Yoga how-to books abound, a direct reflection of the rapidly expanding popularity of this ancient practice. Effort and Surrender does not show how to "do" yoga. Instead, it tells - through illustrations and quotations - how to "feel" what yoga is and what it means to experience mind and body movements as a life enhancer and as a way of life. This beautiful celebration of yoga's artistry and insight makes a one-of-a-kind gift book. Talented editor and

photographer Eric Dinyer, a dedicated yoga practitioner himself, used his own experience and deep understanding to convey yoga's challenges and far-reaching possibilities. Eric's sepia-rich photographs of 37 classic asanas intertwined with vibrant and sweeping ink lines give the postures an energy of their own. Equally moving are the collection of historical and modern yoga quotes, such as this: "Yoga is a way of moving into stillness in order to experience the truth of who you are." - Erich Schiffmann. Effort and Surrender is a very rich experience indeed. Does it seem as if you are strong to the outside world, but crumbling to pieces behind doors? Did you think you had it all figured out, but shockingly started having more questions than answers? Are you longing for a sense of purpose, fulfillment and have an inner cry of "there has to be more..."? In her debut book, LaChandra Cook tackles these issues head-on and lets you know you are not alone. By using her trademark transparency and direct teaching style, LaChandra delivers a book that sets readers on a transformative and unforgettable journey of discovering God and self. Join the author as she walks alongside you to deconstruct common misconceptions about Christianity and strategically unpack truths about the true nature of God, holiness, and surrender. Together you'll take the veil of mystery off these frequently taught, yet commonly misunderstood Christian concepts in order to enter into a realm of Christian living that goes deeper than what religious teachings can offer.

Additionally, LaChandra guides you through the process of uprooting that which has stained and polluted the heart and soul to then reconnect with God in an authentic manner that will set the foundation for lasting change. The life you've really longed for lies within the simple secret of surrender. Gathers conversations between

the author and Emmanuel, a spiritual being from the "other side" In this latest tale featuring the bold and daring Cynster family, a gentleman who is restless and bored with the careless pleasures of London society seeks out a new diversion. And if that diversion is a beautiful woman, so much the better. Do you desire to go deeper in your relationship with God but don't know what is stopping you from moving forward? Surrender: The Forgotten Spiritual Discipline Workbook is a ten-session study for individuals or groups, designed to help uncover hidden obstacles on the journey to surrendering your will to the plan of God. By using the Bible as the standard, you will examine your thoughts about God, your life, and long-held beliefs to unearth impediments to living a life fully surrendered to God's plan. However you plan to utilize this workbook, as an individual or group study, the thought-provoking, soul-searching questions will allow you to: explore the core of your thinking about God and surrender as a spiritual discipline. expose the lies and false beliefs that have held you back in your relationship with God. uncover patterns and behaviors that have helped or hindered your spiritual growth. focus on prayer to assist you in moving into alignment with God and His plan for your life. Choose to go deeper as you embark on the journey to surrender! From the New York Times bestselling author Meg Wolitzer, a “devastatingly on target” (Elle) novel about a young woman's accidental death and its effect on her family and friends. For years, Sara Swerdlow was transported by an unfettered sense of immortality. Floating along on loving friendships and the adoration of her mother, Natalie, Sara's notion of death was entirely alien to her existence. But when a summer night's drive out for ice cream ends in tragedy, thirty-year-old Sara—“held aloft and shimmering for years”—finally lands.

Mining the intricate relationship between love and mourning, acclaimed novelist Meg Wolitzer explores a single, overriding question: who, finally, "owns" the excruciating loss of this young woman—her mother or her closest friends? Depicting the aftermath of Sara's shocking death with piercing humor and shattering realism, *Surrender, Dorothy* is the luminously thoughtful, deeply moving exploration of what it is to be a mother and a friend, and, above all, what it takes to heal from unthinkable loss. Finally available in North America, this is the definitive and dramatic account of one of the '70s biggest hitmakers. Researched in great detail, *Bread: A Sweet Surrender* includes exclusive interviews with founding member Robb Royer, along with friends, family, and former musical associates of the band. This first-ever biography of Bread reveals the story behind the group members' formative years, their remarkable rise to fame, and the subsequent break-up—including the messy lawsuits that would dog them in later years. The book also features exclusive insights into their successful but short-lived 1990s reunion.

Soap opera writer Dinah Kaufman attempts to force herself back into the life of her ex-husband, playwright Rudy Giler

**Get All The Support And Guidance You Need To Be A Success At Letting Go!** Is the fact that you would like to be better at letting go but just don't know how making your life difficult... maybe even miserable? First, you are NOT alone! It may seem like it sometimes, but not knowing how to get started with allowing things is far more common than you 'd think. Your lack of knowledge in this area may not be your fault, but that doesn 't mean that you shouldn 't -- or can 't -- do anything to find out everything you need to know to finally be a success! So today -- in the next FEW MINUTES, in fact -- we 're going to help you GET ON TRACK, and learn how you can quickly

and easily get to a place for the real you under control... for GOOD! With this product, and it ' s great information on surrender it will walk you, step by step, through the exact process we developed to help people get all the info they need to be a success. In This Book, You Will Learn: Figuring Out What You Truly Value Figuring Out What You Need To Surrender To How Allowing and Surrender Works Getting in the Right Mindset Michael A. Singer, author of The Untethered Soul, tells the extraordinary story of what happened when, after a deep spiritual awakening, he decided to let go of his personal preferences and simply let life call the shots. As Singer takes you on this great experiment and journey into life's perfection, the events that transpire will both challenge your deepest assumptions about life and inspire you to look at your own life in a radically different way. Spirituality is meant to bring about harmony and peace. But the diversity of our philosophies, beliefs, concepts, and views about the soul often leads to confusion. To reconcile the noise that clouds spirituality, Michael Singer combines accounts of his own life journey to enlightenment - from his years as a hippie-loner to his success as a computer program engineer to his work in spiritual and humanitarian efforts - with lessons on how to put aside conflicting beliefs, let go of worries, and transform misdirected desires. Singer provides a road map to a new way of living not in the moment, but to exist in a state of perpetual happiness. “ Readers will appreciate this complex look at Chief Red Cloud, who under duress, unimaginable trauma, and starvation made a difficult choice. ” —School Library Journal (starred review) Red Cloud (1822 – 1909) was a great warrior and chief of the Lakota. Told from his perspective, Red Cloud: A Lakota Story of War and Surrender describes the events that brought him to prominence as a leader of

his people and how he came to surrender them to the wasichus (White Man), ending their way of life on the Great Plains. From the intrusion of white settlers into Lakota territory, to the treaties signed with the U.S. government, and to the many subsequent battles, Red Cloud explains how the Lakota became the only nation to win a war against the U.S. Army on American soil. However, unlike fellow warriors Crazy Horse and Sitting Bull, Red Cloud eventually came to accept the inevitable advance of white civilization. He submitted to change and moved his followers onto a reservation. The story concludes with Red Cloud's trip to the East Coast, where he visited New York City and met President Ulysses S. Grant. Award-winning author and member of the Standing Rock Sioux tribe S. D. Nelson reinterprets the nineteenth-century Lakota ledger-art style to give authenticity to the story as he brings to light one of the most controversial members of the Lakota tribe, Red Cloud. Backmatter includes a timeline. “ An impressive amount of information movingly and handsomely conveyed. ” —Kirkus Reviews (starred review) “ The story, at once inspiring and sad, is expanded and enriched by Nelson's beautiful ink, watercolor, and colored-pencil illustrations executed in the nineteenth-century Lakota ledger-book style. ” —Booklist (starred review) If you've been fighting a losing spiritual battle, it's time to give up. Bow the knee. Wave the white flag. And turn yourself over to the King of kings. The truth is, your salvation, your initial 'surrender' to Christ, was just the starting point. You will never know real joy, real peace, real success until you learn what it means to live a fully surrendered life, to continually say 'no' to self and 'yes' to God. Choosing the pathway to full surrender will transform your perspective, set fire to your soul, revolutionize your life, and give the spiritual victory you have sought for so long. The

Revive Our Hearts Trilogy - Now in Paperback! This bestselling series by Nancy Leigh DeMoss has sold well over 80,000 copies! All three titles now include study questions at the end of each chapter, making them ideal for personal or small group study. Read an essay by Chang-rae Lee here. The bestselling, award-winning writer of *Native Speaker*, *Aloft*, and *My Year Abroad* returns with his biggest, most ambitious novel yet: a spellbinding story of how love and war echo through an entire lifetime. With his three critically acclaimed novels, Chang-rae Lee has established himself as one of the most talented writers of contemporary literary fiction. Now, with *The Surrendered*, Lee has created a book that amplifies everything we've seen in his previous works, and reads like nothing else. It is a brilliant, haunting, heartbreaking story about how love and war inalterably change the lives of those they touch. June Han was only a girl when the Korean War left her orphaned; Hector Brennan was a young GI who fled the petty tragedies of his small town to serve his country. When the war ended, their lives collided at a Korean orphanage where they vied for the attentions of Sylvie Tanner, the beautiful yet deeply damaged missionary wife whose elusive love seemed to transform everything. Thirty years later and on the other side of the world, June and Hector are reunited in a plot that will force them to come to terms with the mysterious secrets of their past, and the shocking acts of love and violence that bind them together. As Lee unfurls the stunning story of June, Hector, and Sylvie, he weaves a profound meditation on the nature of heroism and sacrifice, the power of love, and the possibilities for mercy, salvation, and surrendering oneself to another. Combining the complex themes of identity and belonging of *Native Speaker* and *A Gesture* with the broad range, energy, and pure storytelling gifts of *Aloft*,

Chang-rae Lee has delivered his most ambitious, exciting, and unforgettable work yet. It is a mesmerizing novel, elegantly suspenseful and deeply affecting. #1 New York Times bestseller

What would it be like to free yourself from limitations and soar beyond your boundaries? What can you do each day to discover inner peace and serenity? The Untethered Soul offers simple yet profound answers to these questions. Whether this is your first exploration of inner space, or you've devoted your life to the inward journey, this book will transform your relationship with yourself and the world around you. You'll discover what you can do to put an end to the habitual thoughts and emotions that limit your consciousness. By tapping into traditions of meditation and mindfulness, author and spiritual teacher Michael A. Singer shows how the development of consciousness can enable us all to dwell in the present moment and let go of painful thoughts and memories that keep us from achieving happiness and self-realization.

Copublished with the Institute of Noetic Sciences (IONS) The Untethered Soul begins by walking you through your relationship with your thoughts and emotions, helping you uncover the source and fluctuations of your inner energy. It then delves into what you can do to free yourself from the habitual thoughts, emotions, and energy patterns that limit your consciousness. Finally, with perfect clarity, this book opens the door to a life lived in the freedom of your innermost being. The Untethered Soul has already touched the lives of more than a million readers, and is available in a special hardcover gift edition with ribbon bookmark—the perfect gift for yourself, a loved one, or anyone who wants a keepsake edition of this remarkable book. Visit [www.untetheredsoul.com](http://www.untetheredsoul.com) for more information. Question your assumptions. Burst from your comfort

zone. Experience the one-of-a-kind spiritual shock therapy of Fr. Larry Richards for effective Christian living. A gifted and captivating speaker, preacher, and retreat master, Fr. Richards will challenge you to let go of attachments, assumptions, and excuses that hold you back and give yourself more fully to God. What is it in your life that you hold on to so tightly that you can't surrender it in order to receive everything God wants to give you? Take a plunge with the tough-love life coach we all wish we had. Surrender yourself. Take a free fall of faith and allow Jesus to catch you. "Jeanette Grey has become a must-read voice in romance. *Seven Nights to Surrender* is lyrical, stunningly sexy, and brings swoons for days." --- Christina Lauren, New York Times bestselling author

By day, he'll show her a side of Paris not found in any guidebook. By night, he'll introduce her to a passion beyond her wildest dreams. In this sensuous story of indulgence and desire, Jeanette Grey delivers one of the most romantic reads of the year and proves why she is fast becoming a must-read star. *SEVEN NIGHTS TO SURRENDER* Kate arrives in Paris hoping to find inspiration. Instead she finds Rylan. In a swirl of stolen kisses and hot, tangled sheets, Kate is quickly swept away by the sexy stranger, longing to surrender to his expert touch. With Rylan, nothing is forbidden-except the truth. An American ex-pat worth millions, Rylan never flaunts his fortune. Rather, he guards his identity from everyone, especially women. No strings, no commitments, no complications. But the second his lips taste Kate's soft, sweet skin, everything changes. For the first time, Rylan has found someone to share his every want and need. Yet he knows that secrets stand between them. To keep her, he'll need to confess the truth before it's too late . . . even if doing so could mean losing Kate forever. From Carrie Fisher, the international movie star actress and

the author of six bestselling books, most recently *The Princess Diarist*, comes her novel *Surrender the Pink*. In a humorous, bittersweet story, soap opera writer Dinah Kaufman attempts to force herself back into the life of her ex-husband, the playwright Rudy Giler. National bestselling author L.A. Banks' s electrifying new paranormal series is set in a sizzling world where Dark and Light are trapped in an eternal struggle for the fate of mankind. Celeste Jackson has fought all her life against a fog of hallucination and substance abuse, but it's not until she meets her protector, Azrael, an angel who has left the safety of the Light, that she learns of the evil forces that have been trying to ruin her, and why. A fierce battle for control of the mortal realm is brewing, and only Celeste—with the help of the Remnant, her half-human, half-angel brethren—can stand in the way. Together, Celeste and Azrael must gather an army of sensitives to defeat the dark powers that have ruled humanity for centuries, but time is running out. If Azrael surrenders to his growing desire for Celeste, he risks being trapped among humanity forever. But the longer he stays, the harder she is to resist. To save the world, Celeste must draw on her own dark experiences with addiction to help Azrael overcome the one temptation that could possibly make him an eternal prisoner—his obsession with her. What a fifty-three years it has been. I am the living proof that we have a relentless God whose grace has no end. My heart pours out to those who are growing up or have grown up in the church; those who were saved, like me, at an early age. My father has always said, "Never forget what you were saved from." For most of us that grew up in the church, that "from" is nothing more than church pews and swing sets. My story is for you and for those that love you. Though God was always a part of my life, He was never the Lord of my life. I was saved, but it

was without effect. Through the decades of utter darkness, I have found my way through. Forty-seven years between salvation and surrender. The reason for telling my story is to give hope to the hopeless. No matter where you are, no matter what you've done, no matter how long you've run or where you're running to now, you are not alone. We are not alone. The journey to whole is not an easy one, but it is the only way that life will ever make sense. There is a God that will carry you through if you're ready to let him. My journey is far from over, but if you'd like, we can do it together. Are you ready? Sender and catch: give so you can receive, where the giving is your whole self, in a total experience. This is scarcely new on the American scene, and it is ancient knowledge, East and West. The fears of total surrender, the fears of self-revelation and of total abandon, although genuine, are likewise not new. Yet Kurt H. Wolff does attempt something new here, an epistemological essay with the help of this old idea: his subtitle is 'experience and inquiry today'. He tries to formulate an integrated view which incorporates in the theory of total experience not only the accepted component-esthetics, religion, the recent American experience - but also a metaphysics, a phenomenology, a theory of perception, a social philosophy and a methodology of the social sciences, even a philosophy of history and psychopathology. Phenomenology (especially Alfred Schutz), the critical Frankfurt school (especially Adorno and Marcuse), sociology (especially Georg Simmel), and existentialism (especially Camus) are tied in together. It all looks topsy-turvy at first. We have here scraps of a diary, fragments of correspondence, a stray adolescent love letter, notes on notes on field work, and notes and comments on tutorial seminars plus long excerpts from students' essays, a stray paper in a learned journal

summarizing the core of the book, comments piled on comments and a web of self-references, literary criticisms, and pieces of poetry, plus a rich scholarly apparatus. Oh, come at once and say, "I give myself absolutely to God, to His will, to do only what God wants." Rose Walters is a city girl running away from a failed relationship. Joel DeLange is a cowboy who's spent the last five years running from his tragic past and the inheritance his father left him on his deathbed. So it only made sense that they would run headlong into each other... deep in the heart of Texas. Love and Surrender explains the important role that surrender plays in releasing us from bondage to our conditioning into the freedom and love of our true nature. Surrender is the "miracle" that occurs when we are finally able to let go and let things be as they are. When this happens, we are Home, and love naturally flows to ourselves, to others, and to life. This is our natural state and the direction and goal for every human life. But how do we surrender? In Love and Surrender, Jesus, as dictated to Gina Lake, unveils this great mystery so that you can more easily live your life from a place of love, acceptance, peace, and happiness. This book is one in a trilogy of books by Jesus, which includes Choice and Will and Beliefs, Emotions, and the Creation of Reality. The books in the trilogy can be read in any order. They are also available in a single volume called The Jesus Trilogy. From Love and Surrender: "Surrender is the means by which you come to know Love, or God... Love and surrender are important because they bring you your deepest heart's desire as a human being. You are meant to be happy, to love, to be at peace, and to be free. You are meant to move from fear, contraction, hopelessness, anger, victimization, and hate to trust, expansion, strength, courage, joy, peace, and love. This transformation comes about through

surrender. All of the spiritual practices ever invented are designed to accomplish this one thing. Surrender is the boat that takes you from one shore to another, from the limited human experience to the experience of the Divine incarnate. This was my message in times gone by, and it is my message today: You are not only human but divine, and you are meant to flourish and love one another. ” In the midst of plenty, she lives in want. Silicon Valley resident Marjorie Veil’s sense of reality frays when she begins hearing a voice when no one is there. Afraid that she’s losing her mind, she goes on a soul-searching journey to remote Carmel Valley. But she does not find the reprieve she desires. Instead, she encounters Morgan Van Dyke, whose romantic interest in her is a distraction she can ill afford. She then meets an identical twin sister she didn’t know she had, another blow to her already fragile sense of self. And finally, she befriends a mute and orphaned Native American child, who gives her his most valued possession, a mouse totem, thus introducing her to the power of selfless love. BETWEEN WILL AND SURRENDER is a paranormal adventure of personal growth and transformation that takes the reader on a visionary journey into the wilds of the Los Padres National Forest, home of the Esselen, one of the smallest Native American populations in California nearly exterminated as a result of Spanish Missions. Readers are introduced to the teachings of the Native American Medicine Wheel, which can be applied to their own personal journeys towards self-discovery. Like the fires that blaze through the Los Padres National Forest, the mysterious voice in Marjorie Veil’s head burns the frameworks that imprison her—her limiting beliefs, her old patterns of thought—transforming them into blackened snags, a perfect habitat for the seeds of awareness buried deep inside her to burst into life. THE COWBOY ’ S

**SURRENDER The Sweeter Version: Book Two The Diamondback Ranch Sweeter Series Contemporary Western Romance Novel**  
52,000 words/149pp **AUTHOR'S NOTE:** This is a SWEETER (NOT sweet and clean) version of The Cowboy 's Surrender. It's the same characters and story, but with love scenes that are less graphic and explicit. If you want a hotter sexier read, check out the original version in The Diamondback Ranch Series. **BLURB:** Copper River Oil Company is drilling for oil on the Diamondback Ranch. Dallas McCade can't do a thing to stop them, because he doesn't own the mineral rights. To add insult to injury, they've sent a woman to oversee the operation. Dallas has good reason to distrust women. As soon as he sets eyes on Gillian Bankston, he loses his temper . . . and his control. That makes him spitting mad and frustrated as hell. Gillian has never met a man quite like Dallas. He's as prickly as a cactus, but his kisses are hot enough to ignite a West Texas wildfire. Gillian's been burned before and wants nothing to do with love . . . or lust. Battle lines are drawn and it's war between the sexes. Will they surrender to the powerful attraction neither can deny? Who will be the first to wave the white flag? **EXCERPT:** "I know this is only a job to you," Dallas said softly, trying to control his temper. "But to me, it's much more. I would do anything in my power to get Copper River Oil off my land. Anything." Something flared in the brown eyes. Dallas saw the glimmer of outrage in the velvety depths. He wished he could see Gillian's eyes darken with passion. His body tensed when she leaned her fists on the opposite side of the desk and faced him almost nose to nose. The lady wasn't a coward. Didn't back down, he had to give her that. "I understand perfectly. And if you're trying to intimidate or threaten me--I'd think better of it, if I were you." Dallas suddenly became aware of just

how close Gillian was to him. Creamy white skin stretched across delicate cheekbones, dusted with the barest hint of pink. Dark, lush lashes framed her chocolate-colored eyes. Her lips were full and inviting, even if her words were not. For weeks, he had been tormented by this woman. Now he wanted to taste her. He needed to taste her. "I don't want to intimidate or threaten you," Dallas said, glancing from her eyes to her mouth. He almost came unglued when her breath caught and she quickly moistened her lips with the tip of her pink tongue. "And I've just thought of something much better." He moved forward and captured her mouth in a kiss. **KEYWORDS:** sweeter romance, inspirational, Texas romance, cowboy romance, rancher, alpha male, mystery, suspense

Letting Go describes a simple and effective means by which to let go of the obstacles to Enlightenment and become free of negativity. During the many decades of the author ' s clinical psychiatric practice, the primary aim was to seek the most effective ways to relieve human suffering in all of its many forms. The inner mechanism of surrender was found to be of great practical benefit and is described in this book. Dr Hawkins ' s previous books focused on advanced states of awareness and Enlightenment. Over the years, thousands of students had asked for a practical technique by which to remove the inner blocks to happiness, love, joy, success, health and, ultimately, Enlightenment. This book provides a mechanism for letting go of those blocks. The mechanism of surrender that Dr Hawkins describes can be done in the midst of everyday life. The book is equally useful for all dimensions of human life: physical health, creativity, financial success, emotional healing, vocational fulfillment, relationships, sexuality and spiritual growth. It is an invaluable resource for all professionals who work in the areas of

mental health, psychology, medicine, self-help, addiction recovery and spiritual development. *Surrender the Wind* is the story of Seth Braxton, a patriot of the American Revolution, who unexpectedly inherits his loyalist grandfather's estate in England. Seth is torn between the land he fought for and the prospect of reuniting with his sister Caroline, who was a motherless child taken to England at the onset of the war. With no intention of staying permanently, Seth arrives to find his sister grieving over the death of her young son. In the midst of such tragedy, Seth meets Juleah, the daughter of an eccentric landed gentleman. Her independent spirit and gentle soul steal Seth's heart. After a brief courtship, they marry and she takes her place as the lady of Ten Width Manor, enraging the man who once sought her hand and schemed to make Ten Width his own. From the Virginia wilderness to the dark halls of an isolated English estate, Seth and his beloved Juleah inherit more than an ancestral home. They uncover a sinister plot that leads to murder, abduction, and betrayal--an ominous threat to their new life, love, and faith.

From one of the boldest voices in the world of personal growth and motivation, a guide to moving past inner struggle to discover the power of relinquishing control. Too often we limit our lives by putting conditions on them. We think things should go a certain way, and when they don't, we hold on to what isn't working, reinforcing what is causing us pain and affirming our lack of trust in the universe. There is another way: We can harness the power of relinquishing control and discover more purpose and meaning in our lives. After the passing of Kute Blackson's mother in 2017, he discovered that the powerful lesson his mother had been modeling her whole life had always been at the heart of his own teachings--he just hadn't realized it. What was that keen insight? *Surrender* isn't

passive. It isn't giving up. It's strong and courageous. It's about tapping in. In this inspiring book, Blackson traces how surrender was a key factor in the lives of so many great people throughout history, and shows readers how they can move past self-imposed barriers in their lives to discover the freedom and possibility on the other side of surrender. You ' ll be gasping for air in this seafaring romance by popular author and Christy Award nominee MaryLu Tyndall. Baltimore ' s Cassandra Channing will do anything to provide for her family—even if it means hiring the town rogue as a privateer. Luke Heaton is a handsome rake with a tortured past who is blackmailed by the British into selling supplies to their ships just off the coast. Cassandra and Luke ' s worlds collide as they are drawn into danger, secrets, romance, and war. But when the British begin to bombard Fort McHenry, how long can they protect their love—and each other? “ Our God delights in helping us. He will enable us to perfect, not in the flesh, but in the Spirit, what was begun in the Spirit. ” Absolute Surrender develops an understanding of the need for "absolute surrender" to God. Murray provides concrete steps for bringing about such surrender in one's life. He also describes both the fruit of surrendering, e.g. true experience of the Holy Spirit in one's life, and the different "stages" one goes through on the "path to Christian liberty." Anyone not fully experiencing Christian liberty will be enriched by Absolute Surrender. The Read & Reflect with the Classics edition of Absolute Surrender includes the classic text in an easy to read adaption coupled with personal reflection questions, additional study questions, and prayer prompts for today's Christian reader. Previously published as The Ecstasy of Surrender. Are you longing for your life to be easier and more fun? Would you like to stop pushing, micromanaging, and forcing things so you can relax?

What if you could enjoy what you have instead of always lusting for “ more ” ? What if you could live in “ the zone, ” propelled by powerful currents toward the right people and opportunities? What if you could stop worrying about money and live with more emotional ease in the moment? If you answer “ yes ” to all these questions and desire lasting positive change, then prepare to experience the ecstasy of surrender. The art of letting go, Dr. Judith Orloff explains, is the secret key to manifesting power and success in all areas of life, including work, relationships, sexuality, radiant aging, and health and healing. In our superconnected world where emails and text messages constantly interrupt us, it ’ s easier to let go than you think. Once embraced, surrendering removes roadblocks and the exhaustion that comes from “ trying too hard ” —and it helps you achieve goals more effortlessly and brings ongoing happiness. With her stunning gift for storytelling coupled with her unique, results-oriented approach to physical, emotional, and spiritual health—marrying neuroscience, psychiatry, intuitive medicine, energy techniques, and more—Judith provides a powerful, practical, and accessible map for anyone who is longing to be happier but who feels stuck, burned-out, tense, worried, or afraid to let go.

This is a study of industrial unrest in the cotton industry at a time when the economy was on the threshold of mid-Victorian prosperity, and when Chartism was still much more than a memory. The town of Preston was the crucial battlefield, and here the masters and men fought out a bitter trial of strength. The strike of 1853-54 closed the Preston cotton industry for seven months, and disrupted production in many other towns in Lancashire. Against the implacable opposition of the masters, the strikers toured the country to organize support, and raised £ 100,000 in subscriptions from

their fellow operatives. The dispute featured prominently in the national and provincial press, and the weavers' delegates, notably George Cowell and Mortimer Grimshaw, became celebrities overnight. After five months, the employers brought in blackleg labour, and when the detested 'knobsticks' failed to break the strike they had the operatives' leaders arrested. These moves did not deter the cotton workers, who were forced back to work only when their financial reserves were exhausted. Their campaign ended defiantly, as it had begun, with cries of 'Ten Per Cent still, and no surrender'. This book is their story. Migration to the cities had been a part of European rural life long before the start of modern industrialisation and urbanisation. In the era of modern development, however, rural-urban migration intensified in an unprecedented way and many rural communities depopulated. While during the pre-industrial period migration had contributed to the economic and social reproduction of rural communities, it now challenged the continuity of the rural lifestyle. This book analyses the topic for the case of Spain, which in the twentieth century experienced one of the most intense processes of rural depopulation in modern Europe. The interaction between Spanish industrialisation and rural migration, the demographic implications of agrarian change, the obstacles to the development of rural non-farm activities, the rural problems of access to infrastructures and services, the role of public policy, and the consequences of depopulation for the rural community are the central elements of this study, which inserts the Spanish case within its European context. Distanced from both the anti-modern stance that idealises paradise lost and the Panglossian mood that welcomes anything that came with modernisation, the book explains how the adaptive strategies put into practice by rural populations led to a

“ peaceful surrender ” of traditional rural society. When the War of 1812 robs Cassandra of her father and brothers, she is determined to remain independent and find a way to support her mother and sisters. She hires a privateer, captained by the town rogue. But Luke has been blackmailed by the British into selling supplies to their ships. When she begins to suspect his activities, she sets out to catch him in the act. Cardinal Carlo Martini is well-known for his ability to open the Scriptures through *lectio divina* or prayerful reading. In *The Gospel Way of Mary*, Martini takes us on a journey through Scripture of key events in the life of Mary. With keen and profound insight, he helps us see these familiar passages as a journey of trust and surrender not only for Mary but for us as well. This journey requires us to make a fundamental choice for God and make peace with his often mysterious ways. Martini reflects on Mary's night of faith as well as her emotional life, relating these to our own experiences of hardship and suffering. He concludes by showing how true Marian devotion can enrich our lives. For anyone who wants to deepen their understanding of Mary and their relationship with her. Encourages reflection and prayer on the challenges we face on our own path to the Lord. "Krishani thinks he's doomed until he meets Kaliel, the one girl on the island of Avristar who isn't afraid of him. She's unlike the other girls, she swims with merfolk, talks to trees and blooms flowers with her touch. What he doesn't know is that she's a flame, one of nine individually hand crafted weapons, hidden in the body of a seemingly harmless girl. Nobody has fallen in love with a flame until now. She becomes Krishani's refuge from the dreams of death and the weather abilities he can't control. Striking down thousand-year-old trees with lightning isn't something he tries to do, it just happens. When the Ferryman dies, Krishani knows he's

the next and a lifetime of following death is his destiny. And Kaliel can't come with him. The Valtanyana are hunting the flames, the safest place for her is Avristar. Krishani can't bear to leave her, and one innocent mistake grants the Valtanyana access to their mystical island. They're coming for Kaliel, and they won't stop until every last living creature on Avristar is dead. She has to choose--hide, face them, or awaken the flame and potentially destroy herself."--P. [4] of cover. \*Part 1 of the Final Harris Brother Duet\* Coming July 19, 2018

One night of complete surrender is all it takes. Gareth Harris is Manchester United's reclusive star defender. He has control over all aspects of his life. But a lifetime of supporting his siblings and filling in for an emotionally absent father has taken its toll. Sloan Montgomery is a clothing stylist whose world was turned upside down when she found herself pregnant and moving to Manchester with a man who was never supposed to be her forever. Now recently divorced and struggling with shared custody of her daughter, control is a fleeting concept for this American living in England. Both Gareth and Sloan are in need of a release. A moment in time where they can forget about their pasts and family pressures...and just...surrender. No one could predict what happens when both of their defences are down. Surrender is part one of the Final Harris Brother Duet and concludes with Dominate. This duet reads great on it's own, but to maximize enjoyment, check out the first three brothers' books in Challenge, Endurance, and Keeper. Account of the tragic days between the explosion of the first A-bomb and the surrender of Japan. The author has drawn on captured documents, Allied interrogations, the Tokyo Trials, and interviews. He has gone back into Japanese history to learn the ways of thought and the inner rhythm of the culture that led Japan into World War II and defeat.
