Build in-depth understanding and inspire your students to tackle design challenges both practically and creatively, with a textbook that delivers the Core Technical plus Specialist Technical and Design & Making Principles needed for the 2017 AQA D&T GCSE. The insight of our author team will build topic knowledge, including the technical principles of materials with which you are less familiar, while focusing on the specialist principles of textile-based materials in more depth, to ensure you can navigate the specification with confidence whilst your

students' ideas flourish. · Trusted author team of specialist teachers and those with examining experience · Build topic knowledge with learning objectives directly linked to the specification and short activities to reinforce understanding · Develop mathematical and scientific knowledge and understanding with activities that link topics to maths and science · Inspire your students as they undertake the iterative design process, with examples of imaginative design-and-make tasks, and a look at how to approach the Non-Exam Assessment · Check knowledge and understanding with end of topic summaries and practice questions for the written exam Covers the 2006 Gateway Additional Science specification for all exam boards - AQA, Edexcel and OCR, for students going on to study Additional Science. Part of the "Success" series, this title emphasises the shift from fact learning to investigating and understanding how science works. This textbook is

endorsed by OCR and supports the specification for GCSE Classical Civilisation (first teaching September 2017). It covers the Thematic Study Component 12 and all three Literature and Culture options (Components 21–23): Thematic Study: Women in the Ancient World by Robert Hancock-Jones Literature and Culture 1: The Homeric World by Dan Menashe Literature and Culture 2: Roman City Life by James Renshaw Literature and Culture 3: War and Warfare by James Renshaw How much can we know about the lives of women in the ancient world? Why is the hero Odysseus such an interesting character? What was it like to watch a gladiatorial fight? Why was the Roman army so successful? This book guides GCSE students to a greater understanding of such issues. The opening chapter examines the lives of women in Greece and Rome, and also focuses on women in myth and legend. The following three chapters invite readers to explore the culture of the Mycenaeans, city

life in the Roman world, and ancient Greek and Roman warfare, focusing both on aspects of ancient society and on related literature. The ideal preparation for the final examinations, all content is presented by experts and experienced teachers in a clear and accessible narrative. Ancient literary and visual sources are described and analysed, with supporting images and examples of non-prescribed sources. Helpful student features include study questions, activities, further reading, and boxes focusing in on key people, events and terms. Practice questions and exam guidance prepare students for assessment. A Companion Website is available at www.bloomsbury.com/class-civ-gcse.
