Powerful insight into the effects of civil war on the Syrian people, by the award-winning Syrian journalist. Samar Yazbek was well known in her native Syria as a writer and a journalist but, in 2011, she fell foul of the Assad regime and was forced to flee. Since then, determined to bear witness to the suffering of her people, she bravely revisited her homeland by squeezing through a hole in the fence on the Turkish border. In *The Crossing*, she testifies to the appalling reality that is Syria today. From the first innocent demonstrations for democracy, through the beginnings of the Free Syrian Army, to the arrival of ISIS, she offers remarkable snapshots of soldiers, children, ordinary men and women simply trying to stay alive... Some of these stories are of hardship and brutality that is hard to bear, but she also gives testimony to touches of humanity along the way: how people live under the gaze of a sniper... how principled young men try to resist orders from their military superiors... how children cope in the bunkers. Yazbek's portraits of life in Syria are very real, her prose is luminous. *The Crossing* is undoubtedly both an important historical document and a work of literature.

Adoptions pose questions, often avoided or unanswered, but when little Katie was given and then adopted in the 1940's, the folks of the tightly-knit farming community of Wheatland were in shock. How was Margie Wentworth, an unmarried woman of 45 years of age, able to adopt a baby? It just wasn't done! Who was the mother? Was it someone they knew? Suspensions, rumors, and questions ran through the party-phone lines and in and out of the homes of inquisitive residents of the town. The Wentworth family, genteel and well-educated, was respected in the town. Zoe and Frederick Wentworth had reared three distinctive daughters. There were raised eyebrows when the oldest daughter, Camille, had left home right out of high school and curiosity as to why she didn't return home for decades. Margie, the middle child, attended college, but then chose to return home and live with her parents for the rest of their lives and to care for her mother until she died. Amanda, the youngest, was a college graduate and a science teacher. She married a local farmer's son, Robert Shaw, who joined the Marine Corps and

went to World War II soon after the novel began. He was unaware that his wife had a baby by another man. All three sisters were distinctive characters - one quiet and emotional; one bossy and devious; and the third, even in her absence, a force of friction and guilt, especially evident when she unexpectedly returned home in her mother's latter years. Katie, adopted by Margie, was oblivious to much of what went on, but she felt different and questioned her adoption. As she matured and attended college, her questions became obsessions. She had to know who she really was. She married and had children, but still desperately needed answers. The shocking truth of her parentage is revealed at the end of the novel. The dichotomy of deceitfulness, lying, immorality, and secrecy that plays against the elements of Christian values and morality grasps and holds the reader's attention as the characters play their cards in *The Game of Hearts*. It is no secret that many hearts have been shattered by infidelity. With affairs and sexual addiction at all time highs in our society, it is no wonder that those affected by the real-life trauma and agonizing pain of unfaithfulness search for ways to cope, forgive, and eventually heal. In her comprehensive, Christian self-help guidebook *What Happens After Shattered?*, licensed mental health counselor Dr. Deanna Sims shares gentle guidance that includes case examples, strategies for coping and healing, and over one hundred biblical passages. With the hope of encouraging and supporting those on a journey to healing after infidelity, Dr. Sims addresses many key issues including how to identify the different types of affairs; honor anger as a natural phase of grieving; navigate through the discovery and disclosure phases of an affair; understand narcissism and its correlation to infidelity; answer questions to determine whether to reconcile or terminate the marriage; implement an affair-prevention plan to safeguard your marriage; work toward a spirit of forgiveness; *What Happens After Shattered?* reinforces the important message that hope, personal growth, and healing are possible even after the life-altering experience of an affair. A unique and valuable resource for those in the Christian community. Peggy Vaughan, author of *To Have and To Hold* and host of *DearPeggy.com* A

well-thought-out Christian counseling book on the topic of infidelity. Rona Subotnik, LMFT, coauthor of *Surviving Infidelity*, 3rd Edition and author of *Why Did He Cheat on Me?* What do the Canons of Dordt mean to people in the Las Vegas airport—and does anyone there even care? In the movie *Hardcore*, a pious Calvinist elder tries unsuccessfully to explain the TULIP theology of his Dutch Reformed faith to a prostitute in the Las Vegas airport. This incongruous conversation demonstrates how Calvinism is often perceived today: irrelevant, harsh, even disrespectful. Beginning with this movie scene, *Calvinism in the Las Vegas Airport* addresses the weaknesses of Calvinism and points to its strengths. How does Calvinism shed light on today? Instead of reciting the Canons of Dordt, what's a more compassionate way to relate to nonbelievers? What might it look like to live out the doctrines of TULIP with gentleness and respect? This conversational book provides answers and shatters some stereotypes. *Calvinism in the Las Vegas Airport* encourages you to live every aspect of life—business, family, education, politics, activities, and more—before the face of a generous, sovereign God. Calvinists and non-Calvinists alike will find this an enjoyable read. You will discover that Reformed theology can speak relevantly and compellingly today, both to you and to people in the Las Vegas airport. Does Calvinism Have Anything to Do with the 21st Century? What do you think about Calvinism? Do you view it positively or negatively? Or has its day passed? Let's face it, many non-Calvinists hold a less-than-positive view, sometimes due to caricatures. This friendly, conversational book helps clear up some misconceptions and distorted views. If you're not a Calvinist, here is an engaging inside look. And if you are a Calvinist, Richard Mouw shows how to live gently and respectfully with others—Christians and non-Christians—who hold different perspectives. *Calvinism in the Las Vegas Airport* focuses not on what Calvinists believe but on how they live. From a movie scene to the author's personal experiences in Las Vegas, you are invited to travel with Mouw and see the Reformed faith in a new light. Yes, it still does travel well! When Michael "Traine" Tranier, a low-life drug dealer, dodges the bullets of LA thugs, he runs into the

arms of Risa, a beautiful Mexican angel who takes him on a journey just as deadly. "Match to The Heart" is a modern day saga of a man's struggle for redemption and love in a world he never knew existed to a place and time he never left. But the novice angel soon discovers that the journey is as much a challenge for her as it is for him. Risa recognizes in Trainee the soul of a noble warrior who, in another incarnation, saved her life and who she married four hundred years ago. Of all her past lives, this is the one love she has never forgotten. The one soul she still desires. Their journey spans centuries and continents, terrifying forests and raging seas as their love takes hold and the secret of human transformation is revealed. "Though this story be fiction, it is in fact truth of the highest order, for as we walk our path, how do we separate illusion from reality? Is not the journey of the soul to find our truth, the purpose for which we walk the earth? Luber's tale of one man's journey is both powerful and intimate." (Betty Riley, author "A Veil Too Thin") "This man's search for his soul is an inspiring adventure. In his awesome journey, we are reminded how far our thoughts, words, deeds and actions are reaching out into the world. Simply stated, this book will give you insight into how beautiful your soul is. Thank you, Ken Luber." (Ada Marie, author/editor "Miracles at Your Fingertips") "This novel is a must read for discerning adults of all Faith Persuasion, as well as those of no particular Persuasion. For every word, there is a reason. I was enthralled." (Reverend Marian Whiteman, ICSL Palm Desert, CA) Ken Luber, writer and teacher, lives with his wife Kathleen in the San Jacinto mountains of Southern California. After years of working in the Los Angeles film and television industry, Ken now focuses on novels and travel. Due to the rapid advances in the medical field, existing books on Jewish medical ethics are quickly becoming outdated and irrelevant. Jewish Guide to Practical Medical Decision-Making seeks to remedy that by presenting the most contemporary medical information and rabbinic rulings in an accessible, user-friendly manner. Rabbi Weiner addresses a broad range of medical circumstances such as surrogacy and egg donation, assisted suicide, and end of life decision making. Based on his extensive training and practical

familiarity inside a major hospital, Rabbi Weiner provides clear and concise guidance to facilitate complex decision-making for the most common medical dilemmas that arise in contemporary society. Includes excerpt from the upcoming Harmony novella, Midnight Bet. This is the first one-volume guide in English, or indeed in Bengali, to the full spectrum of Tagore's multi-faceted genius. They have also considered the historical and cultural context of his time. The book includes an index of all primary works cited, with full details of their complex history of transmission, and a reading list for Tagore studies in English. It will be an indispensable guide for all scholars, students and informed general readers, even those who can access Tagore in Bengali. I'm after college acceptance letters. The mafia is after me. Were their feelings similar to those of an English speaker who feels down, or were there other embodied experiences they used to make sense of physical, social, and emotional distress? This research establishes a cognitive linguistic methodology for addressing these questions, and investigates the use of embodied

experiences of VERTICALITY, CONSTRAINT, FORCE, DARKNESS, and BAD TASTE in the conventional language of classical Hebrew lament to understand and reason about situations of distress. **A Shattered Heart** is a walk with Monica Hawkins as she shares her emotional journey following the tragic murder of her son Donté. She shares how her faith in God was challenged and how she learned to bow to His sovereignty. Prepare to share her grief, unspeakable pain and her healing process to inspire you to hope, trust and love again after a traumatic experience. Her journey will encourage and challenge you to run to God despite times of feeling anger, frustration, hurt and hopelessness; knowing there is still a plan and purpose for your life. Monica's vulnerability, honesty and comforting words from her talks with God and her support system will provide guidance in your grief journey. If your heart has been shattered this is a must read book. It will help you or any loved one take the first step to finding your new normal after tragedy. The purpose and idea behind this has come from the general feedback I have received over the years and surprisingly from all ages and orientations, the way people relate to real emotions and experiences of what we most do not wish to speak out loud. This has been my own way of self-development and spiritual self-healing. Through writing I have learnt not to let temporary situations become a permanent mark on my purpose and define me but shape my choices. My talk of suicidal feelings is only representative of the thoughts I have had in those dark moments and not any actions taken. Poetry is simple and true way to express ones feelings, to capture your heart and hit the spot. This has been a wonderful experience. Please follow this up with my next book, keep an eye out for it: Titled **Past Life Partner** by Lady Jubilance N Mason. Presents a multigenerational history of the people who experienced Sino-Soviet affairs most intimately: prominent Chinese revolutionaries who traveled to Russia in their youths to study, often falling in love and having children there. Their personal memoirs, interviews with their children, and a collection of

documents from the Russian archives allow McGuire to reconstruct the sexually-charged, physically difficult, and politically dangerous lives of Chinese communists in the Soviet Union. She brings to life a cast of transnational characters--including a son of Chiang Kai-shek and a wife of Mao Zedong--who connected the two great communist revolutions in human terms. Weaving personal stories and cultural interactions into political history, McGuire shows that the Sino-Soviet relationship was not a brotherhood or a friendship, but rather played out in phases like many lifelong love affairs - from first love, early betrayal, and love children; through eventual marriage with its conveniences and annoyances, guarded optimism, and official heirs; to divorce, reconciliation, and a nostalgia that lingers even today. --From publisher description. your heart will lead you right where you belong. Previously published I lived in a world of darkness, never to see the light again. It's been eleven years since my father cursed Crystal City, since he condemned me to a life of loneliness and misery. By taking away everything that my mother loved, he took everything that I knew and cared for. Everything, but the throne. Only what good was being a queen in a city of mindless killers? A city that would never see the sunlight until the day of my death. I truly had nothing to live for... ..Or so I thought. The night that Wolfe was dragged into my palace, I knew that my life would never be the same. We were childhood friends once, but we went our separate ways. He became captain of the pirates, and I ascended to the diamond throne. My once sworn protector had become my enemy, but we were both alone, and the connection we felt was almost unbearable to ignore. My heart only cracked after my father abandoned me, but Wolfe would completely shatter it. For someone that hasn't felt anything for years, that wasn't such a bad thing. A Shattered Heart is set in and around the University of Maryland, Baltimore County and centers on the life of a typical red-blooded young African-American teenage boy. Jermaine Alexander Baxter was from Catonsville, Maryland, and he was as normal as any other high school senior. But for him, home life was not very fulfilling. His father was an alcoholic and a drug addict who was physically and psychologically abusive to the family. His mother was diagnosed with clinical depression and the medication she was taking kept her incoherent most of the time. Consequently, Baxter was dismayed and he stayed away from home as much and as often as possible. He found comfort in a vacant apartment building in his neighborhood where he often went for reading, writing, relaxation, and most of all for solitude. Baxter went there to escape all of his problems, but little did he realize that it was there where his problems really began. That's where he ran into Max and Joey, two men who ran a small criminal enterprise. Baxter witnessed one of their crimes, and his disheveled life got worse with each passing moment as he faced one adventure after another. A Shattered Heart follows Baxter through those adventures and readers easily empathize with his efforts to overcome his

seemingly never-ending troubles.
