This book contains true stories of female domination. Powerful women show their physical, mental, and psychological superiority over men who can't help worshipping them no matter how much they're humiliated. A must-read for any fan of the genre, and as always, the stories are 100% real. This journal includes in its title the words, 'no leniency', as will all future journals. I mentioned in my last journal that I profoundly evolved through the two-year period of the Covid lockdown. That evolution eradicated from the deepest corners of my mind any remaining shreds of leniency and uncertainty I ever had for my slave husband, while pursuing the most fulsome, decadent, wicked pleasure. There are chains always padlocked around each of his ankles and a metal collar padlocked around his neck, his tiny chastity tube double padlocked on, obviously. He can bathe and shower in all these items. The cane and whips are on a hook in the sitting room often brought briefly into action for a number of reasons, or just because I can. I have him bend over and hold his ankles to receive between ten and twenty hard strokes of the cane or dressage whip. That is quite often followed by me bringing myself off, driving home to him the huge difference between my lavish, satisfying and abundant, cuckolding sex-life, and his frustrating, frugal and barren one. Volume 19 of my journals details a considerable step-change in my real life domination of my submissive husband. While on vacation in Bali with his wife, Matt meets a beautiful, mysterious woman who seems to be traveling alone. As he tries to find out more about her he discovers that she isn't just any ordinary woman – she's Mistress Gisele, the dominatrix famous for being able to make any man beg to be controlled. When Matt's wife gets into an argument with her, she responds the only way she knows how – by seducing, dominating and humiliating Matt. Since Mistress Benay released her first novel in 2013, readers have made her one of the hottest Female Domination writers in the country today. One of the most frequent requests received from her readers has been for her to put both "At Her Beck and Call" Novels together in one boxed set and into one exciting novel. A sequel is in the works as we "speak" - stay TUNED!Garima Madam's BITCH - An Englishman working abroad finds his "destiny" - and it's NOT what he had expected upon taking on an expat position in India. Not in his wildest dreams would he have imagined the erotic and sensual "Garima" whom he called in for an interview turning the tables on him quite superbly - and quickly at that. And he's in for the ride of his life as he learns that his "Garima Madam" and Indian ladies in general can be anything BUT what the common perception is at times! This book is based on several REAL LIFE incidents - and to the gorgeous "Garima" - who provided me with the MOTIVATION to write this book (believe me, real life experiences work BEST - - hence the "reality mixed in with a dab of creative license" theme in ALL my books) - - THANK YOU, Madam. You're the best - and while I can't say the "most" dominant - for a while you were!! This is another one in my Indian femdom series - for those of you into that - you'll positively ENJOY IT. Interracial femdom - cuckolding - and UTTER humiliation - be "warned" - hehe. Garima Madam - the PREQUEL - - n this prequel (set before "Garima Madam's bitch") we delve into Garima's past - and how she became what she did TODAY. The student goes one up on her Master (Mistress as it were!) and as we study how Garima Madam was moulded by circumstances into what she is TODAY - it might be well to remember to apply those

same "standards" to women you meet in real life as well. All too often we're ready to scorn - deride - and JUDGE (and this holds true for men too) - without really knowing the person's background - or WHAT caused them to become the way they are TODAY. As they say - unless you've walked a MILE in a man's (or woman's) shoes - you don't really know what is going on with him/her! And back to the BOOK itself - as the cocksure and often drunken General Manager of the factory she meets finds out - heaven hath NO fury like a woman scorned. Cuckolding, Ball torture, FEMDOM (well and truly!) - a dash of FINDOM (of course!) - and interracial humiliation as usual - and much more. In Female Led Relationship Guide, you will discover: Why a female led relationship doesn't necessarily mean BDSM, and how you can make it work for both you and your partner The key to finding the right balance between the dominant and submissive, and if it's even possible How this couple dynamic can be the solution to intimacy issues, as well as build the foundation for a healthy relationship The #1 thing you must do before beginning a female led relationship, or else it will do you and your partner more harm than good The major topics of concern to address with your significant other, and how to go about discussing them The shocking reason why men seek out dominant women to take charge in a relationship -- it may not be what you think! The varying degrees of dominance that can cater to anyone's comfort zone and lifestyle And much more. Don't worry, if you and your partner are interested in adopting a relationship built on female dominance but don't want this aspect of your life to be public, you don't have to. -----The submissive man in a vanilla relationship faces a daunting challenge. How can he convince his demure girlfriend to take charge without turning her off? How can he show her that female domination is not a sick stereotype, but a healthy and romantic way to enhance her life? This book is the answer to his prayers. His girlfriend's hesitation is perfectly understandable. Since female dominants are so often depicted as arrogant sadists intent on hurting and humiliating men, it's not surprising that any woman would feel reluctant to adopt this role in her relationship. After all, who would treat her beloved partner as if she hated him? But she has no need to worry. The real female dominant is not a cruel psychopath. Her relationship involves mutual trust, cooperation, and communication. She can be nurturing and reasonable. She can share her feelings and needs. She can be herself, more bravely than ever - and her partner will love her for it. In *The Hesitant Mistress*, author and dominant Dvanna Hightower gently introduces the novice mistress to a new world of life-enhancing possibilities. The male submissive will try to give his lady everything she desires; all she needs to do is recognize the confidence she already has inside her. Part self-help book, part kinky instruction manual, *The Hesitant Mistress* is an indispensable introduction to female-led relationships. Any woman who reads it will never be the same. Aretta Ademola is one of the world's most successful marketing executives. However, this wasn't enough for her. She also craved control; control over men and the power to feminise them. After a successful career in marketing and in forced feminisation in Spain, she moves to a new job in London and sets about rebuilding her lifestyle by selecting an unsuspecting man who will be her next target; or is that her next victim? Contains scenes of a sexual nature, male to female gender transformation, humiliation, female domination and reluctant feminisation. ADULTS AGED OVER 18 ONLY Essential reading for our times, as women are pulling together to demand their rights— A landmark portrait of women, men, and power in a transformed world. "Anchored by data and aromatized by anecdotes, [Rosin] concludes that women are gaining the upper hand." –The Washington Post Men have been the dominant sex since, well, the dawn of mankind. But Hanna Rosin was the first to notice that this long-held truth is, astonishingly, no longer true. Today, by almost every measure, women are no longer gaining on men: They have pulled decisively ahead. And "the end of men"—the title of Rosin's Atlantic cover story on the subject—has entered the lexicon as dramatically as Betty Friedan's "feminine mystique," Simone de Beauvoir's "second sex," Susan Faludi's "backlash," and Naomi Wolf's "beauty myth" once did. In this landmark book, Rosin reveals how our current state of affairs is radically shifting the power dynamics between men and women at every level of society, with profound implications for marriage, sex, children, work, and more. With wide-ranging curiosity and insight

unhampered by assumptions or ideology, Rosin shows how the radically different ways men and women today earn, learn, spend, couple up—even kill—has turned the big picture upside down. And in *The End of Men* she helps us see how, regardless of gender, we can adapt to the new reality and channel it for a better future. **NEW YORK TIMES BEST SELLER** • Sharon Stone tells her own story: a journey of healing, love, and purpose. • “Not your typical Hollywood autobiography. Brutally honest, restless and questing.” —*O, The Oprah Magazine* Sharon Stone, one of the most renowned actresses in the world, suffered a massive stroke that cost her not only her health, but her career, family, fortune, and global fame. In *The Beauty of Living Twice*, Stone chronicles her efforts to rebuild her life and writes about her slow road back to wholeness and health. In a business that doesn’t accept failure, in a world where too many voices are silenced, Stone found the power to return, the courage to speak up, and the will to make a difference in the lives of men, women, and children around the globe. Over the course of these intimate pages, as candid as a personal conversation, Stone talks about her pivotal roles, her life-changing friendships, her worst disappointments, and her greatest accomplishments. She reveals how she went from a childhood of trauma and violence to a career in an industry that in many ways echoed those same assaults, under cover of money and glamour. She describes the strength and meaning she found in her children, and in her humanitarian efforts. And ultimately, she shares how she fought her way back to find not only her truth, but her family’s reconciliation and love. Stone made headlines not just for her beauty and her talent, but for her candor and her refusal to “play nice,” and it’s those same qualities that make this memoir so powerful. *The Beauty of Living Twice* is a book for the wounded and a book for the survivors; it’s a celebration of women’s strength and resilience, a reckoning, and a call to activism. It is proof that it’s never too late to raise your voice and speak out. Mistress Benay has always been one to take advantage of any Opportunity which presented itself to her where She could "Lock Up" any male with whom She came in contact with, into a Chastity Device. Now in this Exciting and Sensuous Novel, She describes the events which led Her to Lock Up Troy's Brother, Michael into a Chastity Tube. While the Mistress may have been motivated to "Lock Up" Michael because of the demeaning statements which he made about her husband Troy, she quickly found out that She was doing a great service to Michael's Common Law Wife, Joanne. Mistress Benay describes in great detail how She mentored Joanne, and assisted her in building a True Female Led Relationship with Michael Locked Up in his Chastity Tube When Ann and Joe Walker leave Toms River, New Jersey and buy a home in Pueblo, Colorado, neither of them have any idea that their lives are going to change forever, because of the neighborhood that they have decided to move into. This is volume 2 of my journals which describe my life as a dominant female. I live with my husband, bitch-boy. Bitch-boy

is a subjugated, trapped slave and source of amusement. He does all the chores and housework, and fetches and carries and his reward is enforced chastity, humiliation and punishment. For this journal, the year of writing is 2010. In general, the events within are not in chronological order. Each of the events described are picked at my whim from my extensive diaries of the last nine years of my life. My tastes are eclectic and in the journal entries you will find accounts of petticoating humiliation as little girl, school girl, lesbian cuckolding and French maid; accounts of sub-human slave treatment, babyfication, bondage, enforced hospitalisation, dickie-discipline, the use of an electrical box, tease and denial, and of course sessions of discipline to maintain appropriate standards of submissiveness. Not in his wildest dreams would he have imagined the erotic and sensual "Garima" whom he called in for an interview turning the tables on him quite superbly – and quickly at that. And he's in for the ride of his life as he learns that his "Garima Madam" and Indian ladies in general can be anything BUT what the common perception is at times! This book is based on several REAL LIFE incidents – and to the gorgeous "Garima" – who provided me with the MOTIVATION to write this book (believe me, real life experiences work BEST – – hence the "reality mixed in with a dab of creative license" theme in ALL my books) – – THANK YOU, Madam. You're the best – and while I can't say the "most" dominant – for a while you were!! This is another one in my Indian femdom series – for those of you into that – you'll positively ENJOY IT. Interracial femdom – cuckolding – and UTTER humiliation – be "warned" – hehe. Garima Madam - the PREQUEL - - n this prequel (set before "Garima Madam's bitch") we delve into Garima's past — and how she became what she did TODAY. The student goes one up on her Master (Mistress as it were!) and as we study how Garima Madam was moulded by circumstances into what she is TODAY – it might be well to remember to apply those same "standards" to women you meet in real life as well. All too often we're ready to scorn – deride – and JUDGE (and this holds true for men too) – without really knowing the person's background – or WHAT caused them to become the way they are TODAY. As they say – unless you've walked a MILE in a man's (or woman's) shoes – you don't really know what is going on with him/her! And back to the BOOK itself – as the cocksure and often drunken General Manager of the factory she meets finds out – heaven hath NO fury like a woman scorned. Cuckolding, Ball torture, FEMDOM (well and truly!) – a dash of FINDOM (of course!) – and interracial humiliation as usual – and much more.
