Soon to be a major motion picture starring Rachel Weisz and Sam Claflin "From the first page...the reader is back in the moody, brooding atmosphere of Rebecca." -The New York Times From the bestselling author of Rebecca, another classic set in beautiful and mysterious Cornwall. Philip Ashley's older cousin Ambrose, who raised the orphaned Philip as his own son, has died in Rome. Philip, the heir to Ambrose's beautiful English estate, is crushed that the man he loved died far from home. He is also suspicious. While in Italy, Ambrose fell in love with Rachel, a beautiful English and Italian woman. But the final, brief letters Ambrose wrote hint that his love had turned to paranoia and fear. Now Rachel has arrived at Philip's newly inherited estate. Could this exquisite woman, who seems to genuinely share Philip's grief at Ambrose's death, really be as cruel as Philip imagined? Or is she the kind, passionate woman with whom Ambrose fell in love? Philip struggles to answer this question, knowing Ambrose's estate, and his own future, will be destroyed if his answer is wrong. Bonus Reading Group Guide Included Praise for Daphne du Maurier "Miss du Maurier is... a storyteller whose sole aim is to bewitch and beguile. And in My Cousin Rachel she does both, with Rebecca looking fondly over her shoulder." -- New York Times "Double-distilled readers' delight." -- Manchester Guardian The Du Mauriers, Just As They Were tells the story of five generations of this remarkable family, beginning with Mathurin-Robert Busson, a master glassblower who immigrated to London in 1789, added the suffix 'Du Maurier' to his name, and so became a 'gentleman glassblower'. His three English-born children relocated to the continent, becoming respectively a doctor of philology in Hamburg; the governess to the daughters of a Portuguese statesman; and an aspiring inventor who married a daughter of the courtesan Mary Anne Clarke. This latter's son was George Du Maurier. He was born in Paris in 1834, then went to London to study chemistry and finally took up the beaux-arts in Paris, Antwerp and Düsseldorf. Later, he established himself in London as a beloved Punch cartoonist. In his last years, George Du Maurier wrote and illustrated three immensely popular semi-autobiographical novels. Of his children, the youngest Gerald Du Maurier became a prominent actor-manager, and Gerald's second daughter was the novelist Daphne Du Maurier. In the course of her career Daphne published four volumes of family history, culminating in the extensively-researched Glass-Blowers, which revealed her French forebear's aristocratic imposture for the first time. Daphne identified with her Victorian grandfather, sharing his love of France and deep interest in family history. However she puzzled over his first book, Peter Ibbetson, wondering why he had portrayed their ancestors as aristocrats. The reason is complicated, highly revealing, and would almost certainly have been a complete surprise to her. The result is this magical, compelling recreation of the legend of Tristan and Iseult, transplanted in time to the Cornwall of the last century. A chance encounter between the Breton onion-seller, Amyot Trestane, and the newly-wed Linnet Lewarne launches their tragic story, taking them in the fateful footsteps of the doomed lovers of Cornish legend. Many accounts of the life of Francis Bacon have been written for scholars. But du Maurier's aim in this biography was to illuminate the many facets of Bacon's remarkable personality for the common reader. To her book she brought the same gifts of imagination and perception that made her earlier biography, Golden Lads, so immensely readable, skillfully threading into her narrative extracts from contemporary documents and from Bacon's own writings, and setting her account of his life within a vivid contemporary framework. This is truly history made alive. Daphne du Maurier (1907-89) is the author of Rebecca, Jamaica Inn, Frenchman's Creek, Don't Look Now and The Birds among many others which continue to thrill and fascinate readers worldwide. The daughter of Sir Gerald du Maurier, the leading actor manager of his day, she grew up in a wildly imaginative 'Peter Pan' world peopled by London's leading writers and actors, before arriving in Cornwall at the age of 19. The place and its people inspired her to write her first novel The Loving Spirit, a work which so affected a young major in the Grenadier Guards, later Lieutenant-General Sir Frederick Browning, that he travelled to Fowey in his boat Ygdrasil to meet - and eventually to marry - the author. This bewitching evocation of place was to remain a feature of Daphne du Maurier's writing, and the source of much of her enduring popularity. Hilary Macaskill explores the homes and landscapes of Daphne du Maurier's life, and how these relate to her work in sometimes unexpected ways. Generously illustrated with little-seen material from the family archive as well as new colour photographs, this is a book which will enrich and transport anyone who has ever lost themselves between the covers of a Daphne du Maurier novel. Originally published: London: V. Gollancz, 1954. "A remarkable book...brilliant comic writing." --The Times (UK) Sir Gerald du Maurier was the preeminent actor-manager of his day, knighted in 1922 for his services to the theater. Published within six months of her father's death, Daphne du Maurier's frank portrait was considered shocking by many of his admirers-but it was a huge success, winning her critical acclaim and launching her career. Here, Daphne captures the spirit and charm of the charismatic actor who played the original Captain Hook, amusingly recounting his eccentricities, his humor, as well as his darker side. An eloquent elegy on the past of a county she loved so much - The Times 'There was a smell in the air of tar and rope and rusted chain, a smell of tidal water. Down harbour, around the point, was the open sea. Here was the freedom I desired, long sought-for, not yet known. Freedom to write, to walk, to wander, freedom to climb hills, to pull a boat, to be alone . . . I for this, and this for me.' Daphne du Maurier lived in Cornwall for most of her life. Its rugged coastline, wild terrain and tumultuous weather inspired her imagination, and many of her works are set there, including Rebecca, Jamaica Inn and Frenchman's Creek. In Vanishing Cornwall she celebrates the land she loved, exploring its legends, its history and its people, eloquently making a powerful plea for Cornwall's preservation. The classic Gothic suspense novel by Daphne du Maurier -- winner of the Anthony Award for Best Novel of the Century -- is now a Netflix film starring Lily James and Armie Hammer. Last night I dreamt I went to Manderley again . . . The novel begins in Monte Carlo, where our heroine is swept off her feet by the dashing widower Maxim de Winter and his sudden proposal of marriage. Orphaned and working as a lady's maid, she can barely believe her luck. It is only when they arrive at his massive country estate that she realizes how large a shadow his late wife will cast over their lives--presenting her with a lingering evil that threatens to destroy their marriage from beyond the grave. "Daphne du Maurier created a scale by which modern women can measure their feelings." --Stephen King "Neverland" offers a fascinating account of the psychological web in which [J.M.] Barrie trapped the tragic du Maurier family (David Lodge), who became the inspiration for the Darling family in Barrie's immortal "Peter Pan." It is rather awful, Emma thought as she walked across the fields down to the farm, how this business is leading us all into subterfuge and deception, and we can't really tell who is friend and who is enemy . . . Emma wakes up one morning to an apocalyptic world. The cosy existence she shares with her grandmother, a famous retired actress, has been shattered: there's no post, no telephone, no radio - and an American warship sits in the harbour. As the two women piece together clues about the 'friendly' military occupation on their doorstep, family, friends and neighbours gather round to protect their heritage. In this chilling novel of the future, Daphne du Maurier explores the implications of a political, economic and military alliance between Britain and the United States. Mary Farren went into the gun room one morning about half-past eleven, took her husband's revolver and loaded it, then shot herself. The butler heard the sound of the gun from the pantry... The fourteen haunting stories in this collection span the whole of Daphne du Maurier's writing career and explore every human emotion: an apparently happily married woman commits suicide; a steamer in wartime is rescued by a mysterious sailing-ship; a dull husband breaks loose in a surprising fashion; a con woman plays her game once too often; and a famous novelist looks for romance, only to meet with bitter disappointment. Each meticulously observed tale shows du Maurier's mastery of the genre. How long he fought with them in the darkness he could not tell, but at last the beating of the wings about him lessened and then withdrew . . . ' A classic of alienation and horror, 'The Birds' was immortalised by Hitchcock in his celebrated film. The five other chilling stories in this collection echo a sense of dislocation and mock man's sense of dominance over the natural world. The mountain paradise of 'Monte Verità' promises immortality, but at a terrible price; a neglected wife haunts her husband in the form of an apple tree; a professional photographer steps out from behind the camera and into his subject's life; a date with a cinema usherette leads to a walk in the cemetery; and a jealous father finds a remedy when three's a crowd . . . In this moving and revealing memoir, Flavia Leng paints a powerful portrait of her mother, Daphne du Maurier. She presents an account of an unusual and often lonely childhood spent in London and especially Cornwall, at her mother's beloved home,

Menably. Family friends included Nelson and Ellen Doubleday, Gertrude Lawrence and Noel Coward. However, at the centre of this story is Daphne du Maurier herself. The book reveals a writer with a deep attachment to Cornwall, where she put down her roots and found inspiration for her novels, and who spent much of her life as a recluse, withdrawn not only from the outside world but also from members of her own family. A picture emerges of a woman who lived in a world of her own creation that was beyond the comprehension of those around her. At a time when more information is emerging about Daphne du Maurier, this is a book which will add greatly to the public's perception of one of the twentieth century's most admired but least understood novelists. Trilby George Du Maurier - A trilby is a narrow-brimmed type of hat. The trilby was once viewed as the rich man's favored hat; it is sometimes called the "brown trilby" in Britain and was frequently seen at the horse races. Daphne du Maurier: Writing, Identity and the Gothic Imagination is the first full-length evaluation of du Maurier's fiction and the first critical study of du Maurier as a Gothic writer. Horner and Zlosnik argue that the fears at the heart of du Maurier's Gothic fictions reflect both personal and broader cultural anxieties concerning sexual and social identity. Using the most recent work in Gothic and gender studies they enter the current debate on the nature of Female Gothic and raise questions about du Maurier's relationship to such a tradition. "A dazzlingly clever and immensely entertaining novel." --New York Times By chance, John and Jean--one English, the other French--meet in a provincial railway station. Their resemblance to each other is uncanny, and they spend the next few hours talking and drinking - until at last John falls into a drunken stupor. It's to be his last carefree moment, for when he wakes, Jean has stolen his identity and disappeared. So the Englishman steps into the Frenchman's shoes, and faces a variety of perplexing roles - as owner of a chateau, director of a failing business, head of a fractious family, and master of nothing. Gripping and complex, *The Scapegoat* is a masterful exploration of doubling and identity, and of the dark side of the self. Biographies and Autobiographies. Both her novels and her non-fiction reveal Daphne du Maurier's overwhelming desire to explore her family's history. In *Myself When Young*, based on diaries that she kept from 1920 - 32, the most famous du Maurier probes her own past, beginning with her earliest memories and encompassing the publication of her first book and her subsequent marriage. Here, the writer is open and sometimes painfully honest about the difficult relationship with her father; her education in Paris; early love affairs; her antipathy towards London life and the theatre; her intense love for Cornwall and her desperate ambition to succeed as a writer. The resulting portrait is of a captivating and complex character. Book jacket. The nonfiction debut from beloved international sensation and #1 New York Times bestselling author Tatiana de Rosnay: her bestselling biography of novelist Daphne du Maurier. "It's impressive how Tatiana was able to recreate the personality of my mother, including her sense of humor. It is very well written and very moving. I'm sure my mother would have loved this book." — Tessa Montgomery d'Alamein, daughter of Daphné du Maurier, as told to Pauline Sommelet in *Point de Vue* As a bilingual bestselling novelist with a mixed Franco-British lineage and a host of eminent forebears, Tatiana de Rosnay is the perfect candidate to write a biography of Daphne du Maurier. As an eleven-year-old de Rosnay read and reread Rebecca, becoming a lifelong devotee of Du Maurier's fiction. Now de Rosnay pays homage to the writer who influenced her so deeply, following Du Maurier from a shy seven-year-old, a rebellious sixteen-year-old, a twenty-something newlywed, and finally a cantankerous old lady. With a rhythm and intimacy to its prose characteristic of all de Rosnay's works, *Manderley Forever* is a vividly compelling portrait and celebration of an intriguing, hugely popular and (at the time) critically underrated writer. *Manderley Forever* is a nominee for the 2018 Edgar Award for best critical/biographical work. The Du Mauriers -- three beautiful, successful and rebellious sisters. Much has been written about Daphne but here the hidden lives of the sisters are revealed in a riveting group biography. The untold story behind Peter Pan: The shocking account of J. M. Barrie's abuse and exploitation of the du Maurier family. In his revelatory *Neverland*, Piers Dudgeon tells the tragic story of J. M. Barrie and the Du Maurier family. Driven by a need to fill the vacuum left by sexual impotence, Barrie sought out George du Maurier, Daphne du Maurier's grandfather (author of the famed *Trilby*), who specialized in hypnosis. Barrie's fascination and obsession with the Du Maurier family is a shocking study of greed and psychological abuse, as we observe Barrie as he applies these lessons in mind control to captivate George's daughter Sylvia, his son Gerald, as well as their children—who became the inspiration for the Darling family in Barrie's immortal *Peter Pan*. Barrie later altered Sylvia's will after her death so that he could become the boys' legal guardian, while pushing several members of the family to nervous breakdown and suicide. Barrie's compulsion to dominate was so apparent to those around him that D. H. Lawrence once wrote: J. M. Barrie has a fatal touch for those he loves. They die. Shrubs of broom grow black and twisted As if by Devil's fingers And the wind that never ceases, Like a chorus from the dead. Those who lived here it's for certain, would grow dark and tortured too' In Jamaica Inn, at the heart of the bleak Bodmin Moor, young Mary Yellen soon discovers mysterious goings-on in the dead of night. But worse is yet to come as Mary finds herself helplessly ensnared in the deadly activities taking place around her. Evocative, atmospheric and chilling, this new adaptation of Jamaica Inn has all the hallmarks of a great adventure classic — murder, mystery and malevolence. Jamaica Inn was produced at the Salisbury Playhouse in May 2004 and was followed by a UK tour. In this collection of suspenseful tales in which fantasies, murderous dreams and half-forgotten worlds are exposed, Daphne du Maurier explores the boundaries of reality and imagination. A chilling story of ambition, Daphne du Maurier's third novel has lost none of its ability to unsettle and disturb. Julius Lévy has grown up in a peasant family in a village on the banks of the Seine. A quick-witted urchin caught up in the Franco-Prussian War, he is soon forced by tragedy to escape France for Algeria. Once there, he learns the ease of swindling, the rewards of love affairs, and the value of secrecy. Cruel and insensitive, Julius claws his way to the top, caring nothing for others -- until his daughter, Gabriel, is born. Julius' attachment to her will become his strongest bond -- and his greatest weakness. "A literary artist in her own right." --New York Times This book of occasional pieces from Daphne du Maurier's workshop is good to have: it is something of a continuation of her autobiography *MYSELF WHEN YOUNG*. The title piece is the remarkable Notebook she kept when REBECCA was forming itself in her mind -- the book that made her a worldwide bestseller and conquered both stage and films and ... television. The other pieces are mainly autobiographical but have no less variety than charm. Her devoted readers will not be disappointed! SPECTATOR The lengthy land feud between two proud Irish families worsens when copper is discovered on the disputed property. Letters from Du Maurier (and others on her behalf) to David Masson, in his capacity as Sub-Librarian of the Brotherton Collection, Leeds University Library, relating to her work on a biography about Branwell Bronte, with typescript copies of his letters in reply. Shelves alongside is correspondence between Curtis Brown Ltd (on behalf of Du Maurier) and Masson concerning the copyright of a print to be reproduced in the Czech edition of Du Maurier's book. "Daphne du Maurier has no equal." --Sunday Telegraph Born in turn of the century Cornwall, Janet Coombe longs to share in the excitement of seafaring: to travel, to have adventures, to know freedom. But constrained by the times, she marries her cousin Thomas, a boat builder, and settles down to raise a family. Janet's loving spirit--her passionate yearning for adventure and love--is passed down to her son, and through him to his children's children. As generations of the family struggle against hardship and loss, their intricately plotted history is set against the greater backdrop of war and social change in Britain. Her debut novel, *The Loving Spirit* established du Maurier's reputation and style with an inimitable blend of romance, history and adventure. "Daphne du Maurier creates on the grand scale; she runs through the generations, giving her family unity and reality . . . a rich vein of humor and satire . . . observation, sympathy, courage, a sense of the romantic, are here." --The Observer When Daphne du Maurier wrote *The Du Mauriers* she was only thirty years old and had already established herself as both a biographer and a novelist. She wrote this epic biography during a vintage period in her career, between two of her best-loved novels: *Jamaica Inn* and *Rebecca*. Her aim was to write the story of her family 'so that it reads like a novel'. Spanning nearly three quarters of a century, *The Du Mauriers* is a saga of artists and speculators, courtesans and military men. From England to Paris and back again, their fortunes varied as wildly as their ambitions. An extraordinary family of writers, artists and actors they are... The du Mauriers. Celebrated novelist Daphne Du Maurier and her sisters, eclipsed by her fame, are revealed in all their surprising complexity in this riveting new biography. On a trip to the South of France, the shy heroine of *Rebecca* falls in love with Maxim de Winter, a handsome widower. Although his proposal comes as a surprise, she happily agrees to marry him. But as they arrive at her husband's home, *Manderley*, a change comes over Maxim, and the young bride is filled with dread. Friendless in the isolated mansion, she realises that she barely knows him. In every corner of every room is the phantom of his beautiful first wife, Rebecca, and the new Mrs de Winter walks in her shadow. "Daphne du Maurier has no equal." Sunday Telegraph As civil war rages across England, the weak prove their courage and the privileged become traitors
