—Julie Lessman, award-winning author Sweet historical medieval romance Part of the Dericott series: Book 1: Court of Swans; Book 2: Castle of Refuge; Book 3: Veil of Winter; Book 4: Fortress of Snow Book length: 85,000 words Includes discussion questions for book clubs A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food

writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace. Historical Romance from the Author of The Preacher's Bride Priscilla White knows she'll never be a wife or mother and feels God's call to the mission field in India. But then Priscilla and Eli both receive news from the mission board: No longer will they send unmarried men and women into the field. Left scrambling for options, the two realize the other might be the answer to their needs. Priscilla and Eli agree to a partnership, a marriage in name only that will allow them to follow God's leading into the mission field. But as they journey west, this decision will be tested by the hardships of the trip and by the unexpected turnings of their hearts. An exquisitely photographed exploration of what it is to find purpose, joy and connection in the simple things. 'In a time of infinite choice and possibility, Jodi has provided a grounded road map to becoming a grateful, settled soul.' Alexx Stuart, author of Low Tox Life 'I'm not here to nag you and tell you that you need to live with less stuff. Nor will I tell you that owning less is a sure and certain path to happiness. But let me tell you what it's like to carry all you own with you ... to reduce your consumption and increase your free time and to realise that everything you need in life can fit in a caravan along with those you love most ...' It is natural to fear uncertainty. But what if you embraced it, listened to your intuition and made the tiny or big decisions to slow life right down? What if you had more space in your life for connection to nature and those around you? What if you stepped off the treadmill and forged a new path? In Practising Simplicity, author and photographer Jodi Wilson shines a light on all the best things in life that don't cost money and how you can

incorporate them into your lifestyle, whatever your circumstances. For her, the simplicity of living in a tiny home on wheels was at first terrifying but ultimately the essential answer to anxiety and overwhelm. Rapunzel's search to understand her place in the medieval world is a timeless identity struggle that modern readers will relate to. Her growing courage and faith are inspirational and will have readers cheering her on and sad to see the story come to an end." -Jody Hedlund, bestselling author of An Uncertain Choice 'The book to recommend to patients when they face coming to terms with unavoidable childlessness.' - British Medical Journal

In *Living the Life Unexpected*, Jody Day addresses the experience of involuntary childlessness and provides a powerful, practical guide to help those negotiating a future without children come to terms with their grief; a grief that is only just beginning to be recognized by society. This friendly, practical, humorous and honest guide from one of the world's most respected names in childless support offers compassion and understanding and shows how it's possible to move towards a creative, happy, meaningful and fulfilling future - even if it's not the one you had planned. Millions of people are now living a life without children, almost double that of a generation ago and the numbers are rising still. Although some are childfree by choice, many others are childless due to infertility or circumstance and are struggling to come to terms with their uncertain future. Although most people think that those without children either 'couldn't' or 'didn't want' to be parents, the truth is much more complex. Jody Day was forty-four when she realized that her quest to be a mother was at an end. She presumed that she was through the toughest part, but over the next couple of years she was hit by waves of grief, despair and isolation. Eventually she found her way and in 2011 created Gateway Women, the global friendship and support network for childless women which has

now helped almost two million people worldwide. This edition, previously titled *Rocking the Life Unexpected*, has been extensively revised and updated, with significant additional content and case studies from forty involuntarily childless people (mostly women) from around the world. Our unconscious thought patterns determine our relationships, our spiritual life and our connection to God to a much greater extent than we know. That's an alarming thought, because the subconscious mind is a mysterious realm that is really difficult to access and influence...right? No. It's really not! And it's the most urgent and impactful thing we can do. This book will show you how. How do I choose faith over fear when my loved ones are making poor choices? Why don't I feel happier if I'm reading and praying like I've been taught? How can I stop feeling like I'm just not good enough? What am I to do when my spouse is judgmental of me? How do I trust in Christ when everything seems to be falling apart? Get answers to these and other tough questions in the context of Christ-centered principles throughout this book. Jody Moore is a Master Certified Life Coach who has taught and coached tens of thousands of women through her in-person and online workshops and podcast. She brings her characteristic

clarity, wisdom, humor and disarming honesty to this groundbreaking book. In *Better Than Happy*, Jody shows how a simple 5-step model she uses in every session with her clients can reveal the unconscious patterns of thoughts that keep us from deeper and healthier connection with ourselves, with our loved ones and with God. Jody then shows how, once we clear the debris of our unconscious patterns of thought, new streams of understanding of Christ's teachings begin to flow. I am a mother of 4, a member of The Church of Jesus Christ of Latter-Day Saints, and a woman trying to figure out how to minimize resentment, overwhelm and guilt, and replace them with happiness, gratitude and joy. Three years after getting married I found myself with two kids under age 2, a loving husband, and a lot of self-loathing. I struggled with the duties associated with being a mom and wife and then I felt guilty for feeling that way. After all, this was the life I thought I'd always wanted. I have a BA in Communications and an MA in Adult Education along with 15 years of experience as a Corporate Trainer and Leadership Coach, but what has helped me the most to overcome my struggles and to conquer all of my goals, are the tools I use now to coach my clients. Thanks to my extensive training with Brooke Castillo of The Life Coach School, I am now a Certified Life Coach, and I couldn't be more proud of the work I get to do in the world.
