This option is perfect for those students who focus on the textbook as their main course resource. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

*The Salt Plate Cookbook* Feb 21 2020 The salt plate is sourced from natural salt deposits found in the Himalayas. The dense crystalline composition adds complex flavor to all types of food. Heat it on the grill to sear seafood and meat or chill it for serving a selection of fruits, vegetables and cheeses with a hint of salt. With elegantly flavored dishes, The Salt Plate Cookbook will amplify any meal. Start your day with a salt-fried egg with maple-sage breakfast sausage, enjoy a salt-grilled Pizza Margarita for lunch, try chicken satay and smashed potatoes with chimichurri for dinner, and top the whole day off with a salt roof sundae--all made using the salt plate. Other delicious dishes include salt-seared sea scallops, quinoa tomato and feta-stuffed portobellos, beef tartare, herb marinated vegetable skewers, and more. --Publisher's description.

Williams-Sonoma Foods of the World: New York Aug 09 2021 "The Great American Mission" traces how America's global modernization efforts during the twentieth century were a means to remake the world in its own image. David Ekbladh shows that the emerging concept of modernization combined existing development ideas from the Depression. He describes how ambitious New Deal programs like the Tennessee Valley Authority became symbols of American liberalism's ability to marshal the social sciences, state planning, civil society, and technology to produce extensive social and economic change. For proponents, it became a valuable weapon to check the influence of menacing ideologies such as Fascism and Communism. Modernization took on profound geopolitical importance as the United States grappled with these threats. After World War II, modernization remained a means to contain the growing influence of the Soviet Union. Ekbladh demonstrates how U.S.-led nation-building efforts in global hot spots, enlisting an array of nongovernmental groups and international organizations, were a basic part of American strategy in the Cold War. However, a close connection to the Vietnam War and the upheavals of the 1960s would discredit modernization. The end of the Cold War further obscured modernization's mission, but many of its assumptions regained prominence after September 11 as the United States moved to contain new threats. Using new sources and perspectives, "The Great American Mission" offers new and challenging interpretations of America's ideological motivations and humanitarian responsibilities abroad.

**Cooking at Home** Jun 19 2022 "A painstakingly thorough aid that has something to offer everyone, from the culinary novice to the seasoned home cook."—Tom Colicchio, James Beard Award-winning chef/owner Crafted Hospitality For nearly 60 years, Williams-Sonoma has connected and inspired home cooks with the best cooking equipment and kitchen-tested recipes. Cooking at Home celebrates that legacy with recipes culled from its award-winning publishing program, which was guided by Chuck Williams for more than two decades. More than just a recipe collection, the book features a wealth of informative tips, techniques, and cooking know-how. Re-released and updated in celebration of Chuck Williams' 100th birthday, Cooking at Home features over 1000 recipes from the Williams-Sonoma publishing program, which Chuck guided. In addition, the book includes 100 recipes from Chuck's personal recipe collection. The book's 22 chapters cover cooking topics from A-Z, making it a complete cooking reference book you can use every day, whatever you are in the mood for and whatever the occasion. Be sure to check out "Chuck's Finds," which highlight special merchandise that Chuck introduced in his Williams-Sonoma stores to the U.S. public. "A compilation of his favorite recipes spanning decades. These dishes are classics in their own right."—Thomas Keller, James Beard Award-winning chef/owner The French Laundry "A visual and tactile treat containing a comprehensive array of eclectic cooking and prep tips (two per page) presented with a sophisticated aesthetic . . . a book for everyone, a beautiful gift, and a practical long-term tool for the coziest room in the house."—Publishers Weekly

**Making Men** Jun 26 2020 Most guys spend their entire lives looking for ways to prove their manhood. Some of their attempts are downright ridiculous. In a culture steeped in passivity and addiction, many women make horrific mistakes in the men they choose and pay dearly for it. But how does a guy learn how to be a good man? How does a woman learn to recognize him? What does manhood really look like? Chuck Holton, former Army Ranger, Adventurer and international war correspondent, has three men-in-training of his own. He also has two daughters who will need to be able to recognize a good man someday. Over a three-year period, Chuck made it his mission to nail down the facets of a fully-engaged, functional man by seeking out timeless wisdom of ancient cultures and the experience of dozens of mature men. The result is a five step curriculum that is already changing the lives of men and women around the world. It is being used by church groups, schools and even single mothers to help their sons to emulate - and daughters to identify - powerful, passionate, engaged manhood. Memorize it. Teach it to your sons and daughters. Apply its principles to your own life. The world desperately needs your help making men.

**MGMT A SOUTH-ASIAN PERSPECTIVE WITH COURSEMATE.** Aug 21 2022

*16 Words* Jan 22 2020 This simple nonfiction picture book about the beloved American poet William Carlos Williams is also about how being mindful can result in the creation of a great poem like "The Red Wheelbarrow"--which is only sixteen words long. "Look out the window. What do you see? If you are Dr. William Carlos Williams, you see a wheelbarrow. A drizzle of rain. Chickens scratching in the damp earth." The wheelbarrow belongs to Thaddeus Marshall, a street vendor, who every day goes to work selling vegetables on the streets of Rutherford, New Jersey. That simple action inspires poet and doctor Williams to pick up some of his own tools--a pen and paper--and write his most famous poem. In this lovely picture book, young listeners will see how paying attention to the simplest everyday things can inspire the greatest art, as they learn about a great American poet.

*Williams-Sonoma Collection: Potato* Oct 31 2020 The Williams-Sonoma Collection offers cookbooks that are eye-catching and irresistible, and which appeal to both novice and experienced cooks. An essential addition to every kitchen bookshelf, "Potato" reveals the possibilities of the humble spud in 40 delightful recipes. Color photos.
