Combines motivating stories with research-based instruction that helps students improve

their reading and social studies skills as they discover the past. Every lesson of the textbook is keyed to California content standards and analysis skills. Printed in color. U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender. Middle school level curriculum materials with textbooks (student's and teacher's editions), CD-ROMs (containing the complete text as well as interactive maps and infographics), and collections of other resources for teachers (including transparencies, workbooks, study guides, and assessment guides). Promotes critical thinking with first-hand accounts and documents, emphasizes the big picture focusing on key concepts, themes and patterns of interaction allowing students to connect events and ideas of the past and see global connections, and supports all learners. Teachers' edition uses traditional and alternative teaching strategies, annotations, activities and technology tips. Combines motivating stories with research-based instruction that helps students improve their reading and social studies skills as they discover the past. Every lesson of the textbook is keyed to California content standards and analysis skills. The "Bath Era" of Mount Clemens is but a memory; however, that rich history still lives through the images on vintage postcards. The fabulous Park, Medea, Arethusa, Colonial, Clementine, Olympia, Eureka, and St. Joseph are among the bath houses featured here with the hotels that catered to the needs of their bathers. Travel back to the days when sipping water at

the Springs, enjoying the thrills of Leap the Dips, and cruising the local waterways were normal pastimes. McDougal chronicles the life and times of Lew Wasserman, the powerful and secretive head of MCA who determined the fates of fabled stars and multinational corporations--and who forged a web of influence that stretched from Hollywood to the White House, and into the heart of organized crime.
