Docket The Bank Heist

Hunted by her psycho ex-husband for years, Lanie flees across the globe to start a new life in Bangkok with a whole new identity. She thought she was safe...but now familiar faces are appearing in the crowds. Has her past caught up with her? The last person she wants to turn to is her mysterious new frenemy—sexy, arrogant Professor Peter Maxwell. What could a linguistics expert do to help her, anyway? It's not as if he's a badass secret agent with a unique way of solving crimes. Right? "Full of action and sparkling chemistry between Laney and Peter, this book is so much fun to read." ~USA Today "Addictive and loads of

fun to read...one of the very best romantic suspense novels I read this year." ~Dabney, The Passionate Reader "Do yourself a favor and pick up this Carolyn Crane book. It is unique and stimulating and one of my favorites for this year." ~Sunny, Love Affair with an Ereader "Full of action and sparkling chemistry between Laney and Peter, this book is so much fun to read." ~USA Today "Wow...this book was most definitely a keep-you-at-the-edge-of-your-seat kind of novel. I went to bed when I was around the 60-65% novel, then woke up wide awake at 2:00 AM thinking about the book. There was no way I was going to go back to sleep until I

finished the book. Yes, it was one of those.” ~Smitten with Reading ~Winner of the RITA award for excellence in romance fiction~ ~ Named a 'Desert Island Keeper' at All About Romance ~ Top Romantic suspense novel, romance novel, steamy romance, thriller A short Halloween tale with a hot AF ghost! Cassie Nolan is stuck for yet another summer working in the family business: leading groups of tourists down to the haunted pier to witness the nightly visit of the ghost known as Old Salt. Yes, Old Salt really is a ghost—a young sea captain who died in 1879. And yes, he clanks his chains. The tourists are always amazed. Cassie?

Not so much. Because really, chains? Could he try for a more original haunting technique? Or just give it up already? And okay, maybe she insults Old Salt when the tourists aren't around. She never thought he was listening. Or that he had a few of his own thoughts about her attitude. And she never in a million years imagined he was sooooo hot!! *** A previous version of this appeared in The Mammoth Book of Ghost Romance The corpus-based approach to humor offers innovative and more than plausible objectives, supported by sound arguments, which underline the need to analyze humor both verbally and non-verbally. The cognitive

linguistic account of humor sets to analyze a corpus of humorous meanings in interaction and to present the elements that help to create the humorous effects: common ground, intersubjectivity, facial expressions, speakers' attitude, etc. The large corpus of examples annotated in ELAN offers a much-needed multimodal perspective of humor, which encompasses all the different techniques used by speakers. The present analysis offers inspiring insight for future research, in different fields of study: multimodality, humor, and psycholinguistics. The study reveals the need of analyzing both verbal and non-verbal elements in discourse in

general and humor in particular as co-speech gestures are essential for the understanding of the message as intended by the speakers. Two sizzling-hot authors. One incendiary volume. Four can play at this game... In *Pillow Talk* by Maya Banks, Zoe is a woman in a committed relationship with her boyfriend Chase. Then one night, Chase reveals his number-one fantasy, which involves his two best buddies. Is Zoe game? She sure is, because it opens the door for a secret fantasy all her own. In Shayla Black's *Her Fantasy Men*, a girly-girl named Kelsey plays football, craves action movies, and loves knocking back a cold beer with her three

best friends—all male. Yet she's never seemed sexually interested in any one of these hot guys. So what does Kelsey want? A fantasy come true for all four of them. Reckless: Sheriff J.T. Summers promised to keep an eye on his best friend's little sister. What could possibly go wrong? A lot. "Little" Nikki Durant isn't so little any more. "I love this book! Check out *Behind the Mask* for one of the best sex scenes I have read this year!" ~Badass Book Reviews TO SAVE HER TWIN SISTER SHE MUST SWITCH PLACES WITH HER... When her long lost sister - a prostitute - is won in a card game by a brutal drug cartel, Zelda knows what she

has to do: take her place. Save her. Focus on infiltrating the shadowy group on behalf of the Associates, and try not to think about why she left the spying game years ago. She's slept with dangerous criminals before; she can do it again. Hugo Martinez is one of South America's most lethal and wanted men, a legendary mercenary living on a windswept mountain. Even at the height of the war he wasn't in the habit of taking women captive, but the American whore has seen his face. And he and the orphan boy need a cook. He shouldn't want this woman, but there's something so unusual about her... Little by little, Zelda finds herself falling

for her captor...but is he the killer she's been hunting all these years? "I am hooked on Carolyn Crane's Associates series." ~Under the Covers Book Blog FROM NEW YORK TIMES BESTSELLING AUTHOR OF THE BREATHLESS TRILOGY MAYA BANKS The man of her dreams would give the orders. For him, she had two words that satisfied them both..."Take me." For five years, Serena has run Fantasy Incorporated and has devoted her time to fulfilling her clients' fantasies. Never her own. Until now... Her most secret desire is to give ownership of her body to a man. Someone who will command her, pleasure her,

and have complete authority over her. So she seeks out Damon Roche, owner of an exclusive sex club and a man strong enough to make her do anything he wants. Anything. Together they'll journey into a world she's only dreamed of. She's given the opportunity to immerse herself in a different life while her normal one waits for her to return whenever she wishes. Damon has no desire to let her go, however. Serena is the woman he's long searched for, and it's up to him to convince her to stay when the game is all over with. for the family but for the town of Icicle Falls, Washington. Can Samantha, the oldest daughter and new head of the company, come up with a way to save it? After Samantha does some brainstorming with her mother and sisters, inspiration strikes. They'll have a chocolate festival! Time's running out, but the Sterling women are determined and the town's behind them, so everything's bound to go smoothly.... Or not. Events seem to be conspiring against Samantha, and her mother's attempts to help aren't helping. To make matters worse, the fate of her company is in the hands of her archenemy, Blake Preston, the bank manager with the

football-hero good looks. It's enough to drive her to chocolate. But Blake's also enough to convince her that (believe it or not) there's something even better than chocolate. Islamic banking is growing rapidly and its

potential impact on global financial stability cannot be underestimated. It concludes that a number of issues would need to be addressed, owing to Islamic banks' unique governance structures and balance sheets. It recommends international guidance for the design of robust Shari`ah - compliant resolution

frameworks for jurisdictions with Islamic banks. In this romantic women's fiction about second chances, a young woman escapes to LA to start fresh after a failed career and broken engagement.
