In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. The revolution of 1848 has been described as the revolution of the intellectuals. In France, the revolution galvanised the energies of major romantic writers and intellectuals. This book follows nine writers through the revolution of 1848 and its aftermath: Alphonse de Lamartine, George

Sand, Marie d'Agoult, Victor Hugo, Alexis de Tocqueville, Pierre-Joseph Proudhon, Alexander Herzen, Karl Marx, and Gustave Flaubert. Conveying a sense of the experience of 1848 as these writers lived it, this fresh and engaging study captures the sense of possibility at a time when it was not yet clear that the Second French Republic had no future. By looking closely at key texts in which each writer attempted to understand, judge, criticise, or intervene in the revolution, Jonathan Beecher shows how each endeavoured to answer the question posed explicitly by Tocqueville: Why, within the space of two generations, did democratic revolutions twice culminate in the dictatorship of a Napoleon? This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur,

that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. The daughter of a woman who is presumed to be a witch catches the eye of a young man who woos her in spite of the stigma attached to her family name. Pour des raisons financières, le père Barbeau, profitant d'une offre de son voisin de prendre l'un de ses jumeaux à son service, décide qu'il est temps de les séparer. La nouvelle chagrine les jumeaux, alors âgés de quatorze ans. Ils tirent à pile ou face et c'est Landry qui est placé chez le père Caillaud à la Priche. Landry part secrètement le matin. Le soir, son frère, Sylvinet, va le voir, triste de ne pas avoir été prévenu. Il éprouve encore plus de tristesse lorsque son frère ne le serre pas dans ses bras lors de leurs retrouvailles, alors qu'il en avait envie mais ne voulait pas paraître ridicule et sentimental devant ses nouveaux hôtes. The romantic and rebellious novelist George Sand, born in 1804 as Amantine Lucile Aurore Dupin, remains one of France's most infamous and beloved literary figures. Thanks to a peerless translation by Gretchen van Slyke, Martine Reid's acclaimed biography of Sand is now available in English. Drawing on recent French and English biographies of Sand as well as her novels, plays, autobiographical texts, and correspondence, Reid creates the most complete portrait possible of a writer

who was both celebrated and vilified. Reid contextualizes Sand within the literature of the nineteenth century, unfolds the meaning and importance of her chosen pen name, and pays careful attention to Sand's political, artistic, and scientific expressions and interests. The result is a candid, even-handed, and illuminating representation of a remarkable woman in remarkable times. With its clear, flowing language and impeccable scholarship, this Ernest Montusès Award-winning biography of the author of *La Petite Fadette* and *A Winter in Majorca* will be of great interest to those specializing in Sand and nineteenth-century literature—and to readers everywhere. This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. brothers, 1891 Literary Criticism; European; French; Fiction / Classics; Fiction / Literary; Literary Criticism / European / French Little Fadette, a novel by George Sand, was originally published in 1849. It forms part of her series of four pastoral novels that focus on the peasant world of the author's home region of Berry. The series also includes The Devil's Pool, François the Champi, and The Fine Gentlemen of Bois-Doré. Little Fadette is a coming of age tale that tells the story of Fadette, destitute granddaughter of the village witch, and her wealthy neighbours, the twins Landry and Sylvinet. A reanalysis of Sand's major writing, ranging from her early short stories to her later fiction, which identifies her writing as an example of an aesthetic mode often associated with femininity. The study compares Sand's place in the history of the realist novel to that of her male counterparts. A biography of the celebrated nineteenth-century author George Sand. Examines her public image, her relationships with her husband, lovers, and children, and her lifelong political commitment. In this novel, Sand returns to the setting of her native Berry in rural France and tells the story of love transcending the hurdles of class and convention. À la Cosse naissent des jumeaux, Landry et Sylvinet, fils du père Barbeau, paysan aisé. Négligeant les conseils de la sagefemme, soucieuse d'éviter des liens trop forts entre les deux enfants, les parents les laissent devenir inséparables au fil des ans. Cependant, le père Barbeau se voit obligé d'employer l'un d'eux dans une ferme voisine:

Landry, plus fort, part chez le père Caillaud. Il s'habitue à sa nouvelle vie, tandis que Sylvinet, malheureux, devient jaloux des amis de son frère, au point qu'un jour sa mère le croit parti se noyer. Landry, lancé à sa recherche, s'adresse à la mère Fadet, miguérisseuse misorcière. Renvoyé brutalement, il accepte le marché de sa petitefille, Fadette: elle lui indiquera où trouver Sylvinet à condition qu'il lui accorde ce qu'elle lui demandera. Landry ramène donc son frère, qui se montre plus raisonnable. Un soir Landry luimême échappe à la noyade grâce à Fadette, qui lui reproche son ingratitude: il devra lui faire danser sept bourrées le lendemain. À contrecœur il s'exécute, malgré le dépit de Madelon, la nièce du père Caillaud... Set in the French countryside of George Sand's childhood and narrated in the unique voice of a Berrichon peasant, La Petite Fadette is a beloved 1848 novel about identical twin brothers and Fadette, the mysterious waif with whom they both fall in love. The brothers, Landry and Sylvinet, belong to a highly respected farm family. When young Landry meets Fadette, whose very name suggests that she is a witch, he is captivated by the girl despite her lowly status and disreputable family. Sylvinet soon follows suit. Fadette's relationship with the twins defies the patriarchal norms of French society as well as the expectations of the village, resulting in a tale of love, courage, and clever strategy winning out over superstition and prejudice. Often regarded as a simple

country tale, Sand's novel is layered with meaning, including subtle nods to the burgeoning desire for political and sexual equality in nineteenth-century France. This thoughtful critical translation by Gretchen van Slyke brings the complexity of the original story to life. Her introduction explores the autobiographical and political dimensions of the novel, and her translation preserves the rustic charm and archaic flavor of Sand's language. An invaluable contribution to French literary studies and nineteenth-century literature studies, this new edition ensures that *La Petite Fadette* will be read by generations to come. Hailed as one of the foremost painters of the nineteenth century, Rosa Bonheur (1822-1899) lived to see her name become a household word. In a century that did its best to keep women "in their place," she earned her own money, managed her own property, wore trousers, hunted, smoked, and lived in retreat with women companions in a chateau near Fontainebleau. *Rosa Bonheur: The Artist's (Auto)biography* brings this extraordinary woman to life, blending Bonheur's first-person account with the memoirs of Anna Klumpke, a young American artist who was Bonheur's last companion and chosen portraitist. Klumpke recounts their first meeting, her growing affection for the much older Bonheur, and her decision to live with the artist. Bonheur's account of her own life story, set within Klumpke's narrative, sheds light on such currently compelling subjects as gender formation, governmental intervention in the

arts, the social and legal regulation of dress codes, and the transgressive nature of same-sex relationships in a repressive society. “What a pleasure to have this essential document of art history available in an up-to-date translation. Anna Klumpke’s biography of Rosa Bonheur is, of course, not only an important art-historical document, but a major contribution to the social history of nineteenth-century France and a moving testimony to human attachment as well.” —Linda Nochlin “The remarkable life of Rosa Bonheur, one of the most highly decorated artists and certainly the best known female artist of her time in nineteenth-century France, is long overdue for further scrutiny.” — Therese Dolan, Temple University “... tells the fascinating, unconventional story of the famous 19th-century French artist. Written by Bonheur’s lover, American artist Anna Klumpke, with input from Bonheur herself, the biography effectively shows Bonheur’s devotion to the great loves of her life: her mother, her art, and her female companions.” — Washington Blade “A cigar-smoking, cross-dressing eccentric à la George Sand, Rosa Bonheur was one of the 19th century’s most popular artists... Drawing on her own meticulous journal entries as well as Bonheur’s letters, sketches, and diaries, Klumpke traces Bonheur’s trailblazing life and recounts how she met Bonheur, fell in love and became her official portraitist, companion and sole heir.” — Publishers Weekly “It is a treat to have Rosa Bonheur: The Artist’s (Auto)biography... available in

English. Bonheur (1822-1899), a lesbian born in France, channeled her formidable talent into painting animals, lived a highly unconventional life, and received special permission to wear pants in public... This combination autobiography and biography, originally published in 1908, includes a vibrant introduction by the translator.” —Feminist Bookstore News “Each part of the story — translator’s, Klumpke’s, and Bonheur’s — is so engagingly written that reading it is like an adventure with an emphasis on the development and support of female creativity... Anna Klumpke poured her love into magnificent portraits of Bonheur and later into writing and managing Bonheur’s estate. Translator Gretchen van Slyke has rendered the original French into graceful, compelling prose. After finishing this book, my strongest emotion was gratitude for having been allowed to see so intimately into the lives of these productive, caring women.” — Lambda Book Report This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. you for being an important part of keeping this knowledge alive and relevant. Berry, début du XIXe siècle. Landry et Sylvinet sont jumeaux. Ils s'adorent et à quinze ans n'ont jamais été séparés. Pourtant Landry doit aller travailler à la ferme voisine. Et il tombe amoureux de Fadette que tout le village considère comme un peu sorcière. Landry et Fadette parviendront-ils à vivre leur amour au grand jour malgré les préjugés des paysans et la jalousie de Sylvinet ?
