

Phylcia. New on the case, Harris tracks down Phylcia's only surviving daughter Avionne and is intrigued by the attractive, intelligent allure of the woman that he encounters. However, Harris can feel that underneath Avionne's cool facade there is more to her than meets the eye. Avionne feels as if Harris is a breath of fresh air. A welcome distraction, but a predatory evil; whether he knows it or not. The girl she used to be used to dream of a man like Harris rescuing her from her misbegotten life, but the woman she had become had no place for a good Samaritan such as Harris. Avionne knew once the chips fell into place either she or Harris would be worm food meeting their maker...and she wasn't quite ready to dance with the devil. This is a Pageburst digital textbook; Discover what it takes to succeed in the "real world" of physical therapy practice, where you'll rely not only on your clinical skills, but on management skills such as budgeting, recruiting, professional development, and limiting your risk of liability. Expert authors Ron Scott and Christopher Petrosirio guide you through the essentials of practice management to help you understand and master these skills and more. You'll find ideas for marketing your practice, as well as advice and information on negotiation and dispute resolution, human resources management, quality and risk management, legal and ethical issues, and fiscal management. Specific case examples from the authors' own experiences illustrate important points throughout the book. Well-known author Ron Scott draws from his unique experiences as a physical therapist clinical manager, MBA, and health law attorney to provide a uniquely comprehensive and insightful overview of physical therapy practice management. An emphasis on human resources ("people") management offers effective strategies for recruiting, selecting, and retaining the best clinicians and support professionals in this increasingly competitive field. Case examples based on the authors' own experiences bring concepts to life. Engaging exercises - including group discussions, role-playing scenarios, and short answer - help you strengthen your critical thinking skills. Current terminology from the APTA Guide to Physical Therapist Practice, 2nd Edition is used throughout. The most exciting and challenging times are upon the healthcare professionals of this nation today and it is my hope the issues covered in this book will help guide your future decisions. This book will assist the reader by providing valuable information to the student trying to decide if PT is the right career or the PT student contemplating what area of practice to take on first. The reader will get a genuine account of the PT profession and what it takes to get in and stay in. For the practicing Physical Therapist you can be certain that what you read in this book will either elevate your spirit or convict your soul. For the PT student staying up all night trying to make it through another lecture under a sleep deprived state of mind this book will lead you in the right direction before you begin your practice. Last but not least to my peers practicing daily, you know if you are providing quality care or just putting in your eight-hour day watching patients perform chair aerobics, this book will give you reasons to strive for more than mediocrity. If you are already aligned with the material in this book then enjoy the feeling of accomplishment because you are the moral fiber of the profession. Keep digging in finding the true cause of the patient's limitations while simultaneously thinking of how to correct the problem and document the truth. Just a reminder, words like; Program integrity, and Error Rates, coupled with the fact that Medicare is requesting \$720 million for the Medicare Integrity Program means the medical community should take notice. The information in this book will make a difference in your career and in the PT profession as a whole, will you?
