Back to War Jun 07 2021 In a bloody gang initiation gone wrong, Former Marine Staff Sergeant Cal Stokes simultaneously loses his fiancé and is thrust into America's unforgiving criminal underbelly. Never one to back down, the Navy Cross winner is forced to use the skills honed in the Marines along with the assets of his deceased father's company, Stokes Security International (SSI), to track down his enemy and penetrate the world of his enemy. He must seek his own brand of justice...Corps Justice.

The Science and Practice of Resilience Dec 13 2021 This book offers a comprehensive view on resilience based upon state-of-the-science theories and methodological applications that resilience may fill. Specifically, this text provides a compendium of knowledge on the theory, methods, and practice of resilience across a variety of country and case contexts, and demonstrates how a resilience-based approach can help further improved infrastructure, vibrant societies, and sustainable environments and ecologies, among many others. Resilience is a term with thousands of years of history. Only recently has resilience been applied to the management of complex interconnected systems, yet its impact as a governing philosophy and an engineering practice has been pronounced. Colloquially, resilience has been used as a synonym for 'bouncing back'. Philosophically and methodologically, however, it is much more. In a world defined by interconnected and interdependent systems such as water, food, energy, transportation, and the internet, a sudden and unexpected disruption to one critical system can lead to significant challenges for many others. *The Science and Practice of Resilience* is beneficial for those seeking to gain a rich knowledge of the resilience world, as well as for practitioners looking for methods and tools by which resilience may be applied in real-world contexts.

Fighting for Honor Jun 26 2020 New York Times and USA Today Bestselling author JB Salsbury brings her Fighting series to Harper Sloan's Hope Town in *Fighting for Honor*. UFL fighter Caleb hasn't been to Hope Town since he was eighteen. His next big fight takes place in Atlanta and the serene lakefront home from his childhood is the perfect place to train without distractions. Until he stumbles downstairs to find a woman in his house. He's met her before, and he's never forgotten. Honor was raised by her grandfather, Crazy Colonel Cartwright. Ostracized at a young age she was an

outcast. Combined with her awkward personality and she became the local bully's favorite plaything. Honor and Caleb come face-to-face and feelings from fourteen years ago come rushing back-not all of them good. She prefers to remain unknown, but she's seen in public with the world's most talked about fighter and thrust into a national spotlight that catches the attention of her childhood tormentors. And they aren't finished with her yet.

Uncaged Dec 25 2022 Greg Cage's life is more fulfilling than he ever could have imagined. He's married to the love of his life, has an amazing son, and in a few short months, his family will grow again with the birth of his twin girls. The past year has been a tough one for the Cage family, but they are now on the road to healing by learning to let go of the past and looking forward to their future. When situations beyond his control threaten to take away so much of what Greg holds close to his heart,

he has to learn that he doesn't always have the control he tries to maintain in their lives. Will he be able to handle the stress of knowing his wife and newborn daughters are beyond his protection? Join the Cage family as they embark on yet another one of life's journeys with a rambunctious four-year-old, pregnancy complications, and the fear of the unknown. Will the love that Greg and Melissa share hold true as they fight to overcome the obstacles that face them?

Locke Jan 14 2022 Darkness is the only thing I see. Ever since the day my life changed. The day that everything and everyone I held close to me ceased to exist. The day I lost it all and the demons of my past consumed my every waking moment. I tried to keep others at arm's length. Tried not to let my darkness taint them. Ruin them. Harm them. And whether I want to admit it or not, as much as I wish I could keep them locked out, they refuse to leave. Refuse to let me suffer alone. If I hadn't been so focused on keeping those demons from flying free, I wouldn't have missed how one perfect angel was able to sneak her way under my skin-refusing to let go. Making me want things I don't deserve. She consumes me. Her beauty knows no end. The love she promises tempts me every time she's near. But that pure heart that makes her MY Emmy is the one thing I'm convinced I'll destroy if I ever let her close. I'm a broken man. A broken man with too much darkness in his soul to ever let her light shine upon me. But even that doesn't stop me from craving her with every single breath in my body. **This is the final book in the Corps Security series. This book is not suitable for younger readers. There is strong language, adult situations, and some violence.**

Hidden Figures (Book Only) Dec 21 2019 Extensive reading improves fluency and there is a real need in the ELT classroom for contemporary graded material that will stimulate students. Our Hidden Figures reader is based on the 2016 nonfiction book written by Margot Lee Shetterly called *Hidden Figures: The American Dream and the Untold Story of the Black Women Who Helped Win the Space Race*. It is 50 years since man first walked on the moon, and this untold story of the women behind it makes for an appealing reader for older teenagers.

Military Judges' Benchbook Oct 31 2020

Diaster Labs Feb 21 2020 "Disaster Labs examines the promise and potential drawbacks of public-private disaster response frameworks during the course of seven chapters. After the introduction, the author introduces a series of case studies and then provides a detailed discussion of public-private collaboration in California, Florida, New York, and Virginia. A concluding chapter then comparatively assesses the value of these partnerships. The cases discussed in Disaster Labs range from informal ad hoc collaborations to formalized initiatives with detailed structures defined in contracts and memoranda, setting expectations for performance and accountability for both the government and private actors. Such accountability is desirable as it can limit fraud and corruption. But it is important to emphasize that not all solutions work in all situations, either"--

Model Rules of Professional Conduct Aug 21 2022 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state

and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

The Armed Forces Officer May 06 2021 Initiated in 1950, this 2007 edition is the latest in a classic series of books of the same title. Journalist-historian S. L. A. Marshall wrote the first at the behest of Gen. George C. Marshall, who formed the great citizen army of World War II. The general believed officers of all services needed to base their professional commitment on a common moral-ethical grounding, which S. L. A. Marshall set out to explain. Ever since, these books have provided a foundation of thought, conduct, standards, and duty for American commissioned officers. Available now to the general public, this new edition takes the series' inspirational premise into the new century. It educates officers of all services, as well as civilians, about the fundamental moral-ethical requirements of being a commissioned officer in the armed forces of the United States. Understanding the common foundation of commissioned leadership and command of U.S. military forces is essential for achieving excellence in the joint operations of today's combat environment. This philosophy unites the officers of the uniformed services in the common calling of supporting, defending, and upholding the Constitution in service to their country.

Axel Jan 26 2023 Fate hasn't always been friends with Isabelle West. In fact, fate has been a downright bitch. Isabelle has learned the hard way how hard life can be when fate isn't by your side. It can hand you dreams on silver platters, but it can snatch them right back and hand you nightmares. One thing Isabelle knew for sure fate was consistent with was taking away everything she ever loved. For the last two years Isabelle has been slowly clearing the clouds of her past. Happiness is finally on the horizon. She has a thriving business, great friends, and her life back. All she has to do is jump over the last hurdle...her ex-husband. When problems start causing her to fear her new life, and memories that are better left forgotten start rushing to the surface the last thing she needs is a ghost from her past to come knocking on her door. Axel never thought he would look into the eyes of Isabelle West again, and he wasn't sure he wanted to now. He's carried his anger for so long he isn't sure he can just turn it off, but when he is faced with protecting her and an unexpected desire to have her again, life gets a little more complicated. How will Axel and Isabelle deal when all their cards are put on the table and everything they thought was true blows up in their faces?

The Other Wes Moore Feb 03 2021 NEW YORK TIMES BESTSELLER • From the governor-elect of Maryland, the “compassionate” (People), “startling” (Baltimore Sun), “moving” (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow,

and business leader. The other is serving a life sentence in prison. Selected by Stephen Curry as his "Underrated" Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn't shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they'd hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world.

US Army Physician Assistant Handbook Feb 15 2022 "The Army physician assistant (PA) has an important role throughout Army medicine. This handbook will describe the myriad positions and organizations in which PAs play leadership roles in management and patient care. Chapters also cover PA education, certification, continuing training, and career progression. Topics include the Interservice PA Program, assignments at the White House and the Old Guard (3d US Infantry Regiment), and roles in research and recruiting, as well as the PA's role in emergency medicine, aeromedical evacuation, clinical care, surgery, and occupational health."--Amazon.com viewed Oct. 29, 2020.

Beck Feb 27 2023 ~DEE~ I've always been good at wearing masks. Not letting anyone see the real me. I'm content being the happy-go-lucky best friend. The strong willed boss. The independent woman who doesn't need a man. But the truth is I'm just as broken as the rest of you. I'm terrified that all it will take is one person to make all my carefully constructed walls crumble into fine dust. So I guard my heart with everything I have. Determined to never let anyone get close enough to hurt me again. All is perfect until HE walks into my life. No... he doesn't just walk. He struts his good-looking, sex-oozing self right into my space and demands that I see HIM. Making me want what I know I can't have. So I did the only thing I know how to do. I run. But he just won't let me go. ~BECK~ The second I see her, I know she will be mine. I see past the gorgeous smiles and heart-stopping laughter. I see HER. She doesn't want me to know her secrets or the past that haunts her, but I make it my mission to find out. To make her mine. She

can run all she wants, but it will never be far enough to stop me from coming after her. She's it for me and she knows it. She's just too scared to admit it.

Star Corps Sep 22 2022 In the future, earth's warriors have conquered the heavens. But on a distant world, Humanity is in chains ... Many millennia ago, the human race was enslaved by the An -- a fearsome alien people whose cruel empire once spanned the galaxies, until they were defeated and consigned to oblivion. But a research mission to the planet Ishtar has made a terrifying -- and fatal -- discovery: the Ahanu, ancestors of the former masters, live on, far from the reach of Earth -- born weapons and technology ... and tens of thousands of captive human souls still bow to their iron will. Now Earth's Interstellar Marine Expeditionary Unit must undertake a rescue operation as improbable as it is essential to humankind's future, embarking on a ten-year voyage to a hostile world to face an entrenched enemy driven by dreams of past glory and intent once more on domination. For those who, for countless generations, have known nothing but toil and subjugation must be granted, at all costs, the precious gift entitled to all of their star-traveling kind: freedom!

Cage Nov 24 2022 Greg Cage was born to protect. While growing up, he was his mother and sister's shield against the world... until he failed. For the last decade, he has carried that guilt and need for vengeance around... until it was stripped from him. Now, with his best friend getting married and no longer needing his protection, he is even more lost, completely adrift, and desperate for some control. All he has ever known was how to protect: his family, his friends, and his country. Can he go against everything he has ever known, and give up that control? Melissa Larson will never let anyone hold the reins in her life. She has been the rock in her family for more years than she can remember, and the fight to keep them together is her main priority right now. She has always been fiercely independent and proud. The last thing she will ever do is ask for someone else's help. But when that choice is out of her control, forcing her to rely on others to save her and her family, and pick up the pieces that are left, will she be able to let someone else be her strength? The second Greg locks eyes with Meli, he knows that she is someone he needs. Someone he craves. Meli knew the second she met Greg that he would be nothing but trouble and heartache. Her life takes an unexpected turn, and that bitch Fate is back to wreak more havoc on another member of the Corps family. All hell breaks loose, leaving Greg no choice but to call in a favor. He hooks back up with his old friend Braxxon Breaker from the Breakneck MC. Together, they make sure that nothing threatens anyone Greg loves again.

Line of Fire Aug 29 2020 Line of Fire brings to life a desperate mission of World War 2 that captures the drama and courage of the men who fought it. Two Marines, reporting on Japanese air activity, are trapped on a small Coastwatcher island. A special rescue team is assembled to save them—under enemy gunsight. It is an exciting and powerful story of real heroism that only W.E.B. Griffin could tell...

A New Conception of War Jan 22 2020

The Pig Book Aug 09 2021 The federal government wastes your tax dollars worse than a drunken sailor on shore leave. The 1984 Grace Commission uncovered that the

Department of Defense spent \$640 for a toilet seat and \$436 for a hammer. Twenty years later things weren't much better. In 2004, Congress spent a record-breaking \$22.9 billion dollars of your money on 10,656 of their pork-barrel projects. The war on terror has a lot to do with the record \$413 billion in deficit spending, but it's also the result of pork over the last 18 years the likes of: - \$50 million for an indoor rain forest in Iowa - \$102 million to study screwworms which were long ago eradicated from American soil - \$273,000 to combat goth culture in Missouri - \$2.2 million to renovate the North Pole (Lucky for Santa!) - \$50,000 for a tattoo removal program in California - \$1 million for ornamental fish research Funny in some instances and jaw-droppingly stupid and wasteful in others, *The Pig Book* proves one thing about Capitol Hill: pork is king!

Drunk on You Nov 12 2021 It was supposed to be fun. A mutual use of each other's bodies. To be a ruse to the world around us. I wanted to be free from my ex, and he wanted to escape his. One drunken night turned a joke into a life-changing moment. He warned me not to fall for him, and I should've listened. He intoxicated me. He made me crave him. He ruined me. In the end, I'll never be the same.

Warfighting Jan 02 2021 The manual describes the general strategy for the U.S. Marines but it is beneficial for not only every Marine to read but concepts on leadership can be gathered to lead a business to a family. If you want to see what make Marines so effective this book is a good place to start.

Patterns of Influence Apr 05 2021 "This book addresses applied strategic culture and investigates the usefulness of the concept to better understand how internal state dynamics form unique institutions, behaviors, and perspectives that impact their external interactions with other states. The strategic culture literature successfully provides the necessary intellectual underpinnings; this volume is more concerned with its practical application for policy makers and analysts. This is accomplished by comparing a diverse set of case studies, including Afghanistan, Brazil, China, and Kosovo, to see if they use strategic culture consistently, which provides useful insights despite differences in state size and degree of political and social order"--

Our Good Name Apr 24 2020 The Crisis That Rocked a Country and a Company... In April 2004, an illegally leaked U.S. Army report thrust CACI, an information technology company, into the international spotlight by casting suspicion on a CACI employee for being "either directly or indirectly responsible" for the mistreatment of detainees at Abu Ghraib prison in Iraq. At the same time, pictures from the abuses were shown on national television and tarnished anyone associated with Abu Ghraib--including CACI. What ensued was a media frenzy rarely seen by any company in recent decades. The media twisted the unsupported allegations into a guilty verdict without regard for the facts or the truth, creating a damning public perception of CACI. Our Good Name recounts how CACI battled to defend itself against erroneous and malicious reports by a rampaging media, how it responded to the wide-ranging government investigations, and how it overcame misplaced anger and criticism that put the company's dedicated employees and excellent reputation--even its future--at risk. Our Good Name is CACI's story of facing one of the biggest scandals in recent history...and coming out honorably with its head high.

Cooper Apr 29 2023 Do you take me seriously? Because I don't. I use my jokes and easygoing personality to hide the pain I've felt since he took his last breath. I'm adrift without my partner in crime, my best friend...my brother. I can taste the vengeance just within my grasp. Until she barges into my life. Promising me happiness and a peace I've been craving for years. She is the sun to my darkness, the happy to my despair. But she holds secrets. Just like I do. She holds hers close, where I just pray mine don't rock the walls we're trying to build. Now I'm stuck at a crossroads between my desire for revenge and my craving for her and the life we could have together--and I have no idea which road I should travel. All I know with crystal clear certainty is that the past has the power to destroy it all.

The Corps Justice Series May 26 2020 This omnibus contains Books 1-3 of the Corps Justice Series: "BACK TO WAR", "COUNCIL OF PATRIOTS", and "PRIME

ASSET". Three action thriller books that are sure to keep you turning pages late into the night. Book 1: BACK TO WAR WAR MADE HIM... BUT IT'S THE FIGHT FOR HOME THAT WILL TRULY TEST HIM. The first heart-stopping novel in the USA Today & Amazon million plus copy bestselling Corps Justice thriller series. Navy Cross recipient Cal Stokes returns from war a humble hero, ready to live out his days in peace. If only it were that easy. Evil soon rears its ugly head and plunges the Marine into the fight for his life, casting him into the darkness. When he comes to, he must use his well-honed skills to take the battle to the enemy, to fight for what is right. He must seek his own brand of justice, laws be damned. Book 2: COUNCIL OF PATRIOTS Ex-presidents never retire. Once a patriot... A group of retired politicians join forces to protect America. The Council of Patriots is born. Former Marine Cal Stokes, and his team at SSI, head to Las Vegas, to uncover an invisible enemy that threatens to infiltrate the Democratic National Convention. What is their endgame, and more importantly: Who is the American politician pulling the strings? Book 3: PRIME ASSET What do you get when old enemies return? Nothing good. Nothing good at all... Cal Stokes's good friend, Neil Patel, has disappeared. Following the trail to Jackson Hole, Wyoming, Stokes and his men must find the culprit and rescue their colleague before it's too late. The only problem is that the enemy lies in wait, hoping for a final showdown. If you like Stephen Hunter's Bob Lee Swagger, WEB Griffin's Killer McCoy, Tom Clancy's Jack Ryan, Lee Child's Jack Reacher, Vince Flynn's Mitch Rapp, Ted Bell's Alex Hawke, and Robert Ludlum's Jason Bourne, you will love Cal Stokes. The Corps Justice series has over fifteen books in total and running, plus multiple spinoffs with its most popular characters. The series has earned thousands of five-star reviews and has been downloaded millions of times to Kindles all over the world. Readers are saying... "Cooper got me hooked in the first chapter." "I can't say that I have enjoyed any series as much as this one." "Boy is it hard to work when a book is this good. Hard to go to sleep in time." I asked Corps Justice readers what my books stand for and here's what they said: "Honor, integrity and family." - Adam E. "Truth, freedom and the American way." - Alvah D. "Doing what's right." - Ken S. "Service. Honesty. Dedication." - Vicki M. "Overcoming evil." - Ken J. "Truth and Justice." - Kevin H. "Justice. Teamwork. Love of country." - Sherry C. When asked what authors they read when they're not in C. G. Cooperland, they mentioned David Baldacci, Mike Ryan, Brad Taylor, Ted Bell, Jason Kasper, David Archer, Andrew Watts and Leo J. Maloney. It's great to be associated with such an amazing cast of writers. We're not just a list of books around here. We're a family of readers who come together to share a common bond. Why don't you join us? We'd love to have you. Semper Fidelis, C. G. Cooper
