Can Kendra trust Colton with the full truth before Robert tracks them down?"I have a great respect for Stacey Joy Netzel and the way she can write a romantic story with sizzle and spice that kept me absolutely addicted. To sum it all up, Outstanding book, not to be missed." ~ Val, You Gotta Read Reviews***EXCERPT:***Once on the porch, he opened the door and stepped inside ahead of her. Then he waited. For the sound of her footsteps. For the thump of her bags hitting the floor. For the click of the door to assure privacy."I wanted to—"When he turned, she halted mid-sentence. Her apologetic expression gave way to an alarmed squeak when he grasped her upper arms and pushed her up against the wall. The bulk of his body gave her no room to move."Who the hell are you?" he demanded. Stark fear dilated her pupils until her brown eyes were nearly black. Her breathing grew shallow, and she gulped twice before stuttering, "Y-you know w-who I am."He tightened his grip on her shoulders, then became aware of how delicate they seemed under his large hands and forced himself to ease up. "I don't believe it. You're*

up to something, and you've got about five seconds to tell me what it is." "H-honestly, I'm n-not." Colton scoffed. "So, it's merely coincidence that you robbed me this morning and then show up here claiming to be some long lost relative?" "It's nothing more than cruel coincidence—I swear to God." "Don't you dare do that. I don't buy one word of it." He leaned closer, ignoring her trembling beneath his hands. "Who are you? What do you want with Joel?" "He told you, I'm his sister. Please...all I want is a place to stay until my...until we get back on our feet. We have nowhere else to go." He caught her hesitation, saw a brief flash of panic, and wondered what she'd been about to say. He searched her expression for any kernel of truth to her words. In the space of a heartbeat, he became aware of the heat of her vibrating body. If he leaned down a few inches, their lips would meet. His pulse thrummed. The urge to do just that was so great it left him shaken as he stared into her eyes. She was an untrustworthy, lying, thieving, scheming con artist. And he'd never felt an immediate attraction like this in his life. COLORADO TRUST SERIE Trust makes all the difference when love and danger collide. "From the moment the book begins until its exciting conclusion, it's all blood-pounding chases, near misses with death, and heart-stopping romance." ~ Adria's Romance Reviews EXCERPT: "I'm serious, Nicholas, stop following me." "I prefer Nick." "Or we could go with creepy asshole stalker." He grinned. "Nicholas is fine." "Just leave me alone. It's not like I've got anything you want anymore." She had plenty he wanted. And plenty more he shouldn't. Hidden behind his own mirrored shades, he flicked his gaze down to her pink mouth, with its full bottom lip glistening in the morning sunshine. Succumbing to the urge to kiss those lips would give a whole new meaning to keep your enemies closer. For him anyway. He shifted his attention back up, wishing he could remove her glasses. Would that answering glimmer of awareness darken her eyes again? The possibility sent a shot of heat through his veins. Tempting though it was, tasting her was not a thought he should be entertaining. To distract his libido, he said, "I was hoping we could talk. Can I buy your coffee?" "You already did." A smirk curved the corners of her mouth as she started across the square once more. He automatically reached to feel his pocket. His wallet was still there, but obviously he should have checked the contents—and definitely don't bet the Bible where she's concerned. Nick caught up in three strides and kept pace with her. "Then the least you can do is let me sit with you while you drink it." "The least I can do? Really?" She didn't stop walking until they reached the café. Then she swiped her glasses off and jabbed them at him as her blue eyes flashed. "You broke into my apartment, stole letters that have sentimental

value, and then lost them to those two idiots last night. And you're talking about the least I can do?" "Whoa, easy now." He held up his hands to placate her. And ward off the jab. "Before you go getting all worked up, maybe you'd like to hear my proposition." "No thanks." "Trust me, yes you do." "Trust you," she retorted. "Wow, not only are you delusional, you're hilarious." Quit trying to talk her into listening and just say it. "I thought we could help each other." Her elegantly sculpted eyebrows arched upward as she tucked her glasses in her bag. "With what?" "Finding whatever it is you came here to look for." Her eyes widened the tiniest bit. Then her eyebrows lowered, drawing together as she appeared to consider his words. "The only thing I might consider looking for are the personal mementos you stole and lost." So much for consideration. "I might have a lead on those letters." He had shit, but she wouldn't know that. Ignoring him, she faced the barista and gave an order for a cappuccino. Then she looked at the pastry offerings and fumbled through a request for something similar to cornetto alla crema. Nick pointed out the bignè alla crema before requesting a caffè doppio for himself. He also advised in Italian they'd like to sit at one of the terrace tables so the cover charge could be added to their bill. He reached for his wallet, but Rachel beat him to it by handing twenty euros to the man operating the register. "Don't worry, you're covered." "I'd say thank you, but I'd be talking to myself, right?" His sarcasm was rewarded with a smug smile. While she accepted the change, Nick took their purchases to carry out to the table. After setting them down, he pulled out her chair and waited. She gave him a suspicious look before gathering her skirt with one hand

*and sitting with a graceful sweep of elegance. The movement was so smooth, the single, filmy ruffle along her modest neckline barely moved. Like the last time he'd stood behind her at a restaurant table, the faint honey scent of her shampoo wafted up to fill his senses. A hint of sweet and a whole lot of sultry, just like the woman. He drew in a discreet inhale, then straightened with a mental admonishment to keep his focus. When he dropped onto the chair opposite her, she lifted her cappuccino for a taste, then set her cup back on its saucer. She sat back in her chair with her gaze steady on his. "What makes you think I'd want, or even need, your help?" Ah ha. She was thinking about his offer. He considered what angle to play as he sipped his double espresso. Charming or blunt? Yesterday, he'd have piled on the charm. She'd appeared more...innocent. Maybe not quite the right word, but the stylish dress, the shoes, her hair, and even the modest make-up she wore, all suggested a level of somewhat high maintenance. Or sophistication. Class. However, her undetected pursuit of him last night completely contradicted everything on the outside. Coupled with her ambush this morning, he was seeing her in an entirely different light. Class, some sass, and not one to have the wool pulled over her eyes. He went with blunt. "Because I can help you find the cross." ~~~ ITALY INTRIGUE SERIES Kidnapped, book 1 *Winner* 2012 Write Touch Readers' Award, romantic suspense as Lost in Italy Betrayed, book 2 Conned, book 3 Romantic suspense, sexy alpha male hero, betrayal, international romance series, Italian vacation romance, beach reads, treasure hunt, con job, family betrayal, strong woman, priceless jewels, Venice Italy, on the run romance, blackmail, fans of*

KIDNAPPED May 23 2022 2012 Write Touch Readers' Award Winner, Romantic Suspense, as Lost in Italy When a hyper-organized Wisconsin TV producer maps out her Italian vacation, getting kidnapped by an impossibly gorgeous Hollywood movie star caught up in a murder scandal isn't on the itinerary. Then again, neither is falling in love. This time the action isn't scripted...and the danger is real. Small town television producer Halli Sanders planned the trip of a lifetime to Italy. Not on her itinerary? The disappearance of her siblings, dodging bullets during a high speed car chase, and being kidnapped by a sexy movie star. And that's just in the first three hours. A-lister Trent Tomlin put his career on hold to investigate his brother's suspicious death. When an American tourist unwittingly films the murder of the retired cop who's been helping him, Trent has no choice but to abscond with the woman and her dangerous recording. But the killers will do anything to get the incriminating evidence—including hold Halli's family as collateral. Thrust into the role of real-life hero, Trent finds himself falling for the Plain Jane whose beauty blossoms with every challenge they face. He needs the evidence to put the murderers behind bars. Halli needs it to rescue her siblings. Their attraction heats up, but unless they can find a way to work together, all the

planning in the world won't guarantee a happy ending. Dive into action & romance, Italian style with Stacey Joy Netzel - get your copy of KIDNAPPED today! "...starts off right away, and every page that follows is packed full of excitement that will keep you on the edge of your seat." ~ Danielle, The Book Whore Blog ~ 5 Hearts—Could not put down amazing EXCERPT: Plain was the first word that came to mind when Trent Tomlin got a good, close-up look at the girl dressed in baggy black pants and an oversized black T-shirt. Except for her eyes. Almost the exact color of his car, they blazed with anger—if the shrill tone of her voice were any indication. Because he couldn't afford to waste a second, he slipped into his carefree, celebrity character while pushing up his Ray Bans to flash his trade-mark, million dollar grin past the two day's worth of camouflaging scruff on his jaw. "Hi." Usually that's all he needed. One...two... Astonishment replaced anger. ...three. "Oh my God. You're Shain West." "Only in the movies, darlin'." That always got 'em, too, the good-ol'-boy, southern drawl. Didn't matter he'd been born and raised in northern Oregon, he had a natural talent for mimicking any accent. After just a few words, he easily placed her in mid-west United States. American tourist. Perfect. It also explained why she'd been video taping in the wrong place at the wrong damn time. The opposite of his brother, and if he could help it, the opposite outcome. Her cheeks flushed. "Of course. I know your real name. Sorry. It's just—I'm...ah...I'm..." Hell, he'd better speed this up. "Can I give you a lift?" "W-what?" She craned her head around, as if he might be speaking to someone else. Resisting the urge to check over his shoulder, he kept his gaze trained on her. "You look lost. Hop in and I'll give

you a ride.” Her throat convulsed, and though he wouldn’t have thought it possible, her blush deepened to crimson. A fleeting smile revealed even, white teeth. “Oh, no. I mean, um, thank you, but no.” She lifted a hand to tuck a strand of straight brown hair behind her ear as she searched back and forth along the road. Trent cast his own quick glance in the rearview mirror, pressure squeezing his body like a starving boa constrictor as he searched for the men who’d spotted her and her camera across the bay. By his amateur calculations, he figured he had about three more minutes. If they were lucky. Pushing up to sit on the headrest, he prepared to turn on the superstar charm that had brought him such success at the box office. “I’m waiting for my brother and sister,” she said before he could speak. So that’s who’d driven off as he watched the scene unfold from one street above and behind her. He lifted a tense shoulder in a careless gesture. “Quick spin around town, and I’ll bring you right back. They’ll never know you were gone, sugar.” Her eyebrows drew together above those deep blue eyes. Damn. He fought his own frown. Based on previous experience with star-struck women, she should’ve jumped in at the first invitation. Wasn’t it just his luck, this one had common sense. Leaving the car running, he swung his legs over the door and rounded the front of the convertible. His heart thumped with each step as he tried to figure out the best way to get her out of this mess. It was one thing when he was following a script, but how the hell did one orchestrate a rescue in real life when the rescuee wouldn’t cooperate and he had no time to explain the danger? It’s not like he could play her the recording tucked in his pocket. The girl backed away from his

approach. He fought back rising apprehension and forced an easy smile. "Look, I appreciate the offer, Shain, but—" "Trent." "Right." Her blush deepened. "I know. Trent. But I—" "I need you to get in the car." As an afterthought, he added, "Please." "Um..." He used her glance down the road as cover for his own. Still time, yet his control slipped. "Seriously. Get in." The sharp command widened her eyes. Suspicion darkened them to navy, and she took another step backward. Then her shoulders squared while her gaze narrowed with determination. "No." The right taillight on his Alfa Romeo exploded. Trent ducked reflexively as bits of plastic flew in all directions.

Adrenaline spiked through him, but other than a sharp reactive jerk, the girl just stood there holding her camera. Trent lunged forward, grabbed her arm and hauled her toward the car. "Hey—let me go!" She pulled back with surprising strength. He picked her up and shoved her head first into the passenger seat, then vaulted over her to slip behind the wheel. Heartbeat thundering in his ears, he gunned the gas with a sickening grinding of gears before the convertible shot out into traffic amidst screeching tires and blaring horns. ~~~ ITALY INTRIGUE

The Joy of Humility Apr 29 2020 The true meaning of humility persistently drives debate, largely because we cannot agree on the word's definition. The correctness of normative terms matters, and humility carries a distinctive normative weight. How we understand humility is not a matter of mere semantics. It is a pursuit of inquiry with the potential to inform--perhaps even to transform--our lives. The Joy of Humility takes up this task with a view toward the perennial question of what entails a truly flourishing life. Here, philosophers, theologians, ethicists, and psychologists work to frame the debate in such a way that the conversation can move forward. To model this goal, each chapter prompts a

response to which the chapter's author offers a reply. Part one considers the scope and implications of humility as a contested concept; part two works toward clarity on how to measure humility as a trait and its potential impact on individuals and society. With contributions from Miroslav Volf, Norman Wirzba, Stacey M. Floyd-Thomas, Jason Baehr, Lisa Sowle Cahill, Don E. Davis, Kent Dunnington, Jane Foulcher, Sarah Gazaway, Jennifer A. Herdt, Elizabeth J. Krumrei-Mancuso, Robert C. Roberts, and Everett L. Worthington Jr., The Joy of Humility offers an engaging discourse for everyone, laypeople and scholars alike, to consider these profoundly human questions. By opening up the space for dialogue to push past ideological and cultural assumptions, this volume challenges us to consider how humility, in calling us to esteem others as integral to our own well-being, opens us up to a life of joy. --Rebecca Konyndyk DeYoung, Professor of Philosophy, Calvin University

If Tombstones Could Talk May 30 2020 Had someone asked Melanie Sparks if she believed in ghosts, she'd have laughed before voicing an emphatic "No." Then she takes a walking tour of the cemetery in her new hometown of Lindeman's Crossing, Colorado and meets one of the

residents face to face. The story behind Andrew Lindeman's tragic death after the Pike's Peak Gold Rush in 1859 triggers dreams in which she relives his last moments. Drawn to the handsome ghost, attraction builds, and she resolves to clear his tarnished name. A passionate kiss sets his spirit free, but will Melanie lose her heart forever? ~~ Excerpt: She started with the trail next to the river behind her cottage. The walk along the South Platte River settled her nerves until she realized it'd looped through the park and led her back to the cemetery. Her feet rooted to the spot outside the gate as she stared intently at that one specific shaded grave site. Everything looked normal. No shadow figures. No shimmering air. No voices in her head. Most likely her subconscious had been playing with her yesterday. Her imagination had been in overdrive after all the wonderful history she'd learned. Still hesitant, Melanie entered the deserted grounds and followed the path John had led the senior group along the day before. Every so often she snuck a glance toward the black granite, until at the end, she once again stood in front of the stone. Deep breath. Let it out slow. Everything's fine. Squatting down, she reached to touch the old, worn stone sunk in the earth. Cold. As it should be. Her gaze rose to the other one looming in front of her. Nervous anticipation mixed with dread, raising goose bumps on her arms like yesterday. Much as she didn't want to touch its smooth surface, she had to make sure. Her hand trembled slightly as she extended her arm. Cool. Relief tingled through her entire body. With one finger, she traced the A in Andrew, then flattened her palm over the name. In a single instant, the granite warmed, almost to the point of burning her flesh.*

She yanked her hand back with a gasp, then nearly jumped out of her skin when a male figure materialized out of thin air right before her eyes. Dark, glittering eyes locked on her. A scream froze in her throat and she found she couldn't breathe. If she stayed still, would it go away? Her lungs burned. She needed oxygen or she'd faint. Rising slowly, she drew in a deep breath of air, then concentrated on repeating the process until her legs steadied. All the while, her mind registered details. The man of her dreams. Tall. Dark, wavy hair, worn long enough to hang over his forehead and brush the collar of his black shirt. Eyes that at first glance appeared black but now she saw were a sexy slate gray. His thick eyebrows shadowed them, making them seem darker. A hint of a five o'clock shadow lent a sinister air, yet she wasn't truly afraid of him. "You can see me." The husky accusation washed over her.
