This winner of the first Stonewall Award for Children's & Young Adult Literature will make you marvel at the beauty of human connection and the irrepressible nature of love. Everyone has that one line they swear they'll never cross, the one thing they say they'll never do. We draw the line. Maybe we even believe it. Sage Hendricks was my line. Logan Witherspoon befriends Sage Hendricks at a time when he no longer trusts or believes in people. He's drawn to Sage, with her constant smile and sexy voice, and his feelings for her grow so strong that he can't resist kissing her. Sage finally discloses a big secret: she was born a boy. Enraged, frightened, and feeling betrayed, Logan lashes out at her—a reaction he soon desperately wishes he could take back. Once his anger cools, Logan is filled with incredible regret, and all he wants is to repair his friendship with Sage. But it's hard to replace something that's been broken—and it's even harder to find your way back to friendship when you began with love. *** "Tackles issues of homophobia, hate crimes and stereotyping with humor and grace in an accessible tone that will resonate with teens." -Kirkus Reviews "It is Sage's story that is truly important." -SLJ "Teens—both those familiar with transgender issues and those who are not—will welcome the honest take on a rarely explored subject." -Booklist "A sensitive examination of the seldom treated subject of transgender teens." -VOYA Will an innocent prince forced into marriage choose passion? Sheltered in the palace with his books, Jem's life is peaceful. Even if he's lonely and yearning for romance, the big, strong men he wants don't crave small, timid princes. Then he's forced to marry a mysterious barbarian. Jem must do his duty—even if it means being stuck with Cadon, a brute who dismisses him as weak. Even if it means a fake marriage in name only for the sake of their homelands. Even if he must leave behind everything and everyone to journey to a forbidding island of ice and stone. Even if there's only one bed. Alone with this wild-yet tender?—man, Jem discovers desire that burns hotter than he ever imagined. Can two strangers learn to trust, or will dangerous lies tear them apart? Wed to the Barbarian by Keira Andrews is a gay romance fantasy featuring enemies to lovers, an age gap, forced proximity, first times, and of course a happy ending (eventually). This is the first action-adventure romance in the Barbarian Duet and must be read before *The Barbarian's Vow*. There have always been lesbian, gay, bisexual and trans (LGBT) parents. But now there is a 'gayby boom'. Changes in social attitudes, the law and medical technology mean that more LGBT people are becoming parents, and living proud and open family lives. Yet there are still few role models. *Pride and Joy* is full of stories, advice and real-life experience from LGBT parents and their children. Sometimes funny, sometimes moving, sometimes surprising, every story sheds new light on what it's like for LGBT people raising children in the UK and Ireland today. *Pride and Joy* is positive and practical. It covers everything from starting a family, dealing with schools, talking with children about different families, and maintaining an LGBT identity as a parent. This book is essential reading for anyone who wants to better understand issues facing LGBT families including parents or prospective parents; extended families and friends; and social workers, teachers and other professionals. Shortlisted for the 2007 Costa Novel Award I read "Skin Lane" with one eye closed out of sheer animal terror. Then, unimaginably, it brought me to tears; what a work of art so unexpected and heartbreaking and lovely. Armistead Maupin A powerful and complex story of sexual obsession. . . . A profoundly original meditation on thwarted desire. Patrick McGrath "Skin Lane" welds itself to your hands from first to last. Textured, teeming with menace and deeply moving, it is an extremely fine piece of writing. The Times (London) A fiendishly taut little psycho-shocker. Will Self At forty-seven, Mr. F's working life on London's Skin Lane is one governed by calm, precision, and routine. So when he starts to have recurring nightmares, he does his best to ignore them. The images that appear in his dreams are disturbing. Mr. F can't think of where they have come from. After all, he's an ordinary middle-aged man. As London's backstreets begin to swelter in the long, hot summer of 1967, Mr. F's nightmares become an obsession. A chance encounter adds a face to the body that nightly haunts him, and the torments of his restless nights lead him and the reader deeper into a terrifying labyrinth of rage, desire, and shame. Part fairy-tale, part compelling evocation of a now-lost London, this is Neil Bartlett's fiercest piece of writing yet: cruel, erotic, and tender. Neil Bartlett is an award-winning English novelist and theater director. He has directed on numerous occasions for the Royal Shakespeare Company." A lustful young alpha meets his match in an older omega with a past. Professor Vale Aman has crafted a good life for himself. An unbonded omega in his mid-thirties, he's long since given up hope that he'll meet a compatible alpha, let alone his destined mate. He's fulfilled by his career, his poetry, his cat, and his friends. When Jason Sabel, a much younger alpha, imprints on Vale in a shocking and public way, longings are ignited that can't be ignored. Fighting their strong sexual urges, Jason and Vale must agree to contract with each other before they can consummate their passion. But for Vale, being with Jason means giving up his independence and placing his future in the hands of an untested alpha—as well as facing the scars of his own tumultuous past. He isn't sure it's worth it. But Jason isn't giving up his destined mate without a fight. This is a stand alone gay romance novel, 118,000 words, with a strong HFN ending, as well as a well-crafted, non-shifter omegaverse, with alphas, betas, omegas, male pregnancy, heat, and knotting. Content warning for pregnancy loss and aftermath. A Tale of Two Kings Bellacosta and Arnsveld have been on the verge of war for half a century. Both have new kings—sweet, uncertain Silas and Archer the Warrior King—giving them an opportunity to find a peaceful solution. When the negotiations are sabotaged, drastic measures must be taken. Sometimes you have to steal a king to save a kingdom. Lord Thornby has been trapped on his father's isolated Yorkshire estate for a year. There are no bars or chains; he simply can't leave. His sanity is starting to fray. When industrial magician John Blake arrives to investigate a case of witchcraft, he finds the peculiar, arrogant Thornby as alarming as he is attractive. John soon finds himself caught up in a dark fairytale, where all the rules of magic—and love—are changed. To set Thornby free, both men must face life-changing truths—and John must accept that the brave, witty man who's winning his heart may also be about to break it. Can they escape a web of magic that's as perilous as love?***"Magic, folklore, dark deeds, and hot romance combine in this wildly enjoyable, inventive story set in a lovely alt-Victorian Gothic world. More please!"—KJ Charles, RITA™-nominated author of THE MAGPIE LORD and SPECTRED ISLE"Salt Magic, Skin Magic by Lee Welch is the sort of book you want to read again the moment you reach the end. Beautifully written, with a romance that is by turns sweet and scorching, it belongs on the keeper shelf of any lover of paranormal historical."—Jordan L. Hawk, author of the WHYBORNE AND GRIFFIN and HEXWORLD series***Standalone novel: 78,000 words A man builds a tree house by a river, in anticipation of the coming flood. A sugar-beet crashes through a young woman's windscreen. A boy sets fire to a barn. A pair of itinerant labourers sit by a lake, talking about shovels and sex, while fighter-planes fly low overhead and prepare for war. These aren't the sort of things you imagine happening to someone like you. But sometimes they do. Set in the flat and threatened fenland landscape, where the sky is dominant and the sea lurks just beyond the horizon, these delicate, dangerous, and sometimes deeply funny stories tell of things buried and unearthed, of familiar places made strange, and of lives where much is hidden, much is at risk, and tender moments are hard-won. Ian has always resisted being tied down. His partner, Miro, just has to convince him that getting tangled up in heartstrings isn't so bad. A brand-new edition of the Carnegie Medal-winning THE HAUNTING - written by internationally bestselling author, Margaret Mahy. 'Strong and terrifying . . . The novel winds up like a spring. A psychological thriller' - Times Literary Supplement Eight-year-old Barney has been haunted before. He

thought it was something he'd just grow out of, like the imaginary friends his step-mother believes he has. But this time it's different. Footsteps follow him, there's a demanding voice barking orders and Barney begins to feel that sometimes his body is not his own at all . . . With the help of his sisters, Tabitha and Troy, Barney sets out to uncover the truth about their family secrets and to find out once and for all who it is who's haunting him. A thrilling ghost story about a 'mostly ordinary' family and a secret legacy. A retired SEAL is about to face his toughest assignment yet. As a nanny...Fixer. Bodyguard. Advocate. Brann Calder is expected to play all these roles and more as a member of Torus Intercession, a security firm guaranteed to right what's wrong. In the military, catastrophe was his specialty. Five months out of the service, Brann is still finding his way, so a new assignment might be just what he needs. Unless it includes two things sure to make a seasoned, battle-trained veteran nervous: life in a small town, and playing caregiver to two little girls. Emery Dodd is drowning in the responsibility of single fatherhood. He's picked up the pieces after losing his wife and is ready to move on now, hopeful that his engagement to a local patriarch's daughter will not only enrich his community but will grant his daughters some stability too. The only thing standing in Emery's way is that he can't seem to keep his eyes-and hands-off the former soldier he's hired to watch his girls until the wedding. Emery's future is riding on his upcoming nuptials, but being with Brann makes him and his family feel whole again. Too bad there's no way for them to be together. Or is there? Condemned by sixteenth-century demands for lucrative dowries in order to marry, young Serafina is ripped from an illicit love affair and confined in a Renaissance Italy convent, a situation against which she passionately rebels and reminds the convent's doctor of her own unhappy early years. 200,000 first printing. He claimed an innocent prince-and surrendered his heart. Cador only married a pampered prince from a faraway land to save his people. He never expected he'd grow to respect Jem. He never expected to find comfort with him. He never expected to want him with a fierce passion. He never expected to fall in love. Now Cador must secure his people's future and win Jem's heart. For without it, he has no future at all. The Barbarian's Vow by Keira Andrews is a gay romance fantasy featuring enemies to lovers, an age gap, forced proximity, first times, and of course a happy ending. This is the second and final action-adventure romance in the Barbarian Duet. Wed to the Barbarian must be read first. Bannon Thompson, talented artist and youngest son of the Duke of Eversleigh, is hastily shipped off after his latest indiscretion. After crashing on rural Skye, leaving him and his valet the sole survivors of a diplomatic mission, Bannon must navigate the complexities of a primitive clan society and take up a role he never wanted: helping a sexy Highlander ensure the safety of both their planets. Laird Ciaran MacKay wants nothing more than to keep his clan safe from the off-world intruders who killed his father. Suspecting complicity among his own people, he has no choice but to trust outsiders from a spaceship crash--and he can't seem to fight his attraction to the stubborn redhead. Drawn to the handsome laird, Bannon risks a bold affair. But there is more at stake than reputations as they find two lost Regelens and uncover the Intergalactic Navy's plot. Like Stars, a historical romance about mysterious identities, scandalous family secrets, and lovers in a dangerous time. What if your true love walked back into your life five years after his death? Nathaniel Thredgold has finally returned from the war. Or has he? His lover, Wesley Douglas, isn't sure. Wesley must put aside his engagement, his disbelief, and his anger to give his professional opinion. The truth about their relationship isn't an option. But is this stranger really the Ravensworth heir and Wesley's long-lost love? When your heart's at stake, there's no room for doubt. Explores the origins of the powerful post-human, androgynous race called the Wraeththu as they move from their small tribes towards their destiny of world domination, led by archmage Thiede, ruler Pellaz, and young Lileem. [Menage Amour ManLove: Erotic Sci-Fi Alternative Menage a Quatre Romance, M/M/M/M, with Multiple Partners, Public Exhibition, sex toys] Dale despised the Terran military. He was drafted, not a volunteer. He never expected to get captured by the Algonquans and sold as a breeder pet, either. He only prays his new owner is kind and doesn't eat him. Then he meets fellow pet, Mark, who informs him getting captured was the luckiest day of their lives. Mark also hated the military and now spends his days in a life of sexual leisure, enjoying poetry and totally at peace with his fate. Dale settles in and finds not only does he enjoy this life, he loves Mark, too. Despite tragedy striking too close to home in their protected world, they find room to love their Master's newest pets, Cooper and Nate. When the war ends and the Terran pets are granted their freedom, the men are faced with a choice: return, or stay with the owner they've grown to love? ** A Siren Erotic Romance When Roman politician Caelius inherits a stable of gladiators, there is one who captures his attention above the others...one whose eyes gleam with hate, pride and desire. Forced into slavery by Roman greed, Gaidres can barely conceal his contempt toward his new Dominus. Gaidres has a plan: kill Caelius and end the lineage of the Roman family that enslaved him. For his plan to succeed, he must make a show of respect and obedience—even when called on to service his master's desires. Gaidres is shocked to learn that in the confines of his quarters, Caelius doesn't want to dominate his slave, but to be taken by him. The sex is explosive as they break society's taboos and, to Gaidres's dismay, they form a tenuous relationship. Even when Caelius learns of Gaidres's plans for revenge, he knows he can't live without his perfect lover. Is he willing to risk it all to tame his gladiator's heart? 88,000 words New York Times Bestselling Author What happens when a man of unshakable conviction meets the woman who rocks his world? But one thing he never expected was his cellmate. Spy, rogue, thief, and noble, Seregil of Rhiminee is many things—none of them predictable. And when he offers to take on Alec as his apprentice, things may never be the same for either of them. Soon Alec is traveling roads he never knew existed, toward a war he never suspected was brewing. Before long he and Seregil are embroiled in a sinister plot that runs deeper than either can imagine, and that may cost them far more than their lives if they fail. But fortune is as unpredictable as Alec's new mentor, and this time there just might be...Luck in the Shadows. Death is no stranger in the city of Erisín, but some deaths attract more attention than others. When a prostitute dies carrying a royal signet, Isyllt Iskaldur, necromancer and agent of the Crown, is called to investigate. Her search leads to desecrated tombs below the palace, and the lightless vaults of the vampiric vrykoloi deep beneath the city. But worse things than vampires are plotting in Erisín - a long-dead sorceress is making a bid not only for renewed life but for the throne as well, and Isyllt's former lover is caught in her schemes. Soon Isyllt is torn between the living and the dead, between the man she still loves, and the royal family she's sworn to defend. As a sorcerous plague sweeps the city and demons stalk the streets, Isyllt must decide who she's prepared to betray, before the city built on bones falls into blood and fire. The elders are tired of their younger people playing the field, causing trouble, and fighting with each other. Everyone who attends the UPAC Conference now has twenty-four hours to claim a mate of a different species. If they don't, they will never have a mate. The spell is cast. There is no escaping the Midnight Matings. Beauregard Stratford is a bunny shifter. Simple enough, right? Unfortunately, he is the only white bunny shifter in existence. He also is cursed with violet eyes, hyperactivity, a strong weakness for anything shiny, and a penchant for leaving bubble gum everywhere. When he finds himself mated to Sebastian Drakus, a dragon shifter and prince of his kind, Beauregard can't seem to make himself behave no matter how hard he tries. He wants to be good, to make Sebastian proud of him, really he does, but things just keep happening to him...bubble

gum mishaps, getting drunk, not to mention the fact that he is a true bunny and constantly horny. Nothing seems to go right. Can he convince Sebastian he's worth the trouble, or will the dragon prince wash his hands of the whole bunny fiasco? ** A Siren Erotic Romance A boy with an abusive father grows up and fears that he has the same potential for violence as his father has. Adorably naive and shockingly brilliant Harrison Lessardi only needs two things in life: his pet iguana, Steve, and his undying love of science. That is until he witnesses his best friend lay eggs, and a third must-have strolls into his apartment-the sardonic and mischievous Everard Drake. Everard Drake, celebrated doctor of the tremendously wealthy Drake family, has one goal in mind when he arrives at the scene of his youngest brother's latest disaster: incinerate Harrison Lessardi. Unfortunately for Everard, the moment he spots Harry, incineration becomes an impossibility-he must have the gorgeous beta as his own, even if it means holding him captive on his estate. But something else lurks behind Everard's interest in Harry-something that tugs at Everard's soul in impossible ways, and that will send Everard and Harry down a rabbit hole of discovery that will change the world as they know it. An alpha and a beta can't share a bond. Can they? Bond is a 78,000 word steamy omegaverse mpreg-ish romance that will leave you in stitches. It contains an unexpectedly consensual kidnapping; giant magical lizards; an iguana with a full wardrobe named Steve; never-ending nicknames; and a HEA that may, or may not involve mosquito nets. For maximum enjoyment, Bond is best read following the events of Clutch. Finding his fiancé in bed with his brother was bad enough, finding out they're getting married is the final blow.Devan Smith needs to cool his anger. His best friend has had a terrible accident, his ex refuses to move on, and his eight-year-old self is still waiting for his mother to collect him from school. Jonty needs his job. What he doesn't need is the rude, arrogant, and hot as they come guy who's rocked up demanding he be let into his room right now.Thrown together by a freak accident, Devan and Jonty's lives entwine, and neither wants to loosen the knot. Can the irrepressible Jonty be the reset Devan needs? Can Devan be the making of Jonty Bloom, or will secrets drive them apart?This is book one in the Unfinished Business series. All books are standalone with linked characters. Born a boy and a girl but raised as a boy, Wayne or "Annabel" struggles with his identity growing up in a small Canadian town and seeks freedom by moving to the city. An enormously satisfying, exciting and enriching book, Vikram Chandra's novel draws the reader deep into the lives of detective Sartaj Singh and Ganesh Gaitonde, the most wanted gangster in India. Sartaj, the only Sikh inspector in the whole of Mumbai, is used to being identified by his turban, beard and the sharp cut of his trousers. But 'the silky Sikh' is now past forty, his marriage is over and his career prospects are on the slide. When Sartaj gets an anonymous tip off as to the secret hideout of the legendary boss of the G-company, he's determined that he'll be the one to collect the prize.This is a sprawling, epic novel of friendships and betrayals, of terrible violence, of an astonishing modern city and its underworld. Drawing on the best of Victorian fiction, mystery novels, Bollywood movies and Vikram Chandra's years of first hand research on the streets of Mumbai, this novel reads like a potboiling page-turner but resonates with the intelligence and emotional depth of the best of literature. Centuries after the destruction of Earth, destiny is being fulfilled and plans are in motion to restore not only the Earth, but mankind, to its former glory. One family is fated to bring about this amazing destiny. One man puts it all in motion, the day he crashes onto the wolf-planet of Tumaro and meets his mate. Talon Versuthion always knew that some kind of way, life was going to screw him over. His parents died when he was just a boy and he can't remember a thing about them. He was adopted by a great family only to have them tell him that he is a Vermithian, one of the most despised humanoid species. Even worse than that? He has no idea that a prophecy was made about his family, one that mentions that someone from the Versuthion family will bring back a pure human race. And there are people out there who will stop at nothing to make sure that never happens. No matter what. While on a delivery for the GPA with his adopted sister Josie, however, Tal's space shuttle crashes onto Tumaro, the notorious wolf-shifter planet. Tal is lucky to be alive, though Josie can't be found. He is desperate to find her, but destiny steps in and history is changed forever. Because the Alpha King of the planet, Blazell Roughshire, is Talon's mate. And before the two men can even settle into their new relationship they must deal with conspiracy, murder, kidnapping and a centuries old plot to completely eradicate the human race. Will Blaze be able to keep his mate safe from those who would see him dead? Is Tal truly the only one left from his family who can fulfill this centuries old prophecy? And can Tal, who has made it a point to never fall in love with anyone, open his heart and let Blaze be Passion's hero? A prince imprisoned by duty, a horse lord sworn to find the soulseeker... Prince Rian is desperate to escape his abusive and tyrannical brother, Arran, the king of Rashma, and save those he loves from his brother's madness. But after recapturing Rian, the king is taking no chances when he forces the prince back to his duties as general. Arran has hired the Hawks, a group of hardened Zala mercenaries renowned for their battle prowess and skill with horses, to watch the prince. Broken and forced to submit, Rian endures these new bodyguards he knows are spies loyal to his manipulative brother. But Rian has a secret about to be uncovered. At night, when his mental barriers are lowered, he is guarded by the wraith of his dead twin. He can't hide the wraith from Hamon, the powerful leader of the Hawks who tangles all the emotions within Rian and makes him believe he just might be worthy of love. When Hamon agreed to guard the prince, he believed it would be a simple task...and allow the Zala to gather information on the expanding kingdom of Rashma. But after witnessing the prince's unique powers, he suspects Rian might be one of the legendary soulseekers, despite the fact that Rian is not of the Zala and a soulseeker hasn't been seen in decades... But more than that, he finds himself fascinated and attracted to the prince. Soon he begins to suspect the king has lied about the prince from the very beginning. Yet, how can he convince Rian he's the true soulseeker and bring him safely to where he's needed most... Quench your Thirst with the finale to the #1 New York Times bestselling series from Christopher Pike. Sita has lived for centuries. She has seen more than most people could ever imagine. She has loved and she has lost; she has killed many, and she has given life. Now, at last, Sita's story culminates in an epic—and satisfying—conclusion to the enormously popular Thirst series. It's all fun and games until somebody loses... Socioanalysts can read minds and motives at a glance, predict the future, manipulate the smallest actions of their unwitting puppets, and crush careers with a single word...or so the popular rumors say. Their arrival is dreaded everywhere in the European Administration, even the Investigation and Interrogation Division. Para-investigator Val Toreth, accustomed to being feared himself, is about to discover the truth of the rumors at first hand, when he is assigned as personal liaison to Carnac, the socioanalyst seconded to I&I to root out anti-Administration sentiments among its staff. And to make matters worse, it seems that his admin Sara is smitten with Carnac and Warrick has a history with him. With his closest allies straddling the line of Carnac's camp, Toreth must rethink the rules of engagement. The third book in the Administration series contains the novella Game, Set, as well as nine short stories in which virtual-reality corporate genius Warrick and Toreth must face new players in the game, and discover whether their association can survive both the tensions between the unlikely pair and the pressures of life in the near future dystopia of New London. Sing a song of sixpence A stage full of fright One two-faced blackbird Won't last the night When a phantom presence lures Hieronymus Bash into a deadly game, threatening to kill one of the players at his beloved Gaiety Theater each day until famed actor Horace Beastly returns to the stage, London's premier consulting detective is on the case. The trouble? Horace Beastly is Hiero's alter ego and the true object of this murderous obsession. When the current star of the show is struck down, Hiero has to risk everything by stealing back the spotlight. After a golden summer together, DI Tim Stoker would do everything in his power to protect the man he loves. But a specter from his own past proves an unexpected, and perhaps fatal, distraction. Scheming prima donnas, grudge-fuelled critics, and an axe-wielding theater ghost are all out for blood. Will Hiero and Tim unmask this menace before the final curtain call, or are they past the point of no return? 1508 Sebastian Drake, stoic protector of the Drake family, always gets what he wants--and there is nothing he wants more than the half-starved Pedigree omega named Peregrine he comes across on his travels. It doesn't matter that Peregrine is a Disgrace. Sebastian will do whatever it takes to keep him... and somehow, as impossible as it might be, find a way to be his mate. Present Day For hundreds of years, Peregrine has enjoyed life as Sebastian's mate. Sure, as one of the only bonded omegas in recent history he's been kidnapped more times than he can count, but with Sebastian there to save him it's little more than an inconvenience. And attacks from hostile clans? That's just a typical Tuesday. But there is one thing Peregrine fears, yet desperately wants. One thing that has hurt him time and time again. One thing Sebastian can't save him from. And now it's happening again. He's pregnant. Peregrine is an 85,000 word omegaverse mpreg romance set prior to as well as following the events of the Forbidden Desires series. It has answers to questions you've been dying to

know and contains heartache, laughter, origin stories, meddling reptilian families with huge hearts, exotic locales, a dash of danger, and a love story five hundred years in the making. For maximum enjoyment, Peregrine is best read following the events of Clutch, Bond, Mate, Swallow, Magpie, and Finch. While working at Earth's Spaceport Prime, Devin McSmith meets Bastian Drago, an exotic and beastly alien from the planet Dega. Devin and Bastian get to know each other and their relationship quickly heats up. Just as they begin to fall in love, Bastian disappears without a trace. When Devin's encounter with Bastian triggers a startling change in his body, he is taken captive and held in a top-secret research facility. Will Bastian find Devin before it's too late? A serious accident may have left Tay's body broken, but he's determined to live an independent life at any cost. Except he's barely coping. Alone and isolated in London, his only solace comes from the pain numbing drugs he's become addicted to. Ink's on the run. He keeps his head low, but London streets don't feel safe. The only way to stay under the radar is to keep moving and not let anyone or anything get close. But the stray mutt that's latched onto Ink has other ideas. A chance encounter and Ink's bungled attempt to free himself from his four-legged companion leads to the offer of a job as a live-in helper. Tay's moody and difficult, but he's also scared and vulnerable, and Ink finds himself saying yes when he should be saying no. Can Tay and Ink find a clear path on the road towards true love? Or will their broken lives prove to be one roadblock too many? This is the second book in the Unfinished Business series but can be read as a standalone. This story has dark elements and possible triggers for some-bullying, death of a minor, violence, terrorism and drug addiction.
