IVF is another one of those wonderful proofs of God's love towards us. Therefore, it is nothing but a christic alternative to enable men and women to achieve their paternity and maternity dreams. It was from this perspective that the author, Gabriela Lacerda, a former trying woman and mother of two children via assisted reproductions, shares with her readers a spiritual perspective about the most advanced treatment for couples who have difficulty to get pregnant. In this book, she talks about the metaphysical teachings that were essential to achieve her much-dreamed-of positive in her first in vitro fertilization attempt, giving life to her son Gael, and again, three years later, from the transfer of a single frozen embryo that enabled the arrival of her second son, Ben í cio. What may be seen as good fortune from a distance, for her, who experienced it with a lot of energy, it was the certainty that there was a spirituality watching over every detail of her journey as a conscious trying woman. The one that goes beyond physical symptoms and scarcity thoughts. The one that acknowledges that life goes beyond the visible, the material world. Welcome to the wonderful world of assisted reproduction from a spiritual perspective. Read each page with an open heart. It is safe to get pregnant easily via in vitro fertilization. Since 1958 the Maritime Administration has continuously conducted instructions in use of collision avoidance radar for qualified U.S. seafaring personnel and representatives of interested Federal and State Agencies. Beginning in 1963, to facilitate the expansion of training capabilities and at the same time to provide the most modern techniques in training methods, radar simulators were installed in Maritime Administration's three region schools. It soon became apparent that to properly instruct the trainees, even with the advanced equipment, a standardize up-to-date instruction manual was needed. The first manual was later revised to serve both as a classroom textbook and as an onboard reference handbook. This newly updated manual, the fourth revision, in keeping with Maritime Administration policy, has been restructured to include improved and more effective methods of plotting techniques for use in Ocean, Great Lakes, Coastwise and Inland Waters navigation. Soon she's turned from dowdy assistant to stunning beauty – and Max's thoughts turn from professional to very personal indeed... Max's playboy lifestyle couldn't be more different from Alex's convent – school upbringing. But Alex doesn't want to be just mistress to a billionaire. However, Max decided long ago that he would never take a wife... Billy Moon would have given his life for rock 'n' roll stardom, but the Devil doesn't come that cheap. Goth rock idol Billy Moon has it all: money, fame, and a different girl in every city. But he also has a secret, one that goes all the way back to the night he almost took his own life. The night Trevor Rail, a shadowy record producer with a flair for the dark and esoteric, agreed to make him a star. . . for a price. Now Billy has come to Echo Lake Studios to create the record that will make him a legend. A dark masterpiece like only Trevor Rail can fashion. But the woods of Echo Lake have a dark past, a past that might explain the mysterious happenings in the haunted church that serves as Rail's main studio. As the pressure mounts on Billy to fulfill Rail's vision, it becomes clear that not everyone will survive the project. It's time the Devil of Echo Lake had his due, and someone will have to pay. USA Today and Wall Street Journal bestselling author L A Cotton's angsty college mafia romance series continues with Enzo Marchetti's story... Nora Abato is the kind of girl people gravitate to. Sassy. Selfless. Stubborn. She knows what she wants and she's determined to get it. And Nora wants her very own mafioso, the bad boy with a tortured soul who will do whatever it takes to protect his family. Enzo Marchetti is the kind of guy people run from. Rash. Reckless. Ruined. As the Marchetti crime family's new enforcer, he'd rather spend his days getting his hands dirty than thinking about the future, or the girl with fire in her eyes and fight in her heart. When a new enemy threatens the Marchetti empire, Enzo and Nora suddenly find themselves in close confines, and the undeniable connection between them is pushed to its limits. He can't resist the girl who sees past the darkness in his soul and she can't give up on the guy who has never been taught how to love. There's only one problem. Enzo isn't Nora's fairytale prince, he's the villain who will destroy her dream of a happily-ever-after. He'll break her... If she doesn't break him first. \*Due to mature content that some readers may find distressing, this book is recommended for readers 18+
