Found Jan 01 2023 Thirteen-year-old Jonah has always known that he was adopted, and he's never thought it was any big deal. Then he and a new friend, Chip, who's also adopted, begin receiving mysterious letters. The first one says, "You are one of the missing." The second one says, "Beware! They're coming back to get you." Jonah, Chip, and Jonah's sister, Katherine, are plunged into a mystery that involves the FBI, a vast smuggling operation, an airplane that appeared out of nowhere -- and people who seem to appear and disappear at will. The kids discover they are caught in a battle between two opposing forces that want very different things for Jonah and Chip's lives. Do Jonah and Chip have any choice in the matter? And what should they choose when both alternatives are horrifying? With Found, Margaret Peterson Haddix begins a new series that promises to be every bit as suspenseful as her Shadow Children series -- which has sold more than 41/2 million copies -- and proves her, once again, to be a master of the page-turner.

*Reminiscences and Memoirs of North Carolina and Eminent North Carolinians* Oct 06 2020 Excerpt from *Reminiscences and Memoirs of North Carolina: And Eminent North Carolinians* An early historian has recorded our people, as being gentle in their manners, advocates of freedom; jealous of their rulers, impatient, rest less, and turbulent when ruled by any other government than their own; and under that and that only were they satisfied. *My World* Aug 16 2021 The classic companion to Goodnight Moon - Everyone's favorite little rabbit is back, exploring the boundaries of "Your world. My world." My spoon. Daddy's spoon. "The moon belongs To the man in the moon." Ages 1-4

*Running Out of Time* Oct 18 2021 When a diphtheria epidemic hits her 1840 village, thirteen-year-old Jessie discovers it is actually a 1996 tourist site under unseen observation by heartless scientists, and it's up to Jessie to escape the village and save the lives of the dying children.

**The Garden Project** Jul 03 2020 The kids in Mrs. Connor's class are planting a garden! Everyone is excited to plant the vegetable seeds--except for Neil. He does not like vegetables. After all their hard work, will Neil find vegetables are not as yucky as he thought?

**Presidents' Day** Apr 11 2021 Mrs. Connor's class knows they have a holiday in February, but do they know what it really means? They will after they learn all about Presidents' Day—and why it's more than just a Monday off from school! The Robin Hill School series is an engaging favorite kids and teachers love, and the simple text and bright art in Presidents' Day make for a wonderful read that is as fun as it is informative.

*Margaret and the Moon* Feb 07 2021 A true story from one of the Women of NASA! Margaret Hamilton loved numbers as a young girl. She knew how many miles it was to the moon (and how many back). She loved studying algebra and geometry and calculus and using math to solve problems in the outside world. Soon math led her to MIT and then to helping NASA put a man on the moon! She handwrote code that would allow the spacecraft's computer to solve any problems it might encounter. Apollo 8. Apollo 9. Apollo

10. Apollo 11. Without her code, none of those missions could have been completed. Dean Robbins and Lucy Knisley deliver a lovely portrayal of a pioneer in her field who never stopped reaching for the stars. *The Samuel and Mary (Myers) Burris Family* Jun 01 2020 Focusing mainly on the Burris of Amite County, Mississippi, and the Florida Parishes of Louisiana, this examination offers a mother lode of information for genealogists researching the Burris line, which may include such family name variations as Burroughs, Burrows, Burrus, Burruss, Burress, and Burriss. Much more than a tale of who begat whom, this volume provides helpful insight into the nature of the family. By their fellow men, the Burris are usually highly regarded. They are considered reliable, trustworthy, and honest. They also are known for their fair play. One of the highest tributes the author ever heard paid their character came from a former district attorney, who remarked that, whenever he had a case to come before a jury and there were Burris men present, he always accepted them without a single question.

The Power of Children May 13 2021 *The Power of Children* examines Christian teaching about children in the context of family life in the Roman world. Specifically, author Margaret Y. MacDonald measures the impact of the New Testament's household codes (Colossians 3:18-4:1; Ephesians 5:21-6:9; the Pastoral letters) for understanding the status and role of children in Christian homes and assemblies. By allowing children to frame her analysis, MacDonald demonstrates that the rigid social divisions of the period (wives-husbands, children-parents, slaves-masters) were far more complex and overlapping within the Christian context--highlighting the way in which Christian families challenged the prevailing imperial ideology. From curbing sexual abuse to the practice of pseudo-parenting and the teaching roles of both men and women in the family, MacDonald documents the development of an early Christian perspective that valued children as members in the household of God.

**Are You There God? It's Me, Margaret** Jan 09 2021 The beloved coming-of-age novel from the author

whose “name has long been synonymous with young adult fiction” (Los Angeles Times). “Are You There God? It’s Me Margaret is very special.” —Amy Poehler (Vulture) “Generations of teenage girls have grown up reading the tales of teenage angst told by beloved author Judy Blume.” —Mashable Margaret Simon, almost twelve, has just moved from New York City to the suburbs, and she’s anxious to fit in with her new friends. When she’s asked to join a secret club she jumps at the chance. But when the girls start talking about boys, bras, and getting their first periods, Margaret starts to wonder if she’s normal. There are some things about growing up that are hard for her to talk about, even with her friends. Lucky for Margaret, she’s got someone else to confide in . . . someone who always listens. “The first Judy Blume books I read. . . served as a kind of introduction to myself.” —John Green quoted in The New York Times “Mention Judy Blume to almost any woman under a certain age and you’re likely to get this reaction: Her face lights up, and she’s transported back to her childhood self — curled up with a book she knows will speak directly to her anxieties about relationships, self-image and measuring up.” —NPR “Fans, readers, booksellers — even other authors and celebrities — often dissolve into tears upon meeting [Judy Blume], confessing that books like “Forever ...” and “Are You There, God? It’s Me, Margaret” got them through adolescence; taught them about sex, love and friendship; and provided their first glimpse of adulthood.” —The New York Times “Blume wasn’t the first writer to legitimize and celebrate the interior life of young girls. . . . But Blume’s work feels significantly more influential than that of her predecessors and peers.” —The New Yorker “These stories belong to young women. Real young women.” —Diablo Cody, Entertainment Weekly

Children of Exile May 05 2023 And their home is nothing like she'd expected, like nothing the Freds had prepared them for."--Back cover

**Children of Exile** Aug 28 2022 Rosi must decide what she’s willing to risk to save her family—and maybe even all of humanity—in the thrilling first novel of a new trilogy from New York Times bestselling author, Margaret Peterson Haddix. For the past twelve years, adults called “Freds” have raised Rosi, her younger

brother Bobo, and the other children of their town, saying it is too dangerous for them to stay with their parents, but now they are all being sent back. Since Rosi is the oldest, all the younger kids are looking to her with questions she doesn't have the answers to. She'd always trusted the Freds completely, but now she's not so sure. And their home is nothing like she'd expected, like nothing the Freds had prepared them for. Will Rosi and the other kids be able to adjust to their new reality?

**Organ Music** Jan 21 2022 Country of Origin: New Zealand A thrilling tale of danger, ghosts and secret experiments hidden deep in the forest. 'Watch the road! Watch the road!' screamed David. 'I don't have to,' Harley replied in a strangled voice. Slumping back in his seat, he took his foot off the accelerator and held his hands away from the wheel. The soft hum of the car's motor did not decrease. The car did not lose speed. If anything, it seemed to accelerate. 'It's driving itself,' Harley said.

The kids in Mrs. Connor's class are celebrating Earth Day, and everyone has lots of ideas on how to save the Earth...except Emma. Emma is worried that her ideas are not good enough. With the help of her dad and Mrs. Connor, Emma learns that her small ideas can have big results!

*Children of Refuge* Feb 02 2023 After Edwy is smuggled off to Refuge City to stay with his brother and sister, Rosi, Bobo, and Cana are stuck alone—and in danger—in Cursed Town in the thrilling follow-up to *Children of Exile* from New York Times bestselling author, Margaret Peterson Haddix. It's been barely a day since Edwy left Fredtown to be with his parents and, already, he is being sent away. He's smuggled off to boarding school in Refuge City, where he will be with his brother and sister, who don't even like him very much. The boarding school is nothing like the school that he knew, there's no one around looking up to him

now, and he's still not allowed to ask questions! Alone and confused, Edwy seeks out other children brought back from Fredtown and soon discovers that Rosi and the others—still stuck in the Cursed Town—might be in danger. Can Edwy find his way back to his friends before it's too late?

**When Scotland Was Jewish** Jul 27 2022 The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

The Farrells of Donegal Feb 28 2020 (O) Farrells/Ferrells and others worldwide often ponder their Irish roots. This is currently the most comprehensive attempt to explore the origins of one of the largest branches of the Farrells/Ferrells. It includes: 1,400 years of Celtic roots in northwest Ireland, Gaelic ancestry linked to St Colum Cille (St Columba) from c.AD 655, 400-year-old associations with the Ulster Plantation, and worldwide migration. Those wishing to explore their own Irish family history and genealogy may use the methodology adopted by the author as a template for their own research. Almost 1,000 references are detailed, representing an invaluable resource to all those researching their Irish and Ulster roots. The benefits of DNA testing in family history and genealogy are outlined, and the results of the Donegal Farrell/Ferrell DNA research are analysed. Extensive genealogies of Ulster Farrells/Ferrells and associated families from

the sixteenth to twenty-first centuries have been compiled, and this database will assist others research their roots in Donegal, Ulster, and Ireland.

**Cary-Estes-Moore Genealogy** Aug 04 2020 There are many American families with the names Cary or Carey, Estes, and Moore. Numerous genealogy books have been written on all three. This book focuses on one branch of each family and traces them from the earliest known ancestors to the present generation (1981). All three families came to America in the seventeenth and eighteenth centuries. the Carys came from England; the Estes from Italy, by way of England; and the Moores from Scotland. This is a sequel to *The Cary-Estes Genealogy* by Patrick Mann and May Folk Web, published in 1939.

**On that Day, Everybody Ate** Jul 15 2021 Margaret Trost was in her 30s when her husband died suddenly of asthma, leaving her to raise their young son alone. In despair, seeking meaning in her life and in her husband's death, she accepted an invitation to visit Haiti as part of a pilgrimage of reverse mission, to serve the poor as a means to transform the providers. This is a moving account of her immersion in the West's most impoverished nation. Gently and viscerally, Trost describes her experiences in a hospice and in the horrific slums of Cit Soleil. As she struggles to make sense of such extreme conditions existing so near the US, readers discover with her the healing power of reaching out. In the process, we meet and come to love the eternally optimistic and enterprising Father Jean-Just, and the wise octogenarian Manmi Dt, who teaches Margaret to work hard and also to play and to dance. And we have a front-row seat as this unlikely group of friends creates a food program for Haiti's children. In straightforward, conversational prose, with humility, candor, and love, Trost shares the story of a serendipitous flow of events that guided her on her passage from despair to hope.

**Mean Margaret** Apr 04 2023 Unconditional kindness is the key in this National Book Award Finalist from the author of *The Wainscott Weasel* about nontraditional families, adoption, love—and a little peace and quiet. Margaret is a mean, cranky human toddler from a family of nine. She is such a pain that her beleaguered parents chuck her out, and she's on her own, grouching and grumping until two caring woodchucks, Phoebe and Fred, take Margaret in as their own. But despite their love, Margaret continues to wreak havoc with her loud, destructive ways, ruining the burrow and shrieking nonstop. Soon the woodchucks are as beleaguered as Margaret's human parents were, but because love is more powerful than temper tantrums, they are determined to make it work. So they enlist a little unconventional help, and with the guidance of a snake, bats, and a skunk, their feral little human just might realize there's more to life than being mean.

**Greystone Secrets #1: The Strangers** Nov 30 2022 New York Times bestselling author Margaret Peterson Haddix takes readers on a thrilling adventure filled with mysteries and plot twists aplenty in this absorbing series about family and friendships. Perfect for fans of *A Wrinkle in Time* and *The City of Ember*! What makes you you? The Greystone kids thought they knew. Chess has always been the protector over his younger siblings, Emma loves math, and Finn does what Finn does best—acting silly and being adored. They've been a happy family, just the three of them and their mom. But everything changes when reports of three kidnapped children reach the Greystone kids, and they're shocked by the startling similarities between themselves and these complete strangers. The other kids share their same first and middle names. They're the same ages. They even have identical birthdays. Who, exactly, are these strangers? Before Chess, Emma, and Finn can question their mom about it, she takes off on a sudden work trip and leaves them in the care of Ms. Morales and her daughter, Natalie. But puzzling clues left behind lead to complex codes, hidden rooms, and a dangerous secret that will turn their world upside down.
