A woman recounts her childhood in rural Indiana and her long, passionate marriage to her high school sweetheart in this debut memoir. Scutt grew up in small-town Indiana with a father who veered from silly to violent. With calm and even prose, the author revisits her worst moments, including having to jump out a window to escape his drunken outbursts. Surprisingly, Scutt's father was eventually saved by a minister and never had another drop of alcohol for the rest of his life. As a teenager, she was slowly adjusting to this new incarnation of her father when she met Paul--the real focus of her memoir. As she puts it, this book is "the story of our attraction, our falling in love, my salvation." After a few years of casual dating, Paul and Scutt married. (She tenderly narrates their first few hours as a couple, hinting subtly at their complete naïveté They were nervous checking into a hotel and undressing in front of each other.) Their newfound coupledom would soon be interrupted by the draft, with Paul being shipped off to Vietnam for a harrowing year in the new bride's life. Upon his return, they moved across the country and up the economic ladder as Paul ascended in the corporate world. But with each move and bigger house, Scutt always keeps the focus on their relationship, investigating Paul's manipulative nature and how their devotion to both each other and their faith kept them together. Some readers may balk at the author's insistence on staying with Paul--especially after a counselor told her point-blank to leave him. But her persistence and dedication to Scripture and the institution of marriage will likely be appreciated by many Christian readers. Overall, Scutt elevates her memoir from being just another life story with carefully selected details pulled from her memory and letters exchanged between the couple, especially during Paul's time in Vietnam. She also shows a talent for creating wrenching dramatic moments; her early encounters with her father and the scenes of Paul's eventual, heartbreaking death are particularly well-crafted. A well-written account that focuses on the ups and downs of family life and the rewards of religious and marital devotion. What if that thing you really feared happened? Would the joy you hold pop? Or would you experience love and joy deeper than you can imagine? They met in college and fell in love. They talked about getting married, and he started looking for a ring. They dreamed about life together, a life of beauty and joy, raising babies and laughing with friends and growing old. They did not imagine a car accident. They did not imagine his brain injury. They did not dream about the need for constant care and a wheelchair and fear that food might choke him. And they could not have imagined how persistent love would be. Theirs and God's. Ian and Larissa Murphy tell their story of love in Eight Twenty Eight. Except, it's not just their love story. Really, it's yours as well. Read and gain a picture of love that will challenge all you think you know about what is true and what persists. There Goes the Bride is your personal guide to calling off a wedding— maybe your own! It walks the reader through thereasons, logistics, and emotions associated with breaking an engagement and provides down-to-earth advice, support, and encouragement from women who have been there. Rachel Safier—the widely recognized expert on the topics of cold feet and broken engagements— addresses all your concerns, including figuring out if it's more than just cold feet, dealing with friends and family who don't understand, giving back the ring, and more. Filled with stories from sixty-two 'almost brides' from twenty-five states and four countries who've been through this difficult process themselves, There Goes the Bride offers comfort, inspiration, practical advice, some tears, and quite a few laughs. In April 2006, Mary Turner Thomson received a call that blew her life apart. The woman on the other end of the line told her that Will Jordan, Mary's husband and the father of her two younger children, had been married to her for fourteen years and they had five children together. The Bigamist is the shocking true story of how one man manipulated an intelligent, independent woman, conning her out of £200,000 and leaving her to bring up the children he claimed he could never have. It's a story we all think could never happen to us, but this shameless con man has been doing the same thing to various other women for at least 27 years, spinning a tangled web of lies and deceit to cover his tracks. How far would you go to help the man you love? How far would he go to deceive you? And what would you do when you found out it was all a lie? Here's my story: I go to bed with my husband Greg in late 2013 in Brooklyn and the

next morning I wake up as my twenty-six year old self in 1997! I'm 3,000 miles away from home in California, living with my crazy guitarist ex-boyfriend. I reconnect and hook up with Jim, an old flame that I lost touch with in my teens. Then, as soon as I manage to get my life on track and help my younger brother Caelum get back on his feet, I fall asleep while watching T.V. and wake up in 2015! I'm back in New York but in a strange apartment with Greg living across the hall and married to somebody else. Oh, and apparently, I'm married to Jim! How did this happen, again? Bestselling author, Dani Littlepage returned with her sequel, *Married To The Boss Of Atlanta 2!* This gripping, African American Urban Romance drama from Cole Hart Signature will have you speechless from beginning to end. In the second installment of *Married to the Boss of Atlanta*, the ride picks up where the first installment left off, Camilla back under her husband's control. After forcing her home at gunpoint, life with Kane is worse than before. The constant death threats, mistreatment, and disrespect have Camilla too terrified to escape, but she's willing to take a chance; especially, once she learns that her son, Kannon, grows to hate his father. He is now aware of what he has been doing to her. Deciding to put her fear to the side, Camilla sets her plan in motion, to break free from Kane once and for all. Will she be able to divorce her husband? Or will his strong will for them to get together stop her in her tracks? With Camilla being M.I.A., Rafiq drives himself crazy worrying about the love of his life. As his doubts began to kick in, he learns of Camilla returning home to her husband. This knowledge discourages him. Although, once he finds out that she's forced to be there, Rafiq, Boyce, and Nakia plan to rescue her from Kane. As he tries to balance school, work and finding Camilla, he discovers that his estranged father is in town and wants to reconnect. Hesitant on what to do, Rafiq changes his mind rekindling. Though, he later learns that his father came out of hiding to seek revenge on his behalf. Could this be the start of a father/son relationship? Or is his father's act of honor not enough to make up for the years he missed in Rafiq's life? As Maggie continues to work hard to cover her tracks, the mysterious phone call she received has her shook with fear. Still, that doesn't stop her from wanting to carry out her plan of stopping the people that may expose her. After seeing Camilla and Kane in the public eye, she's pleased that her son-in-law held up his end of their deal; however, when the truth unfolds about their marriage, Maggie fills with rage. As she reflects on the hurt and pain she caused her family, she decides to cancel her deadly plan and try to make amends. Amidst her past quickly catching up to her, Maggie is unsure of what her future holds. Her days as a free woman are coming to an end. Will her family and friends be able to forgive Maggie for the decisions she made? Or will she end up alone? Find out the answers to these questions and more in the second installment of this unputdownable page turner, *Married To The Boss Of Atlanta 2* by Dani Littlepage! Saying "I Do" has never been such a mess. Marlee Medford just got dumped. Yes, things have become ho-hum in her longtime relationship, but she was two days away from walking down the aisle with the man she thought was her forever when he called it off. Convincing herself that they'd be able to reignite their spark once the wedding craziness settled? That was easy. Suddenly finding herself without a fiancé? Not so much. Marlee needs to regain control of her life, and a weekend away with her friends is a solid first step. One of Denver's best up-and-coming chefs, perpetual bachelor Eli Howard, isn't into serious relationships—especially the kind that ends in marriage. As if to prove his point that they aren't worth the trouble, the wedding he was supposed to be catering just fell apart. Feeling oddly protective of the jilted bride—his little sister's best friend—his weekend plans now involve a trip to Sin City with her group of friends. But it looks like he had a bit too much fun in Vegas when he wakes up married...wedding night included. Marlee's attempts at getting her life back together are failing miserably. Her ex-fiancé is taking the house, her chihuahua is intent on a love affair with Eli's sneakers, and she's now accidentally hitched to the guy who can't even say the word marriage. With their quickie annulment denied, Eli and Marlee just have to hang tight until the divorce goes through. It's just a little divorce amongst friends, what's the worst that could happen? *Take It Off the Menu* is book three of the *Mile High Matched* series, but stands alone and can be read in any order. If you love a hunky caterer and an accidental marriage then this book is for you! Buy now for a fun, friends-to-lovers romance! The brand new novel from the author of acclaimed debut *LIVING MY BEST LIFE*. Perfect for fans of Louise Pentland, Mhairi McFarlane and Lindsey Kelk! 'With a brilliantly observed 90s setting and characters you'll root for from the get-go, this is a pure joy' - Heat 'Touching, uplifting and emotional' - Julie Cohen 'Essential reading for those of us who came of age in the 90s' - Iona Grey If you could turn back time, would you choose a different life? Forty-something Maggie is facing some hard truths. Her only child has flown the nest for university and, without her daughter in the house, she's realising her life, and her marriage to Dan, is more than a little stale. When she spots an announcement on Facebook about a uni reunion, she can't help wondering what happened to Jude Hanson. The same night Dan proposed, Jude asked Maggie to run away with him, and she starts to wonder how different her life might have been if she'd broken Dan's heart and taken Jude up on his offer. Wondering turns into fantasising, and then one morning fantasising turns into reality. Maggie wakes up and discovers she's back in 1992 and twenty-one again. Is she brave enough to choose the future she really wants, and if she is, will the grass be any greener on the other side of the fence? Two men. Two very different possible futures. But is there only once chance at happiness? Perfect for fans of *One Day*, *The Versions of Us* and *Miss You In* his extraordinary new book, Terrence Real, distinguished therapist and bestselling author, presents a long overdue message that women need to hear: You aren't crazy—you're right! Women have changed in the last twenty-five years—they have become powerful, independent,

self-confident, and happy. Yet many men remain irresponsible and emotionally detached. They don't know how to respond to frustrated partners who just want their mates to show up and grow up. Enter the good news: In this revolutionary book, *Real* shows women how to master the new rules of twenty-first-century marriage by offering them a set of effective tools with which they can create the truly intimate relationship that they desire and deserve. He identifies five non-starters to avoid and shares practical strategies for bringing honesty, passion, and joy back to even the most difficult relationship. Using his experience helping thousands of couples shift from despair to profound emotional closeness, *Real* guides you through the process of relationship repair with exercises that you can do alone or with your partner. With this program you'll discover how to - identify and articulate your wants and needs - listen well and respond generously - set limits, and stand up for yourself - embrace and appreciate what you have - know when to seek outside help

The New Rules of Marriage will introduce you to a radically new kind of relationship, one based on the idea that every woman has the power to transform her marriage, while men, given the right support, have it in them to rise to the occasion. We have never wanted so much from our relationships as we do today. More than any other generation, we yearn for our mates to be lifelong friends and lovers. *The New Rules of Marriage* shows us how to fulfill this courageous and uncompromising new vision. What do a night on the town in Vegas, big wins, big money, a hot hookup, a mercenary, and a marriage certificate all have in common? Me. Sierra Lansford. That's what. I was out for a good time and was winning big. Then, I hooked up with the mysterious, sexy Aldrick Mirren. Jackpot! I thought. Until I woke up married to the guy. I didn't want to be married-especially not to a mercenary! Just when I thought things couldn't get worse, they did. Being kidnapped by my new husband's enemies is not how I wanted to spend my time in Vegas. Mercenaries don't have wives, they have clients and marks. So, why do I feel lucky to have met him? Can we overcome our hot-headed tempers, and make this marriage work? Or, are the odds stacked to high against us? Saying "I Do" has never been such a mess. Marlee Medford just got dumped. Yes, things have become ho-hum in her longtime relationship, but she was two days away from walking down the aisle with the man she thought was her forever when he called it off. Convincing herself that they'd be able to reignite their spark once the wedding craziness settled? That was easy. Suddenly finding herself without a fiancé? Not so much. Faye Townsend has planned the perfect summer trip for her family. But returning to the small seaside town her husband grew up in does not go to plan, the rain pours and the long days become stifling. And then the unthinkable happens... Her husband Jake and her six-year-old son Dylan go for an early morning walk along the beautiful, windswept clifftops. They don't come back. As the hours tick by, Dylan's red baseball cap is found on the beach and Faye finds herself being questioned by the police. They want to know everything about the man she married - is Faye ready to face her husband's dark past? Or will she have to confront her own secrets first? And just how far will a mother go to save her only child? From the million-copy-bestselling author of *The Secret Mother* and *The Perfect Family*, this utterly gripping psychological thriller will make you gasp out loud as you race towards the unforgettable twist. If you loved *The Girl on the Train* and *The Wife Before You* this book is for you. Why readers are totally gripped by *The Marriage Betrayal*: 'Wow, wow, wow, wow! Shalini Boland is one hell of a story teller. I think I may still be in shock after reading this. I really don't know how she does it but yet again she has totally knocked my socks off... I loved the build-up of suspense... *The Marriage Betrayal* is a gripping story that will send your heart racing... Brilliant, brilliant, brilliant!' Goodreads reviewer, 5 stars 'All the stars!!! Such a great book from beginning to end. Twists then more twists... loved it!!! Can't recommend it enough. Pick it up today and read it if you haven't. This author never seems to disappoint!!!' Goodreads reviewer, 5 stars 'Oh my soul what a twisted web Shalini Boland weaves.... I literally could not stop reading. Ms Boland cleverly moves her characters around so the reader has no inkling what is really going on... Exciting and spellbinding. If you like to read psychological thrillers, don't miss this one!' Goodreads reviewer, 5 stars 'An addictive and gripping psychological thriller, full of twists and turns that you will never see coming... a dark and twisty tale that will keep you up late into the night, but the ending is well worth any sleep deprivation you might endure. Highly recommended.' Goodreads reviewer, 5 stars 'Wow this must be Shalini Boland's best work yet. I'm a big fan of her novels and this one left me breathless. The plot is gripping and I literally couldn't put the book down and the twists kept pouring in. The story is alternating between the past and the present and Boland beautifully builds the tension until the

brilliant ending which I didn't expect at all.' Goodreads reviewer, 5 stars 'A perfect domestic psychological thriller and it's not to be missed! I really enjoyed flying through these pages... Loved it!' Goodreads reviewer, 5 stars 'A totally gripping read, and an absolute page-turner! A brilliant read, with a fantastic twist in the end, that I didn't see coming.' Goodreads reviewer, 5 stars **NAMED ONE OF COSMOPOLITAN'S "15 BEST MARRIAGE BOOKS ALL COUPLES SHOULD READ."** An accessible, transformative guide for couples seeking greater love, connection, and intimacy in our modern world Nate and Kaley Klemp were both successful in their careers, consulting for high-powered companies around the world. Their work as mindfulness and leadership experts, however, often fell to the wayside when they came home in the evening, only to end up fighting about fairness in their marriage. They believed in a model where each partner contributed equally and fairness ruled, but, in reality, they were finding that balance near impossible to achieve. From this frustration, they developed the idea of the 80/80 marriage, a new model for balancing career, family, and love. The 80/80 Marriage pushes couples beyond the limited idea of "fairness" toward a new model grounded on radical generosity and shared success, one that calls for each partner to contribute 80 percent to build the strongest possible relationship. Drawing from more than one hundred interviews with couples from all walks of life, stories from business and pop culture, scientific studies, and ancient philosophical insights, husband-and-wife team Nate and Kaley Klemp pinpoint exactly what's not working in modern marriage. Their 80/80 model of marriage provides practical, powerful solutions to transform your relationship and open up space for greater love and connection. Award winner: "Hearing about Down syndrome directly from these young men has a good deal more impact than reading any guide from a professional." —Booklist This book is in Mitchell and Jason's own words. . . . We wanted readers to have a true-to-life sense of their charm, their directness, their humor and warmth, and, yes, their intelligence. At ages nineteen and twenty-two, respectively, Jason Kingsley and Mitchell Levitz shared their innermost thoughts, feelings, hopes, dreams—and their experiences growing up with Down syndrome. Their frank discussion of what mattered most in their lives—careers, friendships, school, sex, marriage, finances, politics, and independence—earned *Count Us In* numerous national awards, including the EDI Award from the National Easter Seal Society. More important, their wit, intelligence, candor, and charm made for a powerful and inspirational statement about the full potential of people with developmental disabilities, challenging prevailing stereotypes. In this edition, with a new afterword, the authors also discuss their lives since then: milestones and challenges, and changes both expected and unexpected. "Their parents were told to expect nothing. But Jason Kingsley and Mitchell Levitz were lucky, because their parents didn't listen. They gave their sons that chance to show how far they could go—and they've astounded everyone!" —Jane Pauley "This single volume will do more to change stereotypes about Down syndrome than any book I have read. These two young men steal our hearts and wash away generations of misconceptions." —Mary L. Coleman, MD, Emeritus, Georgetown University "An excellent illustration of what it's like to have Down syndrome . . . Most moving here are the portrayals of strong family relationships." —Publishers Weekly "Will open eyes and touch the heart." —Library Journal ***Buy now for \$29.99 (The price will soon return to \$39.99)*** Have you ever dated a guy and thought things were going GREAT between you, only to have him suddenly stop calling, or vanish all together? You're seeing a great guy and you THINK you're getting close, but then he suddenly pulls away and you have NO IDEA what happened. It's not that you're not an amazing catch. When Ella wakes up in hospital following a hit and run incident, she is scared and confused. Close to tears, her eyes fall on a get-well-soon card on the window sill and the nurse reassures her that her loving husband will be back soon. But Ella has never been married... Absolutely love twisty and unputdownable psychological thrillers like *Girl on the Train*, *The Wife Between Us* and *Gone Girl*? Then you will be totally hooked by this jaw-dropping novel about the dangerous secrets behind a perfect marriage. What readers are saying about *The Liar's Wife*: 'Oh my freaking god! What a fabulous and intriguing read... this is definitely the best book I've read by her YET!... I absolutely loved this shocker of a book... left me stunned, as to the why, well you are just going to have to read the book and see... One of the most exciting psychological thrillers I've read all year... just buy it you won't disappointed I promise.' *The Book Review Café*, 5 stars 'This book was INSANE... The plot twist at the end slapped me in the face and I am still in shock about it!! I COMPLETELY recommend this if you're a fan of books like "The Girl on the Train", "The Woman in the Window", and "Gone Girl".' *Goodreads Reviewer* 'A brilliant and gripping thriller! It's very fast-paced (I was racing through to find out what happened)!' *Cloud of Thoughts*, 5 stars 'Pushes all the right buttons from the off and continues to push them right up until the last page. The story is mesmerising as it draws you in and won't let go (well didn't me) and at times I had to reign myself back from wanting to find out the outcome, NOW!!... The ending will shock you and left me reeling a bit if I'm honest. In my top 3 reads of this year... Awesome... wonderful... 10/10, 5 stars.' *Goodreads reviewer*, 5 stars 'Wow!... grabs your full attention and keeps it until the very end... This read kept me wondering where it was all going and I could not wait until the end to find out... You will not regret picking this one up!' *Goodreads reviewer*, 5 stars 'Writing that gets the hairs standing up on the back of my neck... A fast-paced psychological thriller of the finest order... chillingly good.' *nigeladamsbookworm*, 5 stars 'Holy cow, all I can say is this is one of those books that will have you craving more... be ready for the shock that might just blow your mind... Riveting, chilling, thrilling, and absolutely shocking'!!! A must read for any thriller lover!' *Goodreads reviewer*, 5 stars 'Just couldn't tear myself away no matter how hard I tried... A seriously compulsive read that you won't want to put down. It was an addictive read that I couldn't get enough of and the build-up of tension was just off the scale. You know how great a book is when your heart is still racing hours after finishing the book as the adrenaline was still coursing through my body. Compulsive, addictive, what more do you need from a psychological thriller?' *bytheletterbookreviews*, 5 stars 'OMG this was one of the best psychological thrillers I have read! The ending will shock you!... This is a must read!' *Goodreads reviewer*, 5 stars 'Yessss! This book is compulsively readable, so much so that I did the thing where I walked all over my house with it today, greedily consuming page after page as I pretended to do other things and hoped no one needed anything... Woot, woot, is this a thrilling, suspenseful, surprising and altogether satisfying journey! WOW!' *Goodreads reviewer*, 5 stars A short story about Kingdom love and marriage to encourage young christian couples. When Megan and Ben meet the attraction is instantaneous. The only problem? Ben is bound for Australia in just a week's time! Determined not to let what they've just found go, Ben suggests they get married so that she can go with him. Megan is shocked but doesn't want to lose him, so she agrees. Virtual strangers the two embark on an unforgettable journey, determined to make a success of their hasty marriage... An adventurous contemporary romance perfect for fans of Maeve Binchy You might be wondering why write a book about sexual intimacy in marriage and share illustrations for husbands and wives to enjoy. It is a question that I would like to answer up front. God gave the gift of sex for spouses to enjoy for a lifetime. The honeymoon was not meant to be a climax in the experience, but the beginning of an adventure then on to share full of passion, excitement, and joy. Sex is like a roller coaster as it will have ups and downs as the days, years, and decades pass. It is my belief that the passion that started the relationship should be the one that carries it through all the way to the end instead of the marriage bed becoming stale or joyless. This book was written to give a resource for Christians that would spare them the need to go to the world for ideas and possibly be exposed to explicit or vulgar content that would defile. I have chosen to write in such a way that any Christian could find the wordings pleasant and learn from them. What will you find in the pages of this resource? You will find a Bible study for both spouses to do together and illustrations for husbands and wives to try in the marriage bed to spice things up. This is the second installment of a two part series that will have different content. I want you to enjoy your

spouse! I want you to make love to your husband or wife! I want you to get out of the rut and try new things. It appreciates God to use the gift to the max He gave. The act of becoming one flesh honors Him. "And Adam said, this is now bone of my bones, and flesh of my flesh: she shall be called Woman, because she was taken out of Man. Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh. And they were both naked, the man and his wife, and were not ashamed", (Genesis 2:23-25). The gorgeous engagement ring on my finger mimics my happiness. I feel so sparkly, glittery, and full of promise, because I absolutely know he's that boy. The boy I want to marry. My prince. My happily ever after. But then our pastor starts asking lots of questions. His parents say I haven't dealt with my past. I have horrible wedding disaster dreams. I can't find the perfect dress. I have to manipulate him to get my way. An old boyfriend asks me to run away with him. My best friend says I'm going to ruin everything. And forever starts to sound like a really long time. Which totally freaks me out and makes me question everything I know. Should best friends get married? Will my past affect our relationship? Are my horrible dreams a warning? Will I ever find a dress? Could his sexiness be clouding my judgment? Am I going to ruin everything? Or is it just a case of cold feet? And then I have to decide. Am I willing to give up on true love forever, or am I going to listen to my heart and marry him? Deborah needs a husband to protect her from the scandal breaking over her head; Christopher Halland, a radical and ambitious member of parliament, needs a wife to get at his fortune and Gosmere Hall. It is the perfect marriage of convenience. Or is it? She should have been warned off by the fury in his eyes on their first encounter when he almost rode over her. And by the whispered rumors of his women and loose living. Instead, she thrives as the lady of Gosmere Hall and her calm soothes her volatile husband throughout quarrels with his grandfather, and even when his black-sheep cousin, accused of murder, turns up wounded in the cellar. However, falling in love was not part of their agreement - at least not with each other - and they have to overcome many misunderstandings before happiness is within their reach. Only then, her scandal rears its ugly head once more, and the arrival of the reptilian Lord Barden threatens to ruin everything, and even take Deborah's life. If you want to be a good wife, then get the "How To Be a Good Wife" guide now. You have taken the plunge, and said those magic words that have connected you to someone for the rest of your life. Now you are asking yourself, what exactly does this mean? What do you do now that the honeymoon is over? Where do you start learning how to be a "Mrs."? Even though there may be a how to guide out there for everything else, this book will only help you if you are truly willing to put in the time and effort it will take. Marriage is hard, which means that if a marriage lasts today, it is truly a miracle. How To Be a Good Wife gives you some great ideas for making your relationship work. This is not a book of tricks, or manipulations, but a book of genuine, heartfelt examples that truly work. Put aside your fears of what you have heard about marriage. Every marriage is different, and you will not experience anything exactly like someone else, even if it happens to your best friend. This book can give you ideas on how to stay married longer, and be happier with your spouse. You can be a good mother, a good wife, and you can work a full time job successfully. The key is to let your husband in to your world, and help him understand when you need his help. You just have to promise yourself that you will try. Many books will try and tell you how to change someone, or change yourself. This book is about embracing who you are and who the person is that you married. Being a good wife goes beyond just saying the words, "I Do." It is about giving 100 percent, when there is a chance your spouse may not. It is about overcoming difficulties, and not knowing what lies around the bend, or what tomorrow brings. This book will help you see that love can get you through the hard times, whether you are rich or poor. You can survive gossip, temptation, and society. You can really let your hair down and not wear make-up, and he will still love you. Give him a chance, and you will see! There is advice on money management, sharing chores, and how to spend time together. You can truly be your husband's best friend, if you so desire. You only need to open your heart, even if it means putting it out there on your sleeve for your husband to see. You can laugh, or cry, or say it is just plain silly, but don't say it doesn't work. It really does, and has for twenty plus years. This book is full of ideas to help you kick start a dull marriage, or a challenging

one. You must be committed to one another, and you must be willing to give up the "old you." Even though the critics say, that women and men are from two different planets, it doesn't mean we can't live together and have a successful life together. If you value your marriage, or want to just "freshen up," take the opportunity and read *How to Be a Good Wife*. Click "Buy Now" to get it now! If you're not ready to give up on your marriage, and want a game plan for saving it, then this book is for you! Marriage is the union of two souls. When two individuals get married, they promise to love and hold each other for better and for worse, in sickness and in health, and for the rest of their lives. According to the wedding vows that most couples make on their wedding day, after being married, only death can keep them apart. It's a big promise to each other. However, these days, the rate of divorce is so high that the institution of marriage has become less than the sacred ritual that it is. Nevertheless, there are still some folks that believe in marriage and all that it stands for. They understand that to be completely bound to another person for the rest of their lives isn't going to always be easy. It will require hard work, and that's not a surprise, because that's what real life is. If you believe that your marriage is worth saving, then let this book guide you. You'll find easy and helpful steps to help you and your partner save your marriage and make it the happy marriage that it once was and should (and can!) still be. After a year of hosting our successful podcast, we wanted to prepare a book to hand to our new friends who are dating, engaged, or in the early stages of their marriages. Rochelle has her Masters degree in Professional Counseling and Micah worked on a large church staff as a worship pastor for more than a decade. We have a deep-seated passion to help young couples be set up for marital success. It's said that when two people combine their minds to solve a problem a third brain is created. Without the union of the two minds, the solution may never have evolved. It's also certainly true that when a husband and wife join together in marriage a much stronger unit is created with which God can use for His glory. In essence, when we say the words "I do," we are becoming obedient to Christ and helping take His name to the ends of the earth. We believe that we are far better together for the Kingdom of God than we ever were apart. In *Forsaking All Others* you will be lead through the topics of: - Expectations - Spiritual Compatibility - Physical Intimacy Before Marriage - Making a Marriage vs. Planning a Wedding - Making a Home Together - Personality Traits - Who Are "All Others"? - What Happens When "For Worse" Comes? - Celebrating One Another's Joys - Marrying the Family - Kids - Changes Over the Years For more information or to begin reading, click the "buy" button at the top of this page. The plan was to fly to Vegas for my best friend's wedding, It was not to accidentally get married myself, end up with a fake boyfriend, and to fall in love with the enemy. Where do I even start.... Sometimes I feel like I'm dreaming because this absolutely couldn't be true. After Luke broke my heart and left six years ago, I never thought I'd give him another chance. Let alone get drunk and marry him on a whim. But then, when reality set in and my new husband presented me with an option, it became hard for me to say no. Luke has promised to do me a big favor if I pretend to be his girlfriend and make his ex-fiancée jealous. That shouldn't be hard. Right? What is hard is ignoring the very real attraction between us. This may have seemed like the perfect plan, but when the truth comes out, everything might come crumbling down around us. Luke What could be worse than waking up married in Vegas with no memory of it? Being married to my little sister's best friend... Gabi has always been off-limits. It's why I ran after the kiss we shared years ago. But when we're brought back together in Vegas for my little sister's (and her best friend's) pre-wedding parties... I wake up hitched to the woman I've been trying to forget for years. My sister is going to kill us if she finds out, but it does afford me an opportunity I never thought I'd have. To get revenge on my ex by playing up my "relationship" with Gabi. Only our act becomes all too real. And secrets are hard to keep. In the end, when the celebration ends and the dust settles, it's time to finally go after what's mine. Author's Note: Get ready for a fun, emotional and steamy billionaire romance with a happily ever after and no cheating! Each book in this series is a standalone and can be read in any order. This steamy enemies to lovers story is full of white-hot romance: drunken Vegas weddings, heated words that turn into seductive whispers, and a love that blooms in the most unexpected place... To love, honor, and disobey. I didn't mean to marry Luca Leone one drunken night. He may be the hottest guy I know, but he's still a total jerk. His sly smile, his massive height, and his muscular body just don't make up for how cruel he can be. Once our drunken haze wears off, he has a proposition for me. Stay married for two months, just until his ex's wedding. And he offers something I really need: ten thousand dollars to save my family home. The only issue is that I'm forced to spend time with him, at his house and at his bar, often late into the night. Soon our feisty arguments turn into the hottest hookups of my life. I can't resist him. Once I get past his prickly exterior, Luca is just plain smoking hot. We are both hung up on our mutual pasts, not ready for the flame growing between us. But we are about to come face to face with the fire we've ignited... How well do you know your husband? When Alice Gill sees the little blue line, it's the happiest moment of her life. But her whole world is turned upside down when the police knock at her door minutes later... Her husband, Dominic, is dead. Distraught, Alice goes to identify the body. It's him. Yet when Dominic's estranged brother comes to view the coffin, he insists the man lying there is not Dominic Gill. So who is the man Alison married? And will his secrets put her life in danger too? An absolutely gripping psychological thriller that will keep you guessing until the last page. If you love *Behind Closed Doors*, *My Lovely Wife and Friend Request*, you'll be hooked on *The Man She Married*. What readers are saying about *The Man She Married*: 'Make sure you have a ton of time on your hands when you finally sit down to read because this book will BLOW YOUR MIND!'

Goodreads Reviewer, 5 stars 'Alison uses such vivid and powerful descriptions that I felt as though I was part of the story myself... I was gripped from start to finish and on the edge of my seat throughout the story.' Ginger Book Geek, 5 stars 'Wow... grabs you from the first page and makes you ignore everything else... fantastic.' NetGalley Reviewer, 5 stars 'Totally gripping and addictive, this is definitely one of the best psychological thrillers I've ever read. Such a clever plot, and excellent characters, it will completely pull you in and not let you go until the end.' Sibzreads 'I could not put this down, it had me gripped all the way through and when I thought I had it figured; bam; the author threw another curve ball in!' Goodreads Reviewer, 5 stars 'Wow what a read!... The Man She Married takes you hostage right from the start and keeps a hold of you till the end.' Once Upon a Time Book Blog, 5 stars 'A MUST READ, this book is crying out to be made into a film. A very happy reader and definitely left me wanting more.' Goodreads Reviewer, 5 stars 'Could hardly but this book down, read it in a few hours. So many twists and turns, kept me guessing all the way through!' NetGalley Reviewer, 5 stars 'This was a great, gripping, fast-paced story which will definitely keep you hooked until the last page. Highly recommended!!' Stardust Book Reviews, 5 stars 'Had me firmly in its grasp from the very first page. The twists just kept coming, and I tore through this one at warp speed in a desperate bid to unravel it all.' Goodreads Reviewer, 5 stars 'What a brilliant book! I loved this from start to finish... I was completely swept up in the story and characters the whole way through.' LoopyLouLaura 'A fantastic thriller that will have you at the edge of your seat... I couldn't put this book down... The author fully deserves all 5 stars and if I could give more I would.' NetGalley Reviewer, 5 stars 'This book is wonderfully addictive. It dark and jam packed with twists and turns. I honestly enjoyed every single page.' NetGalley Reviewer, 5 stars 'Oh my gosh this story kept me up, to finish it! What a suspenseful book, this story kept me trying to figure it out until the very end.' Goodreads reviewer, 5 stars 'This is absolutely one of the best books I have ever read... Exceptional.' NetGalley Reviewer, 5 stars 'A definite contender for my favourite read of the year... I'm now rather disappointed that it's over!' Goodreads Reviewer, 5 stars

How to adjust to married life, build a strong foundation, and survive your first year of marriage. - EVEN if you don't know where to start. Do you feel overwhelmed and completely unprepared for marriage? Are you worried about failing in your marriage, second-guessing your decision to even get married, or considering a divorce? Do you want to have the best marriage you possibly can, but not sure where to start? You are not alone. It is easy to feel like you are the only newlywed struggling with married life; the frustrations, sadness, hopelessness, silent treatment, name calling, anxiety, disagreements, anger, disappointments, coping with new behavior discoveries, wondering if this is what marriage is supposed to be like, etc. We know how you feel because we experienced these struggles after getting married too. We have also listened to great married couples share their first year of marriage struggles on our podcast, The First Year Marriage Show, and countless others. So, we understand the problems you are facing and want to help you have a better marriage. To be honest, the first year of marriage is the hardest year for most married couples. However, you can avoid the marriage problems newlyweds face every single day by reading this guide for newlyweds and engaged couples today. We strongly believe this book will change your marriage. Because the lessons come from our own first-hand experience and gleaned knowledge. We share our struggles and how we overcame adversity to build a strong foundation for the healthy, happy, and fulfilling marriage we have today. In this First Year of Marriage book, you will learn: 1. How to transform your mindset from I into We. 2. How to build a safe environment for your marriage, so you can express your feelings and opinions without feeling judged. 3. Our simple and proven communication strategies have helped many couples to communicate better. 4. Get a better idea of what is at the root of the issues troubling your marriage, and how to fix them. 5. The glue that holds your marriage together and what we did after one of us changed our faith. 6. How to be independent and interdependent without losing your identity. 7. How to connect and grow together as a couple. 8. Why it is important to create a vision for your marriage, and the four steps we used to create a vision our marriage. 9. Why your first year of marriage is critical to the success of your marriage. And much more. This is the book that we wished was out there when we first got married. If you are a newlywed, just got engaged, looking to remarry or improve your marriage, this indispensable guide is for you. Filled with ideas you can apply immediately to your marriage. Marriage counselors, coaches, educators, pastors, and wedding officiants can also use this book for premarital counseling. You can have the satisfying marriage you both desire. Marriage does not have to be hard. Practice everything we share in this newlyweds guide with your spouse, and you will both be heading towards a happy, healthy, and fulfilling marriage. If you like reading books that are practical, easy to read, and straightforward. Books you can instantly apply what you learn to your life, then you will enjoy reading this guide for newlyweds. More importantly, read this book with your spouse, discuss the questions, and complete the workbook together. Then apply everything you learn to your marriage. You wouldn't build a million-dollar home on a weak foundation. Why would you consider the same for your marriage? Get your copy of this marriage book today. -----

bombshell. Defenders of the “sanctity” of marriage rose up to dismiss her frank, innovative, thoroughly researched book. But why? Why cling to the broken ritual of marriage? What comfort is there in a crumbling institution held together by meaningless tradition and out of touch patriarchy? In this thoughtful follow-up, Dickson examines marriage itself. As she explains, “It’s no secret that the divorce rate is reaching astronomical proportions, yet nobody seems to do anything about the sole cause of divorce: marriage.” Expertly weaving historical research, personal anecdotes, and scalpel-sharp philosophy, Marriage Is a Bad Habit makes the case that a life without marriage is a life of freedom—a woman’s freedom from male dominance and abuse, a man’s freedom from female resentment and martyrdom. In this new world it’s time for the sexes to find a new way of living together. Or, more specifically, a new way to live apart. Sexier than Helen Gurley Brown, wittier than Xaviera Hollander, Ruth Dickson tells the truth, makes you laugh, gives you innovative ideas and thoughtful advice on how to navigate the tricky waters of true freedom of choice. Ajay believes in living for himself; Bhavna teaches him to live for others. Ajay is a planner for life; Bhavna makes him live in every moment. You are the Best Wife is a story of two people with contradictory ideologies who fall in love. It changes them for good. It changes the way they look at the world and the way the world looks at them. Until destiny reveals its plans. This is a true inspiring story of the author and his struggle with life, after his beloved wife left him halfway through their journey. But her last words, ‘you are the best husband’ gave him the strength to live on, and fulfil his promise of love. Told with frankness and doses of humor, this heartwarming tale of a boy and a girl who never gave up on their love in face of adversities, ends on a bittersweet and poignant note as Ajay comes to terms with the biggest lesson life has to offer. Life is wonderful, at times difficult, and, in my opinion, never boring, especially if you like to occasionally take a look under the hood. In keeping with the mechanical metaphor, but switching over from cars to bicycles, picture life as a bicycle---The Bicycle of Life---and on that bike there’s a Work Wheel and a Love Wheel. The Bicycle of Life is what this book is all about: Growing up into a ‘responsible adult’, getting married, parenthood, work life, growing up some more. This stuff can be really hard, especially if you’re in it for the long haul. Most of us are trying to do the right thing. It’s just that we really don’t have a clue or any guidance about how to do it. I aim to provide you with some guidance in this book, along with companionship and support along the way, just as I would if you and I were sitting together in my office. Of course, I can’t tell anybody how to live their lives, what to believe, or how to behave, and this we both know. What I can do, however, is share the things I’ve found useful, fascinating, and true about living a good life. I can share the knowledge of how to navigate the Work Wheel and the Love Wheel, and my goal is to do just that. By the way, you don’t have to be married or have your own children in order to benefit from this book. You yourself are someone’s child, even if you don’t have any of your own, so you will gain some insights into your own childhood with this book. You’re likely involved in some interpersonal relationships in your life, ranging from friendships to romantic relationships, and possibly even including dealing with nephews and nieces or your friends’ and neighbors’ kids. You’ve also got a work life of some sort. And chances are you’re trying to balance all of this the best way you can. You qualify.... Using the feedback people have given me from my previous books, I decided to go with the short-essay format from my first book, Cobwebs and Ugly Wallpaper, which consisted of completely independent topics that could be read in any order. This format allowed the reader to always come away with a complete topic in mind and a sense of accomplishment each time he or she sat down to read the book. People liked that. Especially busy people. And I’ve again kept the subject matter multi-layered---almost allegorical at times---so that the essays could be appreciated and useful from your first read today, to years later when you’ve read them again from a completely different place in your life. Is the book substitute for personal, couples, or family therapy? No it’s not, and I don’t think any book really is. Nor is it intended as such. But I do know lots of people who are either in therapy or who have had some in the past, as well as plenty of others who have no intention of ever stepping foot into a therapist’s office. With this book I wanted to appeal to both sorts of folks, much as it was with the Cobwebs book. Finally, a new feature that I’ve added to this book is a simple coding system that helps you to choose the chapters you’d like to read about at any given moment, depending on what you’re in the mood to read. The way it works is that each chapter has both a title as well as a letter in parenthesis after the title which specifies whether that chapter is about You (Y), Kids (K), or Marriage (M). This way you will know what chapters you might want to check out based upon what your gut tells you that you need that day. I’ve also included those code letters in the table of contents at the beginning of the book, so that you can easily skim through the different topics and know exactly what page to turn to in order to read what you want to read. Well, I guess that’s it! The rest is ahead of you and up to you to explore, to learn, and, most of all, to enjoy. Anthony Ferraioli, M.D. (author) Socialite Abigail has always gotten what she wants. So when the plans for her nuptials go down in flames, she simply cannot stay in Eureka Springs. Bitter, angry, and humiliated, Abigail searches for somewhere to go. When Marcus receives a telegram requesting his protective services for the daughter of a friend, he obliges. But as he observes Abigail, what he sees doesn’t match up with what he’s heard. Which Abigail is real—the manipulative, vindictive woman of Eureka Springs, or the lovely young lady of Hot Springs? Will Abigail ever overcome the past to find a love all her own? From the founder of Seventy Thirty the first exclusive matchmaking company with relationship psychology at its core, and Lemarc Thomas psychologist and gay relationship expert, comes this intelligent and insightful book; the ultimate guide and relationship advice for the married, coupled up

and singletons. From the book "Self-assuredness is something that is very attractive to most gay men. If one is stressed about their sexuality or about being gay, this can be a turn-off. Being comfortable with yourself is a sign of security and wellbeing, which is appealing." And "When there was a bone of contention, gay and lesbian couples tended to throw in a bit of humour and affection to defuse the situation." From the acclaimed author of Boyfriend Material comes a delightfully witty romance featuring a reserved duke who's betrothed to one twin and hopelessly enamoured of the other. Valentine Layton, the Duke of Malvern, has twin problems: literally. It was always his father's hope that Valentine would marry Miss Arabella Tarleton. But, unfortunately, too many novels at an impressionable age have caused her to grow up...romantic. So romantic that a marriage of convenience will not do and after Valentine's proposal she flees into the night determined never to set eyes on him again. Arabella's twin brother, Mr. Bonaventure "Bonny" Tarleton, has also grown up...romantic. And fully expects Valentine to ride out after Arabella and prove to her that he's not the cold-hearted cad he seems to be. Despite copious misgivings, Valentine finds himself on a pell-mell chase to Dover with Bonny by his side. Bonny is unreasonable, overdramatic, annoying, and...beautiful? And being with him makes Valentine question everything he thought he knew. About himself. About love. Even about which Tarleton he should be pursuing. For over thirty years, New York Times bestselling author and #2 Sirius Radio Talk Show Host, Dr. Laura Schlessinger has been doling out no-nonsense relationship and family advice, advocating a strong sense of personal responsibility, to the delight of her millions of followers and fans. In her newest book, Love and Life, Dr. Laura covers the most popular topics and thorniest problems that face today's parents and grandparents, husbands and wives, men and women, and everyone seeking love, fulfillment, success – or anyone who wants to be a decent and productive human being. With her provocative and firm, but always stimulating advice, Dr. Laura provides guidance that will inspire readers to be the very best in terms of character, conscience, and courage – to make a difference in their own lives and in the lives of those they love.
