With its informative and authentic material from The Economist (c), the Intelligent Business Coursebook helps students to increase their knowledge of key business concepts whilst learning English. The course can be used in preparation for exams such as BEC and BULATS. Do Business with the Intelligent Business Skills Book The Intelligent Business Skills Book with CD-ROM is a shorter course that covers the functional language that people in business require such as negotiating' and dealing with problems'. It can be used on its own as an intensive course or alongside the Intelligent Business Course Book. What's special about the Intelligent Business Course Book? * You can effortlessly blend the development of language skills with the introduction of business concepts * Boost your students' business writing skills the Style Guide has authentic business documents like emails, minutes and reports * Add international business flavour to your lessons with the Culture at Work' sections * Challenge your students with the Dilemma and Decision' section in every unit which asks students to evaluate a real-life business dilemma * Easily prepare students for BEC exams using the Workbook that has plenty of BEC-style exercises and an authentic Practice Test For students who need to use English at work, Business Partners integrates presentation of language and grammar with ample opportunities to practice language skills in a variety of exercises and activities. Each of the fifteen units, centered around business themes, contains four important parts: A dialogue is printed in the book and recorded on tape, giving students plenty of useful language. Exercises with a variety of tasks help students with pronunciation, grammar, and vocabulary. A role-play activity allows students to work with a partner to practice the language and activate what they have learned. A reading text from well-known professional books for native English speakers helps students learn how to read even when they may not understand every word. The workbook offers extra practice, with answers at the back of the book. The audiocassette provides clear recordings of all the dialogues and pronunciation exercises to help students with comprehension and pronunciation of the material. The Intelligent Business Intermediate Workbook consolidates the language of the Intelligent Business Coursebook by providing further practice of key vocabulary, grammar and skills. Throughout the workbook there are Cambridge BEC style tasks to familiarise students with the exam. A three-level business English course that uses a powerful storyline to teach all the skills, vocabulary and grammar needed for students in work or pre-work. Market Leader Upper Intermediate New Edition Video consists of five separate films which illustrate the themes and extend language introduced in the Market Leader Upper Intermediate New Edition Course Book. Each film can be used independently or in support of the main course. Written by specialists in business English and communication who have worked in a range of businesses, countries and cultures. English for Business Life - Self-study guide focuses on the language you really need in your business life. Specifically designed to be flexible and easy to use for independent study and to yield the maximum results for the time you spend studying. Each unit presents essential phrases supported by clear study notes and practical exercises. The guide also includes: - an easy to follow language reference section- a glossary of key business-related terms- an answer key and audioscripts to support the practice material The full course satisfies the requirements of the Common European Framework (CEF A2), BEC and equivalent global testing authorities Designed for business professionals and tertiary students, this business English course features original texts drawn from a range of authentic sources, including magazines, books and films. The course's flexible structure allows the ten units to be used sequentially or to be dipped into. It features complete coverage of key business areas, revises key grammar and includes a comprehensive grammatical reference with exercises at the back. The words you need to communicate with confidence in business today. Vocabulary explanations and practice for intermediate (B1 to B2) students and professionals looking to improve their knowledge and use of business English. This book is perfect for both self-study and classroom activities. It helps you to expand your vocabulary with easy to understand explanations and practice exercises, learn business language in context with 66 different topics and skills, and be confident about what you are learning, thanks to Cambridge research into how business English is really spoken and written. Follow-up tasks and an easy to use answer key will help you to study by yourself. An innovative, flexible, three-level short course in Business English. What's special about the Intelligent Business Course Book? You can effortlessly blend the development of language skills with the introduction of business concepts Boost your students' business writing skills - the Style Guide has authentic business documents like emails, minutes and reports Add international business flavour to your lessons with the 'Culture at Work' sections Challenge your students with the 'Dilemma and Decision' section in every unit which asks students to evaluate a real-life business dilemma Easily prepare students for BEC exams using the Workbook that has plenty of BEC-style exercises and an authentic Practice Test This text is aimed specifically at advanced level learners of business English. Primarily designed as a self-study reference book, it can also be used for classroom work. What's special about the Skills Book? You can teach a business English skills course with ease, or use it to add business skills to a general course Useful, functional business language is easy to teach - each unit focuses on language strategies for a practical area of business English such as 'Negotiate' You don't have to be a business expert to teach business skills because there's a step-by-step guide on key business practices in the 'Good Business Practice' section at the back of the book Your students will be motivated by the CD-ROM that has loads of interactive practice activities, video extracts, all the Skills Book audio and much more Intelligent Business uses informative and up-to-date authentic material from the Economist. It is fully benchmarked alongside the Cambridge BEC exam suite and Common European Framework Intelligent Business is a range of Business English materials that includes components specifically designed to meet the need of students who either need to learn business through English or perform familiar business tasks in English. Career skills sections help to develop key communicative skills Each unit ends with a Dilemma and Decision page which enables students to review language whilst completing problem-solving activities Thorough writing support is provided with a dedicated Style Guide Booklet Each unit opens like an addition of The Economist© The Coursebook includes a CD with all the listening material Best Practice is a four-level business English course designed for use by both pre-work students and in-work students. Its topic-based modules train students in the English needed for both the professional and personal sides of modern business life. Best Practice is a four-level business English course designed for use by both pre-work students and in-work students. Its topic-based modules train students in the English needed for both the professional and personal sides of modern business life. Integrated with the core syllabus the Intelligent Business DVD gives students the opportunity to observe the business skills introduced in the Coursebook and Skills Book. English for Business Life is written by experts in international business communication who understand how fast-moving changes are affecting the language and skills that people need to be effective in the workplace. The course presents the English essential for doing business in today's global marketplace. It takes account of international contexts, countries and cultures and a business environment where English is often used as the language of communication between speakers of many nationalities. Pass Cambridge BEC is a practical course for students who wish to gain a recognised business English qualification. Focusing on relevant international business situations, the course has been structured to provide students with a thorough preparation for the Business English Certificates (BEC). Business Benchmark Second edition is the official Cambridge English preparation course for Cambridge English: Business Preliminary, Vantage and Higher (also known as BEC), and BULATS. A pacy, topic-based course with comprehensive coverage of language and skills for business, it motivates and engages both professionals and students preparing for working life. The Business Vantage Student's Book contains authentic listening and reading materials, including interviews with business people, providing models for up-to-date business language. Grammar and vocabulary exercises train students to avoid common mistakes, identified using Cambridge's unique collection of real exam candidates' answers. 'Grammar workshops' practise grammar in relevant business contexts. A BULATS version of this Student's Book is also available. 'English for Business Life Pre-Intermediate Self Study Guide' contains parallel units and progress tests to the course book as well as reinforcement/consolidation exercises, grammar/language section and a glossary of business terms. The audio CD contains recordings of core language, pronunciation points and listening exercises. Best Practice is a four-level business English course designed for both pre-work and in-work students. It uses realistic, international contexts to train learners in the English needed for both the professional and personal sides of modern business life
