book. Simultaneously, I'm shocked and scandalized. She's brilliant, this young woman."—David Sedaris Ottessa Moshfegh's debut novel *Eileen* was one of the literary events of 2015. Garlanded with critical acclaim, it was named a book of the year by *The Washington Post* and the *San Francisco Chronicle*, nominated for a National Book Critics Circle Award, short-listed for the Man Booker Prize, and won the PEN/Hemingway Award for debut fiction. But as many critics noted, Moshfegh is particularly held in awe for her short stories. *Homesick for Another World* is the rare case where an author's short story collection is if anything more anticipated than her novel. And for good reason. There's something eerily unsettling about Ottessa Moshfegh's stories, something almost dangerous, while also being delightful, and even laugh-out-loud funny. Her characters are all unsteady on their feet in one way or another; they all yearn for connection and betterment, though each in very different ways, but they are often tripped up by their own baser impulses and existential insecurities. *Homesick for Another World* is a master class in the varieties of self-deception across the gamut of individuals representing the human condition. But part of the unique quality of her voice, the echt Moshfeghian experience, is the way the grotesque and the outrageous are infused with tenderness and compassion. Moshfegh is our Flannery O'Connor, and *Homesick for Another World* is her *Everything That Rises Must Converge* or *A Good Man is Hard to Find*. The flesh is weak; the timber is crooked; people are cruel to each other, and stupid, and hurtful. But beauty comes from strange sources. And the dark energy surging through these stories is powerfully invigorating. We're in the hands of an author with a big mind, a big heart, blazing chops, and a political acuity that is needle-sharp. The needle hits the vein before we even feel the prick. The third book in the bestselling *Chronicles of St Mary's* series which follows a group of tea-soaked disaster magnets as they hurtle their way around History. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. History happens all around you. And, occasionally, to you. I could have been a bomb-disposal expert, or a volunteer for the Mars mission, or a firefighter, something safe and sensible. But, no, I had to be an historian. It began well. A successful assignment to 17th century

Cambridge to meet Isaac Newton, and another to witness the historic events at The Gates of Grief. So far so good. But then came the long-awaited jump to the Trojan War that changed everything. And for Max, nothing will ever be the same again. With the bloody Battle of Agincourt playing out around her, Max risks everything on one last desperate gamble to save a life and learns the true meaning of a second chance. Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... Jodi Taylor and her protagonist Madeleine "Max" Maxwell have seduced me' 'A great mix of British proper-ness and humour with a large dollop of historical fun' 'Addictive. I wish St Mary's was real and I was a part of it' 'Jodi Taylor has an imagination that gets me completely hooked' 'A tour de force' Presents both hard facts and military, social, and political histories of the world's one hundred most violent events, from the second Persian War in 480 BCE to the modern war in the Congo. Set in the future when "firemen" burn books forbidden by the totalitarian "brave new world" regime. This is not your grandmother's self help. Unless you have one badass grandmother. Arden artfully conveys real-life experiences and depths of emotion through her insightful lyrics. Her wit was first put to the page in the fall of 2002 when her first collection of journals, if i knew, don't you think i'd tell you? was published. These are best of the next, selected directly from her won on-line journals. THE GREAT GATSBY BY F. INSTANT #1 NEW YORK TIMES BESTSELLER The former attorney general provides a candid account of his historic tenures serving two vastly different presidents, George H.W. Bush and Donald J. Trump. William Barr's first tenure as attorney general under President George H.W. Bush was largely the result of chance, while his second tenure under President Donald Trump a deliberate and difficult choice. In this

candid memoir, Barr takes readers behind the scenes during seminal moments of the 1990s, from the LA riots to Pan Am 103 and Iran Contra. Thirty years later, Barr faced an unrelenting barrage of issues, such as Russiagate, the COVID outbreak, civil unrest, the impeachments, and the 2020 election fallout. *One Damn Thing After Another* is vivid, forthright, and essential not only to understanding the Bush and Trump legacies, but also how both men viewed power and justice at critical junctures of their presidencies. The fourth book in the bestselling *Chronicles of St Mary's* series which follows a group of tea-soaked disaster magnets as they hurtle their way around History. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. Sometimes, surviving is all you have left. Max and Leon are safe at last. Or so they think. Snatched from her own world and dumped into a new one, Max is soon running for her life. Again. From a 17th century Frost Fair to Ancient Egypt; from Pompeii to 8th century Scandinavia; Max and Leon are pursued up and down the timeline, playing a dangerous game of hide-and-seek, until finally they're forced to take refuge at St Mary's where a new danger awaits them. Max's happily ever after is going to have to wait a while... Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... Jodi Taylor and her protagonist Madeleine "Max" Maxwell have seduced me' 'A great mix of British proper-ness and humour with a large dollop of historical fun' 'Addictive. I wish St Mary's was real and I was a part of it' 'Jodi Taylor has an imagination that gets me completely hooked' 'A tour de force' A NEW YORK TIMES BESTSELLER A NEW YORK TIMES NOTABLE BOOK OF THE YEAR "A spectacular novel that only this legend can pull off." -Ibram X. Kendi, #1 New York Times-bestselling author of *HOW TO BE AN ANTIRACIST*, in *The Atlantic* "An exquisite tale of family legacy....The power and poetry of Woodson's writing conjures up Toni Morrison." - People "In less than 200 sparsely filled pages, this book manages to encompass issues of class, education, ambition, racial prejudice, sexual desire and orientation, identity, mother-daughter relationships, parenthood and loss....With *Red at the Bone*, Jacqueline Woodson has indeed risen — even further into the ranks of great literature." - NPR "This poignant tale of choices and their aftermath, history and legacy, will resonate with mothers and daughters." -Tayari Jones, bestselling author of *AN AMERICAN MARRIAGE*, in *O Magazine* An unexpected teenage pregnancy pulls together two families from different social classes and explores their histories - reaching back to the Tulsa race massacre of 1921 -- and exposes the private hopes, disappointments, and longings that can bind or divide us from each other, from the New York Times-bestselling and National Book Award-winning author of *Another Brooklyn* and *Brown Girl Dreaming*. Moving forward and backward in time, Jacqueline Woodson's taut and powerful new novel uncovers the role that history and community have played in the experiences, decisions, and relationships of these families, and in the life of the new child. As the book opens in 2001, it is the evening of sixteen-year-old Melody's coming of age ceremony in her grandparents' Brooklyn brownstone. Watched lovingly by her relatives and friends, making her entrance to

the music of Prince, she wears a special custom-made dress. But the event is not without poignancy. Sixteen years earlier, that very dress was measured and sewn for a different wearer: Melody's mother, for her own ceremony-- a celebration that ultimately never took place. Unfurling the history of Melody's family - reaching back to the Tulsa race massacre in 1921 -- to show how they all arrived at this moment, Woodson considers not just their ambitions and successes but also the costs, the tolls they've paid for striving to overcome expectations and escape the pull of history. As it explores sexual desire and identity, ambition, gentrification, education, class and status, and the life-altering facts of parenthood, *Red at the Bone* most strikingly looks at the ways in which young people must so often make long-lasting decisions about their lives--even before they have begun to figure out who they are and what they want to be. "You belong to me." In the desert, Sheikh Kavian's word is law. So the defiance of his promised queen, Amaya, who flees after their betrothal ceremony, is intolerable! Kavian's already tasted her sweetness—perhaps his reluctant bride-to-be needs reminding of the pleasure he can give... Once Amaya is back in his kingdom, Kavian commands her total sensual surrender in the secluded harem baths. Amaya fears such all-consuming lust makes her weak, but she's proven she can match his desire. Kavian needs a queen who can endure everything about him—can Amaya face his dark past and embrace her desert destiny? A *Chronicles of St Mary's* short story that is sure to entertain. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. Ever wondered how it all began? It's two years since the final victory at the Battersea Barricades. The fighting might be finished, but for Dr Bairstow, just now setting up St Mary's, the struggle is only beginning. How will he assemble his team? From where will his funding come? How can he overcome the massed ranks of the Society for the Protection of Historical Buildings? How do stolen furniture, a practical demonstration at the Stirrup Charge at Waterloo, students' alcohol-ridden urine, a widowed urban guerrilla, a young man wearing exciting knitwear, and four naked security guards all combine to become the St Mary's of the future? Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... Jodi Taylor and her protagonist Madeleine "Max" Maxwell have seduced me' 'A great mix of British proper-ness and humour with a large dollop of historical fun' 'Addictive. I wish St Mary's was real and I was a part of it' 'Jodi Taylor has an imagination that gets me completely hooked' 'A tour de force' A brilliant, impassioned, unflinching account of the firestorm of #MeToo, how we got there, and where we must now go. In *Women, Men, and the Whole Damn Thing*, author David Leser presents an essential and incisive investigation, unearthing the roots of misogyny, its inextricable links to the patriarchy, and how history brought us to the #MeToo movement and the wave of incandescent female rage that is sweeping the world. Crucially, he also interrogates his own psyche, privilege, and culpability as he bears witness to the "collective wound of the world" and asks how we can move towards healing and profound and permanent change. This book calls on men (yes,

all men) to be accountable for their contribution to the continuing oppression of women by the patriarchal structures that have dominated our culture historically and through to the present. He argues that misogyny and female oppression is the greatest moral issue of our times and we are all responsible for dismantling the structures which cause such oppression. This book is his journey into how to grapple with both the personal and collective aftermath of #MeToo and the new future. Including interviews with Tina Brown, Zainab Salbi, Marlene Schiappa, and Helen Garner, among other globally recognized names, *Women, Men, and the Whole Damn Thing* is a bold, honest, and self-searching global overview of the cultural moment of misogyny that we exist in and, perhaps, a way to move forward. When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

The second book in the bestselling *Chronicles of St Mary's* series which follows a group of tea-soaked disaster magnets as they hurtle their way around History. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. Wherever the historians go, chaos is sure to follow... Dispatched to Victorian London to seek out Jack the Ripper, things go badly wrong when he finds the St Mary's historians first. Stalked through the fog-shrouded streets of Whitechapel, Max is soon running for her life. Again. And that's just the start. Max finds herself in a race against time when an old enemy is intent on destroying St Mary's. An enemy willing, if necessary, to destroy History itself. From the Hanging Gardens of Nineveh to the murder of Thomas a Becket, via an unscheduled dodo rescue mission, join the historians of St Mary's as they hurtle around History on more hilarious, hair-raising escapades

Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... Jodi Taylor and her protagonist Madeleine "Max" Maxwell have seduced me' 'A great mix of British proper-ness and humour with a large dollop of historical fun' 'Addictive. I wish St Mary's was real and I was a part of it' 'Jodi Taylor has an imagination that gets me completely

hooked' 'A tour de force' 'Jodi Taylor is quite simply the Queen of Time. Her books are a swashbuckling joyride through History' C. K. MCDONNELL 'A great mix of British properness and humour with a large dollop of historical fun' ***** BOOK 12 IN THE INTERNATIONALLY BESTSELLING CHRONICLES OF ST MARY'S SERIES For fans of Jasper Fforde, Doctor Who, Genevieve Cogman and Richard Osman's Thursday Murder Club --- 'It's time, Max.' And so, a whole new chapter opens up... It's long been known that if a thing can go wrong, it will. With knobs on, usually. Disasters start to pile up. A new colleague with no respect for the past and a great deal to prove. Historians lost in time. And - worst of all - Rosie Lee on her very first jump. Then there's the small matter of Max's dishonourable discharge. From Tudor England to the Tower of Babel - it's all going horribly wrong. Jobless and homeless, Max receives an offer she can't refuse. Another time, another place. A refuge, perhaps. She's got that wrong, too. Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... Jodi Taylor and her protagonist Madeleine "Max" Maxwell have seduced me' 'Addictive. I wish St Mary's was real and I was a part of it' 'Jodi Taylor has an imagination that gets me completely hooked' 'A tour de force' Hugh Morgan's corpse lays savaged on the floor of a wood cabin, and becomes the subject of an inquest into how he perished. No evidence that can be found explains how he died, however. His friend claims that he suffered convulsions, while Morgan's diary indicates insanity - a claim only strengthened by his obsession with "the damned thing -" but perhaps there is more to Morgan's ramblings than is realised at first... In this new epic fantasy, three societal outcasts must work together to fulfill the orders of a dead king's ghost or risk their nation falling to a tyrant The king is dead, his queen is missing. On the amber coast, the usurper king is driving Zavonia to the brink of war. A dangerous magical power is rising up in Biela Miasto, and the only people who can set things right are a failed bodyguard, a Landstrider witch, and the assassin who set off the whole sorry chain of events. Valdas, Captain of the High Guard, has not only failed in his duty to protect the king, but he's been accused of the murder, and he's on the run. He's sworn to seek justice, but his king sets him another task from beyond the grave. Valdas doesn't believe in magic, which is unfortunate as it turns out. Mirza is the healer-witch of a Landstrider band, valued and feared in equal measure for her witchmark, her scolding tongue, and her ability to walk the spirit world. When she's given a task by Valdas' dead king, she believes that the journey she must take is one she can never return from. Lind is the clever assassin. Yes, someone paid him to kill the king, but who is to blame, the weapon or the power behind it? Lind must face his traumatic past if he's to have a future. Can these three discover the real villain, find the queen, and set the rightful king on the throne before the country is overcome? The sixth book in the bestselling Chronicles of St Mary's series which follows a group of tea-soaked disaster magnets as they hurtle their way around History. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. What if the course of history was on your shoulders? 'To do what I do -

go where I go - see what I see - it's a wonderful, unique, never-to-be-taken-for-granted privilege.' With great privilege comes great responsibility, something Max knows only too well, and as newly appointed Chief Training Officer at the St Mary's Institute of Historical Research, it's up to her to drum this guiding principle into her five new recruits. With a training programme that includes Joan of Arc, an illegal mammoth, a duplicitous Father of History, a bombed rat, Stone Age hunters and Dick the Turd, the question everyone is asking themselves is - what could possibly go wrong? Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... Jodi Taylor and her protagonista Madeleine "Max" Maxwell have seduced me' 'A great mix of British proper-ness and humour with a large dollop of historical fun' 'Addictive. I wish St Mary's was real and I was a part of it' 'Jodi Taylor has an imagination that gets me completely hooked' 'A tour de force' We can't really say more without giving away a big, fat spoiler, but it turns out that Colin is a bit of a meddler, Hyacinth is more of a meddler, and the only time all of the Bridgertons stop talking at once is when Penelope has something really embarrassing to say. Hey, we never said it was easy to marry a Bridgerton, just that it was fun. 'Jodi Taylor is quite simply the Queen of Time. Her books are a swashbuckling joyride through History' C. K. MCDONNELL 'A great mix of British properness and humour with a large dollop of historical fun' ***** Meet St Mary's - a group of tea-soaked disaster magnets who hurtle their way around History. - If the whole of History lay before you, where would you go? When Dr Madeleine Maxwell is recruited by the St Mary's Institute of Historical Research, she discovers the historians there don't just study the past - they revisit it. But one wrong move and History will fight back - to the death. And Max soon discovers it's not just History she's fighting... If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. They say you shouldn't push your luck. Max gives her own luck a massive shove every day - and it's only a matter of time until luck pushes back... January 1536 - the day of Henry VIII's infamous jousting accident. Historians from St Mary's are there in force, recording and documenting. And, arguing - obviously. A chance meeting between Max and the Time Police leads to a plan of action. And, it's one that will have very serious consequences - especially for Max. Her private life is already more than a little rocky. But with Leon recovering and Matthew safe in the future there will never be a better opportunity to bring down

Clive Ronan, once and for all. From Tudor England to the burning city of Persepolis - and from a medieval siege to a very nasty case of 19th century incarceration - Max is determined that this time, he will not escape.
