Study Schedule for the AP Exam in Comparative Government & Politics Chapter 1 - Succeeding on the AP Government & Politics Exams About the Advanced Placement Program The AP United States Government & Politics Exam The AP Comparative Government & Politics Exam About the Review Sections Scoring the Exam Scoring the Multiple-Choice Section Scoring the Free-Response Section The Composite Score Scores that Earn College Credit and/or Advanced Placement Studying for Your AP Examination Test-Taking Tips Chapter 2 - United States Government & Politics Review Constitutional Framework The Federal Government Public Policy Political Institutions and Special Interests Public Opinion and Voter Behavior Civil Rights and the Supreme Court Answer Key Chapter 3 - Comparative Government & Politics Review Britain France The Former Soviet Union (Commonwealth of Independent States) The People's Republic of China Answer Key Practice Test 1 - AP Examination in U.S. Government & Politics Answer Key Detailed Explanations of Answers Practice Test 2 - AP Examination in U.S. Government & Politics Answer Key Detailed Explanations of Answers Practice Test 3 - AP Examination in Comparative Government & Politics Answer Key Detailed Explanations of Answers Glossary ANSWER SHEETS APPENDICES "including Annotated Articles of Confederation and United States Constitution " Chapter 1 - Succeeding on the AP Government & Politics Exams This book will prepare you for the Advanced Placement Examinations in Government and Politics by giving you, first and foremost, an accurate and complete representation of the actual exams for both United States Government and Politics and Comparative Government and Politics. But REA doesn't stop there: we give you thorough yet concise topical reviews, a series of targeted drills, and an up-to-date glossary that comprises the full range of terminology with which you should be familiar. If you are taking the United States Government and Politics exam, you'll want to concentrate on the first part of this book. The second part of the book is devoted to the Comparative Government and Politics exam. In both cases, you'll find a lively course review keyed to exactly the material you'll need to know to score well on the test, complemented by our handy glossary to help you get the most out of your study time. Two complete practice exams are provided for U.S. Government and Politics, while one full-length practice exam is provided for Comparative Government and Politics. Each REA practice exam features an answer key and detailed explanations for every question. The explanations not only provide the correct response but also tell you why the remaining answers shouldn't be chosen. By going over the appropriate review section(s), taking the corresponding exam(s), and studying our detailed explanations, you will discover your strengths and weaknesses and prepare yourself to score well on the AP Government and Politics exams. About the Advanced Placement Program The Advanced Placement Program is designed to provide high school students with the opportunity to pursue college-level studies while still attending high school. The program consists of two components: an AP course and an AP exam. In addition, the AP in Government and Politics curriculum is divided into two courses: United States Government & Politics and Comparative Government & Politics. If you wish to pursue an Advanced Placement in Government and Politics course you may enroll in the United States course, the Comparative course, or both. You will be expected to leave the course(s) with college-level writing skills and knowledge of government and politics. Upon completion of the course(s), you may then take the corresponding AP exam(s). Test results are then used to grant course credit and/or determine placement level in the subject when you enter college. AP exams are administered every May. The exam schedule has been designed to allow you the opportunity to take both exams, if you are enrolled in both courses. If the United States exam is given during the morning administration, the Comparative exam will be given during the afternoon administration. The AP United States

Government & Politics Exam The United States exam is 145 minutes in length and is divided into two sections: I. Multiple-Choice (50% of your grade): This 45-minute section is composed of 60 questions designed to measure your understanding of facts, concepts, and theories pertinent to United States government and politics. Your ability to analyze and understand data, and the patterns and consequences involved with political processes and behaviors will also be tested. In addition you must have knowledge of the various institutions, groups, beliefs, and ideas relevant to United States government and politics. II. Free-Response (50% of your grade): This 100-minute section consists of four mandatory questions, each of which accounts for one-fourth of your total free-response score. You should allot roughly 25 minutes - or one-quarter of the total time in the free-response segment - for each essay. Each question normally asks you to interrelate ideas from different content areas from among the topics listed below. In addition, you may also be asked to evaluate and define fundamental concepts in the study of United States politics, and possibly to analyze case studies that bear on political relationships and events in the United States. You will be required to demonstrate mastery of political interpretation, and analytic and organizational skills through writing. In addition, you may be presented with graphs, charts and tables from whose data you would be asked to draw logical conclusions. Here's a breakdown of coverage on the United States exam: Topics / % of Exam I. Constitutional Underpinnings of United States Government / 5-15% II. Political Beliefs and Behaviors / 10-20% III. Political Parties, Interest Groups, and Mass Media / 10-20% IV. Institutions of National Government: The Congress, the Presidency, the Bureaucracy, and the Federal Courts / 35-45% V. Public Policy / 5-15% VI. Civil Rights and Civil Liberties / 5-15%

The AP Comparative Government & Politics Exam The Comparative exam is 145 minutes long and is divided into two sections: I. Multiple-Choice (50% of your grade): This 45-minute section is composed of 60 questions designed to measure your understanding of facts, concepts, and theories pertinent to Comparative government and politics. Your ability to analyze and understand data, and the patterns and consequences involved with political processes and behaviors will also be tested. The countries normally tested in the multiple-choice questions include Great Britain, France, the former Soviet Union (Commonwealth of Independent States), and China; these are referred to as the core countries tested on the exam. For certain questions, basic knowledge of the United States will be assumed. II. Free-Response (50% of your grade): This 100-minute section consists of four mandatory questions, each of which accounts for one-fourth of your total free-response score. You should allot roughly 25 minutes - or one-quarter of the total time in the free-response segment - for each essay. Comparative Free-Response questions may require you to compare one or two of the core countries (Great Britain, France, China, and the former Soviet Union) with the developing nations of either India, Mexico, or Nigeria. To do this, you must be able to demonstrate knowledge of the politics of one of these developing nations. Here's a breakdown of coverage on the Comparative exam: Topics / % of Exam I. The Sources of Public Authority and Political Power / 5-15% II. Society and Politics / 5-15% III. The Relationship Between Citizen and State / 5-15% IV. Political and Institutional Frameworks / 35-45% V. Political Change / 15-25% VI. The Comparative Method / 5-10%

About the Review Sections As mentioned earlier, this book includes two reviews: one for United States Government and Politics, the other for Comparative Government and Politics. The United States Government and Politics Review covers all of the key information you'll need to score well on the United States exam. These topics include: - Constitutional Framework - The Federal Government - Political Institutions and Special Interests - Public Opinion and Voter Behavior - Civil Rights and the Supreme Court We also provide a glossary for the United States Government and Politics exam. Included are

the key historical figures, court cases, programs, laws, etc., that often appear on this AP exam. The Comparative Review provides a thorough discussion of the material most often tested on the Comparative exam. Special emphasis is placed on the governments and politics of: - Britain - France - The former Soviet Union - The People's Republic of China A glossary for the Comparative Government and Politics exam enables you to brush up on terms that you are likely to encounter on this test. Scoring the Exam After the AP administrations, more than 1,700 college professors and secondary school teachers are brought together to grade the exams during the first two weeks of June. These readers are chosen from around the United States for their familiarity with the AP program. The Multiple-Choice sections of the Comparative Government & Politics and U.S. Government & Politics exams are scored by granting one point for each correct answer and deducting one-fourth of a point for each incorrect answer. Unanswered questions receive neither credit nor deduction. The Free-Response answers are read and scored using a specific set of objective criteria, but the actual points available for each question may vary from administration to administration. For purposes of this discussion - and REA's practice tests - the Comparative exam questions will yield a score between 0 and 9 (with 0 being the lowest and 9 the highest) on Free-Response Part I, and a score of between 0 and 5 (with 0 being the lowest and 5 the highest) on Free-Response Part II. All four Free-Response items on our U.S. Government practice exam are scored on the 0-to-9 scale. Once the responses are graded, the scores can be converted. The AP Government and Politics exam is based on a 120-point scale. The breakdown of the percentages and points is as follows (note that the available free-response points will vary): Once raw scores have been obtained for each section, they are weighted to produce a composite score. Then the composite scores for each section are added together to form a total composite score for the exam. The range for the composite score is from 0 to 120. Finally, the composite score is translated into a range of from 1 to 5, with 1 being the lowest and 5 the highest. Scoring the Multiple-Choice Section Use this formula to calculate your raw score for the multiple-choice section: (# right answers) - (# wrong x 1/4) = raw score "round off to nearest whole number; if the number is less than zero, enter zero" Scoring the Free-Response Section The following guide explains typical free-response scoring criteria: Score Explanation of Score 8-9 The thesis is extremely well developed and is supported with concrete evidence; all aspects of the question have been addressed thoroughly; discussions presented are balanced. 6-7 The thesis is defined and supported; the evidence provided is very organized; the essay may be slightly imbalanced with one strong argument and one weak argument and/or discuss one topic more thoroughly than the next; sporadic factual errors may appear. 5 A basic argument or thesis is provided; evidence given supports the argument or thesis, but does not clearly connect with the argument or thesis; only the formal facets of the question are dealt with, and informal facets are not adequately covered; not all aspects of the question are discussed. 4 The thesis is not organized and is not referred to in the essay; the essay is little more than a recounting of facts and events; the essay may be overloaded with data; only one facet of the questions may be discussed; numerous factual errors may appear. 3 The thesis is weak; evidence provided in support does not apply to the thesis; factual errors are apparent. 2 The thesis is very weak; little or no factual evidence is provided to support the thesis; irrelevant and inaccurate information appears. 1 An attempt is made to answer the question, but the support given is insignificant and the coverage of topics is incomplete. 0 The question is not answered with any significance. Free-Response Part II (Comparative only) Score Explanation of Score 5 The thesis is extremely well developed and is supported with concrete evidence; all aspects of the question have been addressed thoroughly; discussions are presented in a balanced way. 4 The thesis is defined and supported; the

evidence provided is very organized; the essay may be slightly imbalanced, with one strong argument and one weak argument; likewise, one topic may be more thoroughly explored than another; may be marred by sporadic factual errors. 3 A basic argument or thesis is presented; evidence given supports the argument or thesis, but does not clearly connect with the argument or thesis; only the formal facets of the question are dealt with, and informal facets are not adequately covered; not all aspects of the question are discussed. 2 The thesis is weak; evidence provided in support does not apply to the thesis; factual errors are apparent. 1 An attempt is made to answer the question, but the support given is insignificant and the coverage of topics is incomplete. 0 The question is not answered with any significance. It would be extremely helpful to find someone who is willing to score your essay - your teachers or anyone who is familiar with the test material. If you do, ask the person to assign each of your U.S. and Comparative (Part I) essays a score of 0 to 9. For your Comparative (Part II) essays, use the 0-to-5 scale. If you must grade your own essays, try to be objective! In addition, you may want to give your essays three different grades. For instance, if you feel you did well, try giving the essay a score of 5, 6, or 7 to represent the various scores you may receive. By underestimating what your score may be, you are more likely to receive a better score on the actual exam. Use the following formulae to determine your raw score for the Free-Response section: United States Exam (Free-Response) Response (1) score  $\times 1.66 =$  raw score Response (2) score  $\times 1.66 =$  raw score Response (3) score  $\times 1.66 =$  raw score Response (4) score  $\times 1.66 =$  raw score Comparative Exam Response (1) score  $\times 1.66 =$  raw score Response (2) score  $\times 1.66 =$  raw score Response (3) score  $\times 3 =$  raw score Response (4) score  $\times 3 =$  raw score The Composite Score Once you have obtained your raw scores for both the Multiple-Choice and the Free-Response sections, add the scores together to get your composite score: United States Exam Multiple-Choice raw score + Free-Response raw score = composite score (round to nearest whole number) Score Essay 1 + Score Essay 2 + Score Essay 3 + Score Essay 4 = raw score Comparative Exam Multiple-Choice raw score + Free-Response raw score = composite score (round to nearest whole number) Now compare your composite score with the scale below: Composite Score / AP Grade 88 - 120 / 5 74 - 87 / 4 54 - 73 / 3 35 - 53 / 2 0 - 34 / 1 AP grades are interpreted as follows: 5-extremely well qualified, 4-well qualified, 3-qualified, 2-possibly qualified, and 1-no recommendation. Scores that Earn College Credit and/or Advanced Placement Most colleges grant students who earn a 3 or above college credit and/or advanced placement. You should check with your school guidance office about specific college requirements. Studying for Your AP Examination It is never too early to start studying. The earlier you begin, the more time you will have to sharpen your skills. Do not procrastinate! Cramming is not an effective way to study, since it does not allow you the time needed to learn the test material. It is very important for you to choose the time and place for studying that works best for you. Some students may set aside a certain number of hours every morning to study, while others may choose to study at night before going to sleep. Other students may study during the day, while waiting on a line, or even while eating lunch. Only you can determine when and where your study time will be most effective. But, be consistent and use your time wisely. Work out a study routine and stick to it! When you take the practice exam(s), try to make your testing conditions as much like the actual test as possible. Turn your television and radio off, and sit down at a quiet table free from distraction. Make sure to time yourself. As you complete the practice test(s), score your test(s) and thoroughly review the explanations to the questions you answered incorrectly, but do not review too much during any one sitting. Concentrate on one problem area at a time by reviewing the question and explanation, and by studying our review(s) until you are confident that you completely understand the material.

Since you will be allowed to write in your test booklet during the actual exam, you may want to write in the margins and spaces of this book when practicing. However, do not make miscellaneous notes on your answer sheet. Mark your answers clearly and make sure the answer you have chosen corresponds to the question you are answering. Keep track of your scores! By doing so, you will be able to gauge your progress and discover general weaknesses in particular sections. You should carefully study the reviews that cover the topics causing you difficulty, as this will build your skills in those areas. To get the most out of your studying time, we recommend that you follow the Study Schedule which corresponds to the exam you are taking. It details how you can best budget your time. If you are taking both exams, do not try to study for each at the same time. Try alternating days by studying for the United States exam one day and the Comparative exam the next.

**Test-Taking Tips**

Although you may be unfamiliar with tests such as the Advanced Placement exams, there are many ways to acquaint yourself with this type of examination and help alleviate your test-taking anxieties. Listed below are ways to help yourself become accustomed to the AP exam, some of which may also be applied to other standardized tests. Become comfortable with the format of the AP Examination in Government and Politics that you are taking. When you are practicing to take the exam(s), simulate the conditions under which you will be taking the actual test(s). You should practice under the same time constraints as well. Stay calm and pace yourself. After simulating the test only a couple of times, you will boost your chances of doing well, and you will be able to sit down for the actual test much more confidently. Know the directions and format for each section of the exam. Familiarizing yourself with the directions and format of the different test sections will not only save you time, but will also ensure that you are familiar enough with the AP exam to avoid nervousness (and the mistakes caused by being nervous). Work on the easier questions first. If you find yourself working too long on one question, make a mark next to it in your test booklet and continue. After you have answered all of the questions that you can, go back to the ones you have skipped. Use the process of elimination when you are unsure of an answer. If you can eliminate three of the answer choices, you have given yourself a fifty-fifty chance of getting the item correct since there will only be two choices left from which to make a guess. If you cannot eliminate at least three of the answer choices, you may choose not to guess, as you will be penalized one-quarter of a point for every incorrect answer. Questions not answered will not be counted. Be sure that you are marking your answer in the circle that corresponds to the number of the question in the test booklet. Since the multiple-choice section is graded by machine, marking the wrong answer will throw off your score. Be prepared for exam day with Barron's. Trusted content from AP experts! Barron's AP U.S. Government and Politics: 2020-2021 includes in-depth content review and practice. It's the only book you'll need to be prepared for exam day. This book is primarily designed for students preparing for various competitive examinations. It will also be helpful for those preparing for midterm exams in schools or universities. The aim of this book is twofold: first, to help the students preparing for competitive examinations, seeking admission to universities or schools, or prepare for job interviews. Second, it will also be helpful for those studying USA CITIZENSHIP TEST. This book contains more than 1458 questions from the core areas of USA CITIZENSHIP TEST. The questions are grouped chapter-wise. There are total 1 chapters, 0 sections and 1458+ MCQ with answers. This reference book provides a single source for multiple choice questions and answers in USA CITIZENSHIP TEST. It is intended for students as well as for developers and researchers in the field. This book is highly useful for faculties and students. One can use this book as a study guide, knowledge test questions bank, practice test kit, quiz book, trivia questions . . . etc. The strategy used in this book is the same as that which mothers and grandmothers have been using for ages to induce kids in the family to sip more soup (or some other nutritious drink). The children are told that some cherries (their favourite noodles or cherries ) are hidden somewhere in the bowl, and that serves as an incentive for drinking the soup. In joint families, by the time the children are old enough to know the trick played by their grandma, there is usually another group of kids ready to fall for it! They excite the kids, but the real nutrition lies not in the noodles but in the soup. The problems given in this book are like those noodles/cherries while solving all these problems are nutritious soup. Now it is your choice to drink the nutritious soups or not!!! Accessible, authoritative, and entertaining in the signature style of the Complete Idiot's Guide® series, The Complete Idiot's Guide® to U.S. Government and Politics provides a wonderful foundation of knowledge about the way our country's system of government works. Understanding how our government functions and the political forces that influence it is vital for all Americans. At the high school level, U.S. government, the class formerly called civics, has evolved to become a focus of the Advanced Placement test. In 2007, the AP U.S. government and politics exam was the most widely taken test among high school students on a college track, with over 333,562 students sitting for the 3.5-hour exam. Several strictly test prep books help students prepare for this exam. However, they're limited to the key points covered by the exam and don't afford much information outside the strict curriculum.

The Complete Idiot's Guide® to U.S. Government and Politics gives the reader much more. As a comprehensive overview and history of the subject, this book is designed to help anyone interested in learning about our government and the origins of its complex inner workings, our political system, and key elements that have affected our growth as a nation—all while serving as the best supplementary reading a student can get to help them prepare for the AP exam. Known for the extremely student-friendly, jargon-free style of the two books from which it was made, the new "American and Texas Government: Policy and Politics" introduces the essentials of American and Texas government in a way that any student can understand. Neal Tannahill's "American Government" and "Texas Government" are offered together in one comprehensive and accessible text. This new version features the same public policy emphasis that shows students the impact that government has on their lives, and offers the wealth of useful study aids and exercises to engage students in the course material and encourage them to become active participants in their government. This new edition is published as a Longman Study Edition and therefore contains a battery of chapter tests for student study and practice. It also offers the latest coverage of issues in both American and Texas government, including the results of the 2008 elections, immigration reform, and the challenge posed by nuclear programs in Iran and North Korea. **EVERYTHING YOU NEED TO HELP SCORE A PERFECT 5!** Ace the AP U.S. Government & Politics Exam with this comprehensive study guide, including 3 full-length practice tests, content reviews, targeted strategies for every question type, and access to free online bonus content. Techniques That Actually Work • Tried-and-true strategies to help you avoid traps and beat the test • Tips for pacing yourself and guessing logically • Essential tactics to help you work smarter, not harder Everything You Need for a High Score • Fully aligned with the latest College Board standards for AP® U.S. Government & Politics • Content review for all test topics, with a quick-reference glossary for the most important dates, cases, and information • Access to handy study guides, printable resources, helpful pre-college information, and more via your online Student Tools Practice Your Way to Excellence • 3 full-length practice tests (2 in the book, 1 online) with detailed answer explanations • Helpful comprehension drills at the end of each content review chapter • Strategies for all multiple-choice question types

With the Ultimate 2023 US Citizenship Test Study Guide, you'll be fully prepared to pass the naturalization exam and become a US citizen. Don't let

the stress of the test hold you back order your copy today! Classic Books Library presents this brand new edition of “The Federalist Papers”, a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. “The Federalist”, as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation’s finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States. Be prepared for exam day with Barron’s. Trusted content from AP experts! Barron’s AP U.S. Government and Politics Premium: 2020-2021 includes in-depth content review and online practice. With titles available for all the most popular high school and college courses, CliffsQuickReview guides are a comprehensive resource that can help you get the best possible grades. **American Government:** In the United States, the government gets its power to govern from the people. We have a government of the people, by the people, and for the people. Citizens in the United States shape their government and its policies, so they must learn about important public issues and get involved in their communities. Learning about American government helps you understand your rights and responsibilities and allows you to fully participate in the American political process. The Founders of

this country decided that the United States should be a representative democracy. They wanted a nation ruled by laws, not by men. In a representative democracy, the people choose officials to make laws and represent their views and concerns in government. This book will help you understand the principles of American democracy, the U.S. system of government, and the important rights and responsibilities of U.S. citizenship. Sound democratic decisions rely on a citizenry with at least a partial mastery of the rules and workings of democratic government. American high schools, where students learn the basics of citizenship, thus ought to play a critical role in the success of democracy. Yet studies examining the impact of high school government and civics courses on political knowledge over the past quarter-century have generally shown that these courses have little or no effect. In this important book, Richard G. Niemi and Jane Junn take a fresh look at what America's high school seniors know about government and politics and how they learn it. The authors argue convincingly that secondary school civics courses do indeed enhance students' civic knowledge. This book is based on the most extensive assessment to date of civic knowledge among American youth--the 1988 National Assessment of Education Progress (NAEP) Civics Assessment. The authors develop and test a theoretical model to explain the cognitive process by which students learn about politics and they conclude by suggesting specific changes in the style and emphasis of civics teaching. With an emphasis on public policy and active learning, this popular and highly accessible text introduces the essentials of Texas government and its often colorful politics in a way that any reader can understand. An abundance of useful study aids and exercises in every chapter and a lively, straightforward writing style makes the material accessible to readers of every level. Showing them the impact that government has on their lives, this insightful and sometimes humorous critique of Texas government engages readers in the material and encourages them to become active participants in their government. The ninth edition is published as a "Longman Study Edition" and therefore contains a battery of practice chapter tests for self study and review. Kaplan's AP U.S. Government & Politics 2021 & 2022 is revised to align with the 2021 AP exam. About the Author Larry Krieger earned his B.A. and M.A.T. from the University of North Carolina at Chapel Hill and his M.A. from Wake Forest University. In a career spanning more than 40 years, Mr. Krieger has taught a variety of AP® subjects including American History, World History, European History, American Government, and Art History. His popular courses were renowned for their energetic presentations, commitment to scholarship, and helping students achieve high AP® exam scores. Each chapter includes a list of Learning Outcomes for the chapter, practice tests with questions in multiple-choice and fill-in formats designed to reinforce information in the text and help students develop a greater understanding of American government and politics, and the answers to all questions. Did you know that you only get TWO chances to pass the naturalization test? If you fail both attempts, you'll have to start the whole process all over again - and you may not attain the U.S. Citizenship and passport you've been dreaming of. That's why it's so important that you pass the civics test, first time round. In this book, we've written the most recent 100 questions & answers to the civics test. You can be sure that these are up to date, so you can go into the oral test feeling confident about scoring more than 6 out of 10. Examples of some of the 100 questions you'll be asked include: - How many amendments does the Constitution have? - What are two rights in the Declaration of Independence? - What is the economic system in the United States? - How many U.S. Senators are there? - Who vetoes bills? - Name one of the two longest rivers in the United States. - Name one U.S. territory. - Why does the flag have 50 stars? - When do we celebrate Independence Day? Your answers must be from a specific list, of which we'll reveal to you inside this book. If you didn't instantly know the right answer to each of these questions - it's crucial that you improve your knowledge by purchasing our book today and then reading to it as many times as you like. We're here to help you pass with ease. In Chapter 3, we've added our best tips for success, from people who've already attained their U.S. Citizenship. We've also put the

answers at the back of the book (instead of next to the questions like most other books) - for the most efficient learning experience. \*these questions & answers are derived from the 2008 test, which is the current test, after the government dropped the 2020 version. So, buy this book NOW and get one step closer to your U.S. Citizenship!
