A tantalizing tale of a legendary knight and a headstrong lady whose daring quest for a mysterious crystal will draw them into a whirlwind of treachery—and desire. When the fearsome knight called Hugh the Relentless swept into Lingwood Manor like

a storm, everyone cowered—except Lady Alice. Sharp-tongued and unrepentant, the flame haired beauty believed Sir Hugh was not someone to dread but the answer to her dreams. She knew he had come for the dazzling green crystal, knew he would be displeased to find that it was no longer in her possession. Yet Alice had a proposition for the dark and forbidding knight: In return for a dowry that would free Alice and her brother from their uncle's grasp, she would lend her powers of detection to his warrior's skills and together they would recover his treasured stone. But even as Hugh accepted her terms, he added a condition of his own: Lady Alice must agree to a temporary betrothal—one that would soon draw her deep into Hugh's great stone fortress, and into a battle that could threaten their lives...and their only chance at love. Mystery writer Kimberly Sawyer lives alone and likes it that way. But when she is threatened by a hooded figure, she knows she needs protection. So it seems like perfect timing when Napa Valley vineyard owner Darius Cavanaugh

returns to Kimberly's life. A con artist and seductress, Meredith Spooner lived fast—and died young. But her final scam—embezzling more than a million dollars from a college endowment fund—is coming back to haunt Leonora Hutton. The tainted money is stashed away in an offshore account for Leonora. And while she wants nothing to do with the cash, she discovers two other items in the safe-deposit box: a book about Mirror House—the place where Meredith engineered her final deception and a set of newspaper stories about an unsolved murder that occurred there thirty years ago. Now Leonora has an offer for Thomas Walker, another victim of Meredith's scams and seductions. She'll hand over the money—if he helps her figure out what's going on. Meredith had described Thomas as “a man you can trust.” But in a funhouse-mirror world of illusion and distortion, Leonora may be out of her league... California—a mysterious place where danger and passion run deep... Scargill Cove is the perfect place for Fallon Jones, confirmed recluse and investigator of the paranormal. When she starts work as Fallon's assistant, Isabella impresses him by organizing his pathologically chaotic office—and doesn't bat an eye at the psychic aspect of his job. She's a kindred spirit, a sanctuary from a world that considers his talents a form of madness. But after a routine case unearths an antique clock infused with dark energy, Fallon and Isabella are dragged into the secret history of Scargill Cove and forced to fight for their lives, as they unravel a cutthroat conspiracy with roots in the Jones family business...and Isabella's family tree. From the New York Times bestselling author of Perfect Partners, here is the sequel to Gift of Gold, now beautifully repackaged. Verity Ames and Jonas Quarrel are hired to find a lost medieval treasure, but in a world of

hidden passageways they find their own mysterious love. The New York Times bestselling author presents the story of a curse that spans generations, and the love that can heal it. . . . More than three centuries ago, Nicholas Winters irrevocably altered his genetic makeup in an obsessionfueled competition with alchemist and Arcane Society founder Sylvester Jones. Driven to control their psychic abilities, each man's decision has reverberated throughout the family line, rewarding some with powers beyond their wildest dreams, and cursing others to a life filled with madness and hallucinations. Jack Winters, descendant of Nicholas, has been experiencing nightmares and blackouts--just the beginning, he believes, of the manifestation of the Winters family curse. The legend says that he must find the Burning Lamp or risk turning into a monster. But he can't do it alone; he needs the help of a woman with the gift to read the lamp's dreamlight. Jack is convinced that private investigator Chloe Harper is that woman. Her talents for

finding objects and accessing dream energy are what will save him, but their sudden and powerful sexual pull threatens to overwhelm them both. Danger surrounds them, and it doesn't take long for Chloe to pick up the trail of the missing lamp. And as they draw closer to the lamp, the raw power that dwells within it threatens to sweep them into a hurricane of psychic force. The island of Rainshadow is home to the mysterious, privately-owned woods known only as the Preserve. Now, after fifteen years away, both Charlotte Enright and her teen crush, Slade Attridge, have returned. But will their psi talents and Slade's dust bunny companion be enough to keep them from getting drawn into the darkness at the heart of the Preserve? Ex-cop Luther Malone and quirky librarian Grace Renquist are a strange partnership. Grace has been hired as an aura-reading consultant in the quest for a murder suspect, but has zero field experience. Her bodyguard, Luther, walks with a cane and isn't good with a gun! So the last thing they expect is for romantic sparks

to fly between them at their hotel in Maui, where they're posing as honeymooners. However, when rogue operatives for an underground group pour into the luxury resort their attraction must be suppressed quickly. Grace recognises the dark spikes in their auras and understands how dangerous these people can be. While the pair's employers scramble to get them backup, Luther and Grace have to think on their feet but the criminals in their midst aren't just high-level sensitives - they've enhanced their talent with a potent and unpredictable drug. And as Grace knows all too well, if you don't control your powers, your powers will control you... The author of "River Road" and "Dream Eyes "delivers another masterpiece of romantic suspense... When Grace Elland finds her boss, motivational speaker Sprague Witherspoon, murdered, a vodka bottle on his nightstand is a terrifying reminder of the horrors of her past--one that can be no coincidence. To regroup, Grace retreats to her childhood home, Cloud Lake, where she meets venture capitalist

Julius Arkwright, a man who lives to make money, by any means necessary. But the intense former Marine has skills that Grace can use--to figure out her future. And he's the perfect man to help Grace when it becomes clear she is being stalked. As Witherspoon's financial empire continues to crumble around them, taking a deadly toll, Julius will walk Grace step by step into her past to uncover a devious plan to destroy not only Grace, but everyone around her as well... A blockbuster of sensual suspense from New York Times bestselling author Jayne Ann Krentz Sparkling with Jayne Ann Krentz's irresistible blend of sassy wit and sheer suspense, this sizzling bestseller explodes into passionate pyrotechnics as a self-made millionaire and a charmingly disorganized entrepreneur team up to corner a killer. Soon, they find their unruly partnership has the power to set the night on fire.... Olivia Chantry may leave her desk in disarray, but she's a business dynamo: her Seattle-based company, Light Fantastic, creates the promotional flash

her clients need. Her marvelous success has almost made up for a crumbled marriage that has left her wedded to a career instead of a mate. But all that may change when Olivia inherits 49 percent of Glow, Inc., her uncle's high-tech lighting firm, and she butts heads with the interloper who bagged the other 51 percent: Jasper Sloan, a venture capitalist and deal-maker known as an orderly man with all his ducks in a row. From the start of their feisty business dealings, the so-called partners nearly crash and burn -- and barely keep control of the sexual energy crackling between them. But when they discover a blackmailer is hard at work uncovering secrets inside Glow, Inc., Olivia and Sloan's steamy joint venture faces the acid test of truth...and a need for absolute trust. For when extortion turns to murder, a union of their minds -- and hearts -- might be their only chance to stay alive.
