THE TEXAS BRAND Baby on his doorstep **SURPRISE: IT'S A BOY!** Sheriff Garrett Brand was shocked to find a baby on his doorstep. But the Texan was intent on discovering the identity of this little cowboy's mama.... But she never expected a rough and rugged lawman to act like a proud father and lavish the baby with love. Especially when Garrett claimed he didn't have love to give. And now Chelsea wanted much more than she'd bargained for—to be a Brand herself....

THE TEXAS BRAND: This family was born, bred—and bound to be wed—in Texas! Captain of a ship haunted by its past. When Wil Litang, the first mate of the tramp freighter *Lost Star*, reluctantly accepted the job as acting captain, little did he realize that the *Lost Star* had a mysterious and dangerous past. A past that had caught up with it. And a future filled with danger and discoveries that would eventually lead him to the real *Lost Star*. *The Bright Black Sea* is the first volume of the *Lost Star Stories*. The novel is set in the *Nine Star Nebula* - a compact nebula of nine stars and hundreds of planets, wrapped within vast fields of asteroids, gas, and dust. Drawing on the classic space opera motifs of space ships, space pirates, sentient robots, and uncharted worlds of wonder, C. Litka crafts an epic story full of mystery, danger, and romance. Join Captain Wil Litang and the crew of the *Lost Star* and escape to a wonder-filled future in the

black and bright space of the Nine Star Nebula. The adventures of Captain Wil Litang continue in concluding volume of the Lost Star Stories - The Lost Star's Sea, an epic adventure novel written in the classic planetary romance motif made famous by Edgar Rice Burroughs. C. Litka writes old-fashioned novels with modern sensibilities, humor, and romance. His lighthearted novels of adventure, mystery, and travel are set in richly imagined worlds and feature a colorful cast of well drawn characters. If you seek to escape, for a few hours, your everyday life, you will not find better company, nor more wonderful worlds to travel and explore, than in the novels of C. Litka..

When Penny moves to Hog's Hollow from New York City, her life changes drastically. Penny's mom now runs a cupcake bakery, and Penny is stuck helping out. But that isn't the worst of it. Not only did she leave her friends back home, but her dad stayed behind too. And then there's Charity, resident mean girl who's out to get Penny. With all this, Penny still finds some things to like: Tally and Blake...and Marcus - the cute, quiet boy who runs on the beach every night. But just when Penny begins to accept her new life, she's forced to make a choice that will change everything. Caught in the war between the White and Black Gods, Sofia and her rare gift bring victory to he who grabs her first. Her difficult transition from human to oracle forces her into a new world, where she struggles in her role as Damian's mate and to help a mysterious man who's supposed to be dead. Featured in USA Today in March 2012.

Lenk can barely keep control of his mismatched adventurer band at the best of times (Gariath the dragon man sees humans as little more than prey, Kataria the Shict despises most humans, and the humans in the band are little better). When they're not insulting each other's religions they're arguing about pay and conditions. So when the ship they are travelling on is attacked by pirates things don't go very well. They go a whole lot worse when an invincible demon joins the fray. The demon steals the Tome of the Undergates - a manuscript that contains all you need to open the

undergates. And whichever god you believe in you don't want the undergates open. On the other side are countless more invincible demons, the manifestation of all the evil of the gods, and they want out. Full of razor-sharp wit, characters who leap off the page (and into trouble) and plunging the reader into a vivid world of adventure this is a fantasy that kicks off a series that could dominate the second decade of the century. A USA Today Recommended Read The last thing Rebecca Masee expects on her wedding day is to go from jilted kindergarten teacher to Amazonian Earth warrior. But when she causes an earthquake after her groom says "I don't," she discovers that not only does she possess incredible powers, she is one of four lost chosen sisters who must fight to keep humanity safe from rogue gods and demons. Luckily she has help: ruggedly handsome Scottish warrior Artair MacKay, her protector and teacher. An immortal, Artair has trained countless warriors for more than four hundred years. He understands Rebecca's confusion at the new world she's been thrust into and worries she is too emotionally vulnerable, but that doesn't stop his growing feelings for the beautiful and fearless woman. When an evil force threatens to destroy the Amazons, Rebecca must claim her full powers—but they come at a cost. Can she sacrifice the man she loves if it means saving the world? Cecelia looks like a peasant girl and lives in a village so small that it's not even on the map. But she knows that secretly, she is the true princess, hidden away as a baby to be kept safe from the enemies of the kingdom. A commoner named Desmia was placed on the throne as a decoy. Cecelia has always known that when it was safe, she would be taken out of hiding and returned to her rightful place on the throne. Then danger finds her in her village, and Cecelia has to act. With the help of her best friend Harper, she decides to take matters into her own hands, relieve Desmia of the the crown, and take up her own rule. But when they venture from their small village to the capital city and into the famed Palace of Mirrors,

Harper and Cecelia discover that all is not as it seems, and that they have placed themselves in more danger than ever before. Sailing toward dawn, and I was perched atop the crow's nest, being the ship's eyes. We were two nights out of Sydney, and there'd been no weather to speak of so far. I was keeping watch on a dark stack of nimbus clouds off to the northwest, but we were leaving it far behind, and it looked to be smooth going all the way back to Lionsgate City. Like riding a cloud. . . . Matt Cruse is a cabin boy on the Aurora, a huge airship that sails hundreds of feet above the ocean, ferrying wealthy passengers from city to city. It is the life Matt's always wanted; convinced he's lighter than air, he imagines himself as buoyant as the hydrium gas that powers his ship. One night he meets a dying balloonist who speaks of beautiful creatures drifting through the skies. It is only after Matt meets the balloonist's granddaughter that he realizes that the man's ravings may, in fact, have been true, and that the creatures are completely real and utterly mysterious. In a swashbuckling adventure reminiscent of Jules Verne and Robert Louis Stevenson, Kenneth Oppel, author of the best-selling Silverwing trilogy, creates an imagined world in which the air is populated by transcontinental voyagers, pirates, and beings never before dreamed of by the humans who sail the skies. Gamaliel Tumpin has never been much more than a klutz. He can't shape-change into a mouse like his werling peers, and he can't run as fast as everyone else, and about all that he can do is fall flat on his face. Or so it seems. But on the day a dark force led by the wrathful High Lady of Hollow Hill threatens the peaceful werlings' very existence, Gamaliel finds within himself something no one ever suspected was there: a hero. Something of great importance entrusted to fourth-grader Effi Maloney has disappeared and she's sure her big sister, Maxey, had something to do with it. Effi's no pushover, but trying to stand up to Maxey is like trying to stop an earthquake. It would be easier to deal with Maxey if Effi had a buddy. She hasn't had a best friend since

Lola Jo moved, and she has so many secrets saved to tell a best friend—including the most amazing idea in the world for a winning science project—she’s about to explode. Effi’s got to win that science prize, find a best friend, and get back at Maxey—in just one week! You just can't keep a good girl down . . . unless you use the proper methods. Piper McCloud can fly. Just like that. Easy as pie. Sure, she hasn't mastered reverse propulsion and her turns are kind of sloppy, but she's real good at loop-the-loops. Problem is, the good folk of Lowland County are afraid of Piper. And her ma's at her wit's end. So it seems only fitting that she leave her parents' farm to attend a top-secret, maximum-security school for kids with exceptional abilities. School is great at first with a bunch of new friends whose skills range from super-strength to super-genius. (Plus all the homemade apple pie she can eat!) But Piper is special, even among the special. And there are consequences. Consequences too dire to talk about. Too crazy to consider. And too dangerous to ignore. At turns exhilarating and terrifying, Victoria Forester's debut novel has been praised by Stephenie Meyer, author of the Twilight saga, as "the oddest/sweetest mix of Little House on the Prairie and X-Men...Prepare to have your heart warmed." The Girl Who Could Fly is an unforgettable story of defiance and courage about an irrepressible heroine who can, who will, who must . . . fly. This title has Common Core connections. Praise for Victoria Forester and The Girl Who Could Fly: "It's the oddest/sweetest mix of Little House on the Prairie and X-Men. I was smiling the whole time (except for the part where I cried). I gave it to my mom, and I'm reading it to my kids—it's absolutely multigenerational. Prepare to have your heart warmed." Stephenie Meyer, author of the Twilight saga "In this terrific debut novel, readers meet Piper McCloud, the late-in-life daughter of farmers...The story soars, just like Piper, with enough loop-de-loops to keep kids uncertain about what will come next....Best of all are the book's strong, lightly wrapped messages about friendship and authenticity and

the difference between doing well and doing good."--Booklist, Starred Review "Forester's disparate settings (down-home farm and futuristic ice-bunker institute) are unified by the rock-solid point of view and unpretentious diction... any child who has felt different will take strength from Piper's fight to be herself against the tide of family, church, and society."--The Horn Book Review

The Girl Who Could Fly is a 2009 Bank Street - Best Children's Book of the Year. *An Amazon Number One Bestseller in Dark Fantasy, Gothic Romance and Vampire Romance * All three books in the DARK GUARDIANS FANTASY SERIES are now available.

Book I: Cruxim (You are Never Alone) Book II: Creche (Know Thyself) Creed III: Creed (All Things Know Where they Belong) A MYSTERIOUS, MYTHOLOGICAL PAST

Amedeo is Cruxim, an enigmatic, immortal fallen angel who knows little about his dark past apart from a curious prophecy and an unremitting lust for blood. Destined to seek redemption as a vampire hunter, he nourishes his insatiable blood lust on the undead. But when the object of his erotic passion, the novice nun Joslyn, is turned into a vampire and enters a coven, Amedeo's worlds collide. Shattered by the loss of his beloved, the dark hunter vows to wage an epic battle to rid the world of nosferatu once and for all, even if it destroys his vampire romance with Joslyn, and even Joslyn herself.

A DARK QUEST FOR A DARK ANGEL

Joining dark angel Amedeo on his mission to decimate the undead is Sabine. As passionate, headstrong, romantic and immortal as she is, she is also half-woman, half-lioness. As a Sphinx—a winged guardian once believed to be a myth—she has protected mortals from vampires since sin saw mortals evicted from the Garden of Eden. Yet Sabine comes to the battle pursued by her own enemies.

Archaeologist Dr. Claus Gandler has learned the secret of Sabine's past and has vowed to torment her for eternity or find a way to destroy this dark huntress forever.

IMMORTAL EVER AFTER? Captured and tortured by the evil doctor, Amedeo and Sabine are paraded as sideshow freaks in Gandler's Circus of

Curiosities, a travelling freak show. Only vampire Joslyn has the power to intercede. Will she prove this dark angel's redemption, or his destruction? Set in 18th Century Europe, this epic saga of forbidden love plays out amid a mighty battle of good against evil, fallen angel against nosferatu devil, and reason against madness in an adventure fantasy series a critic from Literary R&R described as "like the next Anne Rice series. There's a love story alongside some pretty gruesome and evil stuff " and others have called "compelling ... dark, visceral and not for the squeamish."

My stepbrother hates me. That's fine, because I hate him too. I hate his crooked smile and the way he looks at me, like he's a sugar addict and I'm the last cupcake on earth. I hate that he makes me feel like I'm more than that lost little girl whose mom didn't want her, then leaves and doesn't come home again for days. And I really, really hate that he flirts with other girls. A lot of other girls. But it's fine. Really, it is. Soon, he'll be leaving to attend university on the other side of the world, and I'll only have to see him on holidays and at the rare family get-together. It'll all be just fine. As long as I don't fall in love with him. So my only protection is a kindergarten teacher and a ninety-eight-pound female minister....And they don't even believe I'm in danger. As Bethany approaches her thirteenth birthday, her parents begin acting more oddly than usual: Her mother cries constantly, and her father barely lets Bethany out of his sight. Then one morning he hustles the entire family into the car, drives across several state lines -- and leaves Bethany with an aunt she never knew existed. Bethany has no idea what's going on. She's worried that her mom and dad are running from some kind of trouble, but she can't find out because they won't tell her where they are going. Bethany's only clue is a few words she overheard her father tell her aunt Myrlie: "She doesn't know anything about Elizabeth." But Aunt Myrlie won't tell Bethany who Elizabeth is, and she won't explain why people in her small town react to Bethany as if they've seen a ghost. The mystery intensifies when Bethany gets a

package from her father containing four different birth certificates from four states, with four different last names -- and thousands of dollars in cash. And when a strange man shows up asking questions, Bethany realizes she's not the only one who's desperate to unravel the secrets of her past. In this exhilarating thriller, Margaret Peterson Haddix crafts a taut story so full of twists and turns, readers will be gripped until the startling conclusion. A fire-breathing dragon has taken up residence in the surrounding mountains, and the villagers are certain that it is just a matter of time before the creature destroys them all. It's not the dragon who is the enemy, however, and Keira soon finds herself caught up in events that will completely change the course of her life.
