Acclaimed author Jennifer A. Nielsen returns to the beloved world of her New York Times bestseller *The False Prince* in a highly anticipated fourth book in the *Ascendance Series*! In a peaceful Carthya, Jaron leads as the Ascendant King with Imogen beside him -- but the peace he fought so long for is not destined to last. On a routine sea voyage, Jaron's ship is brutally attacked, and he is taken hostage. The mysterious captors and their leader, Jane Strick, accuse Jaron of unthinkable acts. They are also in possession of some shocking items -- including the crown and sword that belonged to Jaron's older brother, Darius. The items unearth a past Jaron thought he had put behind him. Though it seems impossible, Jaron must consider: Could Darius be alive? And what does Strick want from Jaron? Against his will, Jaron will be pulled back into a fight for the throne -- and a battle to save his kingdom. Return to Carthya to uncover new secrets, high-stakes action, and Jennifer A. Nielsen's signature breathtaking twists. Ruskin, Cinder, Groth, and Roke travel to the Shattered Shore to honor of Villinelle, and while there, the four dragons make discoveries that will help in the upcoming battle. Evie Manieri's *Blood's Pride* is the first book of *The Shattered Kingdoms*, an engaging, action-packed, and "highly imaginative" (Kirkus Reviews) series of fantasy novels with epic scope and "the perfect mix of romance, family ties, betrayals, and agonizing dilemmas" (RT Book Reviews). Rising from their sea-torn ships like vengeful, pale phantoms, the Norlanders laid waste to the Shadar under cover of darkness. They forced the once-peaceful fisher folk into slavery and forged an alliance with their former trading partners, the desert-dwelling Nomas tribe, cutting off any hope of salvation. Now, two decades after the invasion, a rebellion gathers strength in the dark corridors of the city.

A small faction of Shadari have hired the Mongrel, an infamous mercenary, to aid their fledgling uprising—but with her own shadowy ties to the region, she is a frighteningly volatile ally. Has she really come to lead a revolution, or for a more sinister purpose all her own? Set in a fictional quasi-Medieval Mediterranean region with a strong cast of male and female characters, the series "presents a striking world with civilizations similar to those of the Vikings and the nomadic cultures of the Middle East, and with the Mediterranean sensibilities of the ancient Greeks. Her characters are passionate and memorable, lending a personal touch to a complex tale of clashing cultures and philosophies. Fans of Sharon Shinn, Elspeth Cooper, and Gail Z. Martin should enjoy Manieri's approach to culture and drama." Devastated, Emilia sets out to find her sister's killer and to seek vengeance at any cost—even if it means using dark magic that's been long forbidden. Then Emilia meets Wrath, one of the Wicked-princes of Hell she has been warned against in tales since she was a child. Wrath claims to be on Emilia's side, tasked by his master with solving the series of

women's murders on the island. But when it comes to the Wicked, nothing is as it seems... A stunning new young adult adventure set in the kingdoms of the Remnant, by the author of the New York Times-bestselling Remnant Chronicles and the Jenna Fox Chronicles. A formidable outlaw family that claims to be the first among nations. A son destined to lead, thrust suddenly into power. Three fierce young women of the Rahtan, the queen's premier guard. A legendary street thief leading a mission, determined to prove herself. A dark secret that is a threat to the entire continent. When outlaw leader meets reformed thief, a cat-and-mouse game of false moves ensues, bringing them intimately together in a battle that may cost them their lives—and their hearts. The Remnant Chronicles The Beauty of Darkness The Heart of Betrayal The Kiss of Deception Praise for Dance of Thieves: "Pearson is a gifted storyteller and spinner of eminently satisfying romances and fantasy. Fans will thrill at these newest protagonists, especially the women warriors, who are equal partners in the play for power." —Publishers Weekly "This novel has it all—romance, conflict, danger, and humor. A must-have for all fantasy YA shelves." — School Library Journal The #1 New York Times bestselling sequel to Words of Radiance, from epic fantasy author Brandon Sanderson at the top of his game. In Oathbringer, the third volume of the New York Times bestselling Stormlight Archive, humanity faces a new Desolation with the return of the Voidbringers, a foe with numbers as great as their thirst for vengeance. Dalinar Kholin's Alethi armies won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-

long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that the newly kindled anger of the parshmen may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar's blood-soaked past and stand together—and unless Dalinar himself can confront that past—even the restoration of the Knights Radiant will not prevent the end of civilization.

Experience Angelina J. Steffort's bestselling Wings Trilogy in a Complete Series Edition, including White, Black, and Gray. She saved her enemy. Now she must save the future of Sives. All Gandrett ever wanted was to go home. Now, that there is no home for her to return to, Gandrett must decide whether

she still wants to be a Child of Vala-if the goddess has forsaken her. While Gandrett is still learning to control her magic, an old cult rises in Sives, estranging Gandrett further from her goddess and threatening the future of the kingdom. As if this isn't enough, temptation is not just in the thought of vengeance. It is also in the diamond-blue eyes of Nehelon Sterngrove. In this sequel to Shattered Kingdom, Gandrett steps back into the service of House Brenheran to protect the future of Sives. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. Living in the slums of the great desert city of Sharakhai, Çeda prays for the downfall of the cruel, immortal Kings of Sharakhai, until one night she learns a dangerous secret that may be the key to breaking the iron grip of the Kings' power. Break the Code. Shatter the World. Centuries ago, the murder of a beloved king tore apart the Kingdom of Caledun. The land was plunged into chaos and thousands perished in the aftermath. A new order was established in an attempt to return Caledun to its former glory. It failed, but in its place rose the beginnings of the Code. During this same period, the mystical caretakers of the Great Wood retreated from the world of Kal Maran, their disappearance an ominous harbinger of the suffering that was to follow. The Great Wood now grows out of control. Cities, towns, and villages have fallen before the relentless march of the forest. Without the former guardians to keep her tame, the wood has become a place of peril, and dark creatures of legend now hunt beneath its leaves. The summer season is now a time of armed conflict. The fall of the old

monarchy has brought about a ceaseless cycle of combat. Grievances are settled by the strict tenets of a binding Mercenary Code and the men who would die to preserve its honour. However, change is in the air. Political rivalries have escalated, and dire rumblings of a revolution abound. Thrust to the forefront of the shattered land's politics, a mercenary fights for more than just riches. In the north, a borderland soldier wrestles with his own demons and looks to find his true purpose. And in the shadow of the Great Wood, a young man's chance encounter with a strange visitor gives hope to a land divided. From the author of *Wicked Gentlemen* and *The Cadeleonian Series* comes a new, four-volume novel. When John opens a letter addressed to his missing roommate, Kyle, he expects to find a house key, but instead he is swept into a strange realm of magic, mysticism, revolutionaries and assassins. Though he struggles to escape, John is drawn steadily closer to the fate he shares with Kyle—to awaken the destroyer god, the Rifter, and shatter a world. At the end of the world, a woman must hide her secret power and find her kidnapped daughter in this "intricate and extraordinary" Hugo Award winning novel of power, oppression, and revolution. (The New York Times) This is the way the world ends. . .for the last time. It starts with the great red rift across the heart of the world's sole continent, spewing ash that blots out the sun. It starts with death, with a murdered son and a missing daughter. It starts with betrayal, and long dormant wounds rising up to fester. This is the Stillness, a land long familiar with catastrophe, where the power of the earth is wielded as a weapon. And where there is no mercy. ONCE UPON A BROKEN HEART marks the launch of a new series from Stephanie Garber about love, curses, and the lengths that people will go to for happily ever after For as long as she can remember, Evangeline Fox has believed in true love and happy endings . . . until she learns that the love of her life will marry another. Desperate to stop the wedding and to heal her wounded heart, Evangeline strikes a deal with the charismatic, but wicked, Prince of Hearts. Luria presents a compelling portrait of a man's heroic struggle to regain his mental faculties. Woven throughout his first-person account are interpolations by Luria himself. Introduces the world of Roshar through the

experiences of a war-weary royal compelled by visions, a highborn youth condemned to military slavery, and a woman who is desperate to save her impoverished house. From New York Times bestselling author Cinda Williams Chima, this is a thrilling story of the unfathomable costs of war, the allure of dark magic, and two principled and conflicted characters drawn together despite everything they stand to lose. Alyssa ana'Raisa, the reluctant princess heir to the Gray Wolf throne of the Fells, feels more comfortable striking with a sword than maneuvering at court. After a brush with death, Lyss goes on the offensive, meaning to end the war that has raged her whole life. Across enemy lines in Arden, young rising star Captain Halston Matelon is being sent on ever more dangerous assignments. Lyss and Hal's intricately linked fates become inseparable when they fall under the shadow of a new enemy—a force that threatens to extinguish the last rays of hope in the Shattered Realms. Prince Yarvi has vowed to regain a throne he never wanted. But first he must survive cruelty, chains and the bitter waters of the Shattered Sea itself. And he must do it all with only one good hand. The deceived will become the deceiver. Born a weakling in the eyes of his father, Yarvi is alone in a world where a strong arm and a cold heart rule. He cannot grip a shield or swing an axe, so he must sharpen his mind to a deadly edge. The betrayed will become the betrayer. Gathering a strange fellowship of the outcast and the lost, he finds they can do more to help him become the man he needs to be than any court of nobles could. Will the usurped

become the usurper? But even with loyal friends at his side, Yarvi's path may end as it began - in twists, and traps and tragedy. After exiting the Trials, Dabu and Uhane set off in pursuit of Phoenix. However, after encountering a magically charged sandstorm, the pair find themselves far from their intended course. Running short on food and water, they have no choice but to try and find civilization. Instead, they find deserted villages, rumors of a terrifying beast that stalks the night, and no way to turn back. All they can do is forge on, both to find supplies and to discover what sort of creature can send entire villages fleeing for their lives. **Warning: This book contains GameLit elements, such as stat sheets, a form of leveling, and experience gain. With eye-popping plot twists and rollicking good action, *Half a King* is definitely a full adventure.”—Rick Riordan “Enthralling! An up-all-night read.”—Robin Hobb “Polished and sharp, perhaps his most technically proficient novel yet . . . I dare you to read the first chapter and try not to turn the next page.”—Brent Weeks “Half a King can be summed up in a single word: masterpiece. It’s a coming-of-age story. It’s a Viking saga. It’s a revenge tale and family drama and the return of the prodigal son. But most of all, it’s this: a short time alongside people as weak and blundering as we are and, in the midst of it all, as heroic. Far too short a time, as it turns out. What a wonderful book.”—Myke Cole “Half

Steffort's *Shattered Kingdom* series, Gandrett must fight the yet biggest battle of her life—the battle of her heart. Despite his youth, Declan Idrys knows of the evils of the world. He knows of the bastards and brigands who plague the King's lands, of the monsters skulking in the wooded depths of the realm. Together with his companion, Ryn - a beast of rather peculiar talent - he has spent the last decade of his life beneath the bloody banners of a half-dozen mercenary guilds, hunting precisely such festering wickedness within the borders of Viridian. Unfortunately, fate is quick to pull on the leash of its favorite children. When one particularly troubling contract goes sideways, Declan and Ryn find themselves thrust into a war thought legend and long-ended, a conflict so old it is synonymous with a time in which dragons still ruled the western skies. Now, as dead men rise from their graves and the terrible beasts of the northern ranges descend into the kingdom with an appetite for savagery and flesh, Declan is faced with a profane choice. He can

turn, can flee an ancient rising horror that would see the realms of man left as shattered death and wind-blown ash. Or, Declan can face this mounting threat, can come to terms with the fact that his oldest friend might just be more than he appears, and learn to wield an ageless power all his own. Centuries pass, after all, but the Blood of Kings does not fade... The most diligent compliance with laws and regulations can't foster true work place diversity. The best organizations have become genuine cross-cultural communities that believe equally in reconciling differences and valuing them. To that end, The Diversity Code promotes understanding by answering many of the toughest questions that professionals and their employers are often afraid to ask, including: * How do you define diversity--what it is and isn't? * Am I "safe" simply following the law? * Can't we just acknowledge that we are the same and different--then get on with our work? * How do I handle diversity problems on my staff--or worse, with people who outrank me? * What do I do if I'm accused of something? * How do I institute change without ticking people off? Each chapter begins with a challenging question, which the author answers based on years of experience as a diversity expert and attorney, and concludes with a real-world scenario and a chance for readers to test themselves on their knowledge. A generation has passed since the Norlanders' great ships bore down on Shadar, and the Dead Ones slashed and burned the city into submission, enslaving the Shadari people. Now the Norlander governor is dying, and as his three alienated children struggle against the crushing isolation of their lives, the Shadari rebels spot their opening and summon the Mongrel, a mysterious mercenary warrior who has never yet lost a battle. But her terms are unsettling: she

will name her price only after the Norlanders have been defeated. A single question is left for the Shadari: is there any price too high for freedom? Dark magic, mythical beasts, undying assassins, and forbidden love—this thrilling final installment in the epic Beast Charmer series is perfect for fans of Jennifer Armentrout, Sarah J Maas and Claire Legrand When Leena Edenfrell swore herself to the Frozen Prince, Noc Feyreigner, she never dreamed she'd ignite the flames of war. And yet as their enemies combine forces against them, Leena and Noc have no choice but to gather their allies and fight. While Noc makes moves to reclaim their lost throne, Leena acts as the new Crown of the Charmer's Council, searching for a way to stop the enemy from raising an ancient creature destined to burn their world to ash. But no matter how hard they fight—for each other, for their friends, and for everyone who looks to them to lead—Leena can't escape the feeling that her time is running out. Soon a winged shadow reigns over Lendria, and Leena is the last thing standing between everyone she loves and total destruction. It's in that moment that Noc and Leena discover the true price of victory: in order to tame the ancient dragon, Leena will have to sacrifice her own heart...and lose herself in the process. Intense, compelling, and impossible to put down, *The Shattered Crown* is perfect for readers looking for: epic YA/New Adult fantasy series a unique premise and a plot to die for books like Sarah J. Maas' *Kingdom of Ash* and Kalyn Josephson's *Storm Crow* high fantasy with paranormal and romance elements multidimensional characters and rich world-building *The Beast Charmer Series: Kingdom of Exiles* *The Frozen Prince* *The Shattered Crown* Acclaimed author Jennifer A.
