Josephine Ellershaw, the author of the international bestseller Easy Tarot, presents an easy, effective, and enjoyable way for anyone to learn to do amazingly accurate, helpful Tarot readings. Ellershaw illuminates the Tarot reading

process by inviting you to virtually sit in on her readings with ten individuals. Card by card, spread by spread, she reveals her thought process behind each interpretation and decision, and tells how to make the connections that add clarity and depth to a reading. These compelling and memorable accounts of ten very different readings, along with follow-up documentation of how relevant each reading proved to be, result in a powerful and completely unique approach to learning to do Tarot readings. Easy Tarot Reading also includes tips on the following topics: -Ethical guidelines and responsibility -Conducting email and telephone readings -Delivering bad news -Seeker involvement and icebreakers -Frequency of consultations -Indicators of success, secrets, and skullduggery Praise: "A truly unique book . . . This engaging and honest behind-the-scenes glimpse into the world of Tarot will delight and inspire both Tarot enthusiasts and curious newcomers alike."-Lisa Finander, author of Disneyastrology "I absolutely adore this book . . . Ellershaw presents the 'story' that a reading really is in fine fashion!"-Bonnie Cehovet, Aeclectic Tarot "If you've never read cards before, this is the book to start with. If you're already reading cards, this is the book that will help you fine tune your skills."-Anna Jedrzejewski, TarotWise.com "BUY THE PAPERBACK VERSION OF THIS BOOK AND GET THE KINDLE VERSION FOR FREE" If you want to fully understand, learn and master the art of Tarot reading but you don't know where to start then keep reading! Have you ever wondered if it is possible to predict a person's future? If it is possible to unveil hidden truths behind a person's mind? The answer is YES. Learning and mastering Tarot reading is possible and you can learn it too. If you master Tarot reading you will be able to predict many aspects of a person's life, such as fortune, love, money and many more. But it's not easy. You need a lot of practice and some experience but, most importantly, you need a guide and not just a general book like most others out there.... You need a guide that is able to take you from the "beginner" level to the "expert" level, a guide that is able to teach you each and every aspect of this ancient art and make you become a master of Tarot reading even if you don't know absolutely anything. And this is the exact aim of this manual. In this book you will learn: What it means to be a Tarot reader The story and the background of this art How the deck of Tarot is formed How to begin if you don't know anything How to read and interpret cards step by step How to practice and master Tarot to become a real fortune-teller Each and every card explained in full detail with a chapter dedicated to each one How you can benefit from Tarot reading This book will also deeply explore the LOVE aspect of a reading in detail. This is because I believe that love is a crucial matter and should be given an important role in card readings. Even if you know nothing about the subject, even if you have tried other guides and were not satisfied, even if you have some experience but you don't really know how to become truly skilled in this art. This is the book that will allow you to become a real expert in Tarot reading and, if you wish, even an actual fortune teller. Be aware that this is not just a general description of the subject. This is a real guide. I recommend you to use this knowledge always with ethics and responsibility. build tarot skills from the ground up and form your own intimate connections with the cards. Your Tarot, Your Way invites you to honor your unique life experiences as you respond to symbols and cultivate a spirit of play. With practical, real-life examples, this book helps you explore tarot as a practice for nourishing your soul and discovering new perspectives. This is the definitive guide to learning and mastering Tarot quickly and easily. Unique, fun, easy-to-learn exercises teach you how to hear what the cards are trying to tell you. This book is perfect for the beginner: all you need to read the tarot is this book and a deck of cards (preferably the standard Rider decks you can find anywhere). We start you immediately practicing our unique, easy and fun exercises with your cards. You will spend your time playing with your cards, not memorizing rules and dogma from some book of archaic superstition and vague cards meanings. You see, this is not yet another book of Tarot card meanings. How boring is that? We will start your hands-on learning immediately; you will be playing with your Tarot cards as they reveal the future to you. You learn by doing, not by memorizing outdated lies and superstitions. This is our official Tarot academy textbook, the same one we use to turn beginners into professionals. This (hands-on time and practice) is essential or you will be trapped in the cycle of buying more and more Tarot books that only make you more and more reliant on them for card meanings. Here is what you will by reading this book: What your cards are telling you every time you ask a question. What various meanings your cards can have (how else can 78 cards describe the thousands of things that could happen to you on any given day?) How to cast a spread and actually get reliable answers The best spreads to use, how to use them, and when to use them (for any occasion) What the cards "traditionally mean" and why that is important, but not more important than what your intuition is telling you "right now" The difference between average Tarot readers and masters is their ability to hear their inner voice, and see how card meanings adapt to the question being asked. We help you instinctively see exactly how cards blend, influence, and aspect other cards, and how to answer ANY question, even if you have never picked up a deck. We do this through unique exercises and games, taught nowhere else in the world. Click on the "Look Inside" link above to see exactly how you will quickly and easily master the Tarot. This is a highly interactive workbook: You don't just read this book and put it on the shelf—you practice what you learn in real time, and you see results instantly from your education. The more you practice the better your results will be and the more you will understand your cards. We even have TONS of free videos every week and audio lessons to supplement your education at our easy tarot lessons website. This book is the best way to start learning the tarot. When you have completed this book and you want to read cards better than most professional tarot readers you will ever meet, you will want to pick up a copy of Advanced Tarot Secrets. That book will help you get 3-5 times more information from every spread you cast than anyone you know, and it will teach you the deepest secrets of distance divination and manifestation. Best of all, unlike any other professionally published tarot book this book comes with complete support. If you ever get lost, stuck, or bored, we are here to help. You can find us inside the book. Thanks for checking out The Easiest Way to Learn the Tarot-**EVER!!** We are here to help you. This is all we do. Do

Tarot Card Combinations is a unique, comprehensive, and highly practical presentation of interpreting the tarot that has helped thousands master the ancient divination. Dorothy Kelly's easy-to-understand approach shares everything one needs to know to unlock the story presented when the cards are drawn. Like other tarot reading guides, basic tarot definitions of the major and minor arcana are included, as well as explanations of basic layout, and how to interpret upright and reversed cards. What makes this book unique is Kelly's presentation of cards in endless combinations, revealing how the cards relate to each other and endowing each card with richer meaning and more subtle nuances than when considered alone. Beginners will learn the basics and be presented with an easy to follow organic system of learning to interpret the cards. Intermediate practitioners can build on what they already know and for advanced readers, Tarot Card Combinations will provide new insight and food for thought. With illustrations showing 2, 3, 4, and 5 card combinations of cards in the popular Waite deck, Tarot Card Combinations is as beautiful as it is informative. Reading tarot cards one after another never reveals the rich meaning of cards considered together. Use Tarot Card Combinations to unlock the depth and meaning of stories revealed in the tarot. Each tarot reader has a unique style that they hone over time into the fine art of divining the future. In this essential guide to arranging cards into prophetic patterns, Joan Bunning has compiled a veritable encyclopedia of tarot spreads with great appeal for accomplished readers who want to explore further as well as novices with their very first deck. What sets Joan Bunning apart from every other writer on the subject of tarot is her ability to take a rather complicated esoteric system and break it down into manageable, clear, and easily learned parts. Chapters include spreads for relationships, family, love, money, health, work, and even specific time periods. Sample spreads are comprehensive, ranging from many-card "Gypsy" spreads to quick and easy "Three Card Draws." She also gives the reader reference charts, exercises and structured tarot lessons. Tarot--without memorization! Carroll provides readers with a fast,  
revolutionary method for learning to read Tarot cards. Think of the last  
time you did a tarot reading or had one. How many of the cards were  
reversed? Close to half? Well, of course! So why do so many books treat  
reversed cards in what is basically a cursory manner? Joan Bunning to the  
rescue with *Learning Tarot Reversals*--finally reversed cards get the  
attention they deserve! Traditionally, reversed cards are read as the polar  
opposite of what the upright card represents. While this method of reading  
has its place, the effect of reversed cards, their number, groupings, and  
where they fall in a tarot spread can deepen any reading and bring subtle  
nuances into play. Bunning points out that a reversed card can also indicate  
a build-up to, lack of, or decline from the event or condition represented  
by that card. Linking cards together based on the presence of reversed cards  
thus gives a reading a natural flow of high points and low points without  
abrupt transitions. In a format usually reserved for upright cards, Bunning  
describes every reversed card in the deck--with a brief description of the  
upright meaning, and more detail about the reversed meaning. Following the  
format of her best-selling *Learning the Tarot*, Bunning, who is a masterful  
teacher, presents lessons that build on each other smoothly, allowing a  
student to progress to increasingly complex readings and understanding with  
ease. Bunning also includes a handy section of keywords for easy reference.  
Have you ever wanted to read tarot cards - without memorizing or struggling  
to remember the tarot card meanings? Use this complete guide with 78

detailed tarot card meanings, including upright and reversed keywords, correspondences, and a clear and easy-to-remember description of the card. In comparison to the 52-card deck of playing cards most people are used to, this can seem pretty intimidating. But tarot cards are easy to learn and fun to read! Reading tarot cards is an art more than a skill. There are many beliefs that go along with tarot cards and you basically have to learn to trust yourself and analyze what the cards are trying to tell you. For example, if a card falls out of the deck while you are shuffling them you should never put that card

back in the deck. The card fell out for a reason. In a similar fashion, you will learn to read the meanings of the cards to others and explain to them what the cards are showing them. It can be a very deep and spiritual experience for both the reader and the client. The world of Tarot works not through pronouncements of doom and gloom, made with assurances set in stone, but with skill and subtlety, employing feelings and emotions to listen to the message. As any practitioner will tell you, the future isn't a contract chiseled in concrete, but rather a wish scribbled in beach sand just before high tide. Tarot isn't used to predict one's future; rather it helps guide you in smaller yet more meaningful ways. For example, instead of telling you exactly where your life will be ten years from now, the cards can help you get where you want to be ten years from now, simply through pointing out the helpful and hindering forces, mindsets, and habits with which you currently surround yourself. The symbols and stories behind each card in a deck force introspection and contemplation upon you, making you examine the reality of your current situation and what changes need to be made. They push you to relate situations and deeper circumstances from your life along mentally drawn parallels within the cards. But how can you learn to read and interpret the cards so that you can fully understand - and even divulge to others - what the world of Tarot is trying to reveal? That's exactly what this book is going to show you. Let's get started! Millennia of wisdom and knowledge are held within the humble deck of Tarot cards. In fact, even if the cards themselves did not appear until the Middle ages, the symbolism and the esoteric (occult) meanings of the different cards dates back to the ancient Egyptians and to the study of Kabbalah, a mystical reading of the Torah, or the first five books of the Bible. If you wish to learn to read and interpret the Tarots, you will need an informative, detailed and comprehensive guide to their mystical and powerful meaning; Tarot: 25 Amazing Tips for Learning Tarot Cards Meaning. Learn Tarot Card Secrets is exactly the guide you need to start learning how to use these humble cards for divination. Whether you wish to do it just to help friends in their lives, or you intend to start a career as a Tarot reader, this book has all the detailed information you need, including: The origin of the Tarot cards How the deck of Tarots is structured and organised How to deal the Tarots The distinction between minor arcana and major arcana A detailed description of each card of the major arcana, including the Wheel of Fortune, the High Priestess, the Hanged Man etc. Practical tips on how to read the Tarots in different situations Getting Your FREE Bonus Read this book to the end and see "BONUS: Your FREE Gift" chapter after the introduction and conclusion. Discover the only guide you'll ever need to unlock the power of the tarot deck to help you decipher the present moment and take your tarot reading skills to the next level! If you've ever wanted to become proficient at using the tarot deck, but have no idea where to begin, if you have nagging questions about what current events in the present might mean for you, then this guide is just what you need. In Tarot for Beginners, Eva Gibson gets rid of the fluff and shows you how you can get started mastering the tarot deck. From forming a powerful connection with your tarot deck to completely understanding the various tarot spreads and when to use each one depending on the answer you're searching for, this guide has everything you need to accelerate personal growth and self-awareness. ☑ Why asking the right questions is essential to tarot reading and how to ask the right questions  
☑ A concise introduction to all you need to know about the different tarot spreads that will give you an insight into what the future might hold for you  
☑ All you need to know about the meaning of tarot cards, from the major to the minor arcana  
☑ ...and more! Designed specifically with beginners in mind, *Tarot for Beginners* is chock-full of detailed insights and practical techniques that will help you become a tarot reading expert and is the perfect reference guide for both beginners and experts alike. You read one or more of the many introductory books about Tarot. You might have started doing readings for friends and family. But the cards themselves stay elusive. Some cards look too similar. Their differences seem to elude you. Remembering all the 78 cards by rote learning is not working. *Tarot in Context* accompanies your journey of learning by putting the cards in a context where you can see them in action. Many Tarot cards express similar concepts, with subtle differences in degree and reach. *Tarot in Context* proposes a fun way to learn these differences: by seeing how they modify the course of action of a given story. From a central premise, choosing

different tarot cards from hand-picked groups of "confusing" triplets of cards, 52 different stories unfold. Seeing how different cards evolve a central story, you can relate each card back to the central story. This allows for your memory to make "hooks" in your brain to place the cards and retrieve them faster and more easily. Tarot in Context is "Choose Your Own Adventure(TM)" with Tarot Cards. The central story deals with Susan McKenzie Robinson, at a the crossroads in love, work and family. Each story is very short, 4-5 pages in length. The different stories can be browsed or certain cards can be reviewed directly, seeing how they affect a given substory. It includes also an analysis of how the divinatory meaning of each Tarot card affects the different substories. A beginner's guide to the tarot, including a course of 19 lessons covering the basics and then moving gradually into more advanced concepts. Joan Bunning's The Big Book of Tarot offers a complete course on how to use the tarot cards for personal guidance. The author communicates the basic depth and beauty of each card and shows how the cards trigger psychological projection, enhance intuition, and improve communication with the Inner Guide. While there are

countless books devoted to tarot, what sets Joan Bunning apart from every other writer on the subject is her ability to take a rather complicated esoteric system and break it down into clear, manageable, and easily learned parts. The lessons Bunning offers cover the basics and then move gradually into more advanced concepts. Exercises and sample responses for each lesson help you learn and practice. The book includes: Lessons on how to consider one card by itself, how to look for card pairs, and how to create the "story" of a reading A convenient reference section that contains two pages of information for each card including a picture from the popular Waite deck, a description, keywords, action phrases, and suggestions for cards with similar and opposite meanings An exploration of the meaning of reversed cards and how to work with them to give tarot readings a natural flow of high points and low points without abrupt transitions Practical insights on how to work with and interpret a wide variety of tarot spreads Note to the Reader: This book consists of material drawn from the author's many previous books as well as new material.
