NCLEX-RN Questions & Answers Made Incredibly Easy, 6th edition, is an NCLEX review book that provides more than 6,500 questions and answers with rationales. In this new edition, the questions are much more challenging (Application level and higher is the NCLEX buzz phrase). The content is divided into six parts that cover all the major areas included on the NCLEX-RN examination. Part 1 explains the NCLEX examination itself. It offers studying and test-taking strategies and describes the test format in detail, including alternate-format questions. Parts 2 through 6 cover each of the five major areas in nursing practice: adult care, psychiatric care, maternal-neonatal care, care of the child, and professional issues. The book also includes six comprehensive examinations (75 questions each, for a total of 450 questions) with answers, rationales, and client-needs category information at the end of each test. The ultimate compendium of the international and New York Times bestselling series, this fun omnibus features the complete content from all four books—F in Exams, F for Effort, F this Test, and F in Exams: Pop Quiz—plus more than 100 brand-new, sadly real, hilariously wrong student answers (Q: What is the role of a catalyst in a chemical reaction? A: It lists the cats involved). Also including bonus trivia in the form of "Stuff They Should Have Taught Us in School" facts (did you know a sneeze can travel up to 100 MPH?), this A+ collection will amuse anyone facing down a test as well as those happy to have the classroom behind them. F stands for "funny" in this perfect gift for students or anyone who has ever had to struggle through a test and needs a good laugh. Celebrating the creative side of failure in a way we can all relate to, F in Exams gathers the most hilarious and inventive test answers provided by students who, faced with a question they have no hope of getting right, decide to have a little fun instead.

Whether in science (Q: What is the highest frequency noise that a human can register? A: Mariah Carey), the humanities (Q: What did Mahatma Gandhi and Genghis Khan have in common?
