**La délicatesse** Oct 06 2020 "François pensa : si elle commande un déca, je me lève et je m'en vais. C'est la boisson la moins conviviale qui soit. Un thé, ce n'est guère mieux. On sent qu'on va passer des dimanches après-midi à regarder la télévision. Ou pire : chez les beaux-parents. Finalement, il se dit qu'un jus ça serait bien. Oui, un jus, c'est sympathique. C'est convivial et pas trop agressif. On sent la fille douce et équilibrée. Mais quel jus ? Mieux vaut esquiver les grands classiques : évitons la pomme ou l'orange, trop vu. Il faut être un tout petit peu original, sans être toutefois excentrique. La papaye ou la goyave, ça fait peur. Le jus d'abricot, ça serait parfait. Si elle choisit ça, je l'épouse. Je vais prendre un jus. Un jus d'abricot, je crois, répondit Nathalie. Il la regarda comme si elle était une effraction de la réalité. " La délicatesse a obtenu dix prix littéraires et a été traduit dans plus de quinze langues.

**The Mystery of Henri Pick** Oct 30 2022 The delightful first title in a new collaboration with Channel 4's Walter Presents: a fast-paced comic mystery enriched by a deep love of books In the small town of Crozon in Brittany, a library houses manuscripts that were rejected for publication: the faded dreams of aspiring writers. Visiting while on holiday, young editor Delphine Despero is thrilled to discover a novel so powerful that she feels compelled to bring it back to Paris to publish it. The book is a sensation, prompting fevered interest in the identity of its author - apparently one Henri Pick, a now-deceased pizza chef from Crozon. Sceptics cry that the whole thing is a hoax: how could this man have written such a masterpiece? An obstinate journalist, Jean-Michel Rouche, heads to Brittany to investigate. By turns farcical and moving, The Mystery of Henri Pick is a fast-paced comic mystery enriched by a deep love of books - and of the authors who write them.

**LE MYSTERE HENRI PICK.** Oct 18 2021

**Charlotte** Apr 04 2023 A prize-winning novel based on the life of Charlotte Salomon: a “searing portrait of a brilliant artist” who persisted despite the horrors of WWII (Kirkus). Obsessed with art, and with living, Charlotte Salomon attended school in Germany until she was forced to flee. In France, Charlotte was interned in work camp which she narrowly escaped. She then spent the next two years in almost total solitude, creating a series of artworks—images, words, even musical scores—that tell her life story. Before Charlotte was killed in Auschwitz at the age of twenty-six, she entrusted her life's work to a friend, who kept it safe until peacetime. In Charlotte, David Foenkinos—with passion, life, humor, and intelligent observation—has written his own utterly original tribute to Charlotte Salomon's tragic life and transcendent art. First published to critical acclaim in France, Foenkinos's hauntingly redemptive novel is masterfully translated by Sam Taylor. Winner of the Prix Renaudot and the Prix Goncourt des Lycéens

**Charlotte** Feb 02 2023 Ce roman retrace la vie de Charlotte Salomon, artiste peintre morte à vingt-six ans alors qu'elle était enceinte. Exilée, elle entreprend la composition d'une oeuvre picturale autobiographique d'une modernité fascinante. Se sachant en danger, elle confie ses dessins à son médecin en lui disant : "C'est toute ma vie." Portrait saisissant d'une femme exceptionnelle, évocation d'un destin tragique, Charlotte est aussi le récit d'une quête. Celle d'un écrivain hanté par une artiste, et qui part à sa recherche.

*Those Who Forget* May 13 2021 “[Makes] the very convincing case that, until and unless there is a full accounting for what happened with Donald Trump, 2020 is not over and never will be.” —The New Yorker “Riveting...we can never be reminded too often to never forget.” —The Wall Street Journal Journalist Géraldine Schwarz's astonishing memoir of her German and French grandparents' lives during World War II “also serves as a perceptive look at the current rise of far-right nationalism throughout Europe and the US” (Publishers Weekly). During World War II, Géraldine Schwarz's German grandparents were neither heroes nor villains; they were merely Mitläufer—those who followed the current. Once the war ended, they wanted to bury the past under the wreckage of the Third Reich. Decades later, while delving through filing cabinets in the basement of their apartment building in Mannheim, Schwarz discovers that in 1938, her paternal grandfather Karl took advantage of Nazi policies to buy a business from a Jewish family for a low price. She finds letters from the only survivor of this family (all the others perished in Auschwitz), demanding reparations. But Karl Schwarz refused to acknowledge his responsibility. Géraldine starts to question the past: How guilty were her grandparents? What makes us complicit? On her mother's side, she investigates the role of her French grandfather, a policeman in Vichy. Weaving together the threads of three generations of her family story with Europe's process of post-war reckoning, Schwarz explores how millions were seduced by ideology, overcome by a fog of denial after the war, and, in Germany at least, eventually managed to transform collective guilt into democratic responsibility. She asks: How can nations learn from history? And she observes that countries that avoid confronting the past are especially vulnerable to extremism. Searing and unforgettable, *Those Who Forget* “deserves to be read and discussed widely...this is Schwarz's invaluable warning” (The Washington Post Book Review).

**Cry, Mother Spain** Dec 08 2020 Aged fifteen, as Franco's forces begin their murderous purges and cities across Spain rise up against the old order, Montse has never heard the word fascista before. In any case, the villagers say facha (the ch is a real Spanish ch, by the way, with a real spit). Montse lives in a small village, high in the hills, where few people can read or write and fewer still ever leave. If everything goes according to her mother's plan, Montse will never leave either. She will become a good, humble maid for the local landowners, muchísimas gracias, with every Sunday off to dance the jota in the church square. But Montse's world is changing. Her brother José has just returned from Lérida with a red and black scarf and a new, dangerous vocabulary and his words are beginning to open up new realms to his little sister. She might not understand half of what he says, but how can anyone become a maid in the Burgos family when their head is ringing with shouts of Revolución, Comunidad and Libertad? The war, it seems, has arrived in the nick of time.

*The Readers' Room* Jun 13 2021 ‘The plot blends mystery with comedy to great effect’ – Daily Mail ‘A profound love of books and authors underpins this sprightly mystery’ – Publishers Weekly ‘A stylish whodunnit blended with an affectionate send-up of the world of books’ Sunday Mirror ‘Another winner for Laurain’ – European Literature Network When the manuscript of a debut crime novel arrives at a Parisian publishing house, everyone in the readers' room is convinced it's something special. And the committee for France's highest literary honour, the Prix Goncourt, agrees. But when the shortlist is announced, there's a problem for editor Violaine Lepage: she has no idea of the author's identity. As the police begin to investigate a series of murders strangely reminiscent of those recounted in the book, Violaine is not the only one looking for answers. And, suffering memory blanks following an aeroplane

accident, she's beginning to wonder what role she might play in the story ... Antoine Laurain, bestselling author of *The Red Notebook*, combines intrigue and charm in this dazzling novel of mystery, love and the power of books.

The Fascination of Evil Aug 04 2020 When the unnamed narrator receives an invitation to visit Egypt as the guest of the French Embassy in Cairo, he anticipates a boring week of literary discussions and official dinners. But from the start, his fellow author—Martin Millet—seems determined to stir up the tensions that underlie the politeness of Egyptian society. He offends Islamic sensibilities with his views on art and the novel, and his entire stay eventually degenerates into an obsessive search for an Egyptian woman willing to have sex with him. The atmosphere between the two authors becomes one of mutual mistrust bordering on open dislike. As the narrator finds himself dragged ever deeper into Millet's obsessions, he begins not only to fear for his own and Millet's safety, but also for the future of Western civilization.

**Second Best** Aug 28 2022 A magical imagining of the fate of a fictional boy whose life is shaped forever when he loses out on the role of Harry Potter. It's 1999. Martin Hill is ten years old, crazy about Arsenal and has a minor crush on a girl named Betty. Then he makes it to the final two in the casting for Harry Potter and the Philosopher's Stone. In the end, the other boy is picked for the role of a lifetime. A devastated Martin tries to move on with his life. But how can he escape his failure, especially when it's the most famous film series in the world? Foenkinos's smash-hit *Second Best* is a playful, poignant story about fate, loss and how the lives we wish we'd led might not be all they're cracked up to be . . .

The Erotic Potential of my Wife Sep 16 2021 Having collected, among other things, cocktail sticks, electoral campaign badges, paintings of moored ships, rabbits' feet, noises at five in the morning, Croatian maxims, staircase ornaments, the first pages of novels, the labels on melons, birds' eggs, moments with you, hangmen's nooses, Hector falls in love. It's the way she washes windows that does it for him. And so begins his new infatuation, a collection (and recollection) of beautifully observed moments spent observing his wife's every move. 'The story of a kleptomaniac whose desire to rid himself of his mania drives him to extraordinary lengths. Funny, poignant and, in places, unexpectedly romantic. An absolute must-read.' Independent 'Absurd, funny, eccentric... this little world has seduced criti, filmmakers and an ever-larger public.' *Le Monde* 'A book worthy of Woody Allen.' *Glamour* 'David Foenkinos is in a league of his own. If we had to find his counterparts on the world stage, they would be Philip Roth and Thomas Pynchon.' *Elle* 'Read it, it's hilarious!' *Le Parisien*

Vie Francaise Nov 06 2020 Meet Paul Blick: born in France (but not Paris); son of a car dealer; provincial sociology student-cum-theoretical revolutionary; briefly employed (by his father-in-law); married and soon to discover adultery and other satisfactions of a desperate househusband as consort of a high-flying wife who conquers the world as CEO of a Jacuzzi-manufacturing company. This not-so-extraordinary Frenchman is delivered to the not-so-extraordinary awareness of having arrived in middle age more a product of his times, his country, and blind chance than a creature of his own free will. Jean-Paul Dubois gives us a man whose life reflects the story – the mind and the heart – of a society coming belatedly, poignantly, and often hilariously to grips with the abiding pain and intermittent beauty of what living has become.

**City of Lions** Jul 03 2020 The Ukrainian city Lviv's many names (Lviv, Lvov, Lwow, Lemberg, Leopoli) bear witness to its conflicted past - it has, at one time or another, belonged to the Austro-Hungarian Empire, Poland, Russia and Germany, and has brought forth numerous famous artists and intellectuals. My Lwow, Jozef Wittlin's short 1946 treatise on the city he left in 1922, is a wistful and lyrical study of an electrifying cosmopolis, told from the other side of the catastrophe of the Second World War. Philippe Sand's essay provides a parallel account of the city as it is today: the cultural capital of Ukraine, its citizens played a key role during the Orange Revolution, and its executive committee declared itself independent of the rule of President Viktor Yanukovich in February 2014. The *City of Lions* includes both old black-and-white photos showing Lviv during the first half of the twentieth century, and new photographs by the award-winning Diana Matar, of the city as it is today.

Shooters are introduced into a "game environment," and the survivors get a cash prize. *Número dos* Mar 11 2021 LA INCREÍBLE HISTORIA DEL HARRY POTTER FALLIDO VUELVE EL MEJOR FOENKINOS (MÁS DE TRES MILLONES DE LECTORES Y QUINCE PREMIOS LITERARIOS) CON UNA GENUINA NOVELA SOBRE EL ÉXITO Y EL FRACASO, EN LAS LISTAS DE MÁS VENDIDOS «Gracias por este libro, hechicero Foenkinos». M. P., *L'Express* En 1999 centenares de jóvenes pasaron por las audiciones para interpretar a Harry Potter. Entre los dos candidatos que llegaron hasta el final, Daniel Radcliffe fue elegido por tener, según la directora del casting, «ese algo extra». Al leer estas declaraciones, David Foenkinos empatizó de inmediato con el chico que no tenía ese toque extra: el número dos. Esta novela narra su historia. La vida de Martin Hill, un chico con padres divorciados y gafas negras y redondas, da un vuelco cuando acude por azar a la productora londinense en la que trabaja su padre el mismo día en que pasa por ahí David Heyman, inmerso en la búsqueda del actor que encarnará al pequeño mago. Tras ser descartado, Martin irá cayendo en sucesivas depresiones con cada nueva entrega de los libros y las películas. A su alrededor, todo le recuerda el éxito de su rival y poco a poco, en lugar de disfrutar de la vida de Radcliffe, la suya propia empieza a parecerse a la del atormentado personaje de ficción. ¿Podrá sobreponerse a esa mancha en su destino y hacer del fracaso una fuerza? La crítica ha dicho: «No se trata de una novela sobre Harry Potter: más bien nos hace partícipes, siempre con delicadeza y sensibilidad, del sufrimiento silencioso de un niño que está al pie de una montaña demasiado alta». Valentine L. Delétoile, *Paris Match* «Un relato vivo, mordaz y divertido. Como un dios burlón, Foenkinos juega con los nervios de sus personajes». Claore Julliard, *L'Obs* «Foenkinos transforma una idea brillante en una novela cautivadora [...] con humor teñido de melancolía». Corinne Renou-Nativel, *La Croix* «Una novela maravillosa». Olivia Gesbert, *France Culture* «Todo el talento de este novelista del alma reside en la sutileza de las preguntas que formula, cuya respuesta no conoceremos hasta la última página». C. L., *Le Pèlerin* «Adictivo. [...] Un libro memorable». Yves Quitté, *France Dimanche* «Foenkinos sondea con delicadeza una tragedia íntima. [...] Un auténtico placer». C. A., *Femme Actuelle* «Esta historia nos ha enamorado» Leïla Kaddour-Boudadi, *France 2* «Con su habitual ternura y empatía, Foenkinos se apodera del destino de un segundón». Victorine De Oliveira, *Vie* «Foenkinos mezcla con habilidad lo verdadero y lo falso en una

novela a la vez divertida y melancólica, cruel y seria». Laurence Caracalla, *Le Figaro Littéraire* «En la delicadeza el autor ha encontrado su mirada, su estilo y el éxito. La vida, en suma». José María Plaza, *Zenda* «Como en La biblioteca de los libros rechazados, el encanto de su propuesta y la ligereza del tono nos dibujan una sonrisa. Una novela llena de fantasía». Isabelle Lesniak, *Les Échos* «¡Puro deleite!» Julia Vignali, *Télématin* «Una reflexión sensible y comprensiva sobre recomponerse tras un fracaso». Sandrine Bajos, *Le Parisien* «La tierna historia del niño que casi se convierte en Harry Potter y que tendrá que aprender a convertir su fracaso en fortaleza. Una novela maravillosa sobre las virtudes de la reconstrucción». Olivia Gesbert, *France Culture*

*Hacia la belleza* Dec 28 2019 La nueva novela del autor que enamoró a tres millones de lectores con La delicadeza y ganó el Premio Renaudot con Charlotte. «Dentro de la literatura francesa, me gusta mucho Foenkinos, porque se sale de lo convencional y es capaz de reinventarse a sí mismo con cada libro.» Joël Dicker Antoine Duris es profesor en la Academia de Bellas Artes de Lyon, pero, de un día para otro, decide dejarlo todo para convertirse en un guarda del Museo de Orsay; en concreto, de la sala que alberga el retrato de Jeanne Hebuterne, de Modigliani. Mathilde, su jefa en el museo, se encuentra tan perpleja como atraída por su extraña personalidad y el enigma de su vida. Algo terrible le ha sucedido, pero ¿qué? De momento, para sobrevivir, Antoine solo ha encontrado un remedio: dirigirse hacia la belleza. Con ecos de la comedia romántica que lo consagró entre los lectores, *La delicadeza*, y también de la extraordinaria proeza literaria de Charlotte, ganadora del Premio Renaudot y el Renaudot des Lycéens), *Hacia la belleza* es una novela al mismo tiempo luminosa y oscura, llena de momentos y frases memorables, que nos invita a acercarnos, nosotros también, a la belleza. La crítica ha dicho... «Una lectura que pasa de la delicia a la amargura con la misma facilidad con la que la noche se impone al día.» José Antonio Vidal Castaño, *Levante* «David Foenkinos firma un elogio de la pintura y de los artistas y subraya con gran sensibilidad que se puede volver a la vida a través del arte. Magnífica.» Anne Michelet, *Version Femina* «Una novela necesaria.» Inés Martín Rodrigo, *ABC* «De una búsqueda incesante de poesía en todas sus vertientes ha quedado un poso que ahora se manifiesta, más aún que en sus novelas anteriores, en su texto más personal: *Hacia la belleza*.» Álvaro Soto, *El Ideal* «David Foenkinos es uno de los novelistas europeos más interesantes de la última década [...], tocado por un formidable don de la invención, sumado a ello un oído perfecto para elegir el mejor sistema estilístico. [...] Nunca sé de qué tratará una novela nueva suya. Pero sé que no me defraudará.» J. Ernesto Ayala-Dip, *Las Provincias* «Una novela con luces y sombras que nos invita a acercarnos a esa idea de redención del arte. [...] Manteniendo el empeño de mezclar arte -ya sea música, literatura, escultura, pintura y vida- y constatando que la belleza es siempre un buen recurso contra la incertidumbre, Foenkinos se ha aventurado a contar una historia con todos los ingredientes de su universo particular.» Radio Nacional de España (*El Ojo Crítico*) «Trato de encontrar un equivalente en España de un autor de estas características, moviéndose entre la prosa anestésica y la inventiva más inesperada y no lo encuentro. [...] Foenkinos puro y en estado de gracia.» J. Ernesto Ayala-Dip, *Qué Leer* «Del horror del crimen a la belleza pictórica, este libro de David Foenkinos es una novela muy lograda sobre el saqueo de las almas y sobre la revancha del arte.» Bernard Pivot, *Le Journal du Dimanche* «Una historia que nunca nos va a abandonar, que nos aturde, que nos trastorna.» Bernard Lehut, *RTL* «Un libro construido por partes con mucha habilidad. Foenkinos coquetea a ratos con la atmósfera de novela policiaca. El misterio que rodea el destino del protagonista principal en la primera parte aviva inteligentemente, a sus ojos, el interés del lector.» Jean-Christophe Buisson, *Plein de Culture*

*Lennon: the New York Years* Nov 18 2021 In 1975 John Lennon moved to New York City, stopped being a Beatle, and started being a father. Now, experience life from Lennon's perspective as David Foenkinos' mesmerizing story is adapted to graphic form by Corbeyran and Horne. Though his life was cut tragically short in front of his home by a fan, John Lennon's forty years on earth changed millions of lives and shaped the course of pop culture. Many know the Beatle, the activist, the man gone balmy over Yoko -- but more lies beneath the surface. From the imagined couch of a fictional therapist in NYC's posh Dakota building, Lennon recounts the many joys, shortcomings, failures, and triumphs that marked this pop culture juggernaut's rise to superstardom. Journey through an icon's isolated homelife, prying classmates, violent behaviour and self-destructive tendencies as the building blocks of explosive creativity fall into place. Nominated for a 2018 Eisner Award for Best Reality-Based Work

**The Martins** May 25 2022 A disillusioned Parisian writer finds inspiration in the ordinary lives of his neighbours, the Martins. 'A wonderful surprise' *L'Express* Is it true that every life is the stuff of novels? Or are some people just too ordinary? This is the question a

struggling Parisian writer asks when he challenges himself to write about the first person he sees when he steps outside his apartment. Secretly hoping to meet the beautiful woman who occasionally smokes on his street, he instead sets eyes on octogenarian Madeleine. She's happy to become the subject of his project, but first she needs to put her shopping away... Wondering if his project is doomed to be hopelessly banal, he soon finds himself tangled in the lives of Madeleine's family. Though calm on the surface, the Martins have secrets, troubles and woes, and the writer discovers that the most compelling story is that of an ordinary life.

*The Collected Novellas of Stefan Zweig* Mar 30 2020 A casual introduction, a challenge to a simple game of chess, a lovers' reunion, a meaningless infidelity: from such small seeds Zweig brings forth five startlingly tense tales--meditations on the fragility of love, the limits of obsession, the combustibility of secrets and betrayal. To read anything by Zweig is to risk addiction; in this collection the power of his writing--which, with its unabashed intensity and narrative drive, made him one of the bestselling and most acclaimed authors in the world--is clear and irresistible. Each of these stories is a bolt of experience, unforgettable and unique. Five of Stefan Zweig's most powerful novellas, containing some of his most famous and best-loved work: • Burning Secret • A Chess Story • Fear • Confusion • Journey into the Past (Stand alone paperback editions of individual novellas from Pushkin and New York Review of Books will remain in print.)

*Els records* Jan 21 2022 Els records de David Foenkinos —el celebrat autor de *La delicadesa* i un dels escriptors actuals més reconeguts a França—, és la història del despertar d'una vocació per a la vida i l'escriptura. A *Els records* hi trobem un jove que somia ser escriptor, però viu aclaparat pel pes d'una existència buida, entre uns pares que l'ignoren, i un ofici rutinari com a recepcionista nocturn en un hotel. Tot sembla molt llunyà de la grandesa necessària per merèixer reflectir-se en un llibre, i és així com els primers fruits de la seva ploma són increïblement mediocres. La mort de l'avi, però, l'enfronta a tot el que no ha sabut viure amb ell. I quan l'àvia fuig de la residència on la família vol que visqui, es llança a buscar-la, convençut que només ell pot procurar-li els últims moments de felicitat.

**Bernard** Jul 15 2021 Bernard vient de fêter ses cinquante ans et depuis quelques jours, il est retourné vivre chez ses parents. Rien n'a changé depuis son adolescence, ni la décoration de sa chambre, ni la place de son père dans le divan, pas même l'heure du dîner... Assis au milieu de ses peluches, sa vieille guitare en main, Bernard se demande ce qui lui est arrivé. Comment le vent a pu si mal tourner... Le mois dernier, il avait une femme, une fille, un très bel appartement, un super boulot dans la finance. Il avait même une maîtresse !

*Lennon* Apr 23 2022 Con una asombrosa investigacion a su espalda, y su peculiar sentido del humor, Foenkinos escribe una biografia unica, con un Lennon que cuenta en primera persona su infancia, la compleja relacion con sus padres, su primer matrimonio, la tormentosa historia de los Beatles, su amor con Yoko Ono y su filosofia de vida. Las palabras e ideas de quien decidio que el mejor modo de conseguir una reaccion politica era recibir a la prensa sin moverse de su cama cobran, en esta epoca de crisis, una inusitada actualidad.
