Las interfaces de usuario son el punto de interacción entre las aplicaciones y las personas que las utilizan. Aunque su función se centra en la entrada y salida de información, muchas veces determinan el éxito o el fracaso de un programa, ya que, por muy interesante que este sea, si resulta difícil de manejar, provocará un rechazo que desanime incluso a probarlo. Es

probable que las aplicaciones que haya desarrollado con Python hasta ahora se limiten a un intercambio de información con el usuario en modo texto. Con la lectura de este libro adquirirá los conocimientos necesarios para dotarlas de una interfaz gráfica, con el fin de hacerlas más amigables, atractivas y fáciles de usar. Aunque en Python existen diferentes paquetes para conseguir este propósito, se ha elegido Tkinter por ser su librería estándar. Tanto es así, que viene con el propio entorno de desarrollo. En este libro aprenderá todo lo necesario para trabajar con esta librería, ya que le permitirá: "Descubrir los controles gráficos proporcionados por Tkinter, como etiquetas, botones, menús, campos de entrada de texto, etc. Con ellos podrá crear otros más elaborados, como barras de menús, barras de tareas o formularios, entre otros muchos. Naturalmente, podrá configurar el aspecto de cada uno de ellos, como el tamaño, el color, el tipo de fuente y cualquier otro rasgo que exhiban. "Utilizar cuadros de diálogo para abrir o guardar archivos, elegir un color o dar mensajes informativos al usuario, de los que se podría esperar una respuesta. "Situación cada uno de los elementos gráficos en una ventana según el diseño deseado, para conformar de esta forma el aspecto visual de la interfaz. "Establecer el comportamiento de cada uno de los componentes gráficos, determinando la respuesta que deben dar a cualquier evento al que quiera que respondan. De esta forma, podrán moverse por la pantalla, aparecer o desaparecer, y cambiar de tamaño, color o cualquier otra de sus características. "Conocer los controles gráficos del módulo ttk, que adaptan su apariencia a la del sistema operativo en el que se ejecutan (Windows, MacOS o Linux). Todos los conceptos introducidos irán seguidos de ejemplos que demostrarán cómo llevarlos a la práctica. Además, los programas utilizados se explican línea a línea para que no queden dudas sobre su funcionamiento. El libro parte de un nivel básico de Python, pero, si no conoce este lenguaje o quiere refrescar sus conocimientos, se proporciona un amplio anexo en el que se enseñan sus principios básicos de funcionamiento, con el fin de que pueda seguir sin problemas las prácticas propuestas. No espere más, hágase con su ejemplar y proporcione a sus aplicaciones el diseño y la funcionalidad que merecen. Tomás Domínguez es ingeniero de telecomunicación y doctorado en inteligencia artificial. Su labor profesional se ha desarrollado en una multinacional de telecomunicaciones, donde ha ocupado diversos cargos relacionados con la tecnología. Asimismo, ha ejercido como profesor universitario de ingeniería informática en la Universidad Alfonso X el Sabio de Madrid. ¿Estás empezando a estudiar inglés como segunda lengua? Todo lo que necesitas para aprender inglés está incluido en English for Everyone: gramática inglesa, vocabulario y ejercicios. En el Libro de estudio del Nivel 3 Intermedio encontrarás vocabulario y expresiones de temas comunes además de un montón de ejercicios de inglés para poner en práctica lo aprendido. En el Libro de estudio del Nivel 3 Intermedio aprenderás a

presentarte a ti mismo y a los demás, contar historias y anécdotas en inglés o hablar sobre planes o futuras posibilidades. También encontrarás vocabulario y expresiones comunes sobre la familia, comida, moda, tiempo y clima, así como los modismos más comunes del inglés. En lo que respecta a la gramática de la lengua inglesa, este nivel incluye además el aprendizaje de los tiempos verbales narrativos y el reported speech así como otros muchos temas que te permitirán dominar la gramática del inglés. Todo ello con el apoyo de gráficos e imágenes, que facilitan el aprendizaje y la retención de los conceptos fundamentales. Este libro es ideal para todas aquellas personas que quieren aprender inglés por su cuenta, así como para estudiantes de todos los niveles que preparan los exámenes oficiales TOEFL, MECR, IELTS y TOEIC.

Descripción general del curso DK presenta English for Everyone, un innovador curso de autoestudio de lengua inglesa desarrollado por los mejores profesionales de enseñanza del inglés para dar respuesta a la demanda del mercado con un sistema visual, sencillo y fácil de utilizar. El curso de inglés cuenta con cuatro niveles divididos en cuatro libros de estudio con sus correspondientes libros de ejercicios que se complementan, además, con un amplio abanico de audios gratuitos. El curso completo, que ayuda en la preparación de los exámenes oficiales TOEFL, MECR, IELTS y TOEIC y está diseñado para cubrir todas las necesidades de aprendizaje gracias a contenidos muy estructurados y atractivos con gráficos e ilustraciones que facilitarán la comprensión de las unidades didácticas. El curso English for Everyone cuenta con audios gratuitos que, además, puedes encontrar en www.dkefe.com y en la app gratuita para smartphones disponible para Android e iOS.

English description Are you learning English as a second language? Everything you need is included in this all-in-one grammar book, vocabulary builder, and exercise course. English for Everyone: Level 3: Intermediate, Course Book builds your conversation skills by teaching you how to introduce yourself and others, tell stories, talk about future possibilities, and more. This course book also covers narrative tenses and reported speech. English for Everyone: Level 3: Intermediate, Course Book covers the language skills, vocabulary, and grammar needed for the major global English-language exams, including TOEFL. All learning is practiced across speaking, listening, reading, and writing exercises, offering rounded preparation for work, travel, study, and exams. Download the free app and practice online with free listening exercises at www.dkefe.com. English for Everyone series teaches all levels of English, from beginner to advanced, to speakers of English as a second language. Innovative visual learning methods introduce key language skills, grammar, and vocabulary, which are reinforced with a variety of speaking, reading, and writing exercises to make the English language easier to understand and learn. Visit www.dkefe.com to find out more. This volume explores how and why people make judgments and decisions that

have economic consequences, and what the implications are for human well-being. It provides an integrated review of the latest research from many different disciplines, including social, cognitive, and developmental psychology; neuroscience and neurobiology; and economics and business. The book has six areas of focus: historical foundations; cognitive consistency and inconsistency; heuristics and biases; neuroeconomics and neurobiology; developmental and individual differences; and improving decisions. Throughout, the contributors draw out implications from traditional behavioral research as well as evidence from neuroscience. In recent years, neuroscientific methods have matured, beyond being simply correlational and descriptive, into theoretical prediction and explanation, and this has opened up many new areas of discovery about economic behavior that are reviewed in the book. In the final part, there are applications of the research to cognitive development, individual differences, and the improving of decisions. The book takes a broad perspective and is written in an accessible way so as to reach a wide audience of advanced students and researchers interested in behavioral economics and related areas. This includes neuroscientists, neuropsychologists, clinicians, psychologists (developmental, social, and cognitive), economists and other social scientists; legal scholars and criminologists; professionals in public health and medicine; educators; evidence-based practitioners; and policy-makers. Designed to appeal to today's diverse student population, this is the only book that successfully addresses both native and non-native speakers. Engaging and varied, it teaches grammar through contextualized exercises and activities based on language proficiency, songs, poems, cultural readings and literary selections. This edition includes greater emphasis on cultural material and vocabulary, expanded exercises, numerous self-tests and laboratory drills which focus on listening as a skill. A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program for monographs. Visit www.luminosoa.org to learn more.

How do keyboards make music playable? Drawing on theories of media, systems, and cultural techniques, *Keys to Play* spans Greek myth and contemporary Japanese digital games to chart a genealogy of musical play and its animation via improvisation, performance, and recreation. As a paradigmatic digital interface, the keyboard forms a field of play on which the book's diverse objects of inquiry—from clavichords to PCs and eighteenth-century musical dice games to the latest rhythm-action titles—enter into analogical relations. Remapping the keyboard's topography by way of Mozart and Super Mario, who head an expansive cast of historical and virtual actors, *Keys to Play* invites readers to unlock ludic dimensions of music that are at once old and new. "Two prominent social psychologists, specializing in the study of human behavior, provide insight into why we trust the people we do and how to use that knowledge in understanding and influencing people

in our own lives,"--NoveList. El libro de Urantia, publicado en 1955 por la Fundación Urantia, nos presenta el origen, la historia y el destino de la humanidad. Responde a preguntas sobre Dios, la vida en el universo habitado, la historia y el futuro de este mundo, e incluye una inspiradora narración de la vida y las enseñanzas de Jesús. El libro de Urantia expone nuestra relación con Dios Padre. Todos los seres humanos son hijos e hijas de un Dios amoroso y por lo tanto hermanos y hermanas de la familia de Dios. El libro proporciona una nueva verdad espiritual a los hombres y mujeres modernos, y el camino para tener una relación personal con Dios. A partir de la herencia religiosa del mundo, El libro de Urantia describe un destino eterno para la humanidad y enseña que la fe viva es la clave para el progreso espiritual personal y la supervivencia eterna. También describe el plan de Dios para la evolución progresiva de los individuos, de la sociedad humana y del universo en su conjunto. Muchas personas de todo el mundo han dicho que leer El libro de Urantia les ha inspirado profundamente para alcanzar niveles más profundos de crecimiento espiritual. Les ha dado un nuevo sentido a su vida y el deseo de servir a la humanidad. Les animamos a que lo lean y a descubrir por ustedes mismos su elevado mensaje. E-Textbooks are now available to purchase or rent through VitalSource.com! Please visit VitalSource for more information on pricing and availability. As of January 1, 2021, Smart Sparrow Companion Websites are no longer available for any of our textbook programs. New companion websites are coming soon, and will be hosted by Lingco. Instructors may sample the new companion websites now by visiting GUPTextbooks.com/companionwebsites. The full websites will be available for fall 2021 course adoption. Until the new companion websites become available, eBook Workbooks with exercises from the Smart Sparrow Electronic Workbook are available for purchase on the GUP website and VitalSource.com, as are Workbook Answer Keys. They will both be sold in eBook format only. With homework practice activities for each chapter, this Workbook is integral to learning with Gramática para la composición. There are more than 300 practice exercises along with pre-tests for each chapter. The Workbook is available in eBook format only and includes all of the exercises previously found on the Companion Website. An Answer Key, sold separately, is available for learners to be able to check their own work. These are the same exercises previously included on the Companion Website. For Instructors: Exam copies of the ebook workbook may be requested on this page, or through VitalSource.com. No other description available. Using an inquiry-based approach to learning, Oxford Discover develops the communication skills and thinking skills students need for success in the 21st century. Who are your family and friends? Where can we see colors? How can we make music? Oxford Discover uses Big Questions such as these to tap into students' natural curiosity. It enables them to ask their own questions,

find their own answers, and explore the world around them. This approach to language learning and literacy, supported by a controlled grammar and skills syllabus, helps students achieve near-native fluency in English. Oxford Discover gives teachers the tools to develop children's 21st century skills, creating young thinkers with great futures. Use with Show and Tell as part of 9-level course. First published in 2003. Children's Friendship Training is a complete manualized guide for therapists treating children with peer problems. This unique, empirically validated treatment is the first to integrate parents into the therapy process to ensure generalization to school and home. Representing over twelve years of research, Children's Friendship Training presents the comprehensive social skills training program developed by these pioneering authors. Step-by-step interventions help children develop the skills to initiate mutually satisfying social interactions. These interactions can lead to higher regard within the peer group and the development of satisfying dyadic relationships that will, in turn, serve to enhance overall well being. Clinical and empirical rationales, illustrative case examples and parent handouts that educate parents and give specific guidelines for homework assignments are presented for each treatment module. Brief relevant reviews of the child development literature and selective reviews of assessment techniques and other approaches to children's social skills training are presented to sufficiently acquaint therapists interested in implementing children's friendship training. El libro que tienes en tus manos es parte de la Serie integral por competencias, que Grupo Editorial Patria ha creado con la colaboración de expertos autores y pedagogos especializados, a fin de cumplir con los objetivos marcados en los planes de estudios de la Dirección General de Bachillerato (DGB) de la Secretaría de Educación Pública (SEP), conforme al Nuevo Modelo Educativo para la Educación Obligatoria (2017). De este modo, encontrarás contenidos actuales y significativos para cada materia. La presente obra se enriquece al poner a tu servicio nuestra experiencia de varias décadas en el desarrollo de libros, así como en los materiales de apoyo y tecnológicos creados en exclusiva para esta serie. Como en ocasiones previas, los textos que integran la Serie integral por competencias cuentan con múltiples y bien diseñadas secciones que facilitan la comprensión de los temas, el aprendizaje, la labor docente y que además promueven la relación interdisciplinaria, entre ellas:

- Propósito
- Conocimientos, Habilidades y Actitudes: “saber hacer”, “saber ser” y “saber convivir”
- Aprendizajes esperados
- Situaciones y secuencias didácticas
- Rúbricas
- Actividades formativas
- Actividades transversales (sociales, ambientales, de salud y de habilidad lectora)
- Actividades socioemocionales
- Instrumentos de evaluación diagnóstica, sumativa, autoevaluación y coevaluación
- Portafolio de evidencias

Con un diseño atractivo y práctico, se adapta a las necesidades tanto de estudiantes como de profesores, para quienes también hemos desarrollado útiles

herramientas pedagógicas: guías académicas y estrategias docentes. Nuestro Sistema de Aprendizaje en Línea (SALI), fortalece los libros de esta serie y es otro instrumento que afirma el aprendizaje, un Learning Management System (LMS) que combina texto, video, imágenes, preguntas de práctica y exámenes. Contamos con cientos de objetos de aprendizaje y seguimos creciendo día con día. Conoce los demás libros de nuestra Serie integral por competencias y benéficiate de nuestro sistema SALI. Vision Y Voz is an interactive, learner-centered program that guides readers' entrance into the Hispanic world and responds to their personal, social, and strategic needs as language learners. It includes learning strategies that will help readers remember and integrate new learning into previous knowledge, make connections, expand their expression, and build confidence and autonomy. Comes with an audio CD-ROM/Cassette on listening comprehension for the "en vous alta" section in text. THE NEW YORK TIMES BESTSELLER Transform your life using the Bullet Journal Method, the revolutionary organisational system and worldwide phenomenon. The Bullet Journal Method will undoubtedly transform your life, in more ways than you can imagine' Hal Elrod, author of The Miracle Morning In his long-awaited first book, Ryder Carroll, the creator of the enormously popular Bullet Journal organisational system, explains how to use his method to: * TRACK YOUR PAST: using nothing more than a pen and paper, create a clear, comprehensive, and organised record of your thoughts and goals. * ORDER YOUR PRESENT: find daily calm by prioritising and minimising your workload and tackling your to-do list in a more mindful and productive way. * PLAN YOUR FUTURE: establish and appraise your short-term and long-term goals, plan more complex projects simply and effectively, and live your life with meaning and purpose. Like many of us, Ryder Carroll tried everything to get organised - countless apps, systems, planners, you name it. Nothing really worked. Then he invented his own simple system that required only pen and paper, which he found both effective and calming. He shared his method with a few friends, and before long he had a worldwide viral movement. The system combines elements of a wishlist, a to-do list, and a diary. It helps you identify what matters and set goals accordingly. By breaking long-term goals into small actionable steps, users map out an approachable path towards continual improvement, allowing them to stay focused despite the crush of incoming demands. But this is much more than a time management book. It's also a manifesto for what Ryder calls "intentional living": making sure that your beliefs and actions align. Even if you already use a Bullet Journal, this book gives you new exercises to become more calm and focused, new insights on how to prioritise well, and a new awareness of the power of analogue tools in a digital world. *** This book has been printed with three different colour designs, black, Nordic blue and emerald. We are unable to accept requests for a specific cover. The

different covers will be assigned to orders at random. *** "One of the foremost relationship experts at work today applies the insights of science toward understanding the real meaning of trust between a couple. He decodes the "why" behind betrayal and shows how partners can avoid or recover from unfaithfulness and maintain a loving relationship. Dr. John Gottman, the country's pre-eminent researcher on marriage, is famous for his Love Lab at the University of Washington in Seattle where he deciphers the mysteries of human relationships through scientific research. His thirty-five years of exploration have earned him numerous major awards, including from the National Institute of Mental Health, the American Psychological Association, and the American Association for Marriage and Family Therapy. Now, Dr. Gottman offers surprising findings and advice on the characteristic that is at the heart of all relationships: Trust. Dr. Gottman has developed a formula that precisely calculates any couple's loyalty level. The results determine a relationship's likely future, including the potential for one or both partners to stray. A Love You Can Trust shows couples how to bolster their trust level and avoid what Dr. Gottman calls the "Roach Motel for Lovers." He describes how the outcome of--"sliding door moments," small pivotal points between a couple, can lead either to more emotional connection or to discontent. He suggests a new approach to handling adultery and reveals the varied and unexpected non-sexual ways that couples often betray each other. A Love You Can Trust guides couples through an empirically tested, trust-building program that will let them repair and maintain a long-term, intimate, and romantic relationship"-- This text is designed for learners who have achieved basic proficiency and wish to progress to more complex language. Each of the units combines concise grammar explanations with examples and exercises to help build confidence and fluency. Features include: clear explanations of the similarities and differences in English and Spanish grammar authentic language examples from a range of contemporary media reading comprehensions at the end of each unit full cross-referencing throughout extra tips on language learning and learning specific grammar points. Suitable for students learning with or without a teacher, Intermediate Spanish, together with Basic Spanish form a structured course in the essentials of Spanish grammar. Mundo Real is a three-level high school Spanish program that uses lively and compelling content, images, and video to teach the language that learners need to succeed in and outside the classroom. The Level 3 workbook includes eight units that correspond to and reinforce the units in the Level 3 student book. Workbook activities focus on reading and listening comprehension and written expression, perfect for independent study in the classroom or at home. Notes on how to use each Student Book activity Answers to all Student Book and Workbook exercises The Online Practice Testing Program provides interactive, auto-scored Progress Tests as well as print-and-go unit, midterm and final

tests that teachers can customize A flexible suite of resources providing full coverage of the Cambridge IGCSE® Spanish as a First Language syllabus (0502) for first examination in 2015. Written by practising teachers, this workbook helps students further develop the skills acquired through the course. Practical exercises expand and enhance the materials in the coursebook, supporting students through the Cambridge IGCSE® Spanish as a First Language course. A BTS fan favorite! A WALL STREET JOURNAL STORIES THAT CAN TAKE YOU ANYWHERE PICK * ENTERTAINMENT WEEKLY'S STAY HOME AND READ PICK * SALON'S BEST AND BOLDEST * BUSTLE'S MOST ANTICIPATED The Emissary meets The Curious Incident of the Dog in the Nighttime in this poignant and triumphant story about how love, friendship, and persistence can change a life forever. This story is, in short, about a monster meeting another monster. One of the monsters is me. Yunjae was born with a brain condition called Alexithymia that makes it hard for him to feel emotions like fear or anger. He does not have friends—the two almond-shaped neurons located deep in his brain have seen to that—but his devoted mother and grandmother provide him with a safe and content life. Their little home above his mother's used bookstore is decorated with colorful Post-it notes that remind him when to smile, when to say "thank you," and when to laugh. Then on Christmas Eve—Yunjae's sixteenth birthday—everything changes. A shocking act of random violence shatters his world, leaving him alone and on his own. Struggling to cope with his loss, Yunjae retreats into silent isolation, until troubled teenager Gon arrives at his school, and they develop a surprising bond. As Yunjae begins to open his life to new people—including a girl at school—something slowly changes inside him. And when Gon suddenly finds his life at risk, Yunjae will have the chance to step outside of every comfort zone he has created to perhaps become the hero he never thought he would be. Readers of Wonder by R.J. Palacio and Ginny Moon by Benjamin Ludwig will appreciate this "resonant" story that "gives Yunjae the courage to claim an entirely different story." (Booklist, starred review) Translated from the Korean by Sandy Joosun Lee. PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. Are you learning English as a second language? English for Everyone: Level 3: Intermediate, Practice Book makes learning English easier. More than 700 exercises use graphics and visuals to develop English skills in speaking and pronunciation, reading, writing, vocabulary, and grammar.
