So, in the interest of students with Anthropology as an optional we have worked hard to give information in a manner which can help you in writing answers in that manner. This book gives you answer to each question asked since 2010 to 2019 by using previous year question papers of anthropology. I sincerely believe that this approach will add to your preparation on anthropology and it will supplement your available study materials through the dynamic content of our answers. The language used in the book is simple and tries to build anthropological approach in the views and answer writing of students; helping students with non-anthropological background to develop anthropological views. I thank Team ARSu for improving the quality and reach of the book significantly. Special Features: Detailed answers for Civil Services (Main) Examination (ANTHROPOLOGY 2010-2019).
