This May Sound Crazy Apr 26 2020 Academy Award-nominated actress and musician Abigail Breslin is your best friend in her publishing debut, a collection of hilarious and heartfelt nonfiction essays on the subjects nearest and dearest to our hearts: love, loss, and Tumblr. Growing up in film and the online era, Abigail knows better than anyone—it's rough out there in love-land. And this generation is ill-prepared to handle it gracefully. Let's be honest: if Cinderella had been on Twitter, she'd have ended up a crazy old cat lady like the rest of us. #realtalk So when your "boyfriend" is liking different eligible young things' selfies, what's a modern ingénue to do? Put down the iPhone, step away from the hair dye, and ~chill~. Abbie is here with cautionary tales and solid advice on being a classy-ass lady in the digital age. Because, girls, we're more than what meets the newsfeed. And this may sound crazy... But we've got this. Plus, this book is gorgeous inside and out. With a beautiful cover and heavily designed interior, this collection will be the crowning jewel on any teen's nightstand.

[And We Rise](#) Oct 01 2020 A powerful, impactful, eye-opening journey that explores through the Civil Rights Movement in 1950s-1960s America in spare and evocative verse, with historical photos interspersed throughout. In stunning verse and vivid use of white space, Erica Martin's debut poetry collection walks readers through the Civil Rights Movement—from the well-documented events that shaped the nation's treatment of Black people, beginning with the "Separate but Equal" ruling—and introduces lesser-known figures and moments that were just as crucial to the Movement and our nation's centuries-long fight for justice and equality. A poignant, powerful, all-too-timely collection that is both a vital history lesson and much-needed conversation starter in our modern world. Complete with historical photographs, author's note, chronology of events, research, and sources.

I Don't Belong to You Aug 30 2020 A sometimes serious, often hilarious, and always inspiring guide that encourages young women to live a life full of ownership, confidence, and freedom from singer and popular Scream Queens and Grease Live! actress Keke Palmer, delightfully illustrated in four color with Keke's favorite inspirational quotes, journal entries, and memes. As a successful music artist, actress, and talk

show host, from inner city Chicago, Keke has always used her social media following and platform for real talk about the issues that matter most to her generation, but now she is speaking out candidly and for the first time about the secrets, struggles, and practices that have guided her to succeed. On the surface, it may appear that Keke has it made, but under the success, she has grappled with the same issues all young women wrestle with—identity, pressure, self-worth, love, sexuality, heartbreak, and family. With this in mind, she created *I Don't Belong To You*—an inspirational guide that encourages young people to change their mindset and live with more freedom, confidence, and love as they navigate the rough terrain of the twenty-first century. Full of revealing stories from Keke's personal and professional life, this book tackles twelve topics—sexuality, race, anxiety, success, bullying, and body image to name a few—with refreshing honesty. Within each chapter are quotes, texts, song lyrics, and funny memes that have inspired her; and practices that can help you stay on a path of always growing, never grown. With a voice of empathy, tough love, and determination, Keke speaks about the challenges and triumphs she has experienced on her journey to finding her own voice and creating a beautiful life. *I Don't Belong To You* is the motivation you need to move past pain and fear to lead a life full of creativity, spirituality, passion, and unlimited success.

[Scream Queen](#) Sep 23 2022 Six contestants. One haunted house. And a whole lot of bloody murder. B-grade horror masters the Gowan brothers have devised a new reality TV show with a killer hook. Six contestants compete for the chance to star in an upcoming slasher movie. All they have to do is survive one night in a “haunted” house and be voted Scream Queen. The setting is perfect: a crumbling Victorian mansion with a gruesome history and a former owner who turned out to be a serial killer. Throw in a few buckets of fake blood, a bunch of rubber body parts, and a cast of aspiring actors who'll do anything for a close-up. An expert parapsychologist even warns the production team against disturbing the house's dormant spirits. Fantastic publicity. Sure, the budget's low, but the ratings are going to soar. Then the sun goes down. The cameras start rolling. And all hell really breaks loose... Edo Van Belkom, winner of the Bram Stoker and Aurora Awards, is at his brilliantly twisted best in a novel that's dark, witty, and utterly terrifying.

REVIEWS “Great creepy fun! A post-modern edge-of-your-seat thriller, with enough smarts to know when to scare you and when to make you laugh. Having survived a decade in television, I thought I'd seen it all, but this book is actually SCARIER than meeting a Hollywood Network Executive!!” –Ron Oliver writer/director PROM NIGHT 3 & more “An ominous rollercoaster ride of a ghost story that is at once surprisingly simple and deceptively complex, a novel which exemplifies both the author's penchant for comic horror and intense terror - not to mention a genuine love of horror movies ... SCREAM QUEEN rocks.” –Rue Morgue “A beach book for the horror crowd. Fun and fast-paced, the book is a terrific read.” –Creative Corner

Fangirls May 27 2020 "To be a fan is to scream alone together." This is the discovery Hannah Ewens makes in *Fangirls*: how music fandom is at once a journey of self-definition and a conduit for connection and camaraderie; how it is both complicated and empowering; and how now, more than ever, fandoms composed of girls and young queer people create cultures that shape and change an entire industry. This book is about what it means to be a fangirl. Speaking to hundreds of fans from the UK, US, Europe, and Japan, Ewens tells the story of music fandom using its own voices, recounting previously untold or glossed-over scenes from modern pop and rock music history. In doing so, she uncovers the importance of fan devotion: how Ariana Grande represents both tragedy and resilience to her followers, or what it means to meet an artist like Lady Gaga in person. From One Directioners, to members of the Beyhive, to the author's own fandom experiences, this book reclaims the "fangirl" label for its young members, celebrating their purpose, their power, and, most of all, their passion for the music they love.

Night of the Scream Queen Nov 13 2021 Scream Queen Desiree Starr is tired of starring in one low budget horror movie after another, each passing film, her wardrobe becomes skimpier and skimpier. Private Martin Riley, a simple soldier from Iowa is recruited for "Operation Reptilian," a dangerous experiment where he is suppose to become a "Soldier of the Future"--but he becomes something else entirely different. Dr. Morrie Madden, a military "mad scientist" who has played God one too many times. Aging British actor Blake Smith, once a leading man in horror films, but that was before his face started to deteriorate and now has to wear masks in public. All their lives become intersected and a hell breaks loose in the Devil Bayou swamplands. "With "Night of the Scream Queen," Linnea Quigley and Michael McCarty have penned my favorite guilty pleasure novel of the year. This is over-the-top good fun, the way they used to make it down at the drive in. I loved it, and I bet you will too. Highly recommended " --Joe McKinney, Bram Stoker Award-winning author of "Flesh Eaters" and "Dead City"

Confessions of a Scream Queen Nov 25 2022 In *Confessions of a Scream Queen*, writer Matt Beckoff interviews fifteen legendary 'Ladies of Horror.' Spanning over nine decades of cinema, *Confessions* is filled with entertaining and informative recollections and personal insights about Hollywood's best-loved horror films. Included are some rare and never before seen pictures. "There are a number of interview books currently available. The latest offering, from radio talk show host/Monster Kid Beckoff, is one of the best. "Beckoff goes back to our roots: he opens his chat fest with Carla Laemmle (Lugosi's Dracula) and Lupita Tovar (Spanish Dracula). Both women are an inspiration: each has reached the 100 year mark. They continue to live in their own homes and lead active lives. They have sharp memories, and speak eloquently about a long gone Hollywood whose like we'll never see again. "Elena Verdugo (House of Frankenstein) and Janet Ann Gallow (Ghost of Frankenstein) share sweet memories of Lon Chaney Jr. As with Carla and Lupita, it's a fond look back at the Tinsel Town of our dreams. "Beckoff also talks to scream queens of the 50s and 60s and 70s. Colleen Gray, who enjoyed a long career in various big studio films, recalls working with legends as Tyrone Power and John Wayne, until *The Wasp Woman* made her a cinema immortal in her own right. Hammer's Ingrid Pitt is not afraid to speak up as she laughs about her reputation for appearing nude. Marilyn Burns of *The Texas Chainsaw Massacre* offers insight into the games struggling young actors must play in order to obtain roles. "In all, Beckoff chats with 15 elegant, eloquent women. That the author

is also a fan and a knowledgeable film historian adds a great deal of depth to these wonderful, intimate conversations. Many of these ladies have spoken up elsewhere, but *Confessions of a Scream Queen* offers a look inside their souls that other authors couldn't capture." -- Scary Monsters Magazine

Scream Queen Oct 25 2022 At 23, Vera Horowitz's life is going nowhere until she stumbles into the path of a speeding tractor-trailer and screams for her life. Her otherworldly scream does not escape the attention of Jake, a handsome Hollywood horror movie director. Thus, begins Vera's new life of playing the victim at Falchion Films. But Vera is no victim, as Jake sees when she stands up to Barry, the misogynistic producer. Pretty and petite, Vera draws a depraved fan base and the jealousy of two aging "scream queens." Jake falls for Vera, but her innocence makes him question why he makes movies that debase women. Their love grows until Vera learns disturbing facts about his past and breaks up with him. Heartbroken, Jake vows to get her back. Barry and his cohorts, who envision themselves "apex predators," become darker with each film. When Barry learns Vera is a virgin, his ultimate fantasy, to capture an actual virgin sacrifice on screen and sell the film on the dark web, is within reach. Will Jake win back Vera's love and save her, or will Vera become Barry's fantasy come true? Buckle up. Scream Queen is a thriller which rides the razor's edge between horror and humor.
