This certificate is lifelong, and do not require any additional payments or renewal. Please Note: 1. The Questions and Answers in this book are not a replica nor a replacement of the Open Assessments found at <https://www.scrum.org/>. 2. Based on the guidelines provided by Scrum.org, none of the questions are copied from the Open Assessments found at <https://www.scrum.org/>. If similar questions exist, then it's merely a coincidence. The underlying concepts however are similar if not the same. 3. The Questions which appear in the book (along with the answers) would be different from what you find on the exam. 4. Your feedback is much appreciated. Please feel free to email ScrumReferenceGuides@gmail.com in case of any questions. The PSM II assessment is structured in a similar way to PSM I. It is comprised of 30 multiple choice questions. You have 90 minutes to complete the assessment and must score 85%+ to achieve the certification. The questions and answer options tend to be longer than PSM I and it takes more time to read and understand. As with all Scrum.org assessments, it is challenging and designed to test your real understanding of Scrum. You are not required to attend an assessment center and can take it from the comfort of your own home. If you don't pass the exam you can pay the exams fees again and retake the exam. Here are the Steps on taking (and passing) the Scrum.org Professional Scrum Master II (PSM II) assessment and gaining certification: 1) If you are very new to Scrum and have never been part of a Scrum team, then I would recommend you take a course.
