This is the workbook to accompany the 'Longman Student Grammar of Spoken and Written English'. A workbook of 32 units for Year 4, containing passages for reading with comprehension, vocabulary activities, grammar, sentences, punctuation and word-games. This second edition has a larger format, minor text changes, removable answer section and a term plan. Many of the exercises are to be written in the student's own writing book. A simple yet effective homework resource, the workbook offers extensive grammar, vocabulary, and pronunciation exercises for students to practice and rehearse. This version includes the key. The Workbook contains further practice of language areas covered in the corresponding units of the Student's Book. The accompanying catch-up' CD-ROM provides extra support for students who miss lessons. Longman English Works is a general English course with a strong work or professional orientation. Core structures and functions are presented in a work-related context, with the emphasis on realistic situations. This short, intensive course (45-60 hours per level) is for busy adults who want to make rapid progress. It provides general English for people at work or preparing for work in banks, travel agencies, shops, hotels, airports, and service and manufacturing industries. The international background familiarizes students with different types of English accent. The course's floating syllabus allows thorough treatment of all language areas and practice in different contexts. English grammar for English as a Second Lanuage students - explanations and exercises for three levels: beginner, intermediate and advanced. The new edition of Scott Foresman English is a balanced, four-skills program for secondary and young adult students that combines a strong treatment of reading and writing with an explicit presentation of learning strategies for academic success. A flexible program with multiple entry levels, Scott Foresman English can be used as a comprehensive eight-level course or as separate mini-courses. With its strong presentation of learning strategies, serious treatment of reading and writing, and emphasis on critical thinking skills, On Target is a challenging and motivating course. This is one of a series of six books which teach children the alphabet and simple words, colours, numbers, time, shapes and opposites. Full of colouring, copying and matching activities, they offer motivation through fun for the young learner. Total English is a new course for young adults and adults. It provides solutions to the challenges teachers and students face every day with a complete package of effective, easy-to-use resources. The completely redesigned Grammar of Spoken and Written English is a comprehensive corpus-based reference grammar. GSWE describes the structural characteristics of grammatical constructions in English, as do other reference grammars. But GSWE is unique in that it gives equal attention to describing the patterns of language use for each grammatical feature, based on empirical analyses of grammatical patterns in a 40-million-word corpus of spoken and written registers. Grammar-in-use is characterized by three inter-related kinds of information: frequency of grammatical features in spoken and written registers, frequencies of the most common lexico-grammatical patterns, and analysis of the discourse factors influencing choices among related grammatical features. GSWE includes over 350 tables and figures highlighting the results of corpus-based investigations. Throughout the book, authentic examples illustrate all research findings. The empirical descriptions document the lexico-grammatical features that are especially common in face-to-face-conversation compared to those that are especially common in academic writing. Analyses of fiction and newspaper articles are included as further benchmarks of language use. GSWE contains over 6,000 authentic examples from these four registers, illustrating the range of lexico-grammatical features in real-world speech and writing. In addition, comparisons between British and American English reveal specific regional differences. Now completely redesigned and available in an electronic edition, the Grammar of Spoken and Written English remains a unique and indispensable reference work for researchers, language teachers, and students alike. A graded practice book which concentrates on selected areas of difficulty. The lessons are designed to provide exercises and drills for intensive oral and written work. This grammar reference is written for the advanced student. It combines explanations of English grammar with information on how, when and why we use different structures. It shows the differences between spoken and written grammar and includes frequency information on the most common forms. Features:" Has A One-To-One Relation With The Coursebooks " Each Worksheet Reinforces And Extends Items In The Corresponding Chapter Of The Coursebooks, But Using New Situations This lower-sceondary course is based on the theory that motivation is the key to student understanding. Following the adventures of four friends travelling together on the Sea Watch ship, the course contains relevant topics and characters that young learners will enjoy. The Workbook contains further practice of language areas covered in the corresponding units of the Student's Book. The accompanying 'catch-up' CD-ROM provides extra support for students who miss lessons. 'Total English' responds directly to the needs of today's English teachers, providing solutions for the English classroom. The course offers teachers choice and flexibility, a complete range of resources and engaging material. The Exploring English Workbook provides additional writing practice using the same grammatical terms as introduced in the Student Book. This fully illustrates six-level series will set your students on the road to English language fluency. Exploring English teaches all four language skills right from the start and gives students a wealth of opportunities to

practice what they have learned. 'Technical English' provides English language instruction for students who are involved in vocational and technical education. The course contains the core language and skills which are common to a range of industrial specialisations. It presents key technical concepts concisely with labelled illustrations. The Workbook consists solely of self-study exercises, with answers included, providing students the opportunity to explore and practice grammar independently. It is keyed to explanatory grammar charts in both the Student Book and the Chartbook. Understanding and Using English Grammar is a classic developmental skills text for intermediate to advanced English language learners. This book provides grammar exercises for students working with a teacher. The book can be used in any order depending on the personal needs of the students and the exercises are not arranged in order of increasing difficulty, but are marked with asterisks to indicate their relative degree of difficulty. The Exploring English Workbook provides additional writing practice using the same grammatical terms as introduced in the Student Book. This fully illustrates six-level series will set your students on the road to English language fluency. Exploring English teaches all four language skills right from the start and gives students a wealth of opportunities to practice what they have learned. The Longman Children's Picture Dictionary uses fun, child-centered scenes to illustrate 800 words, organized into 50 thematic units, complete with songs and chants. Themes from Animal Orchestra to Pirate Ship provide a clear context for learning new words. Simplified and reorganized, while avoiding much of the technical detail of Longman grammar of spoken and written English (LGSWE).
