Lords of Finance Mar 11 2021 Winner of the Pulitzer Prize "Erudite, entertaining macroeconomic history of the lead-up to the Great Depression as seen through the careers of the West's principal bankers . . . Spellbinding, insightful and, perhaps most important, timely." —Kirkus Reviews (starred) "There is terrific prescience to be found in [Lords of Finance's] portrait of times past . . . [A] writer of great verve and erudition, [Ahamed] easily connects the dots between the economic crises that rocked the world during the years his book covers and the fiscal emergencies that beset us today." —The New York Times It is commonly believed that the Great Depression that began in 1929 resulted from a confluence of events beyond any one person's or government's control. In fact, as Liaquat Ahamed reveals, it was the decisions made by a small number of central bankers that were the primary cause of that economic meltdown, the effects of which set the stage for World War II and reverberated for decades. As we continue to grapple with economic turmoil, *Lords of Finance* is a potent reminder of the enormous impact that the decisions of central bankers can have, their fallibility, and the terrible human consequences that can result when they are wrong.

**Life and Labor in Ancient Mexico** Mar 23 2022 The "Brief and Summary Relation of the Lords of New Spain" is one of the major contemporary accounts of the economic, political, and social impact of the conquest of Aztec Mexico. Written by Alonso de Zorita, a Spanish judge of high integrity and many years' experience in colonial administration, it provides a detailed description of Aztec life before and after the Conquest. Based on Zorita's stay in Mexico from 1556 to 1566, it reflects the anguish felt by a devoted and humane servant of the Crown, who observed the misery inflicted upon the Indians by enslavement and Spanish-imposed tribute and labor systems In his extensive introduction, Benjamin Keen provides

a survey of the rise of Aztec society, conditions under post-Conquest colonial administration, and a biographical essay on Zorita's life and the reception of his work. With a new preface on recent scholarship and issues in Zorita's work, this edition remains the standard translation in English of the "Brief Relation."

**THE LORD VS CORRUPTION** Feb 28 2020 This is a true story of how a young man in his prime becomes sick with an undiagnosed illness now known as chronic fatigue syndrome or CFS, which is characterized by extreme fatigue and can't be explained by any underlying medical condition. There is still no cure to this torturous disease. Most people die within ten years of contracting it. All doctors and eventually all friends and family agree that he is manic-depressive and just write him off. Troy, his best friend from high school, leads him to the Lord and prophesies his miracle healing. During his three and a half years of sickness, he has three near-death experiences. In one, it is revealed to him that some lady from a one-night stand had his son. About fifteen years later, he starts having visions of how to find his skinny-legged son, visions involving police corruption.

Thank You, Lord, For Everything Feb 19 2022 Love surrounds you, beauty, too. Notice how God blesses you! Clap your hands, shout and sing: Thank you, Lord, for everything. A comfortable and relaxing rhyme tells the story of God's great blessings in this sweet book. P.J. Lyons' engaging text and Tim Warnes' playful illustrations remind readers how much they have to be thankful for.

*Who Shall Ascend the Mountain of the Lord?* Jan 21 2022 How can creatures made from dust become members of God's household "forever"? In this *New Studies in Biblical Theology* volume, Michael Morales explores the narrative context, literary structure and theology of Leviticus, following its dramatic movement from the tabernacle to the temple—and from the earthly to the heavenly Mount Zion in the New

Testament.

*The Spirit of Early Christian Thought* Oct 06 2020 Many of the problems afflicting American education are the result of a critical shortage of qualified teachers in the classrooms. The teacher crisis is surprisingly resistant to reforms and is getting worse. This analysis of the causes underlying the crisis seeks to offer concrete, affordable proposals for effective reform. Vivian Troen and Katherine Boles, two experienced classroom teachers and education consultants, argue that because teachers are recruited from a pool of underqualified candidates, given inadequate preparation, and dropped into a culture of isolation without mentoring, support, or incentives for excellence, they are programmed to fail. Half quit within their first five years. Troen and Boles offer an alternative, a model of reform they call the Millennium School, which changes the way teachers work and improves the quality of their teaching. When teaching becomes a real profession, they contend, more academically able people will be drawn into it, colleges will be forced to improve the quality of their education, and better-prepared teachers will enter the classroom and improve the profession.

**The Lords of Time** Jul 03 2020 The third novel in the internationally bestselling White City Trilogy sees Kraken on the hunt for a murderer whose macabre crimes are lifted straight from history. Kraken is enjoying life as a family man, content to spend his days with Alba and their young daughter Deba. But there's no rest for the weary, especially when you're the most famous investigator in Vitoria. Kraken and Esti are charged with investigating the mysterious disappearance of two sisters and finding it hard to make any headway when a wealthy businessman's murder appears to shine a light on the case. The man was poisoned with a medieval aphrodisiac—a crime that has eerie similarities to one detailed in the novel everyone in Vitoria is buzzing about. When the two sisters are discovered trapped behind a wall-bricked up alive—the parallels to the novel are undeniable. With the author's identity a closely held secret, will Kraken be able to track down the killer before they can strike again? Or will Vitoria's sordid underworld finally break Kraken, and his family, apart. A VINTAGE CRIME/BLACK

LIZARD ORIGINAL

**Lords of the Fly** Dec 20 2021 From the bestselling author of *Saban, 4th and Goal*, and *Sowbelly* comes the thrilling, untold story of the quest for the world record tarpon on a fly rod—a tale that reveals as much about Man as it does about the fish. In the late 1970s and early 1980s, something unique happened in the quiet little town on the west coast of Florida known as Homosassa. The best fly anglers in the world—Lefty Kreh, Stu Apte, Ted Williams, Tom Evans, Billy Pate and others—all gathered together to chase the same Holy Grail: The world record for the world's most glamorous and sought-after fly rod species, the tarpon. The anglers would meet each morning for breakfast. They would compete out on the water during the day, eat dinner together at night, socialize and party. Some harder than others. The world record fell nearly every year. But records weren't the only things that were broken. Hooks, lines, rods, reels, hearts and marriages didn't survive, either. The egos involved made the atmosphere electric. The difficulty of the quest made it legitimate. The drugs and romantic entanglements that were swept in with the tide would finally make it all veer out of control. It was a confluence of people and place that had never happened before in the world of fishing and will never happen again. It was a collision of the top anglers and the top species of fish which would lead to smashed lives for nearly all involved, man and fish alike. In *Lords of the Fly*, Burke, an obsessed tarpon fly angler himself, delves into this incredible moment. He examines the growing popularity of the tarpon, an amazing fish has been around for 50 million years, can live to 80 years old and can grow to 300 pounds in weight. It is a massive, leaping, bullet train of a fish. When hooked in shallow water, it produces "immediate unreality," as the late poet and tarpon obsessive, Richard Brautigan, once described it. Burke also chronicles the heartbreaking destruction that exists as a result—brought on by greed, environmental degradation and the shenanigans of a notorious Miami gangster—and how all of it has shaped our contemporary fishery. Filled with larger-than-life characters and vivid prose, *Lords of the Fly* is not only a must read for anglers of all stripes, but also for those interested in the

desperate yearning of the human condition.

*Lords of the Sea* Feb 07 2021 Presents a history of the epic battles, the indomitable ships, and the men—from extraordinary leaders to seductive rogues—who established Athens' supremacy, taking readers on a tour of the far-flung expeditions and detailing the legacy of a forgotten maritime empire.

**The Dark Lord Clementine** Apr 11 2021 The new face of big evil is a little . . . small. Dastardly deeds aren't exactly the first things that come to mind when one hears the name "Clementine," but as the sole heir of the infamous Dark Lord Elithor, twelve-year-old Clementine Morcerous has been groomed since birth to be the best (worst?) Evil Overlord she can be. But everything changes the day her father is cursed by a mysterious rival. Now, Clementine must not only search for a way to break the curse, but also take on the full responsibilities of the Dark Lord. But when it's time for her to perform dastardly deeds against the townspeople—including her brand-new friends—she begins to question her father's code of good and evil. What if the Dark Lord Clementine doesn't want to be a dark lord after all?

**Tracers in the Dark** May 25 2022 From the award-winning author of *Sandworm* comes the propulsive story of a new breed of investigators who have cracked the Bitcoin blockchain, exposing once-anonymous realms of money, drugs, and violence. "I love the book... It reads like a thriller... These stories are amazing." (Michael Lewis) Over the last decade, a single innovation has massively fueled digital black markets: cryptocurrency. Crime lords inhabiting lawless corners of the internet have operated more freely—whether in drug dealing, money laundering, or human trafficking—than their analog counterparts could have ever dreamed of. By transacting not in dollars or pounds but in currencies with anonymous ledgers, overseen by no government, beholden to no bankers, these black marketeers have sought to rob law enforcement of their chief method of cracking down on illicit finance: following the money. But what if the centerpiece of this dark economy held a secret, fatal flaw? What if their currency wasn't so cryptic after all? An investigator using the right mixture of technical wizardry, financial

forensics, and old-fashioned persistence could uncover an entire world of wrongdoing. *Tracers in the Dark* is a story of crime and pursuit unlike any other. With unprecedented access to the major players in federal law enforcement and private industry, veteran cybersecurity reporter Andy Greenberg tells an astonishing saga of criminal empires built and destroyed. He introduces an IRS agent with a defiant streak, a Bitcoin-tracing Danish entrepreneur, and a colorful ensemble of hardboiled agents and prosecutors as they delve deep into the crypto-underworld. The result is a thrilling, globe-spanning story of dirty cops, drug bazaars, trafficking rings, and the biggest takedown of an online narcotics market in the history of the Internet. Utterly of our time, *Tracers in the Dark* is a cat-and-mouse story and a tale of a technological one-upmanship. Filled with canny maneuvering and shocking twists, it answers a provocative question: How would some of the world's most brazen criminals behave if they were sure they could never get caught?

**House of Lords and Commons** Nov 30 2022 A stunning collection that traverses the borders of culture and time, from the 2011 winner of the PEN/Joyce Osterweil Award In House of Lords and Commons, the revelatory and vital new collection of poems from the winner of the 2013 Whiting Writers' Award in poetry, Ishion Hutchinson returns to the difficult beauty of the Jamaican landscape with remarkable lyric precision. Here, the poet holds his world in full focus but at an astonishing angle: from the violence of the seventeenth-century English Civil War as refracted through a mythic sea wanderer, right down to the dark interior of love. These poems arrange the contemporary continuum of home and abroad into a wonderment of cracked narrative sequences and tumultuous personae. With ears tuned to the vernacular, the collection vividly binds us to what is terrifying about happiness, loss, and the lure of the sea. *House of Lords and Commons* testifies to the particular courage it takes to wade unsettled, uncertain, and unfettered in the wake of our shared human experience.

**The Lizard King** Jun 13 2021 Jim Morrison, lead singer of the Doors, has achieved a bizarre cult status since his death in 1971. Morrison was one of the most popular and controversial

figures to emerge during the sixties; described as an 'erotic politician', poet, shaman, Dionysian drunk, his style and influence have grown steadily in the twenty years since his death, so that the real man has gradually disappeared behind the legend. Now, in *The Lizard King: The Essential Jim Morrison*, Morrison's biographer Jerry Hopkins, co-author of *No One Here Gets Out Alive*, reassesses Jim's life and provides fresh insights into him as a human being rather than the myth that he has become. But this reassessment is only part of this remarkable book. At its heart is a series of interviews with Jim Morrison by journalists including Hopkins himself, Ben Fong-Torres, John Tobler, Bob Chorus, Salli Stevenson, Richard Goldstein and the late John Carpenter, Morrison shows himself to have been articulate, intelligent and witty. Published uncut, these interviews provide a unique insight into a man who consciously created his own myth, then lived to regret it. Stripping bare the facts from the fantasies of Jim's death in Paris in 1971, and taking a long hard look at what has happened since to the people who he left behind, *The Lizard King: The Essential Jim Morrison* brings sharply into focus the broken dreams and unreachable ideals of one of the sixties' most enduring icons.

*Fatal System Error* Jul 27 2022 In 2004, a California computer whiz named Barrett Lyon uncovered the identity of a hacker running major assaults on business websites. Without fully grasping the repercussions, he set on an investigation that led him into the heart of the Russian mob. Cybercrime was evolving. No longer the domain of small-time thieves, it had been discovered by sophisticated gangs. They began by attacking corporate websites but increasingly stole financial data from consumers and defense secrets from governments. While Barrett investigated the cutting edge of technology crime, the U.S. government struggled to catch up. Britain, however, was a different story. In the late 1990s, the Queen herself had declared safe e-commerce a national security priority. Agents from the London-based National Hi-Tech Crime Unit sought out Barrett and enlisted his help. They also sent detective Andrew Crocker, a Welsh former boxer, to Russia to track down and prosecute the hackers—and to find out who they worked for.

*Fatal System Error* penetrates both the Russian cyber-mob and the American mafia as the two fight over the Internet's massive spoils. It takes readers into the murky hacker underground, traveling the globe from San Francisco to Costa Rica, London, and Russia. Using unprecedented access to mob businesses and Russian officials, it shows how top criminals earned protection from the Russian government—and how Barrett Lyon and Andrew Crocker got closer to the titans of the underground economy than any previous outsider. Together, their stories explain why cybercrime is much worse than you thought—and why the Internet might not survive.

[Lord of Misrule](#) Sep 16 2021 In the early 1970s, trainer Tommy Hansel attempts a horse racing scam at a small, backwoods track in West Virginia, but nothing goes according to his plan when the horses refuse to cooperate and nearly everyone at the track seems to know his scheme.

**Lords of the Land** Aug 16 2021 The 1967 Arab-Israeli War was a devastating triumph for Israel, which immediately began to establish settlements in the newly conquered territories. Those settlements, and the movement that made them possible, have utterly transformed Israel, and yet until now the full history of the occupation has never been told. *Lords of the Land* tells that tragic story, and reveals what a catastrophe it has been for both Israel and the Palestinians.

[The Lords of Easy Money](#) Aug 28 2022 "The New York Times bestselling business journalist Christopher Leonard infiltrates one of America's most mysterious institutions--the Federal Reserve--to show how its policies over the past ten years have accelerated income inequality and put our country's economic stability at risk"-

**Traci Lords: Underneath It All** Jun 01 2020 The moving, gripping, and tell-all autobiography of Traci Elizabeth Lords, a former child porn queen, electronica maven, and cult movie and TV star. At 14, Nora Kuzma ran away from home and ended up on the dirty streets of Hollywood. She fell in with a fast crowd, and her dreams of modelling soon landed her a spectacular centrefold in *Penthouse Magazine*, where at 15 she became internationally known as TRACI LORDS. From there she appeared in numerous

adult films and magazines, denying her past and battling a deep addiction to cocaine and men. Three years later she got out. This is her memoir—a tale of loss, redemption, and ultimate survival as Traci Elizabeth Lords takes you into her secretive past, faces her demons, and shares her extraordinary journey of personal growth.

**Lords of the Earth** May 13 2021 Engulfed in the darkness of Irian Jaya's Snow Mountains live the Yali, naked cannibals who call themselves lords of the earth. Yet, in spite of their boldness, they live in terror and bondage to the women-hating, child-despising gods they serve. Missionary Stan Dale dared to enter their domain and be an instrument to change their future. Peace Child author, Don Richardson, tells the story of Dale, his wife, his companions, and thousands of Yali tribesmen in *Lords of the Earth*. This unforgettable tale of faithful determination and zeal against overwhelming odds brings unlikely characters together in a swirl of agony and bloodshed climaxing in a dramatic, unexpected ending. Readers will find their perceptions of how God moves enlarged and inspired by this classic story. For parents and youth leaders looking for real-life role models for the new generation of young people, you will want to meet the Dales in *Lords of the Earth*.

Lord of the Flies Jan 09 2021 A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The

educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

*Lords of the Press* Aug 04 2020

A History of the House of Lords Oct 18 2021

**Let the Lord Sort Them** Apr 23 2022 NEW YORK TIMES EDITORS' CHOICE • A deeply reported, searingly honest portrait of the death penalty in Texas—and what it tells us about crime and punishment in America “If you’re one of those people who despair that nothing changes, and dream that something can, this is a story of how it does.”—Anand Giridharadas, *The New York Times* Book Review WINNER OF THE J. ANTHONY LUKAS AWARD In 1972, the United States Supreme Court made a surprising ruling: the country’s death penalty system violated the Constitution. The backlash was swift, especially in Texas, where executions were considered part of the cultural fabric, and a dark history of lynching was masked by gauzy visions of a tough-on-crime frontier. When executions resumed, Texas quickly became the nationwide leader in carrying out the punishment. Then, amid a larger wave of criminal justice reform, came the death penalty’s decline, a trend so durable that even in Texas the punishment appears again close to extinction. In *Let the Lord Sort Them*, Maurice Chammah charts the rise and fall of capital punishment through the eyes of those it touched. We meet Elsa Alcala, the orphaned daughter of a Mexican American family who found her calling as a prosecutor in the nation’s death penalty capital, before becoming a judge on the state’s highest court. We meet Danalynn Recer, a lawyer who became obsessively devoted to unearthing the life stories of men who committed terrible crimes, and fought for mercy in courtrooms across the state. We meet death row prisoners—many of them once-famous figures like Henry Lee Lucas, Gary Graham, and Karla Faye Tucker—along with their families and the families of their victims. And we meet the executioners, who struggle openly with what society has asked them to do. In tracing these interconnected lives against the rise of mass incarceration in Texas and the country as a whole, Chammah explores what the persistence of the death penalty tells us about forgiveness and retribution, fairness and justice,

history and myth. Written with intimacy and grace, *Let the Lord Sort Them* is the definitive portrait of a particularly American institution.

**The Young Lords** Oct 30 2022 Against the backdrop of America's escalating urban rebellions in the 1960s, an unexpected cohort of New York radicals unleashed a series of urban guerrilla actions against the city's racist policies and contempt for the poor. Their dramatic flair, uncompromising socialist vision for a new society, skillful ability to link local problems to international crises, and uncompromising vision for a new society riveted the media, alarmed New York's political class, and challenged nationwide perceptions of civil rights and black power protest. The group called itself the Young Lords. Utilizing oral histories, archival records, and an enormous cache of police surveillance files released only after a decade-long Freedom of Information Law request and subsequent court battle, Johanna Fernandez has written the definitive account of the Young Lords, from their roots as a Chicago street gang to their rise and fall as a political organization in New York. Led by poor and working-class Puerto Rican youth, and consciously fashioned after the Black Panther Party, the Young Lords occupied a hospital, blocked traffic with uncollected garbage, took over a church, tested children for lead poisoning, defended prisoners, fought the military police, and fed breakfast to poor children. Their imaginative, irreverent protests and media conscious tactics won reforms, popularized socialism in the United States and exposed U.S. mainland audiences to the country's quiet imperial project in Puerto Rico. Fernandez challenges what we think we know about the sixties. She shows that movement organizers were concerned with finding solutions to problems as pedestrian as garbage collection and the removal of lead paint from tenement walls; gentrification; lack of access to medical care; childcare for working mothers; and the warehousing of people who could not be employed in deindustrialized cities. The Young Lords' politics and preoccupations, especially those concerning the rise of permanent unemployment foretold the end of the American Dream. In riveting style, Fernandez demonstrates how the Young Lords redefined the character of protest, the color of politics, and

the cadence of popular urban culture in the age of great dreams.

*Lords of Chaos* Sep 28 2022 “\* \* \* \* \*! The most incredible story in the history of music ... a heavyweight book.”—Kerrang! “An unusual combination of true crime journalism, rock and roll reporting and underground obsessiveness, *Lords of Chaos* turns into one of the more fascinating reads in a long time.”—Denver Post A narrative feature film based on this award-winning book has just gone into production.

*Lords of the Horizons* Jul 15 2021 Since the Turks first shattered the glory of the French crusaders in 1396, the Ottoman Empire has exerted a long, strong pull on Western minds. For six hundred years, the Empire swelled and declined. Islamic, martial, civilized, and tolerant, in three centuries it advanced from the dusty foothills of Anatolia to rule on the Danube and the Nile; at the Empire's height, Indian rajahs and the kings of France beseeched its aid. For the next three hundred years the Empire seemed ready to collapse, a prodigy of survival and decay. Early in the twentieth century it fell. In this dazzling evocation of its power, Jason Goodwin explores how the Ottomans rose and how, against all odds, they lingered on. In the process he unfolds a sequence of mysteries, triumphs, treasures, and terrors unknown to most American readers. This was a place where pillows spoke and birds were fed in the snow; where time itself unfolded at a different rate and clocks were banned; where sounds were different, and even the hyacinths too strong to sniff. Dramatic and passionate, comic and gruesome, *Lords of the Horizons* is a history, a travel book, and a vision of a lost world all in one.

*Ballads of the Lords of New Spain* Feb 02 2023 Compiled in 1582, *Ballads of the Lords of New Spain* is one of the two principal sources of Nahuatl song, as well as a poetical window into the mindset of the Aztec people some sixty years after the conquest of Mexico. Presented as a *cancionero*, or anthology, in the mode of New Spain, the ballads show a reordering—but not an abandonment—of classic Aztec values. In the careful reading of John Bierhorst, the ballads reveal in no uncertain terms the pre-conquest Aztec belief in the warrior's paradise and in the virtue of sacrifice. This volume contains an exact

transcription of the thirty-six Nahuatl song texts, accompanied by authoritative English translations. Bierhorst includes all the numerals (which give interpretive clues) in the Nahuatl texts and also differentiates the text from scribal glosses. His translations are thoroughly annotated to help readers understand the imagery and allusions in the texts. The volume also includes a helpful introduction and a larger essay, "On the Translation of Aztec Poetry," that discusses many relevant historical and literary issues. In Bierhorst's expert translation and interpretation, *Ballads of the Lords of New Spain* emerges as a song of resistance by a conquered people and the recollection of a glorious past.

Announcing a New Digital Initiative  
<http://www.lib.utexas.edu/books/utdigital/> UT Press, in a new collaboration with the University of Texas Libraries, will publish an interactive digital adaptation of the *Ballads* that will expand the scholarly content beyond what is possible to publish in book form. The web site, to launch in conjunction with the book in July 2009, includes all of the printed book plus scans of the original codex, a normative transcription, and space to interact with the author and other scholars, as well as art, audio, a map, and other related material. The digital *Ballads* will be open access, bringing one of the university's rare holdings to scholars around the world.

**The New York Young Lords and the Struggle for Liberation** Nov 18 2021 The Young Lords was a multi-ethnic, though primarily Nuyorican, liberation organization that formed in El Barrio (Spanish Harlem) in July of 1969. Responding to oppressive approaches to the health, educational, and political needs of the Puerto Rican community, the movement's revolutionary activism included organized protests and sit-ins targeting such concerns as trash pickups and lead paint hazards. The Young Lords advanced a thirteen-point political program that demanded community control of their institutions and land and challenged the exercise of power by the state and outsider-run institutions. In *The New York Young Lords and the Struggle for Liberation*, Darrel Wanzer-Serrano details the numerous community initiatives that advanced decolonial sensibilities in El Barrio and beyond. Using archival research and interviews, he crafts an engaging account of the Young Lords'

discourse and activism. He rescues the organization from historical obscurity and makes an argument for its continued relevance, enriching and informing contemporary discussions about Latino/a politics.

*The Lords and The New Creatures* May 05 2023 Intense, erotic, and enigmatic, Jim Morrison's persona is as riveting now as the lead singer/composer "Lizard King" was during The Doors' peak in the late sixties. His fast life and mysterious death remain controversial more than twenty years later. *The Lords and the New Creatures*, Morrison's first published volume of poetry, is an uninhibited exploration of society's dark side -- drugs, sex, fame, and death -- captured in sensual, seething images. Here, Morrison gives a revealing glimpse at an era and at the man whose songs and savage performances have left their indelible impression on our culture.

*Wilderness* Jun 25 2022 Compiled from the literary estate of the singer who brought a wildly lyrical poetry of the damned to the world of rock 'n' roll. Includes unpublished poems, drawings, photos, and a candid self-interview.

*Tweet Cute* Nov 06 2020 "A witty rom-com reinvention ... with deeply relatable insights on family pressure and growing up." - Emily Wibberley and Austin Siegemund-Broka, authors of *Always Never Yours* and *If I'm Being Honest* "An adorable debut that updates a classic romantic trope with a buzzy twist." - Jenn Bennett, author of *Alex, Approximately* and *Serious Moonlight* A fresh, irresistible rom-com from debut author Emma Lord about the chances we take, the paths life can lead us on, and how love can be found in the opposite place you expected. One of *Forbes* Best YA of 2020 Meet Pepper, swim team captain, chronic overachiever, and all-around perfectionist. Her family may be falling apart, but their massive fast-food chain is booming — mainly thanks to Pepper, who is barely managing to juggle real life while secretly running Big League Burger's massive Twitter account. Enter Jack, class clown and constant thorn in Pepper's side. When he isn't trying to duck out of his obscenely popular twin's shadow, he's busy working in his family's deli. His relationship with the business that holds his future might be love/hate, but when Big League Burger steals his grandma's iconic

grilled cheese recipe, he'll do whatever it takes to take them down, one tweet at a time. All's fair in love and cheese — that is, until Pepper and Jack's spat turns into a viral Twitter war. Little do they know, while they're publicly duking it out with snarky memes and retweet battles, they're also falling for each other in real life — on an anonymous chat app Jack built. As their relationship deepens and their online shenanigans escalate — people on the internet are shipping them?? — their battle gets more and more personal, until even these two rivals can't ignore they were destined for the most unexpected, awkward, all-the-feels romance that neither of them expected.

Little Lord Fauntleroy Mar 30 2020

**Lords of Strategy** Jan 01 2023 Imagine, if you can, the world of business - without corporate strategy. Remarkably, fifty years ago that's the way it was. Businesses made plans, certainly, but without understanding the underlying dynamics of competition, costs, and customers. It was like trying to design a large-scale engineering project without knowing the laws of physics. But in the 1960s, four mavericks and their posses instigated a profound shift in thinking that turbocharged business as never before, with implications far beyond what even they imagined. In *The Lords of Strategy*, renowned business journalist and editor Walter Kiechel tells, for the first time, the story of the four men who invented corporate strategy as we know it and set in motion the modern, multibillion-dollar consulting industry: Bruce Henderson, founder of Boston Consulting Group Bill Bain, creator of Bain & Company Fred Gluck, longtime Managing Director of McKinsey & Company Michael Porter, Harvard Business School professor Providing a window into how to think about strategy today, Kiechel tells their story with novelistic flair. At times inspiring, at times nearly terrifying, this book is a revealing account of how these iconoclasts and the organizations they led revolutionized the way we think about business, changed the very soul of the corporation, and transformed the way we work.

**Lords of Misrule** Mar 03 2023 "Mardi Gras remains one of the most distinctive features of New Orleans. Although the city has celebrated Carnival since its days as a French and Spanish

colonial outpost, the rituals familiar today were largely established in the Civil War era by a white male elite." -- back cover.

*The Original Published Poetry of Jim Morrison*

Apr 04 2023 Jim Morrison was one of the most erudite and widely read of all rock stars, whatever demons inhabited his anguished soul. The name of his group The Doors was inspired by the writings of William Blake and Aldous Huxley, and the lyrics he wrote and sang bear witness to his fertile gift for rich, mysterious imagery. Much of this was overlooked amid the colourful, controversial and decadent life that Morrison chose to lead.

**Rules** Jan 27 2020 Twelve-year-old Catherine just wants a normal life. Which is near impossible when you have a brother with autism and a family that revolves around his disability. She's spent years trying to teach David the rules from a peach is not a funny-looking apple to keep your pants on in public---in order to head off David's embarrassing behaviors. But the summer Catherine meets Jason, a surprising, new sort-of friend, and Kristi, the next-door friend she's always wished for, it's her own shocking behavior that turns everything upside down and forces her to ask: What is normal?

*When You Get the Chance* May 01 2020 One of Cosmo's Best YA of 2022 A bighearted novel about falling in love, making a mess, and learning to let go, from Emma Lord, the New York Times bestselling author of the Reese Witherspoon YA Book Club pick *You Have a Match*. **\*\*An Indie Next Pick\*\*** Nothing will get in the way of Millie Price's dream of becoming a Broadway star. Not her lovable but super introverted dad, who raised Millie alone since she was a baby. Not her drama club rival, Oliver, who is the very definition of Simmering Romantic Tension. And not her "Millie Moods," the feelings of intense emotion that threaten to overwhelm. Millie needs an ally. And when an accidentally left-open browser brings Millie to her dad's embarrassingly moody LiveJournal from 2003, Millie knows just what to do—find her mom. But how can you find a new part of your life and expect it to fit into your old one without leaving any marks? And why is it that when you go looking for the past, it somehow keeps bringing you back to what you've had all along? PRAISE FOR EMMA LORD: "Brimming

with energy, rapid-fire banter, and affectionate theater references, this memorable Mamma Mia! retelling...thoughtfully pays homage while skillfully modernizing it for today's readers." - Publishers Weekly (starred review) "Chock-full of musical theater references and humor, the novel includes high-stakes emotional drama that is balanced by supportive friendships and strong, deep family connections...An entertaining personal journey with plot twists galore." - Kirkus Reviews

**At Play in the Fields of the Lord** Sep 04 2020 In a malarial outpost in the South American rain forest, two misplaced gringos converge and clash in this novel from the National Book Award-winning author. Martin Quarrrier has come to convert the elusive Niaruna Indians to his brand of Christianity. Lewis Moon, a stateless mercenary who is himself part Indian, has come to kill them on the behalf of the local comandante. Out of this struggle Peter Matthiessen creates an electrifying moral thriller—adapted into a movie starring John Lithgow, Kathy Bates, and Tom Waits. A novel of Conradian richness, *At Play in the Fields of the Lord* explores both the varieties of spiritual experience and the politics of cultural genocide.

**A Night to Remember** Dec 28 2019 She was four city blocks long, boasting the latest, most ingenious safety devices of the age, a French sidewalk cafe, a grand staircase worthy of an opera house, private promenade decks--but only 20 lifeboats for the 2,207 passengers on board. Gliding through the calm sea, the Titanic struck an iceberg--and descended into history. This absorbing book provides a minute-by-minute account of the "unsinkable" Titanic's demise.

**The Good Lord Bird** Dec 08 2020 Fleeing her violent master at the side of legendary abolitionist John Brown at the height of the slavery debate in mid-19th-century Kansas Territory, Henry pretends to be a girl to hide his identity throughout the historic raid on Harpers Ferry in 1859. By the best-selling author of *The Color of Water*.
