Gain life-changing benefits as you break free from mental and physical limitations Contact departed loved ones using OBEs to move beyond the current limited understanding of death. Filled with engrossing stories based on the testimonies of people from

all over the world, and offering forty new, easy-to-understand techniques, *The Secret of the Soul* will prepare human beings everywhere for the next major leap in the evolution of consciousness.

Spirit, Soul, and Body Aug 08 2021 Have you ever asked yourself what changed when you were "born again?" You look in the mirror and see the same reflection - your body hasn't changed. You find yourself acting the same and yielding to those same old temptations - that didn't seem to change either. So you wonder, Has anything really changed? The correct answer to that question is foundational for receiving from God. If you lack this basic understanding, you'll forever ask yourself doubt-filled questions like: "How could God love somebody like me?" and "How can I possibly expect to receive anything from the Lord? I don't deserve it, I'm not good enough!" *Spirit, Soul, and Body* will help you eliminate those and other doubt-filled questions that destroy your faith. If you have trouble receiving from God, this is a must-read!

*Mirrors of Time* Jan 25 2023 "Includes a past-life regression audio download!"--Cover.

*Many Lives, Many Masters* Sep 09 2021 As a traditional psychotherapist, Dr. Brian Weiss was astonished and skeptical when one of his patients began recalling past-life traumas that seemed to hold the key to her recurring nightmares and anxiety attacks. His skepticism was eroded, however, when she began to channel messages from the "space between lives," which contained remarkable revelations about Dr. Weiss' family and his dead son. Using

past-life therapy, he was able to cure the patient and embark on a new, more meaningful phase of his own career.

Healthy and Free Mar 15 2022 Begin Your Journey to Spirit-Soul-Body Health Today... Beni Johnson received a life-changing revelation about how anyone can start walking in holistic health including you! Jesus died for your spirit, soul, and body. This means you can experience His resurrection life in all three areas! Christians should be the healthiest people on Earth because they understand God has made their bodies His temple. Unfortunately, many people focus on one area of health while neglecting another. This can lead to spiritual disconnection, bad eating habits, depression, poor rest, and lack of exercise. Unlock the connection: Discover the many ways your spirit, soul and body are interconnected and how health in one areas directly effects another. Start simple: Receive practical and easy-to-implement steps to begin walking in health right now. The Great Physician desires you to walk in Heavens health. Get aligned with Gods divine design today and experience freedombody, soul and spirit!

Connecting Soul, Spirit, Mind, and Body Apr 04 2021 This edited volume presents spiritual and religious perspectives and practices that can be integrated into counseling, written by experts in the field. Included are topics such as transpersonal experiences, prayer, meditation, and non-

traditional spiritual approaches.

Soul of the Sword Jan 01 2021 In this YA fantasy adventure by a New York Times–bestselling author, a shapeshifter must stop a demon from using a dragon to destroy the world. One thousand years ago, a wish was made, and a sword of rage and lightning was forged. Kamigoroshi. The Godslayer. A weapon powerful enough to seal away the formidable demon Hakaimono. Now he has broken free . . . Kitsune shapeshifter Yumeko has one task: take her piece of the ancient and powerful Scroll of a Thousand Prayers to the Steel Feather temple in order to prevent the summoning of the great Kami Dragon, who will grant one wish to whomever holds the scroll. But she has a new enemy now, more dangerous than any she has yet faced. The demon Hakaimono is free at last, and he has possessed the very person Yumeko trusted to protect her—Kage Tatsumi of the Shadow Clan. Hakaimono has one goal: break the curse of the sword and set himself free to rain chaos and destruction over the land forevermore. To do so, he will need the scroll. And Yumeko is the only one standing in his way. Books in the Shadow of the Fox trilogy: Shadow of the Fox Soul of the Sword Night of the Dragon Praise for Shadow of the Fox “One of my all-time favorite fantasy novels! I’m in love with this book, its characters, its worldbuilding!” —Ellen Oh, author of the Prophecy and Spirit Hunters series “Kagawa uses elements of Japanese mythology and folklore to spin an epic yarn . . . readers will be drawn into the world of Kagawa’s first Japan-based fantasy; with its engaging action scenes and the cliffhanger

ending, they will look forward to the next volume. Action-packed adventure.” —Kirkus Reviews “Kagawa’s series starter never disappoints; she’s a vet at putting realistic characters within believable worlds, here doused in Japanese folklore.” —Booklist

Body and Soul Food Oct 10 2021 In this page-turning new mystery series, fraternal twins Keaton and Koby will pull double duty when they take down a killer while preparing to open their new bookstore and soul-food café, Books & Biscuits. When Koby Hill and Keaton Rutledge were orphaned at age two, they were separated, but their unbreakable connection lingered. Years later, they reunite and decide to make up for lost time and capitalize on their shared interests by opening up a well-stocked bookstore and cozy soul-food café in the quaint Pacific Northwest town of Timber Lake. But this new chapter of their lives could end on a cliffhanger after Koby's foster brother is found murdered. The murder, which occurred in public between light-rail stops, seems impossible for the police to solve. But as Keaton and Koby know, two heads are always better than one, especially when it comes to mysteries. With just a week to go before the grand opening of their new café, the twins will use their revitalized connection with each other to make sure this is the killer's final page.

Journey of Souls Jan 13 2022 When reincarnating, do we have a short spell in a disembodied phase? Hypnosis reveals what goes on.

The Reincarnation of Edgar Cayce? Jan 21 2020 Discover the legacy of the most famous psychic of the 20th-century

in this stirring exploration of psychic abilities, reincarnation, and other paranormal phenomena. There are remarkable parallels between the work of David Wilcock and Edgar Cayce—the legendary clairvoyant, ‘sleeping prophet’, and ‘father of holistic medicine’. Here, author Wynn Free explores these parallels, building a convincing case that the two men shared the same source of prophetic information—and that Wilcock might indeed be Cayce’s reincarnation. Compiling some of Wilcock’s most inspirational and life-transforming prophetic guidance from his channeled Source, this book conveys profound insights into topics such as earth changes, secret cabals, soul evolution, death and reincarnation, ascension, crop circles, and the theory of evolution. Explaining how energetic increases occurring in the Sun and planets can have scientifically-measurable, far-reaching effects in a number of realms, *The Reincarnation of Edgar Cayce* presents new evidence that this energy can transform DNA, potentially making ESP, telekinesis, levitation, and other paranormal activities as common as breathing and usher in the Golden Age promised by every major spiritual tradition in human history. Readers will come away with a deeper understanding not only of the life and work of both Wilcock and Cayce, but with a broader sense of the many forces—seen and unseen—at work in the universe today.

Soul, Body, and Survival Feb 14 2022 How are soul and body related to one another? Are human beings immaterial souls, or complex physical organisms? Will we survive the death of our bodies? Does only the dualist view allow the

possibility of life after death? This collection brings together cutting-edge research on the metaphysics of human nature and the possibility of post-mortem survival. Kevin Corcoran's collection, *Soul, Body, and Survival*, includes chapters from those who embrace traditional soul-body dualism, those who assert person-body identity, and those who propose entirely new views that fall outside the categories of monism and dualism. The first book to connect the metaphysics of persons with the belief in life after death, thus intersecting with theological as well as philosophical inquiry, it blurs the divide between metaphysics and the philosophy of mind.

*Aristotle's On the Soul* Aug 28 2020 In this timeless and profound inquiry, Aristotle presents a view of the psyche that avoids the simplifications both of the materialists and those who believe in the soul as something quite distinct from body. *On the Soul* also includes Aristotle's idiosyncratic and influential account of light and colors. *On Memory and Recollection* continues the investigation of some of the topics introduced in *On the Soul*. Sachs's fresh and jargon-free approach to the translation of Aristotle, his lively and insightful introduction, and his notes and glossaries, all bring out the continuing relevance of Aristotle's thought to biological and philosophical questions.

*One Soul, Many Lives* Aug 20 2022 Accounts and evidence of reincarnation from around the world presented in a clear and easy-to-follow journalistic style with a Ripley's-believe-it-or-not overtone that makes for a perspective changing read.

Soul Dust Oct 30 2020 A radically new view of the nature and purpose of consciousness How is consciousness possible? What biological purpose does it serve? And why do we value it so highly? In Soul Dust, the psychologist Nicholas Humphrey, a leading figure in consciousness research, proposes a startling new theory. Consciousness, he argues, is nothing less than a magical-mystery show that we stage for ourselves inside our own heads. This self-made show lights up the world for us and makes us feel special and transcendent. Thus consciousness paves the way for spirituality, and allows us, as human beings, to reap the rewards, and anxieties, of living in what Humphrey calls the "soul niche." Tightly argued, intellectually gripping, and a joy to read, Soul Dust provides answers to the deepest questions. It shows how the problem of consciousness merges with questions that obsess us all—how life should be lived and the fear of death. Resting firmly on neuroscience and evolutionary theory, and drawing a wealth of insights from philosophy and literature, Soul Dust is an uncompromising yet life-affirming work—one that never loses sight of the majesty and wonder of consciousness.

Same Soul, Many Bodies Apr 28 2023 The noted past-life therapist and author of Many Lives, Many Masters discusses his work with future life progression, drawing on dozens of case histories to explain how the choices that are made in one's present life impact the quality of future lives and revealing the benefits of progression therapy as a healing tool for present-life conditions. 100,000 first printing.

Miracles Happen Nov 23 2022 In his revolutionary book *Miracles Happen*, Brian Weiss M.D., the New York Times bestselling author of *Many Lives, Many Masters*, examines the physical, emotional, and spiritual healing that is possible when you freely accept and embrace the reality of reincarnation. Trained as a traditional psychotherapist, Dr. Weiss began to explore how reincarnation and past life regression can lead us to our higher selves after a startling encounter with a patient. Now a leading proponent of past-life therapy, Dr. Weiss shows us that, indeed, *Miracles Happen*, with seemingly incredible but true stories that demonstrate how, by getting in touch with and understanding our past lives, we can dramatically improve the present.

Every Body Matters Nov 11 2021 Few pastors or Christian writers have dared to approach the subject of how proper eating and an active lifestyle can affect how we serve God. Author Gary Thomas does just that. And he reaches all the way back to the apostle Paul, who wrote that we need to prime our bodies to become, "an instrument for noble purposes, made holy, useful to the Master and prepared to do any good work." To illustrate the body/soul correlation, Thomas presents engaging and diverse stories that include a young mom who got fit through volleyball and reaped spiritual rewards in her marriage, a 300-pound pastor who realized his obesity was eroding his ministry impact, and a woman who gained the spiritual strength to survive a contentious divorce by training for a marathon. In every instance, Thomas makes a direct connection between the

physical challenge and its spiritual consequence. This book is a must read for anyone seeking new and compelling motivation for strengthening their bodies and fortifying their souls.

Muchos cuerpos, una misma alma / Same Soul, Many Bodies Apr 16 2022 En este fascinante e innovador libro, el doctor Weiss revela cómo el contacto con nuestras vidas futuras puede transformar nuestra vida presente. El primer libro de Brian Weiss, famoso por descubrir la terapia de regresión a vidas pasadas, es ya un clásico del que se han vendido más de 200.000 ejemplares en España. El psiquiatra Brian Weiss cobró notoriedad internacional con su investigación sobre el poder curativo de la regresión a vidas anteriores, relatada en su célebre obra Muchas vidas, muchos maestros. En este libro, el autor nos muestra que lo que hagamos en esta vida influirá sobre nuestras reencarnaciones a lo largo del camino de evolución hacia la inmortalidad. Ésta es una obra revolucionaria, que ahonda en los descubrimientos del doctor Weiss sobre el pasado para transportar a sus millones de lectores hasta un futuro individual y colectivo de cuya creación son responsables ellos mismos. Por el camino, sus vidas quedarán transformadas profundamente y encontrarán más paz, más felicidad y soluciones a sus problemas. ENGLISH DESCRIPTION The bestselling author of Many Lives, Many Masters breaks new ground to reveal how progression therapy into future lives can help transform us in the present. Using specific case histories, this book demonstrates the ways that progression therapy can help to

heal physical and emotional wounds in the present. Upon looking forward into future lives, Dr. Weiss and his patients discover that the future is variable, and that the choices made now will determine the quality of life in the future

Soul Speak – The Language of Your Body Dec 24 2022 In this book you will discover what the messages from the different body systems mean and how you can heal any situation by understanding the message that is being delivered and acting appropriately on that message. This is a secret language that is now being revealed. It is no longer a mystery. Discover for yourself what YOU are trying to say to YOURSELF.

The Healing Consciousness Dec 20 2019 Beth Baughman DuPree MD shares the story of her journey from the world of Western medicine as the single best cure for breast disease, to the understanding that the wisdom and intelligence of Eastern medicine is an equal and important partner in the healing process. With her on this journey of discovery are many of her patients, and her friends who have shared in the path of true healing.

Bodies and Soul Feb 02 2021 In the future, society is run by an organisation known as Global. Cal and his friends become involved in uncovering a black market in body parts at the Global controlled Central Lab, putting all of them in great danger. Suggested level: intermediate, junior secondary.

Body & Soul Jun 25 2020 Now available in trade paperback, Frank Conroy's acclaimed novel of a young man with an extraordinary talent had critics and readers

alike agreeing that Conroy's "Body and Soul" is a masterpiece. In the dim light of a basement apartment, six-year-old Claude Rawlings sits at an old white piano, picking out the sounds he has heard on the radio and shutting out the reality of his lonely world. The setting is 1940s New York, a city that is "long gone, replaced by another city of the same name". Against a backdrop that pulses with sound and rhythm, Body & Soul brilliantly evokes the life of a child prodigy whose musical genius pulls him out of squalor and into the drawing rooms of the rich and a gilt-edged marriage. But the same talent that transforms him also hurtles Claude into a lonely world of obsession and relentless ambition. From Carnegie Hall to the smoky jazz clubs of London, Body & Soul burns with passion and truth -- at once a riveting, compulsive read and a breathtaking glimpse into a boy's heart and an artist's soul.

The Body Shop Book of Wellbeing Nov 30 2020 It is said that beauty is not only skin-deep, and that to feel really good one needs to nurture mind and soul, as well as body. Divided into three main sections, this book offers information and exercises, which combine to provide a practical guide to achieving well-being.

Summary of Brian L. Weiss's Same Soul, Many Bodies Jul 19 2022 Please note: This is a companion version & not the original book. Sample Book Insights: #1 The most important part of us, our soul, lives on after the death of our physical body. It exists on different levels, and it directs us to act as we do, think as we do, and respond as we do. It is not aware of the unconscious mind, but it directs us to act as

we do. #2 Reincarnation is a fundamental tenet of Jewish mysticism. It has been documented by hundreds of therapists, and their patients' experiences have been verified. When we die, our soul, which is aware when it leaves the body, pauses for a moment and can differentiate color, hear voices, and identify objects. #3 The soul is the part of you that exists outside of the body. It makes connections not only to the other lifetimes of the person it just departed, but to all other souls. #4 We are all connected, and our souls are constantly evolving toward health. At a higher level, time is measured in lessons learned, though on Earth it is chronological. We live both in time and out of it.

Only Love is Real Jun 18 2022 A "beautiful and sensitive" tale of true love that transcends time, from the multi-million bestselling author of *Many Lives, Many Masters* (Gary Zukav, author of *Seat of the Soul*). Recommended by Kendall Jenner. In *Many Lives, Many Masters*, a skeptical Dr. Brian Weiss found his life changed profoundly after curing a patient using past-life therapy. Now he takes his research into transcendental messages one breathtaking step further. He portrays two strangers, Elizabeth and Pedro, who are unaware that they have been lovers throughout the long centuries -- until fate brings them together again. He shows how each and every one of us has a soulmate whom we have loved in past incarnations and who waits to reunite with us now. And he opens up entirely new worlds for all of us everywhere, based on a single, powerful truth...

Shock Apr 23 2020 Kitty Dukakis has battled debilitating depression for more than twenty years. Coupled with drug and alcohol addictions that both hid and fueled her suffering, Kitty's despair was overwhelming. She tried every medication and treatment available; none worked for long. It wasn't until she tried electroconvulsive therapy, or ECT, that she could reclaim her life. Kitty's dramatic first-person account of how ECT keeps her illness at bay is half the story of Shock. The other half, by award winning medical reporter Larry Tye, is an engrossing look at the science behind ECT and its dramatic yet subterranean comeback. This book presents a full picture of ECT, analyzing the treatment's risks along with its benefits. ECT, it turns out, is neither a panacea nor a scourge but a serious option for treating life threatening and disabling mental diseases, like depression, bipolar disorder, and others. Through Kitty Dukakis's moving narrative, and interviews with more than one hundred other ECT patients, Shock: The Healing Power of Electroconvulsive Therapy separates scare from promise, real complications from lurid headlines. In the process Shock offers practical guidance to prospective patients and their families, boldly addressing the controversy surrounding ECT and awakening millions to its capacity to heal.

Body & Soul Mar 27 2023 While most people throughout history have believed that we are both physical and spiritual beings, the rise of science has called into question the existence of the soul. Many now argue that neurophysiology demonstrates the radical dependence,

indeed, identity, between mind and brain. Advances in genetics and in mapping human DNA, some say, show there is no need for the hypothesis of body-soul dualism. Even many Christian intellectuals have come to view the soul as a false Greek concept that is outdated and unbiblical. Concurrent with the demise of dualism has been the rise of advanced medical technologies that have brought to the fore difficult issues at both edges of life. Central to questions about abortion, fetal research, reproductive technologies, cloning and euthanasia is our understanding of the nature of human personhood, the reality of life after death and the value of ethical or religious knowledge as compared to scientific knowledge. In this careful treatment, J. P. Moreland and Scott B. Rae argue that the rise of these problems alongside the demise of Christian dualism is no coincidence. They therefore employ a theological realism to meet these pressing issues, and to present a reasonable and biblical depiction of human nature as it impinges upon critical ethical concerns. This vigorous philosophical and ethical defense of human nature as body and soul, regardless of whether one agrees or disagrees, will be for all a touchstone for debate and discussion for years to come.

Through Time Into Healing Feb 26 2023 The book that sheds new light on reincarnation and the extraordinary healing potential of past life and hypnotic regression therapy, from the New York Times bestselling author of Many Lives, Many Masters. Brian Weiss made headlines with his groundbreaking research on past life therapy in

Many Lives, Many Masters. Now, based on his extensive clinical experience, he builds on time-tested techniques of psychotherapy, revealing how regression to past lifetimes provides the necessary breakthrough to healing mind, body, and soul. Using vivid past life case studies, Dr. Weiss shows how regression therapy can heal grief, create more loving relationships, uncover hidden talents, and ultimately shows how near death and out of body experiences help confirm the existence of past lives. Dr. Weiss includes his own professional hypnosis, dream recall, meditation, and journaling techniques for safe past life recall at home. Compelling and provocative, *Through Time Into Healing* shows us how to help ourselves lead healthy, productive lives, secure in the knowledge that death is not the final word and that the doorways to healing and wholeness are inside us.

My Big Book of Healing Sep 21 2022 Originally published in 1993 by Nataraj as *A Passion to Heal*, this popular companion and guide to deep inner healing is now revised and updated for a new generation of readers as *My Big Book of Healing*. Many people are dealing with addiction and abuse issues. Others suffer from physical ailments. Some are recovering from the emotional fallout of growing up in a dysfunctional family. *My Big Book of Healing* provides one-stop shopping for anyone in search of emotional and physical health. Renowned author and spiritual teacher Echo Bodine shows readers how they can heal from eighteen illnesses, addictions, and "distractions," including: the debilitating power of secrets chemical

dependencies    excessive weightloss or weight gain  
stress and depression    fear and resentment    loss and  
grieving After exploring these common personal issues,  
Bodine offers concrete, easy-to-understand guidance on  
where and how to find the deep inner healing necessary to  
overcome these issues. She takes readers through such  
healing solutions as 12-Step groups to Lifework clinics to  
therapy and good medical help.

Are We Bodies Or Souls? Mar 03 2021 What are humans?  
What makes us who we are? Many think that we are just  
complicated machines, or animals that are different from  
machines only by being conscious. In Are We Bodies or  
Souls? Richard Swinburne comes to the defence of the soul  
and presents new philosophical arguments that are  
supported by modern neuroscience. When scientific  
advances enable neuroscientists to transplant a part of  
brain into a new body, he reasons, no matter how much we  
can find out about their brain activity or conscious  
experiences we will never know whether the resulting  
person is the same as before or somebody entirely new.  
Swinburne thus argues that we are immaterial souls  
sustained in existence by our brains. Sensations, thoughts,  
and intentions are conscious events in our souls that cause  
events in our brains. While scientists might discover some  
of the laws of nature that determine conscious events and  
brain events, each person's soul is an individual thing and  
this is what ultimately makes us who we are.

Soul Machine: The Invention of the Modern Mind Feb 20  
2020 A brilliant and comprehensive history of the creation

of the modern Western mind. *Soul Machine* takes us back to the origins of modernity, a time when a crisis in religious authority and the scientific revolution led to searching questions about the nature of human inner life. This is the story of how a new concept—the mind—emerged as a potential solution, one that was part soul and part machine, but fully neither. In this groundbreaking work, award-winning historian George Makari shows how writers, philosophers, physicians, and anatomists worked to construct notions of the mind as not an ethereal thing, but a natural one. From the ascent of Oliver Cromwell to the fall of Napoleon, seminal thinkers like Hobbes, Locke, Diderot, and Kant worked alongside often-forgotten brain specialists, physiologists, and alienists in the hopes of mapping the inner world. Conducted in a cauldron of political turmoil, these frequently shocking, always embattled efforts would give rise to psychiatry, mind sciences such as phrenology, and radically new visions of the self. Further, they would be crucial to the establishment of secular ethics and political liberalism. Boldly original, wide-ranging, and brilliantly synthetic, *Soul Machine* gives us a masterful, new account of the making of the modern Western mind.

Messages from the Masters May 17 2022 In *Many Lives, Many Masters*, Brian Weiss opened an unexpected door into the astonishing realm of past-life regression. Now he reveals the miraculous potential of love. You'll hear the intimate and startling testimonies of real people who express a profound but simple truth—one that comes from the eternal souls around us. You'll discover what happens

to us after we die, strategies for fighting anxiety and healing relationships, and the role of God and self-determination. You'll explore exercises and meditations to tap into the power of love and utterly transform your life. The Messages from the Masters are here. Are you ready for them?

Speaking to Body and Soul Jul 07 2021 Dating back to 1785, the Moravian “Instructions for the Choir Helpers” contain detailed advice for the spiritual counselors of the men, women, and children in Moravian congregations on how to address concerns about one’s body and soul. In this volume, Katherine Faull presents an annotated, translated edition of the original German manuscript. In monthly “speakings”—regularly scheduled dialogues between the choir helper and individual church members to determine whether the congregant could be admitted to communion—men and women received spiritual guidance on topics as varied as the physical manifestations of puberty, sexual attraction, frequency of intercourse, infant care, and bereavement. From their founding in 1722, the Moravians were remarkable for their positive evaluation of the body; they held that the natural manifestations of masculinity and femininity were integral elements of spiritual consciousness. The “Instructions for the Choir Helpers”—which were highly confidential at the time and passed on only by permission of the church administration—reflect that philosophy, providing insights into an interpretation of the body as a holistic system that should be cared for as a vessel for the spirit. A unique resource for scholars of religious history, gender studies,

and colonial American church history, Faull's translation of this fascinating set of documents provides an unprecedented glimpse into a period of foundational change in Moravian history.

Body, Soul, and Human Life Jun 06 2021 "Are humans composed of a material body and an immaterial soul? This view is commonly held by Christians, yet it has been undermined by recent developments in neuroscience. How much of Christian theology is built on views of humanity that modern science has proved to be untenable? Exploring what Scripture and theology teach about issues such as being in the divine image, the importance of community, sin, free will, salvation, and the afterlife, Joel Green argues that a dualistic view of the human person is inconsistent with both science and Scripture"--Publisher description (cf OCLC)

Spirit, Soul, Body Dec 12 2021 A perennial problem for spiritual traditions of all sorts is dualism—either a positing of a false distance between the Divine and the created or a rejection of creation and the human body. Many contemporary spiritual seekers have sensed this problem and sought to remedy it through myriad solutions drawn from various spiritual traditions and secular wisdom, both Eastern and Western. Cyprian Consiglio, OSB Cam, explores Christianity's contribution to the discussion. He offers a revisioning and rearticulation of this teaching, based on the prophetic seminal work of Bede Griffiths, toward a practical and integral spirituality that reverences all aspects of our being human—spirit, soul, and body.

SNAP! Oct 22 2022 Most of us feel “stuck with ourselves” at one time or another – and that negative aspects of our personality are deeply ingrained from childhood or genetics so therefore cannot be altered. But new studies have shown that changing aspects of your personality IS possible, giving new hope to anyone who wants to improve results in personal, family, business, and civic relationships. Based on the latest information from the fields of neuroscience and psychology, Dr. Gary Small presents a proven program anyone can use to assess their strengths and weaknesses, and then work on changing their negatives to positives. Small provides step-by-step advice that can show results in as little as 30 days. SNAP covers the difference between genetic personality traits and how your family experiences and the community you grow up in influences your personality – the key aspects of social programming. He then explains how it is possible to “reboot” your personality in order to become a more positive person., or to improve other aspects of personality such as being an introvert versus an extravert. Included is a self-assessment that readers can also use with friends and family. Also covered will be choosing and working the right psychotherapists, the upside and drawbacks of medications and alternative holistic therapies.

Soul Mind Body Medicine Jul 27 2020 Discover Dr. Sha's Powerful Techniques for Healing Your Soul, Mind, and Body What is the real secret to healing? Internationally acclaimed healer and author Dr. Zhi Gang Sha gives us a simple yet powerful answer to this age-old question: Heal

the soul first; then healing of the mind and body will follow. In Soul Mind Body Medicine, Dr. Sha shows that love and forgiveness are the golden keys to soul healing. From that foundation, he presents practical tools to heal and transform soul, mind, and body. The techniques and the underlying theories are easy to learn and practice but profoundly effective. They include: Healing methods for more than 100 ailments, from the common cold to back pain to heart disease to diabetes Step-by-step approaches to weight loss, cancer recovery, emotional balance, and maintenance of good health A revolutionary one-minute healing technique Endorsements “Just as our thoughts can influence water, our souls can bring healing and balance to our selves, our loved ones, and our world today. Dr. Sha is an important teacher and a wonderful healer with a valuable message about the power of the soul to influence and transform all life. His book Soul Mind Body Medicine will deeply touch you.” — Dr. Masaru Emoto, author of The Hidden Messages in Water “All cultures have produced authentic healers from time to time. Dr. Zhi Gang Sha is such a healer — a man of deep wisdom and compassion, and a gift to the human race.” — Larry Dossey, MD, author of The Extraordinary Healing Power of Ordinary Things

Body with Soul May 25 2020 From beloved American Idol judge Randy Jackson, a complete, inspiring wellness plan for taking control of your health The obesity epidemic is spreading throughout America, bringing with it health problems from diabetes to hypertension to heart disease. A lifetime of poor fitness and nutrition choices left Randy

Jackson lethargic, overweight, and with a diagnosis of Type II diabetes. After years of yo-yo diets, hours in the gym, and even gastric bypass surgery, Randy finally decided to change his life. Body with Soul is his tried-and-true wellness plan; filled with meal plans, re-tooled recipes of Southern favorites, and workouts for people on the go, the regimen here is user-friendly and promises results. Having lost one hundred pounds, Randy is healthier than ever, and his diabetes has been in remission for five years. The program offered by Body with Soul ensures that readers, like Randy, can get their health in check, and lead happier, healthier lives.
